Miss Emma Vollertson Becomes Bride of Mr. Gustav Anderson on Wednesday, March 26th.

HAPPILY MARRIED AT DOW CITY

Miss Emma Vollertson Becomes Bride of Mr. Gustav Anderson on Wednesday, March 26th.

BOTH POPULAR YOUNG PEOPLE

Bountiful Wedding Feast Partaken of by Many Guests and Realatives of Both Parties.

Dow City, April 1—Special— Last Wednesday at high noon occurred the marriage of two of our well known young people, when Miss Emma Vollertson became the wife of Gustav A. Anderson. Rev. Henry Wendt, of Manilla, read the marriage service in the presence of the members of the two immediate families. Misses Minnie Vollertson and Emma Anderson were the bridesmaids and Benjamin and Charles Mesenbrink acted as best men. The marriage took place in the pretty parlor of the Vollertson home, the room being decorated with flowers and ferns. Miss Mary Vollertson played the wedding march, as the bridal couple took their places. After the ceremony was over the entire company sat down to a bountiful wedding dinner, prepared by the bride's mother and it was one of those good ones for which Mrs. Vollertson is noted. Later the company repaired to the home of the groom's parents, where they again feasted and made merry. Miss Vollertson is the second daughter of Mr. and Mrs. Chris Vollertson and is a young lady of such sweet temperament and winning ways that she is universally loved and admired. Mr. Anderson has made an excellent selection in choosing her as a wife. The groom is the eldest son of Mr. and Mrs. Gus Anderson. He is a popular member of the younger set and a young man of good moral habits. They start in married life under most favorable conditions, with congratulations and best wishes of a host of friends. They will live on his father's farm two miles southwest of town. We extend our heartiest wishes for unbounded happiness and prosperity as they journey through life. Several months ago Jack Ahart lost his gold watch from his pocket while riding through the country north of his home while there was considerable snow on the ground. Last Sunday he had occasion to journey over the same stretch of road and accidentally discovered his watch laying by the roadside. He picked it up and wound it and it started to run. It seemed allright in every way and none the worse off for its long repose in its unusual resting place.

What greater proof of their quality and excellence than the fact that they are demanded year in and year out by over three million women the civilized world over? NONE.
