BADLY INJURED WITH SHARP HOE

Lars Petersen Meets Painful Accident Friday Morning—Falls on Sharp Garden Hoe and Cuts Hand

FIVE STITCHES ARE NECESSARY

Sad Accident As Mr. Petersen Must Depend on His Own Efforts For a Living.

Lars Petersen met with a painful accident last Friday morning out at the Jim Scott home, two miles north of town, where he had gone a day or two previous to plant the family garden. He had just finished sharpening a hoe and had started for the garden when he tripped on a loose board and fell to the ground in such a manner that his hand struck the blade of the hoe, cutting entirely across the palm, the wound being deep enough to sever the cords leading to two fingers. A physician hurriedly summoned responded quickly and found the wound bleeding freely. He immediately dressed the hand, five stitches being required to close the deep part of the wound. Mr. Petersen was brought to town and is being cared for at the Wm. Spence home. It is a most unfortunate accident, in that Mr. Petersen is an old man and must depend on his own efforts for a living. He employs his time making gardens, pruning trees, etc., and thus it will be seen that after a season of illness he had but begun his spring labor. His accident will of necessity lay him up for some time. His many friends trust that the hand may heal nicely and as readily as possible that he may again resume his accustomed labors.

DOW CITY WINS GAME

Defeats Denison Normal School Nine by Score of 11 to 10—Bell and Sharp Home Battery.

It was a great game. They came down to "shear," but they went home "shorn." The Denison normal college nine came down Friday to scalp our high school nine and for a while—and a good while—it looked as if they would accomplish their purpose. The normal boys started out on a good trot and it seemed as though our boys couldn't keep the pace, for until the close of the eighth inning they kept the lead with the score 10 to 6. In the ninth the locals saw that it was sink or swim, so by sheer effort they raised their score to 11, thus winning the game by one point. Bell and Sharp and the home battery, did excellent work, but of course the others did their share. The Dow City lads go to Denison to play a return game with the high school next Friday afternoon.

PLEASANTLY SURPRISED

Mr. and Mrs. E. V. Goddard Taken by Surprise by Their Children and Other Relatives.

Mr. and Mrs. E. V. Goddard were pleasantly surprised last Sunday when their children and other relatives took possession of their home and helped them celebrate their birthdays. The guests brought good things for the dinner and that with the things prepared in the home without the parents' knowledge made up a veritable feast. The dinner being over the remainder of the day was spent in social intercourse. The children were overjoyed to know that their plans were so well laid and the secret so well kept that the guests were in the house and seated before Mr. and Mrs. Goddard knew of their presence. It was a day which will be long remembered by the family and scores of friends join in wishing them many more such happy birthdays.

CELEBRATE HER BIRTHDAY

Mrs. Anna Doser's Friends Gather at Her Home and Help Celebrate Anniversary.

A dozen ladies went out to the home of Mrs. Anna Doser last week Tuesday to help her celebrate her birthday. They issued their own invitations and did not let Mrs. Doser know of their coming. When they arrived the guest of honor was about some outdoor work, so they took possession of the house and were making themselves at home indeed when the mistress came in. The surprise was complete, Mrs. Doser not knowing for a moment what to say or do. She soon took in the situation, however, and welcomed the guests. They had

brought well filled baskets and soon the hum of voices told that the spread was being prepared. About noon the company sat down to a bounteous birthday dinner which all enjoyed to the utmost. This particular circle of elderly ladies have had great enjoyment in the past in celebrating birthdays, but there seems to be a number who haven't had any birthday for some time, but maybe it will come unexpectedly. If it does, better look out.

PERSONALS

Virgil Butterworth spent Sunday with friends at Woodbine. Clarence Schwartzbach, of Denison, was visiting friends here Sunday. Mr. and Mrs. N. B. Butler visited relatives in Denison one day last week. Miss Elizabeth Slattery was in Denison Wednesday shopping and calling on friends. C. C. Antisdal is advertising goods that all housewives are interested in. Look up his ad. Misses Etta and Josephine Stepanek were in Denison Saturday having dental work done. The Wallace Edwards family will occupy the house being vacated by Lincoln Goddard. Mrs. Hugh Butterworth was in Denison last Wednesday shopping and visiting with friends. The Nate Hain family moved last Friday to the Wiggins house in the west part of town. Mrs. Ada Wheelright went to Denison Wednesday, where she visited until Thursday with friends. George Wendt, of Battle Creek, visited here several days the latter part of the week with a friend. Mr. Andrew Bell, Sr. came down from Denison the first of the week to visit his friends and relatives. Misses Maude Brake, Bessie Alexander and Gladys McCord were calling on friends in Denison Saturday. Mr. Frances Gable, of Lincoln, Neb. visited a day last week with his friends, Mr. and Mrs. N. R. Wilder. Mrs. Dean Talcott was down from Arion one day last week visiting her sister, Mrs. Raymond Butterworth. Miss Lucy Healy went to Charter Oak Sunday morning to spend the day with her sisters, who reside there. Mrs. C. C. Antisdal has been suffering from a severe attack of bronchitis. She is improved, however, at this writing. Miss Gladys McCord went to Dunlap Sunday and spent the day at the home of her grandmother, Mrs. Mary Bixler. Mrs. Mary Terry was down from Denison the latter part of the week visiting her sister, Mrs. Albert Alexander.

Mr. and Mrs. Frank Barrett, of Denison, were recent visitors at the home of their cousins, Mr. and Mrs. John Griffin. Andrew Jackson and Elmer Newkirk drove to Kenwood in the Jackson car one day last week on a business mission. Miss Elsie Spence came over from Harlan last week for a visit with her grandparents, Mr. and Mrs. William Spence. Mr. and Mrs. Philip Deltrich moved last week to the west part of town and are occupying the David Walters new house. Mrs. Mary Quick came up from Dunlap Sunday and will make an extended visit with her parents, Mr. and Mrs. Link Riddle. Mr. and Mrs. Clarence O'Meara drove over to Buck Grove Sunday to attend religious services and visit with friends. Miss Elizabeth Ahart went to Denison Saturday to visit her parents, Mr. and Mrs. Geo. Ahart. She returned Sunday. Miss Bernice Alexander came up from Omaha Saturday for a week-end visit with her parents, Mr. and Mrs. Albert Alexander. Mrs. Eva Baber returned Thursday from a month's sojourn in Omaha and will occupy her residence property here from now on. Mr. and Mrs. Arthur J. McColl, of Kansas City, were in town Wednesday and spent the day with his parents, Mr. and Mrs. Joe McColl. Mrs. Valla Vaughn and children went last week to Anthon, where they will make an extended visit with her parents, Mr. and Mrs. Clark Sterrett. Mark Riley, rural carrier on route No. 1, has so far recovered from his recent attack of rheumatism that he is able to resume the work on the route. Mrs. Ward McDonald and baby daughter have been spending the past ten days at the home of her parents, Mr. and Mrs. Fred Thompson, on Prety Prairie.

Mr. and Mrs. Orvie Boham moved Monday into one of the Wheelright houses in the east part of town, it being vacated last month by the Jim Baber family. The special meetings at the M. E. church closed last Wednesday evening and the Rev. A. S. Dean, who conducted them, has returned to his home at Sloux City. Miss Elsie Randel and her mother expect to leave this week for Eureka Springs, Ark., hoping to benefit Miss Elsie's health. Many friends trust she may secure the desired benefit. Mrs. Ed Hayes and two children came Sunday from Nebraska to join her husband, who works in the shop with Fred Colby. They will live in Mrs. Elizabeth Wiggins' house. The L. E. McBride family moved on Monday into the new residence recently built by Tom Walters. L. H. Goddard will occupy the Baptist parsonage, which the McBride family vacated. The Chautauqua programs are now ready for distribution. Call on your grocer for one of them when in town, or see A. L. Jackson. Read up the good things to be presented and plan to attend. Norman Riddle is convalescing nicely from his illness. He is able to sit up a while each day and will soon be able to be out again. No one is more delighted over the outlook than Norman himself. Mr. and Mrs. Claude McDonald and son were here from Denison Sunday visiting friends. Mrs. McDonald is on her way home from Dunlap, where she had been on account of the illness of her mother. Miss Estella Riddle has accepted a position as saleslady in the Herman Lazerus store. This will be very satisfactory to the large array of customers at the big store for Miss Riddle is favorably known here. The continued wet weather has played havoc with the approach to the county bridge near Frank McHenry's, and we are told that it is out of commission. This is one one of the principal roads into town and will doubtless be repaired at an early date. Fred Pearsall and Andrew Jackson are the owners of a fine new auto of the Buick make. We understand that these two gentlemen have secured the agency for this make of car. Both members of this firm are hustlers and will no doubt find purchasers for a number of the machines. The G. H. C.'s met last Saturday with Miss Agnes Goddard. The day was an exceedingly rainy one, but this did not deter the members and invited guests from attending and a delightful afternoon was spent together. A pleasant feature was a toothsome lunch served at 5 o'clock. Brian Iseninger has purchased of N. R. Wilder the former Joe Best house east of Main street, and will obtain possession June 1st. This will make the Iseninger family a comfortable home. We understand that it is Mr. Wilder's intention to move to his farm when he vacates this property. Mr. and Mrs. Harry Mix, of Omaha, spent a few days here with her parents, Mr. and Mrs. J. G. Graul. They are both working for the Western Union Telegraph company in Omaha and are taking a two week's vacation. They left here Monday for Cedar Rapids, where they will visit his parents. About thirty-five friends of Peter Dybdal's young folks gathered at their home last Saturday evening for an old-fashioned hop. They had a most delightful time—so much so that they found the hours all too short for their pleasure. A fine lunch was served at midnight and all went home Saturday. Miss Lola Fishel came home Saturday from Cedar Rapids. Miss Lola has finished her course in the business college at that place and is home for a time. She will work in the Dow City bank while here. Miss Fishel is an energetic, capable young lady and adding her natural abilities puts her in the front ranks among the business workers. Miss Schlumberger's piano pupils' recital, which was to have been held last Friday evening, was postponed on account of the storm. It will be held next Friday evening, May 9th, at Smith's hall, beginning at 8 o'clock. No admission fee charged. The Dow City ladies' quartet will make their first public appearance at this program and Miss Marjorie Bryan will also give a reading. Commencement is but a trifle more than three weeks away. Our class this year consists of seven girls and five boys. The class play, "Mr. Bob," for which places are assigned, will be given the last day, at which time Carl Motter will give a chalk talk, Lena Birkhofer will give the class history and Florence Stepanek will give the class prophecy. Sunshine Rudd and Ruth Glassburner will preside at the piano. The box which the M. E. church people send annually to Miss Mamie Glassburner in far away China, is to be sent May 20th. It goes earlier than usual on account of having to freight it through because of its weight. It usually goes by express or post, but it has never been so voluminous as this year. Should anyone desire to contribute either articles or money for the box communicate with Miss Mildred Wiggins before the above named date. The race track projectors got busy last week and put in the bridge over the Scatterbranch and opened up the road leading to the course. On Monday the track was surveyed and the work is under way for the grading of it. Dow City never does anything by halves, nor will it in this

case, for the right kind of men are backing the project and in another few weeks we will see one of the finest race tracks in this part of the country. John Edwards, Sr. and Mrs. Della Bybee were united in marriage last Tuesday afternoon, April 29th, at 5 o'clock at the residence of Alfred Jackson, who read the marriage service and pronounced them man and wife. They are too well known to need any introduction to our people, both having resided in this vicinity many years. They will continue to live here and will occupy the groom's house in the northeast part of town. We extend congratulations. Word comes from Rochester, Minn., that Mrs. Isaac Howorth, who underwent two severe surgical operations recently, is again confined to her bed and fears are entertained that another abscess is forming on the liver. She had been able to about her room until last Thursday when she was taken ill. This is indeed most discouraging to her relatives and friends and all sincerely hope that she may not find it necessary to submit to another operation. Mr. Howorth expects to go this week to her bedside. There will be special mother's day services at the M. E. church next Sunday morning and evening. Several selections of special music will be given at the morning service, which begins at 10:45, and a suitable address to mothers will be given by the pastor, and white carnations will be distributed to the mothers who are present on this occasion. In the evening at 8 o'clock a miscellaneous program will be given, consisting of readings, recitations, solos, songs, etc. Both of these services will be appropriate to the day we are commemorating. Plan to attend and witness them. Miss Ruth Oslin entertained the seniors last Saturday night at the home of Miss Janet Rae. Ten of the class were present, also Professor and Mrs. Gates. In a sewing contest Miss Lucinda McHenry won the ladies' prize and Professor Gates the gentlemen's (and this speaks well for the professor, doesn't it?) both prizes being beautiful bouquets of sweet peas. Other contests and games furnished much merriment and the evening was one round of pleasure. A fine three course lunch was served, after which the guests took their departure, declaring it one of the most pleasant evenings they had ever had.

Machine darning of table linen is better than hand work. Fill the shuttle with medium weight darning cotton and the needle with No. 50 white cotton. Then stitch back and forth on the right side until the hole is covered, crossing if necessary. Keep the needle down, but raise the foot when turning at the end of each row. When the linen is laundered the darn is scarcely discernible. Here is a remedy for soft corns. Dip a piece of soft linen rag in turpentine and wrap it around the toe on which the corn is night and morning. In a few days the corn will disappear, but the relief is instantaneous. When Well-Known Denison People Tell It So Plainly. When public endorsement is made by a representative citizen of Denison the proof is positive. You must believe it. Read this testimony. Every sufferer of kidney backache, every man, woman or child with kidney trouble will do well to read the following. Adam Schneekloth, 214 E. Benefit St., Denison, Iowa, says: "Doan's Kidney Pills, procured from the Lamborn Drug Co., were used in my family and proved very effective in relieving pain and lameness in the back, caused by disordered kidneys. I cheerfully recommend this preparation." The above statement must carry conviction to the mind of every reader. Don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Schneekloth had—the remedy backed by home testimony. 50c all stores. FIRE BELL DISTURBS SLUMBERS

Friday Night's Alarm Calls Out Fire Boys in Great Haste—Lightning Strikes Electric Wire

Last Friday night at 10:45 our peaceful slumbers were disturbed by the ringing of the fire bell. The firemen and others were soon on the ground, but discovered the fire had been put out. During the electrical storm which was in progress the lightning struck the electric wire which connects up the moving picture machine. It seems that when the connection was made no fuse was used. Thus when the voltage became too great, as in this case, there was nothing for it to do but burn. The mayor, the inspector and the moving picture management have been much criticized since the conditions have become known. Too great precaution cannot be taken in wiring, for many destructive fires have been caused by no greater cause than this. Should it have occurred or ever occur when the house is full, we are assured that there is no danger on account of the machine being situated in its steel box. The fire was discovered by young people dancing in the hall, who used great presence of mind in getting the fire under control so quickly.

Omaha, Neb., May 6—Ninety houses restored at an average cost of \$228.15, 1182 families provided for in the way of rents, clothing, furniture and provisions, and loans made to 35 families is the record of the restoration and relief committees, which have charge of the rejuvenation of the stricken tornado district. The restoration of the stricken district is one of the most pleasing incidents in connection with the memorable catastrophe. A visit to the path of the cyclone today is a revelation to those who saw it immediately after the disaster. New homes are shooting up here and there and the repairs on those damaged is little short of wonderful. Of the 1,137 homes damaged, 886 are in course of repair or have been repaired at the present time, while of the 642 totally destroyed, fully one-half are being rebuilt. \$90,000 have been spent in restoration and relief work by the committees to date. This amount, however, does not include money expended by those who were able to take care of themselves. It represents the outlay to those who need assistance. Before another ninety days rolls around it is certain that every case worthy of assistance will have been investigated and arrangements made for the rehabilitation of the home. The committees are working with the idea of helping those who suffered, to help themselves. Their homes are being financed in a way that they will not feel the press of business methods when the settlement times come, for aid is being given as the recipient desires, if his case is worthy. The systematic manner in which aid is being given has elicited much favorable comment throughout the country. "The Nebraska spirit will manifest itself and you can't keep it back," says a prominent eastern publication. Omaha was fortunate in that none of its business district was damaged and the earning capacity of none of the sufferers was impaired. Out of the stricken district will come a new Omaha, a better Omaha and a better citizenship, satisfied in the knowledge that the brotherhood of man takes care of its own.

L. C. Smith & Bros. Typewriter

(Ball Bearing—Long Wearing)

In buying a typewriter you want a satisfactory answer to three questions: What will it do for me? How well will it do it? How long will it do it? By answering these queries with the needs of the typewriter owner and user in mind, the L. C. Smith & Bros. Typewriter Company has attained the front rank in the typewriter field.

Some people think that a typewriter is a typewriter and that is all there is to it. Machines may look alike but there is a lot of difference in efficiency. The new Model Five is built not only for straight correspondence but for tabulating, billing and in fact for every service needed in the average business. Its ball bearings at all points where friction develops through action, permit close adjustment and insure correct and accurate typewriting.

We would like the opportunity to tell you more about it. Write for free book of our new Model Five. L. C. SMITH & BROS. TYPEWRITER CO. Head Office for Domestic and Foreign Business SYRACUSE, N. Y., U. S. A. Branches in all Principal Cities. Omaha Branch 1316 Farnam St., Omaha, Nebr. 47-9t.

The Toledo Blade informs its readers that "a cubic centimeter of healthy limburger cheese contains 3,962,341 bacteria." The figures may be correct, but who ever saw a health certificate issued to a limburger cheese?
