

ANSWER CALL TO OLD GETTYSBURG

Denison Veterans Plan to Start for Famous Battle Field on Friday of This Week.

JOIN IOWA TRAIN AT CHICAGO

For Many It Will Be First Trip to Gettysburg Since Great Battle—Many Joyous Meetings.

Denison will be well represented at the reunion of the veterans who fought at the battle of Gettysburg, which will be held at that place next week.

Mr. W. A. McHenry, president of the First National bank at this place, and Mr. Sam Baer, living south of Denison, will leave Friday evening for Chicago, where they will take the Iowa special from the Pennsylvania station next Saturday afternoon at 4 o'clock for Gettysburg. Chicago will be the gathering place for all of the Iowa veterans who will attend the reunion, and it is thought that in the neighborhood of three hundred and twenty-five will represent this state. The special will be equipped to make their trip as comfortable as possible. Parlor sleeping cars and the customary diner, drawing room car and baggage cars will make up the long train. Mr. Sears McHenry will accompany his father on the trip east and will visit the famous battleground and see where his father fought to help preserve the union.

Mrs. Georgia Wade-McClellan and son, Mr. James McClellan, will also make the trip to Gettysburg. Mrs. McClellan was born and raised at Gettysburg and has made several trips back east to see the old homestead where her sister, Jennie, was killed while making bread for the union soldiers during the battle. The trip will be of particular interest to Mr. McClellan, it being his first visit to his mother's former home, then too his father was born at that place and fought with the union soldiers during the engagement there.

For the most of the veterans who will be present at the reunion next

week it will be their first trip to the scene of the battle in which they desperately fought to preserve the fire-sides of the north from the menace of the confederate invasion. That there will be meetings at Gettysburg this year of men who fought side by side in the great conflict and have not seen each other since, there is no doubt.

Through the appropriations made by the state and the generosity of private individuals the transportation of all the veterans will be furnished them without cost. At Gettysburg they will be the guests of the state of Pennsylvania and will be bivouacked in a great camp on the historical battlefield.

There will be no veterans of Iowa regiments in the army which Iowa will send to Gettysburg, because no Iowa troops fought there. The men Iowa sends are veterans of New York, Pennsylvania, Massachusetts, New Jersey and Ohio and other state regiments. They are men who have come to Iowa since the war and have been factors in the development of the state. They are men of whom Iowa is proud and whom she is pleased to honor by sending them as her representatives at the semi-centennial celebration.

Many towns in the state will contribute one or more veterans to the number that will go from Iowa. Though Iowa's portion would not make half a regiment it is evident that the number of veterans that will be gathered from all the states of the union will make an army that will at least suggest the greatness of the host that faced the grey lines of confederates during the first three days of July, 1863.

George Seemann, who recently graduated from the State University of Nebraska, has accepted a position in the City National bank of Lincoln, and left Sunday to assume his new work. This is one of the strongest banks in Lincoln. George is particularly adapted to bank work and undoubtedly will make a success of his work.

Miss Alanda Chamberlin was up from Dunlap Saturday spending the day with friends in Denison.

ALMOST BEATEN TO A PULP

Russian Laborer at Manila Roughly Used Sunday Night—Beaten With Iron Bar and Stick of Wood.

NOW AT EDMUNDSTON HOSPITAL

Sheriff Cummings Has Two Suspects in Jail Here and Another is in Jail at Manila.

A number of Russian laborers employed by the Milwaukee Railroad company at Manila got into a drunken brawl at that place last Sunday evening, and as a result of their hilarity one of them lies in a precarious condition at the Jennie Edmundston hospital in Council Bluffs, and very little hopes are entertained for his recovery.

County Attorney Andrew Bell was in Council Bluffs Tuesday morning and interviewed the injured man with a view of ascertaining just who was to blame for his present condition.

The story goes that a few of the men working on the construction gang near Manila had sent away for some liquor, and Sunday evening they proceeded to celebrate. During the course of the evening several disputes were settled with fist fights, and the Russian in Council Bluffs stated to Mr. Bell that he had roughly handled one of the members of the party. At a late hour he retired and that was the last he was able to remember. He is of the opinion that the man he punished managed to get even with him. Some time in the night someone entered the bunk room and with an iron bar and a four foot cordwood stick almost beat him to a pulp. He was discovered Monday morning lying in a pool of blood, unconscious, and was sent to Council Bluffs to the hospital, where he might be better cared for. At the hospital very little hope is entertained for his recovery, and if such is the case, there is no question but what the county will have the expenses to pay for a murder trial.

DEPARTMENT WINS PRIZE MONEY

Fire Laddies in at Winning at Harlan Tournament Last Week, Getting Some Important Events

WOLFE WINS THE CHIEFS' RACE

In Leaders' Race Rowland Philbrook Was Almost Ashamed to Take Money—Easy Winner.

The Denison firemen attended the seventh annual tournament of the Interstate Firemen's association at Harlan on Wednesday and Thursday of last week and were successful in winning several of the events. The Denison boys captured three firsts and two seconds in the different events. E. A. Wolfe won the chief's race of 50 yards in :5 4-5 and we understand that he could have done better than this if necessary. Rowland Philbrook walked away with first place in the leaders' race of 220 yards, making the distance in :20 2-5, and then was not going his fastest. Rowland is a fast man on the track and we understand there is not a man in the state that can equal his time. He also won the second leaders' race which was run Thursday afternoon, making the distance in :20 3-5.

From reports from those who attended the two days' tournament the Denison boys made an excellent showing. What the Denison team lacked was practice and team work and although their running time was good the majority of the races were lost on account of their inability to make quick couplings. They were well satisfied with the treatment accorded them at the hands of the judges. The following towns were represented at the meet: Denison, Manning, Coon Rapids, Harlan, Audubon and Atlantic. Manning took the first prize for the largest uniformed department in the parade and Carroll received first prize for the best appearing company with running cart.

In the first straightaway hose race, hub and hub, 200 yards, Manning won. Time :22. Harlan and Denison tied for second place, with :22 2-5; Atlantic

third, with :22 3-5. In the amateur race for companies that have never made better time than 33 seconds, Audubon won first with :28 1-5, and Coon Rapids second, with :29. The novelty hub and hub race was won by Atlantic with :30 4-5, and Audubon second, with :34 3-5. The chief's race 50 yards, was won by E. A. Wolfe, of Denison, and W. A. Wilfong, of Glidden second, and Audubon third. Time, :5 4-5.

The first association race, 200 yards to hydrant, lay 200 feet of hose, break coupling and attach pipe, was won by Manning. Time, :25 3-5. Harlan second, time, :25 4-5, and Denison third, :28 1-5. The leaders' race, 200 yards, was won by Philbrook, of Denison. Time, :20 2-5. Nicholson, of Audubon, second, and Goetsch, of Manning, third. The flag race was won by Atlantic. Time, 1:50. Manning second, and Coon Rapids third. The running coupling contest went to Manning, Atlantic second. In the motorcycle race Elton Peterson, of Harlan, turned a corner at a high rate of speed and ran into a fence, sustaining a broken leg and other injuries, but will recover. The other contestants did not, upon Peterson's being injured, contest the race further.

The second straightaway hose race, hub and hub, 200 yards, went to Manning in :22 1-5, Harlan and Denison tied for second in :22 2-5 and Atlantic third in :22 3-5. The second running coupling contest was taken by Dahlberg and Jones, of Atlantic. Average time, :4 7-15, Wheeler and Williams, of Manning, second, and Ruschenberg and Kent, of Manning, third. The second association race was won by Harlan. Time, :25 2-5, Manning second and Atlantic third. The second leaders' race, 200 yards, went to Philbrook, of Denison, Williams, of Manning second, and Vanderbar, of Coon Rapids, third. Time, :20 3-5. The second flag race was won by Manning, Atlantic second and Harlan third. The consolation hub race for teams making the slowest time during the tournament went to Audubon. Time, :25 2-5; Coon Rapids second, and the hub race for the two teams making the fastest time during the tournament went to Manning in :22

Mrs. G. R. Hill was over from the Oak Monday shopping.

CHEMIST INJURED BY EXPLOSION

R. H. Armstrong, Chemist in Lamborn Drug Store, Severely Injured by Alcohol Explosion

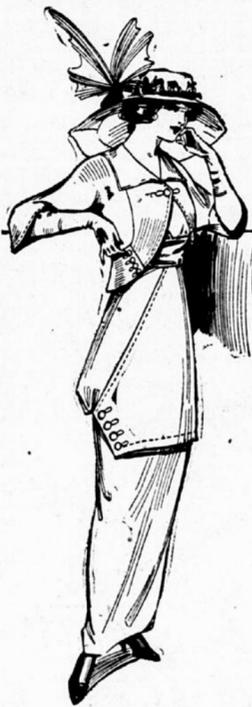

FIRE DEPARTMENT RESPONDS

No Damage to Room Other Than Loss of Barrel of Alcohol and Charring of Timbers.

R. H. Armstrong, who recently came to Denison from Albia, Iowa, and accepted a position as chemist in the Lamborn drug store, was severely injured Monday last by the explosion of a barrel of wood alcohol. Mr. Armstrong had gone to the basement of the store to syphon some wood alcohol for a customer and in some manner, as yet unaccounted for, an explosion took place and Mr. Armstrong received a bad cut in the face, his hair and eyebrows were singed and both arms burned from elbows to his wrists. He was taken to the Denison hospital, where a physician dressed the wounds, and while he was unconscious for some time, he is now on the road to complete recovery. The head of the barrel was blown out and either this or the edge of the barrel struck Mr. Armstrong in the face, cutting it so badly that four or five stitches were necessary. The lid to the barrel fell back into place after the explosion and smothered the flames, but not before they had escaped enough to start a fire in the rafters and this caused a fire alarm to be sounded. The department responded and the flames were quickly extinguished. Just what caused the explosion has not been fully determined. Reports from the hospital today are to the effect that Mr. Armstrong is resting easy and he will no doubt soon be able to resume work.

The Misses Nellie Hoffman and Pearl Gary returned to Chicago Tuesday morning after spending a month's vacation at their parental homes in Denison. They will resume their work at the Chicago Training School for Nurses, this being the second year.

Domestics, Underwear, Shoes and Garments are Priced at Less Than Other Merchants Pay for Them. Compare Our Prices. Grocery Specials in Ad on Page 6.

Ladies' \$25 and \$30 Evening Dresses Only \$12.98

This is a clean up of dresses. You can have any dress in our stock that is priced between \$25 and \$30. We have nearly every fashionable shade in practically all sizes. These garments are made of the very finest materials and the styles are the most correct for this season's wear, and when you can have your selection from such an excellent line as we always show at such exceptionally low prices you should make it a point to be here early and get the pick of the lot. Remember any dress in the lot worth up to \$30, your choice for only.....\$12.98

A Big Clean Up of Ladies' Summer Wash Dresses

150 dresses, including linens, piques and gingham, good colors and excellent models, values up to \$6, this week \$1.98 and \$2.98

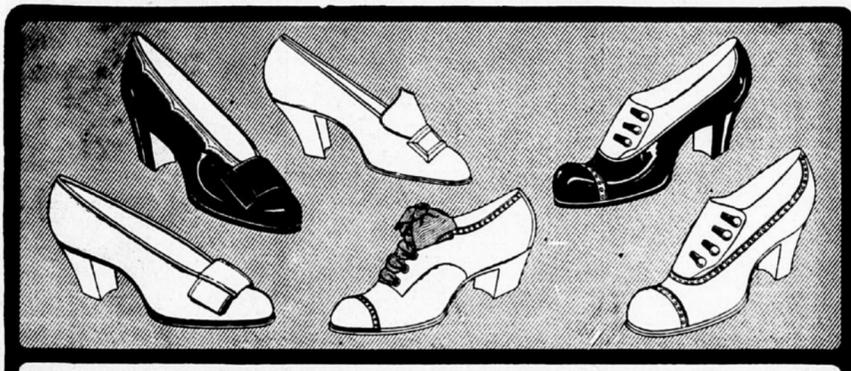

Extra charges will be made on these garments for altering.

Brown and Tan Silk Glove Special—One lot to clean up, 50c values, brown and tan colors only.....29c

\$5, \$6 and \$8 Silk Waists This Week Only \$2.98 and \$3.98
