SIDEWALK TO OAKLAND CEMETERY

Number of Residents on South Sweet Street Agitating a Permanent Walk to Cemetery.

MR. LON RANDALL TO ASSIST

Walk Should be in Readiness for Memorial Day—Walk Would be a Great Convenience.

Wm. Alberts, T. Bell and C. S. Randall and other residents of South Sweet street have expressed their willingness to co-operate with the city and with the cemetery association in building a good walk from the Heiden corner, south of the Northwestern tracks, to the cemetery. This is a much needed improvement. At present there is but one small stretch of sidewalk. The gentlemen mentioned are ready to lay walks in front of their residences and this will be a large reduction in the expense. We believe the city should take the matter up at once. It would not be practical to fix a grade on a level with the roadway, but good walks could be built following the lines of the present foot paths. A rustic bridge over the Randall driveway would be but an added attraction to the pretty walk and the views of Denison, the quiet shade of the river, would make this one of the most pleasant walks about the city.

Many times during the year a good walk to the cemetery is almost a necessity. On Memorial day, on lodge memorial days and on other occasions when organizations wish to go to the cemetery in a body a good sidewalk would increase the attendance and avoid a muddy or a dusty walk. We believe that every lodge in town could afford a small appropriation for this purpose and that they would soon save the outlay in livery bills. It would be a great convenience for those who wish to visit the city of the dead, and would add greatly to the interest in maintaining and beautifying the cemetery. It would doubtless add to the value of all property on the south side and would have a tendency to increase the city mail delivery limits in that direction when the population warranted.

Along the heights to the south are to be found some of the most beautiful building sites in the city, and the

owards attracting homes in this direction is the building of a good walk. The Review urges the city council, the cemetery association, the patriotic organizations and the various lodges to take the matter up at once now that these citizens have so generously come forward. It will be possible to have this walk laid by Memorial day. Denison has been pretty dead of late in the matter of public improvements; let us throw off the lethargy and show ourselves that we can do things quickly and well and with united action.

Lon Randall Will Help.

A. D. Randall, proprietor of the Economy meat market, promises very substantial aid for the cemetery walk project. He has generously offered to build, at his own expense, a strong and attractive rustic arch over the roadway running to his slaughter house. This would give just the needed touch to make the walk attractive and it will obviate the otherwise heavy expense of grading up the South Sweet street hill. Mr. Randall proposes to do a mighty generous thing and with his help and those of the property holders there should be no difficulty in pushing the enterprise to a rapid completion.

Married.

JOHNSTON-HANSEN—On Wednesday, February 14th, at the Lutheran parsonage, Mr. Leslie Johnston and Miss Selma Hansen, Rev. Frese officiating.

Mr. Johnston is the son of Mr. and Mrs. Allen Johnston, of Goodrich township and is one of the young men Crawford county is proud of. He was born and raised here and has a host of friends. The bride is the daughter of Mr. and Mrs. Christ Hansen, who live in Hanover township. She is spoken of as a young lady of refinement and possessed of high ideals. The happy couple went to Marshalltown for a few days' visit with relatives, and will be at home to their friends after March first in East Denison. The Review wishes them a happy and prosperous life.

P. W. Weberg attended the J. R. Tupper sale of Duroc hogs at Woodbine Saturday and while there purchased a \$75 hog. Mr. Weberg reported the sale being well attended, there being about 350 present. The average price paid for the Duroc Jersey hogs was \$52.56 per head.

STANDARD OIL TANKS CLOSED

The Boys Has Writ of Attachment Served on the Standard Oil Company Plant at Denison.

THEY FILED \$3,000 DAMAGE SUIT

Plan to Get Big Corporation Into the State Court to Defend Suit for Selling Alleged Bad Oil.

The Denison firm of Pfarr, Gebert & Hunt has started out to bring the Standard Oil company to its way of thinking, as to the company's liability for selling oil which had sufficient gasoline in it to cause a deadly explosion. The Denison boys thus far have won the first move, by getting the company to appear in the state courts to defend an action against it for \$3,000 damages.

Many will recall that for some time The Boys ran a branch store at Pisgah also that their agent received from the Standard Oil company at Sioux City a barrel of oil, and that part of the contents when sold proved so explosive that a mother and some of her children were killed. The husband brought suit in the courts of Harrison county and in time obtained a verdict against The Boys for something over \$800. The Boys stood all the expenses and the damage to business. Now demand is made on the Standard Oil company to pay \$3,000 as some compensation to the merchants.

The Standard Oil company has always refused to recognize the claim of The Boys. It paid the husband and surviving children \$6,000 without suit. Being an Indiana corporation it would naturally have to be sued in the federal courts. To get around this The Boys made the claim a little less than \$3,000 and issued a writ of attachment on the property of the company at Denison. The plan here was thus tied up all day last Saturday. The news of the situation soon went to Des Moines and Monday an attorney of the oil company came here. He put up a bond for \$6,000 to have the attachment released, and will appear to defend the suit in the district court in Crawford county. The oil company can then move to remove to the federal court and many other things.

MANY HOMES SADDENED BY DEATH

Four Deaths Are Chronicled in This Issue—Well Known and Respected Citizens Pass Away.

FORMER VAILITE IS IN THE LIST

L. E. Mahan Suddenly Dies at His Kansas City Home, Bright's Disease Being Cause of Death.

MAHAN—At his home in Kansas City, Mo., on Sunday morning, Feb. 18, 1912, Mr. L. E. Mahan, who was about 50 years old, and had been a sufferer for more than two years from Bright's disease, and while his demise is sad indeed, yet it was not wholly unexpected, inasmuch as he and his loved ones recognized that so firm a hold had Bright's disease on his system that its triumph was but a question of time.

Mr. Mahan married the only daughter of Mr. and Mrs. Thomas Clement, who formerly lived near Vail, and were among the best known, most prominent and wealthy people of the county. He had been for a quarter of a century, or such a matter, very prominently identified with the railroad interests of the southwest, being chief livestock agent for the Alton railroad for more than twenty years, having his headquarters in Kansas City, and perhaps through his direct efforts the Alton handled and shipped more live stock from the southwest to Chicago than any other railroad system in the country.

Some five years ago he resigned his position with the railroad company and moved to Kansas City, where he has resided up to the time of his death, having previously bought what is known as the Maston ranch, one of the most magnificent holdings in the southwest, a few miles northeast of Kansas City.

He is survived by his wife, formerly Miss Lottie Clement, by a son, Clem M., who married Miss Lally, of this city; a son, Claude, now with the telephone company in Kansas City; an accomplished daughter, Miss Hazel, and two grandchildren, Claude and Addis Mahan.

During his last illness and up to the time of his death he was surrounded by and administered to by his loved ones and all the comfort

that human aid could give was given him.

The funeral occurred at 2 o'clock Tuesday from the family residence at Kansas City, and was attended by Mrs. Dr. Brannon and Mr. Lally, of this place. The condition of Mrs. Lally's health prevented her attending the funeral.

The very wide circle of friends in this county, and in Clinton county also, who have known, loved and respected the Clement family grieve with Mrs. Mahan in her inestimable loss.

KEMMING—At her home in Hanover township, on February 17, 1912, Mrs. Christine Kemming, aged 80 years, Mrs. Christine Kemming nee Berg, was born the 16th day of February, 1832, in Cross Zastrow Kreis Grimin, Provinz Pommern, Germany. In 1860 she was wedded to Mr. Christoph Kemming, and they came to America five years later, locating in Chicago. In 1880 they moved to Iowa, coming direct to Crawford county and settling on a farm in Hanover township, where deceased has since resided. Her husband died some 23 years ago. She was the mother of seven children, all of whom survive her, except Fred, the eldest, who died in infancy. The children are: Christ J., Chas. C., F. W. and L. W. and Mrs. Johanna Marquardt and Mrs. Ricka Huebner.

Ever since the death of her husband Mrs. Kemming remained on the farm in Hanover township, her son, F. W., caring for the farm and stock. She much preferred the quiet farm life to that of town, and it was her wish to spend her days where she and her beloved husband had lived so long.

The funeral was held Monday, February 19th, from her late residence, and at the Hanover Lutheran church, and interment was made in the Hanover township cemetery. There was a large attendance of friends at the funeral.

BOETTGER—At her home in Morgan township, Thursday, Feb. 15, 1912, Mrs. Marie Boettger, aged 37 years, pneumonia being cause of her death. Mrs. Marie Boettger nee Dahms, was born in Otter Creek township, Crawford county, Iowa, August 2, 1874. She was married Feb. 9, 1899, to Mr. John Boettger, and the marriage was blessed with five children, four boys and one girl, two of the children pre-

BAPTIST MINISTER RESIGNS PASTORATE

Rev. C. E. LaReau Tenders His Resignation to Take Effect in June.

DENISON PLAYS BASKET BALL

Girls' Club of North Brick Defeated by Woodbine Team—High School Boys Win From Woodbine.

Rev. C. E. LaReau tendered his resignation as pastor of the First Baptist church of this city on last Sunday morning. He has been with the church of Denison for a number of years and during this period there has been every evidence of temporal prosperity. Extensive improvements have been made to the church building, both inside and out, and the finances have been in such a condition that no appeals have been made to the public.

While there has been consideration of presenting a petition signed by the members, asking the pastor to withdraw his resignation, Rev. LaReau authorizes the statement that he has definitely decided to transfer his work to another charge. He has been for a number of years president of the district association of Baptist churches of this part of Iowa, and has been most active in maintaining this denomination in Iowa. During his pastorate fully fifty members have been added to the church, and he is leaving Denison with the feeling that his stay has been most beneficial to the local society.

The North Brick girls' basket ball team was defeated last Saturday afternoon at the Bruderschaft by the Woodbine normal college team by a score of 21 to 9. The Denison team was outclassed against the crack girls' team from Woodbine. After the first few minutes of play it was evident which side would win, however, the north brick girls played a very snappy game and played hard until the whistle blew. Although the score was one-sided, it was a very interesting game and the young ladies showed much skill in handling the ball. The Woodbine forwards were both good basket throwers and were too much
