## "Pittsburgh Perfect" Fence

**Gives the Farmer a Big Boost in making His Farm Prosperous**

Did you ever notice that a prosperous farm is invariably well fenced, and is usually divided into small fields by a fence "horse-high, hog-tight and bull-strong"? Why is it?

Because the prosperous farmer realizes that good fences are as necessary to successful farming as fertile seeds, efficient labor and proper machinery. But the wise farmer investigates before he invests. Others just buy and are often "sold." "Pittsburgh Perfect" Fence is made with but one end in view—to give best service for the longest time at least cost. Investigating it costs nothing. Investing in it pays.

**Every Rod Guaranteed**

Made in Different Styles for FIELD, FARM, RANCH, LAWN, CHICKEN, POULTRY and RABBIT YARD and GARDEN

Ask your dealer for "Pittsburgh Perfect" and insist on his furnishing it. Do not allow him to persuade you that some other fence is just as good. If he doesn't sell it, write us direct.

"Pittsburgh Perfect" Brands of Barbed Wire; Bright, Annealed & Galvanized Wire; Twisted Cable Wire; Hard Spring Coil Wire; Fence Staples; Poultry Netting Staples; Regular Wire Nails; Galvanized Wire Nails; Large Head Roofing Nails; Single Loop Bale Ties; "Pittsburgh Perfect" Fencing.
