

# HARRY BUXTON ORDAINED PRIEST

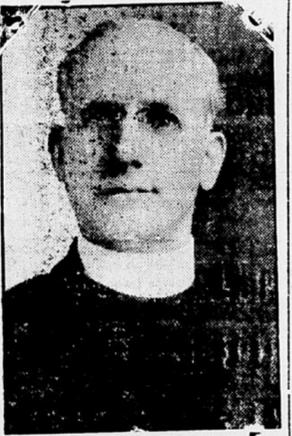

Denison Minister Ordained at Council Bluffs on Sunday Last, Bishop Theo. W. Morrison in Charge

**INVITATIONS SENT TO DENISON**  
Newly Made Priest Has Charges at Denison, Vail and Mapleton—A Very Pleasing Speaker.

Members and friends of the Episcopal church of this city and Vail received invitations Saturday afternoon to attend the ordination services which were held at St. Paul's Episcopal church in Council Bluffs on Sunday, at which time Rev. Harry J. Buxton, rector of the above named church, was ordained minister of that church.

The ordination services were held at St. Paul's church in Council Bluffs at 10:45 a. m. Sunday, and was the first service of its kind held in that city for more than thirty years, and the first time in the history of Council Bluffs that a double ordination was held in this church. Bishop Theodore N. Morrison, assisted by Rev. John Dysart, of Dubuque and Thomas Horton, of Oskatoosa, ordained the two candidates.

A unique feature of this service was the fact that both candidates were related to Rev. Dr. A. G. A. Buxton,

rector of St. Paul's church in Council Bluffs, Rev. Harry J. Buxton, ordained a priest of the church, being a brother, and Robert M. Delbert, ordained to be a deacon, the dignity that next precedes the full priesthood, being a nephew. Both have come to the Iowa field as a result of Dr. A. G. A. Buxton's acceptance of the call to St. Paul's church two years ago.

Rev. Harry J. Buxton had been serving the missions at Denison, Vail and Mapleton for the past year and during this time these churches have experienced a large increase in membership of both church and Sunday school. For sixteen years he has been a public speaker and particularly in the evangelistic field. He was ordained a deacon by Bishop Morrison at Trinity Memorial church at Mapleton April 8, 1913, and has proven himself a most worthy candidate for the priesthood of the church.

He was educated in the schools of East Liverpool, Ohio, and was a very industrious student and developed in

to a forceful and commanding speaker. The church here in Denison has flourished under his leadership and there has been a marked increase in the membership of both the church and Sunday school. Since coming to Denison he has made many friends, both among the members of the church and those of other denominations. He is a most pleasing gentleman whose first thought is for the interest of the church and the upbuilding of the same. Many improvements have been added to the church here during his ministry. The exterior of the church has been painted and many improvements made to the interior.

We trust that Rev. Harry J. Buxton will be retained by the three missions, of which Denison is one.

### SEPARATED FROM \$500.

Guy White, of Near Manilla, Sells His Corn for Seven Hundred Dollars Then Loses Five Hundred.

We notice by a report in the daily newspapers that Carl Alliman is under arrest at Manilla for investigation and that officers of three states are searching for a half breed Indian, as the result of some light fingered work which took place there Sunday morning.

From the report it seems that Guy White, a farmer residing near Manilla, lost a pocketbook containing the sum of \$500. White sold his corn Saturday at Manilla and received something over \$700 in cash for it. After selling the corn he went out with several young fellows he knew for a good time, and early Sunday morning the party wound up at a restaurant at Manilla, at which time White found that he was just \$500 short. He made an attempt to locate his partners of the night, but failing to do so, notified the Manilla authorities. The officers immediately telephoned to Omaha and later to Kansas City in an attempt to locate the young man who disappeared at Defiance Sunday night, but claims to know nothing of the affair. Neither County Attorney Bell nor Sheriff Cummings of this city have been notified of the affair.

### SPECIAL ELECTION TOMORROW.

Proposition of City Purchasing Electric Light Plant and Voting Bonds to Be Voted Upon.

Tomorrow, Thursday, the 22d, is the day for voting on taking over the present electric light plant by the city. There has not been a great deal of agitation on the question apparently since the meeting at which Mayor Sheldon, of Ames, was the principal speaker. The indications are that the proposition will carry, as those who were instrumental in working up a sentiment in favor of the proposition will probably vote in favor of it (although this statement has been questioned), but the owners of the plant are not fighting the proposition and are doing nothing to indicate any hostility toward it.

We apprehend if the proposition does carry that the owners of the present plant will be found contributing their efforts to make the city management successful, rather than showing a disposition to prevent its being a success. It is said that the city council spent a few days traveling about the state where municipal plants are owned, in order to ascertain the success of the plants at the various places. It is said they returned home satisfied with the success of the plants which they visited.

Mr. and Mrs. Andrew Lorenzon spent Monday in Omaha visiting friends.

# FORMER DENISON WOMAN DEAD

Mrs. David Simmerman, of Coleman, S. D., Passes Away at Her Home on Wednesday Last.

**DROPSY WAS CAUSE OF DEATH**  
Remains Brought to Manilla and Buried Friday, the Funeral Being Held at the Barrow Home.

Mr. David Simmerman, of Coleman, S. D., a former resident of this city, is in Denison this week, being on a peculiarly sad mission, having accompanied the remains of his beloved wife to Manilla, where she was buried last Friday morning.

Mrs. Simmerman will be well remembered by Crawford county people as she was a resident of this county for about forty years, having lived in East Boyer township for a period of twenty-two years, later moving to Denison, where they made their home for eighteen years.

For the past few years Mrs. Simmerman has been in failing health at her home in Coleman, S. D., having been a constant sufferer with heart trouble, which recently developed into dropsy, causing her death on last Wednesday morning at 11 o'clock. The deceased was born on the 25th day of December, 1841, and was united in marriage to David Simmerman in 1866, and to this union five children were born, three of whom have preceded their mother to the eternal home. The deceased had many friends in this city. In March, 1911, she, with her husband and family, moved to Coleman, S. D., where they have since resided.

Besides her husband she leaves to mourn her death two children, namely, Frank Simmerman, residing in Montana, and Mrs. Edna Maud Henderson, of Coleman, S. D.

Funeral services were held at the Arthur Barrow home in Manilla at 11 o'clock Friday morning, the Presbyterian minister of that city officiating, after which the body was laid to rest in the family lot in the Manilla cemetery.

### Obituary.

Guy L. Baker was born on the 17th day of September, 1883, at Winterset, Iowa. He moved with his parents to Wall Lake, where they lived for four years, later moving to Ida Grove, at which place he grew to manhood. He was employed by the Chicago & North western railroad for several years, which position he filled with much credit to himself. On March 23, 1909, he was married to Miss Ethel A. Huckstep, and they moved to Council Bluffs, where they lived until June, 1913, at which time they moved to Sparks, Nevada, where he was employed as chief clerk in the car department of the Southern Pacific railway company. He proved himself an able man in his department and was held in the highest esteem by his employers, who had tendered him a promotion, but his ill health prevented him from accepting the position.

Mr. Baker was a man of excellent habits and was a very home loving husband and father. His home and family were the dearest possessions on earth to him.

Mr. Baker died at his home in Sparks, Nev., on January 6th at the age of 30 years, 3 months and 20 days, the immediate cause of his death being due to heart trouble. Besides his beloved wife he leaves to mourn his death a baby boy ten months old, his mother and father, two sisters, namely, Mrs. C. L. Lee and Miss Marjorie Baker, both of Council Bluffs, several cousins and other relatives, besides a host of friends.

Funeral services were held Tuesday of last week at 1 o'clock at the Methodist church at Deloit, Rev. Ralston officiating, after which interment was made in the Deloit cemetery.

### MARRIED 56 YEARS.

Mr. and Mrs. J. G. Vassar Celebrate Anniversary—Mr. and Mrs. Christiansen Married 58 Years.

Speaking of golden weddings, there are a number of couples residing in Denison who have long since passed their 50th wedding anniversary. On Monday, January 19th, Mr. and Mrs. J. G. Vassar celebrated their 56th anniversary. This worthy couple were married at New Lenox, Ill., and came to Crawford county in 1869. For a time they lived on a farm near Deloit, occupying one of the first buildings there, a log cabin. They have resided in Denison for the past forty years. They are the parents of seven children, one of whom died in infancy. Those living are Lewis Edgar, of Iowa City; Mrs. Lucretia Ostrander, of Ida Grove; Mrs. Robert Henderson, L. D. Leon, of Denison, and Mrs. Lydia May Vinson, of Foster, Neb. The children remembered their parents with letters of congratulation on the 56th year of their married life.

Another worthy couple who have long since passed their half century of married companionship is Mr. and Mrs. Ole Christiansen, parents of Mrs. Thomas Nielsen, Mrs. William Rath and Mr. Chris Christiansen. This couple has been married some 58 years and for the past 25 years have lived and made their home in Denison. Their wedded life has been a pleasant one, and they are now spending their declining years under the care of their loving children.

L. G. Mitchell, of Omaha, cow-milker expert for the Sharples Separator company, was in town last week inspecting the milker he installed a month ago at Cedar Blace farm for F. F. Ranniger, who is well pleased with his new venture. Mr. Ranniger believes it a boon to the dairy farmer as one man can milk three times as many cows by machine as by hand and at the same time producing cleaner milk.

# NEW INTEREST LINCOLN HIGHWAY

Western Iowa Scene of Much Activity Over the Good Roads Proposition and Its Possibilities.

**STRAIGHTEN ROAD FROM VALLEY**  
May Change Road Through Denison, Going Straight West on Broadway Past Baile Farm.

There seems to be renewed interest over the Lincoln highway in western Iowa, and hardly a day passes but what there is a meeting of the town councils at some point on the route, where matters pertaining to the betterment of the present route are discussed.

In Pottawattamie county there is considerable enthusiasm being shown. Last week a number of business men of Council Bluffs, together with county and state engineers and a delegation from Logan, took up the matter of changing the road to avoid the Honey Creek road. Three possible routes have been suggested. One farmer, residing in the vicinity of Honey Creek, has offered to give ten acres of ground should one of these detours be selected. The route laid out by the county engineer leads off from the present highway just before the Honey Creek hill is reached and joins the highway again at a point a half mile further on, with but a slight grade.

G. L. Caswell, the town consul of the Iowa Transcontinental association, was in Glidden last week meeting with Carroll county officials in regard to a change in the route in the vicinity of Glidden.

P. G. Holden, state highway commissioner, together with County Engineer H. B. Fishel and members of the board of supervisors, went over the proposed change in the road between Dow City and Dunlap, with a view of ascertaining whether it would be practical to sanction the proposed cut off and do away with the two bad railway crossings between the Dunham farm and the town of Dunlap. We understand that the highway commission will be in favor of the proposed cut off.

There is considerable agitation over the matter of changing the route of the Lincoln highway through the city of Denison. There is considerable talk of running the highway west on Broadway past the Lally residence and across the West Boyer valley, joining the present route at the Baile farm, and vacating the road from the Baile farm to the McHenry crossing, where so many lives have been lost. The changing of the route would necessitate the spending of considerable money and it is a question whether or not the proposed change could be built as cheaply as could the two crossings be put in a condition where there would be no danger for travelers.

There is some talk of running the highway on the road south of the Northwestern right of way between Denison and Arion and it is intimated that farmers along this road will offer a substantial cash donation should this change be made.

We are glad to see the rivalry being shown by those living on different routes, and doubtless it will be the means of securing the better route.

### NATIONAL PROHIBITION DAY

Ladies of W. C. T. U. Spend Profitable Day on Thursday Last—Speakers From Away Lecture.

The W. C. T. U. and interested friends spent a most profitable day last Thursday in observing National Prohibition Amendment day. The district president and vice president were present and assisted throughout the program. The meeting was called to order at 10 a. m. by the local president, Mrs. C. W. Merrill, and all joined heartily in singing "Row Firm a Foundation." The crusade psalm was read and the crusade hymn sung. Mrs. Penney read the "Proclamation for National Constitutional Prohibition." Following was a prayer service conducted by Mrs. Chas. K. Meyers. After the praise service Mrs. Jacob Sims read the "Joint Resolution," introduced into congress by Hon. Richmond P. Hobson. Another prayer and praise service was led by Rev. E. P. Williams. Mrs. Bowers, district president, was introduced and read plans for the amendment campaign and explained carefully as she went over the ground. A symposium was next in order and brought out many good points and showed that the Denison women mean business. Noontime prayer was offered by Rev. Lempke and the session adjourned. Coffee and sandwiches were served to all who could remain and the afternoon session opened at 2 o'clock with a song and prayer service. Mrs. Peterson, district vice president, spoke on "Individual Responsibility," urging that each branch be kept up with greater zeal than ever. Mrs. Patterson expressed great pleasure in visiting Denison, which has perhaps the oldest and strongest union in the district. Dr. Senseney gave a splendid address on "Prayer a Power." Mrs. Williams presented the resolution of endorsement of the prohibition campaign and this was unanimously adopted. Mrs. Bowers spent some time in presenting the thought of consecrating time and talents to the prohibition campaign. The children of the L. T. L. then marched in, singing "Onward Christian Soldiers." They were addressed by Mrs. Bowers, who taught them the "Iowa's Going Dry" chorus. All joined the legioners in singing America and then they marched out carrying flags and singing the flag song. The meeting adjourned and all felt it had truly been a red letter day for Denison.

Mr. and Mrs. John Kepford, who reside near Buck Grove, were pleasant callers in the city Monday afternoon. They were accompanied by Mr. and Mrs. Marx Gloe.

# Marquis Seed Wheat

The Doud Milling Co. wish to announce a large shipment of the above seed wheat direct from Canada, and will be prepared to fill all orders promptly. As is well known Marquis wheat is of very heavy yield and is of excellent milling quality, is a very hardy plant and particularly adapted to Iowa soil.

Parties desiring this variety of seed will do well to place their orders early.

**Doud Milling Co.**  
Phone 185 Denison, Iowa

### Sale Dates Claimed

- Monday, Jan. 26: Public sale, Chas. Erne, on his farm in Section 16, Stockholm township, 1 mile south and 2 1/2 miles east of Kiron and 2 miles west of Boyer.
- Tuesday, Jan. 27: A. M. Justice. Public sale on the old R. A. Romans farm, 2 1/2 miles south of Deloit.
- Wednesday, Jan. 28: Duroc Jersey hog sale at City View stock farm, Denison. P. W. Weberg, Owner.
- Thursday, Jan. 29: Public sale, Chas. Brogden, on his farm a mile and a half northwest of Denison on the Ridge road.
- Saturday, Jan. 31: Poland China sale. A. D. Jones sales to be held in heated pavilion at Dunlap.
- Tuesday, Feb. 3: P. T. Brogan, 3 1/2 miles east of Vail, 3 1/2 miles southwest of West Side.
- Tuesday, Feb. 3: Combination sale. Sale of 80 acre farm belonging to John Meehan, located in Section 10, Nishnabotny township. Also sale of John Ehlers property on the same farm which he has been renting.
- Thursday, Feb. 5: Dan Hedderman. Public sale on his farm 5 miles northwest of Denison and 3 miles northeast of Arion.
- Wednesday, Feb. 11: H. F. Beerman. Public sale on his place in Section 18, Nishnabotny township, located 4 miles east of Buck Grove.
- Feb. 27—B. W. Hunt's Sale of Duroc-Jersey Thoroughbred hogs.

A number of public sales are advertised in this week's issue of the Review. Farmers throughout the county seem to realize the benefit to be derived from advertising sales in this paper and they appreciate the fact that the Review is read in nearly every home in Crawford county. Nowadays the farmers notify the public of their sales through newspapers like the Review and do not spend two days in posting sale bills, but place the ads in the newspapers where they will be read at home by the fireside. Farmers as a rule are too busy to stop at the cross roads and get out of their buggy or wagon to read a sale bill and the description of the property to be sold, but they turn to the sale column of the Review and gain the information in this manner.

### CRAWFORD SUED FOR LARGE AMOUNT

(Continued from Page One.)

pany which was in the automobile at the time the accident occurred. The car, it is said, was driven by young Dugan, and the parties are supposed to have been out for a joy ride. Several of the young people are under age, and their suits are brought by either a guardian or next friend. It is understood that the cases will be taken out of this county for trial. The plaintiffs are entitled to a change of venue, although they may be content to try the cases here.

It would be out of place to discuss the evidence which will be used in the case, as it may cause embarrassment if the cases should be tried in this county.

pose of his excellent farm of 80 acres and has decided to sell it at auction on that date. It will be noticed in the announcement on another page of this issue that there is a nice dwelling house on the place, horse barn, cattle barn, hog house, 2 corn cribs, granary, smoke house and other out-buildings. The farm is well improved, being fenced and cross fenced with 20 acres hog tight; 30 acres are under cultivation and the balance seeded down to clover and timothy. A school house is located just across the road and the rural free delivery passes in front of the farm. For further particulars in regard to this farm sale read the announcement.

### Dan Hedderman Sale.

Dan Hedderman, who lives 3 miles northeast of Arion, was in Denison last week and while here left an order at the Review office for bills for his sale, which will be held on Thursday, February 5th. His announcement appears in this issue. He is offering 10 head of good horses and as it will be noticed they are of the size and weight that will attract attention on sale day. Another big attraction of this sale is the 21 head of cattle. He is also offering 15 head of good brood sows which are bred to a thoroughbred boar; 700 bushels of corn in the crib; 7 tons of baled hay and the usual amount of farm machinery go to make up this exceptionally fine offering. Malone Brothers, the well known auctioneers, will cry this sale, and Sears McHenry will act as clerk. This sale will commence promptly at 10 o'clock on Thursday, February 5th. Look over the fine offering on another page of this issue.
