Tony Miller and wife motored over from Charter Oak Sunday evening for a visit with friends here. Tony has purchased a meat market at Charter Oak and will make his home there in the future. They will not move their household goods until they are able to secure a suitable residence.

Mr. Nels Pearson has sold his farm just northeast of Denison to Mr. Henry Dettmann, of near Deloit. The deal was made by the real estate firm of Blesman & Kropf, and the consideration was a little better than \$28,000. Mr. Pearson expects to go west in the near future, possibly to Wyoming, where his children are located. He and Mrs. Pearson has many friends in Crawford county who will regret that they are to remove from the county. All wish them continued success in their western home.

**FINE FARM FOR SALE.**

Located Two and One-Half Miles North of Cleghorn, Cherokee County—Read the Ad.

On another page in this issue of the Review will be found a full page advertisement for Mr. Mathew R. Faber, of Remsen, Iowa, who advertises his fine farm in Cherokee county for sale. Mr. Faber believes that the proper way of selling a farm is to let it be known in the best newspapers and in making his selection of papers in this section wisely chose the Review. The farm in question is located 2 1/2 miles north of Cleghorn, Cherokee county, Iowa, and consists of 320 acres, finely improved. Mr. Faber says: "There may be other farms as good, but none better. The man who buys this farm can well feel proud and independent." The pictures appearing in the advertisement show the buildings, the beautiful grove and the splendid laying land. Prospective purchasers should write Mr. Faber at Remsen, Iowa, for further particulars.

Allan Sims visited friends at Buck Grove Sunday.

Plan to attend the old settlers' picnic on the 27th.

Born to Mr. and Mrs. Fred Thompson, a daughter, on Tuesday August 12th.

July was hot enough, but August seems to be going the seventh month one better.

Mrs. David Weatherby, who lives near Defiance, was a pleasant caller in Denison Monday.

News published in this paper is given as it happened and not colored nor enlarged upon to make it sensational.

Miss Elizabeth Meehan returned Wednesday last from Preemption, Ill., where she spent two weeks visiting friends.

George McHenry went out to Columbus, Neb., Saturday for an over-Sunday visit with his wife and son, who are visiting relatives there.

Supt. F. N. Olry seems to be having some difficulty in explaining the stand he took in regard to the formation of the independent school at Kiron.

Mary McHenry, who has been spending the past two months at Lake Okoboji with her grandfather, Mr. W. A. McHenry, returned home Monday.

E. Gulick came down from Lake Okoboji last Wednesday to look after business matters. He will return to the lakes the latter part of the week.

Don't wait until the necessity drives you to make a shopping trip. Read the ads all the time, and visit the stores when your money will accomplish most.

Sprecher, located four miles southeast of Denison, for a consideration of \$24,000. He also closed a deal whereby he becomes the owner of the Diedrich Mundt farm of 256 acres, located six miles southeast for a consideration of \$37,000. With these two additional farms Mr. Hassett has considerable in the county to look after and he informs us that it is no small responsibility.

**A Needed Convenience.**

The business men of Denison should provide a rest room or a woman's room, a place where women and particularly those with small children can go when visiting the city for shopping purposes and on special occasions. Such a room could be secured up town in the business section and could be made attractive at very little expense. This courtesy on the part of the business men would be appreciated by hundreds of women in this vicinity and surrounding towns and it is really due them. Other towns much smaller than Denison have such a room and they are proving popular.

**POOR CROWD GOOD GAME**

Ball Game Friday Between Denison and Earling Very Poorly Attended, But a Good Game.

FINAL SCORE STOOD 2 TO 0

Denison Defeats Visitors in Closely Contested Game—Denison Battery in Excellent Condition.

There was only a handful of people on hand Friday afternoon to witness the ball game played between our local stars and a picked team from Earling, and notwithstanding the heat of the day the game was one of the fastest games played on the local diamond this year. It had been advertised that Denison was to play Manning, but this was a mistake on the part of the management, as Earling was booked for the game.

Earling came over to Denison with the intention of showing our boys a good game and from their three teams they picked the best nine and they were certainly all good players. They held Denison down to two runs and hard as we tried not another score could be squeezed in. Denison blanked the visitors and although several hits were made off Kilburg, they failed to negotiate the bases for a tally.

It was too hot to play ball Friday. The diamond was fairly sizzling and the bases were nearly melted to mush by the intense heat. Even the poor umpire was affected by the heat and between innings had to leave the diamond and seek a shady retreat from the sun's rays. Both teams were not playing up to standard, but considering the heat everyone present thought it one of the best games played this year.

The Earling boys did not come to Denison loaded for the occasion, but they had a picked team and they were a fast bunch of players. Their pitcher seemed to have plenty of steam and baffled our crack batters with his wide curves. Mote, our star third baseman, landed on one of his swift balls in the third inning for a three bager and Kilburg, who had been given a base on balls just before, tallied the first score for Denison. Collins made a nice little single that allowed Mote to score the second and last run for Denison.

Denison's battery was working in fine shape and Kilburg didn't allow

many to take a base on balls. Voss was playing the game in fine shape.

A new player was added to the Denison lineup Friday. R. P. Thompson, the popular window trimmer at the Balle-Brodersen store, covered the right field and played like a veteran.

Thompson made a pretty out by running down a fly ball and catching it with one hand that drew a hearty cheer from the grandstand. Thompson will play with the Denison boys from now on and will be a great help to the team.

The lineup—  
Earling:

Scheel ..... Shortstop  
Albers ..... Pitcher  
Laugenfeld ..... 3d base  
Stephany ..... 2d base  
Naurott ..... Center field  
Wheerling ..... Catcher  
Helson ..... Left field  
Neaders ..... 1st base  
Schafer ..... Right field

Denison:  
Richards ..... Shortstop  
Kilburg ..... Pitcher  
Voss ..... Catcher  
Collins, Otto ..... 1st base  
Klock ..... 2d base  
Mote ..... 3d base  
Richardson ..... Left field  
Wolfe, Collins ..... Center field  
Thompson ..... Right field

Score by innings:  
Earling ..... 0 0 0 0 0 0 0 0—0  
Denison ..... 0 0 2 0 0 0 0 0 \*—2

Wolf, who played center field for Denison, was hurt in the early part of the game, when he was struck by a wild throw of the pitcher, and his place had to be filled by Collins.

One hardly realizes the number of people who pass through Denison daily in automobiles touring to different cities or to the lakes. Hardly a day passes but what five to thirty automobiles pass through Denison on the transcontinental route or the air line to Lake Okoboji, and many of them plan to reach Denison for an over night stop at the Hotel Denison. Tourists are loud in their praise for this magnificent hostelry and have passed the word along to their friends to stop in Denison over night if possible and take advantage of one of the best hotels along either route. On Friday night of last week over twenty-five tourists were registered at the Hotel Denison and the garages of the city were taxed to their capacity with machines. Hundreds of dollars are left in Denison annually by tourists at the hotels and garages and the soda fountains and lunch rooms reap a nice harvest as well.

**A Greater Car at Less Cost**

The 1914 Overland is a wonder and in a class by itself. The production for next year has been increased to 50,000 cars and this greatly increased production combined with the natural manufacturing economy of restricting themselves to one chassis again enables the Willys Overland Co. to make their customary annual offer of considerable more car for considerably less money. While the price has gone down, the value has gone up. The motor is larger, the wheel base is longer and the tires are larger, the tonneau is larger, the equipment is better, including such additions as electric lights, the body is more handsomely finished in rich dark brewster green, with heavy nickel and aluminum trimmings, in fact in every single and individual respect it is an improved car at a reduced price. Our 1914 sample cars have arrived and as the shipments at first will be limited, we want to urge you to call at our new fireproof garage at your very first opportunity to inspect this truly wonderful car and to place your order for delivery.

Our new fireproof garage is equipped with all modern machinery with an expert machinist in charge as foreman. Complete stock of Automobile Supplies, Storage and Repairs. Sole agents for the Overland, Winton and Buick.
