Word was received in Denison that the operation was successful and every indication points to a speedy recovery.

Mr. Will Cook, of Milford township, was in the office the fore part of the week settling for the advertising for his public sale, which was held the 9th. Mr. Cook told us that he never made a better investment than the Review to advertise the sale and that his sale was most satisfactory. A large crowd was in attendance notwithstanding the stormy weather and his stuff all sold at the top notch. Malone Brothers cried the sale and secured the best of prices for the articles sold.

We understand that Miss Grace Schlumberger has been recently elected as teacher of music in the public schools of Vail at a recent meeting of the school board at that place. The contract was signed the fore part of the week and Miss Schlumberger will commence her new duties next Monday. This work does not interfere with the classes here or at Dow City, as she will only spend one day each week at Vail. Miss Schlumberger has proved her ability as a musical instructor and we feel sure that the board of directors at Vail have chosen wisely in tendering this position to Miss Schlumberger. This is an entirely new subject in the public schools at Vail, being the first time that it has been taught there.

The Knights of Pythias held installation at their hall Monday evening, when there was a fair attendance. The new officers were on hand and were properly installed by the installing officer, Knight W. D. Luney. A lap supper was served later in the evening.

W. M. Savery, of the Denison Bottling works, suffered a sprained and badly bruised leg on Tuesday night, as a result of a small railroad wreck on the Milwaukee near Panama, when a train in which he was riding was derailed. Mr. Savery was riding in the smoker in which there were some twenty other men, all of whom sustained slight injuries. The coach was demolished and a brakeman was quite seriously injured. Mr. Savery's injury, however, is not such as will confine him to his home for any great length of time.

We are pleased to state the condition of Miss Minnie Evers continues to improve. Our readers will remember the sad accident which occurred on Friday evening, January 3d, when the six people met a sudden death at the North Western crossing just west of Denison. Miss Evers is the only surviving occupant of the ill-fated carriage. For a time her life was in great danger, but her physicians give every assurance of her recovery, although considerable time will elapse before she will be able to be up and around.

The board of supervisors met in January session Monday of last week and proceeded to organize. The new member of the board, Mr. Martin Nehls, of Washington township, took the oath of office and is now one of the official members. At the Monday meeting Mr. John Carey was elected chairman for the ensuing two years. Mr. Carey has held county office so long that he is entirely familiar with the workings of county affairs and will no doubt manage the affairs of the county board in a manner satisfactory to all members of that body.

P. J. Klinker evidently does not intend that the location of his law office shall remain in obscurity, judging from the size of the sign which he has put upon the south side of the Goldheim building. John says he has no regrets that he is out of the office because he can now devote his time to his law business without any interruption by public business. We imagine in the long run he will find it quite as profitable looking after his private business as when he was looking after the business of the county. He secured all the prestige from the office of county attorney which he could have expected to receive if he had held the office for another term, and is, therefore, not the loser in any sense by the change.

MANILLA LODGES INSTALL.

Officers From Denison Assist in Installation, Says Manilla Correspondent to Nonpareil.

Manilla, Jan. 13—The Pansy Rebekah lodge and Odd Fellows of this place held a joint installation of their respective newly elected officers for the ensuing term at the Odd Fellows hall Saturday evening. To say it was an overwhelming success is putting it mildly, for it was complete in every detail and both lodges enjoyed a pleasant sociable evening.

S. P. Jacobsen, district deputy grand master, and E. E. Ransom, district deputy grand marshal, both of Denison, were present and assisted the Odd Fellows in their installation. Mr. Killion, of Dow City, former district deputy grand master, was also present and assisted in the ceremony. The Odd Fellows installed the following officers:

Noble Grand, John Hammon. Vice Grand, Will Conrad. Recording Secretary, Will E. Bliven. Financial Sec., John Gleiser. Treasurer, James Tryon.

Mrs. Mary Ahrens, district deputy grand president, and Miss Agatha Brummer, district deputy grand marshal, both of Denison, were present and assisted in the installation of the Rebekah officers for the coming term of office. The officers installed for the Rebekahs were:

Noble Grand, Mrs. Hazel Tryon. Vice Grand, Mrs. Ruth Bliven. Secretary, Miss Carrie Gleiser. Treasurer, Will E. Bliven.

After the installation all present withdrew to the dining hall and partook of a two-course supper. Oysters, pickles, sandwiches and coffee comprised the first course and cake and banana salad the second course.

All present enjoyed themselves royally and the gathering will long be remembered.

SUICIDE AT CARROLL.

Ex-County Clerk John Grelek Commits Suicide by Shooting Himself in Head Sunday.

John Grelek, ex-county clerk of Carroll county, committed suicide at Carroll last Sunday evening by sending a bullet into his right temple, while at the German club rooms, and died within a short time. Monday had been set as the time to check up his accounts as a retiring county official, and it is rumored, according to press reports, that the real motive for the suicide will be found when the books are investigated. Mr. Grelek is well known to many Crawford county people, having lived at Manning a number of years. He has served two terms as county clerk in Carroll county and was defeated for a third term at the recent election. He leaves a family.

Senseney welcomed Rev. Williams in behalf of the Methodist church and Rev. J. Jas. DePree in behalf of the Presbyterian church. Rev. Williams spoke in response, thanking all for their kind words of welcome and pledging himself to be worthy.

After the speaking refreshments were served by the members of the church and many remained to meet the new pastor and his wife.

JAMES HARVEY BURNED OUT.

Defective Chimney Cause of Fire That Destroyed Residence of James Harvey Tuesday Afternoon.

Shortly after the dinner hour on Tuesday last the farm house on the old place known as the Shaw farm, southwest of Denison, and occupied by James Harvey, was discovered to be on fire. Flames were seen to shoot from the roof near the chimney and it is supposed the fire started from a defective flue. As soon as it was discovered Mr. Harvey attempted to put out the blaze, but realized that his efforts would be in vain and he telephoned to his near neighbors, who hastened to the scene. Most of the household goods were taken from the burning house but the building itself burned to the ground.

Mr. Harvey expected to remove to the George Huffman farm near Arion on March 1st, but the burning of his present home will undoubtedly change his plans and he no doubt will move to Arion at once.

On Tuesday night the S. S. club showered Miss Gulick and had a very delightful and informal party. Pink and white decorations were used and the place cards were heart shape and decorated to suit the event celebrated. The guest of honor, Miss Gulick, was served with nine others at the round table and the other members and guests were in cozy groups at small tables. A very nice menu was served in two courses. Miss Anderson having charge of the supper.

A large white parasol, decorated in white flowers, was suspended from the ceiling over the platform and from this hung a number of little gifts with nonsense jingles. Miss Gulick was escorted to the seat of honor and assisted by Miss Strahan read her jingles amid much fun and laughter. At the close of the mock shower Miss Brodersen, president of the S. S. club, presented Miss Gulick with a beautiful silver carving set.

Miss Gulick made a most graceful reply and invited all of the club and guests to come to Jefferson to visit her. In the going away of Miss Gulick the S. S. club loses a charter member, one of the most helpful and charming of girls and a well beloved and popular friend. At the close of the shower Miss Lally and Miss Brodersen led a grand march in which everyone joined. The entire evening was a jolly and informal one, the program being in charge of Miss Jenna Strahan and Miss McAhren. The brilliant music of Miss Laub added much to the evening's pleasure.

W. T. Huckstep, of Milford township, was a Review caller this afternoon and renewed his subscription to the Review and also ordered the leading daily paper of the country, the Chicago Inter Ocean, which is clubbed in connection with the Review. Mr. Huckstep feels that he is one of the oldest old settlers in the county at this time, as so many of the older pioneers have passed away during the past year. His time reckons before the civil war.

Dr. Hal C. Simpson expects to go to Kansas City next week, where he will attend a meeting of the Missouri Valley Veterinary association. The doctor has been secretary of this association for a number of years and takes a great interest in the work. There are some six or seven hundred members of the society, most of whom are expected at the meeting. A most excellent program has been arranged for.
