Value of Newspaper Advertising

Two Souls Saved by \$100.00 Display Advertisement.

Save Your Soul and Business as Well

Chicago, July 22.—Two souls were saved as the direct result of a newspaper display "ad." The advertisement cost Rev. Benjamin Bicklebrown, pastor of the Onward Presbyterian church \$100. He said today that \$50 apiece for souls was cheap. Mr. Bicklebrown receives no salary for being the pastor of the small church. He earns a living by selling life insurance. The \$100 was paid out of his own pocket, and he says he will do extensive advertising in the future. The "ad" which won the two souls was headed: "God's Word," and contained Paul's letter to the Thessalonians.

"I believe," said Mr. Bicklebrown today, "that the churches will soon realize that newspaper advertising as supplementary to their working program is indispensable. It is economy. Through newspaper advertising I can reach 1,000,000 persons at one time. I have written John D. Rockefeller explaining how much good he could do advertising scripture in newspapers. God's word will do its own work. All we need to do is to circulate it."

An Ad. in the Review Won't Cost You \$100 But It Will Do You a \$100 Worth of Good.
