No. 10

SCHOOL ELECTION SPIRITED CONTEST

Contest Between N. L. Hunt and Ph. A. Schlumberger Results in the Election of Mr. Hunt.

LIBERAL LEAGUE HAS CIRCULAR
Members of League Deny That As An Organization It Had Anything to Do With the Matter.

The election of school directors on Monday afternoon turned out to be a spirited contest. It was predicted in last week's paper that inasmuch as there were three candidates for two offices that it might result in developing some interest, and the prediction proved to be true. The candidates were Albert Helsley, N. L. Hunt and Philip Schlumberger, the two former being candidates to succeed themselves.

Mr. Schlumberger did not enter the contest until a late hour and it is said that his candidacy was not of his own seeking, but that his name was presented by or through the influence of the Liberal League. If this was true, and we are not prepared to affirm or deny the statement, it was a misfortune that such a move was ever thought of. A circular letter was sent out to some of the voters which advocated the defeat of N. L. Hunt. The authors of such a letter could not have better insured the election of Mr. Hunt than by sending out the letter. It is now said that no one in Denison can be found who is willing to accept the responsibility of having done this foolish thing and we are not surprised that the author seeks to keep his identity unknown. The argument which should prevail in selecting a member of the school board should be the qualifications of the party to discharge the duties of the office with credit to himself and his constituents, and the question of what society he may be a member of, or the church to which he may belong should have little weight in determining his qualifications. If a voter will give his vote to a man alone because he is a Methodist, a Catholic or a member of any other church or because he represents some society, he falls far short of appreciating his responsibility to the community in which he lives.

We hear it said that a large number of the members of the Liberal League deny that as an organization it had anything to do with trying to control the election and they disclaim any

knowledge on their part of such a movement. We are inclined to believe that if the attempt was made it was not by the league as an organization, but simply some members of it who may have taken the responsibility upon themselves of using its name.

The three candidates for members of the board are representative citizens, the holdover members having some advantage in the favorable records which they have made while in office. Mr. Schlumberger no doubt, if elected, would have acquitted himself in a creditable manner, but he was handicapped by the reputation of having been brought out by a society rather than the spontaneous demand of the citizens generally.

The vote cast was as follows: Helsley, 323; Hunt, 291; Schlumberger, 101; Jones, 335.

MR. KRAUTH ELECTED MANAGER

Officers and Directors of New Opera House Hold Meeting Monday Evening and Transact Business.

At a meeting of the officers and directors of the new opera house company at the club rooms on Monday evening, Mr. Peter Krauth was formally elected manager of the new opera house for the term of one year. While it has been generally known that Mr. Krauth would be tendered this position, no formal action had been taken by the officers until the Monday evening meeting.

No better selection could have been made for this office than that of Mr. Krauth, for he has for a number of years devoted his entire time to the work of the Germania opera house and is particularly well fitted for the position of manager of the new show house. Mr. Krauth knows the show business from A to Z, and has made a study of it. Under his management the Germania opera house for the past two or more years has been a decided success and the patrons have been well pleased with the treatment given them. We predict that he will make equally as good a manager for the new opera house and that it will prosper under his direction.

The officers and directors of the company decided at the meeting to purchase the moving picture machine from the Germania Verein, which is now in use for the new theater. The machine was only recently installed by the Verein and is of the latest design.

Other matters were taken up and discussed, and some minor equipment purchased, such as furniture and floor covering. Nothing definite has been decided upon for the opening of the new play house.

FINALLY ANSWERS LAST ROLL CALL

William Goodrich, Pioneer Resident of Crawford County, Dies at the Old Soldiers' Home.

LAI D TO REST AT MAPLETON
Had Suffered Las Two or Three Years From Kidney Trouble—Went to Hot Springs, S. D., Last Fall

William Goodrich, one of the oldest settlers of Crawford county, passed away at the soldiers' home at Hot Springs, S. D., on Tuesday, March 3d, kidney trouble being the immediate cause of his death. The remains were brought to Mapleton, where they were laid to rest beside those of his wife and son who preceded him some years ago.

The deceased was the son of Mr. and Mrs. I. B. Goodrich, who in an early day owned a farm now belonging to Ed Reimers, just north of Denison. The family moved to Crawford county and settled near Deloit in 1854, coming here from Kalamazoo, Mich., where the deceased was born March 14, 1843. He was the third son and three brothers survive him, namely: Rufus, of Twin Falls, Idaho; Milo, of St. Paul, and Oscar, of Arion.

At the outbreak of the civil war Mr. Goodrich enlisted and served for one year, when he was honorably discharged from Company H, Iowa volunteers. He was with Sherman in his march to the sea and experienced many of the hardships of that trip. He was married in 1868 to Miss Elvira Bullock, of Kenebeck, Iowa, and occupied a farm some three and a half miles north of Denison for many years. Four children were born to the union, the son, Tully, dying when ten years of age. Three daughters remain to mourn his death, their given names being Helen, Abbie and Kate.

For the past two or three years Mr. Goodrich has suffered continually with kidney trouble and last fall was advised to go to Hot Springs, S. D., for treatment. All that medical skill could do was of no avail and he passed peacefully away on March 3d. The funeral was held at Mapleton Sunday and was attended by the brother, Oscar, of Arion, and Mrs. Rachel Goodrich, of Denison.

Mrs. John Petersen was down from Schleswig Saturday shopping and visiting Denison friends.

STOCK COMPANY FOR BRICK YARD

Matter of Organizing a Company to Take Over Denison Brick Yard Discussed by the Club.

DONATES \$25 TO BUY SEED CORN
Suggestion That An Associate Club Be Formed to Accommodate the Young Men of High School.

The regular monthly meeting of the Commercial club was held Friday evening last at the club rooms and a large number of the members were in attendance to enjoy the meeting and take part in the discussions. The monthly meetings of the club seem to be more popular with members than the former weekly sessions, for up to the present time there has been a much larger attendance than formerly. We are pleased to see our business men take such an active interest in the club and it will have a tendency to bring about better and greater things for Denison.

At the Friday evening meeting the matter of organizing a stock company to take over the old brick yard was discussed to some extent and those who are familiar with the proposition seem to think that this will be done. We understand that several parties have been in Denison looking over the proposition and one man in particular was very much impressed with the prospects and is thinking seriously of forming a company and will himself take between \$8,000 and \$12,000 worth of the stock. There should be no reason why the brick yard in Denison could not be made a paying proposition. The present year will bring about many new buildings and of course brick for these will have to be purchased out of town. Certainly a town the size of Denison could support a brick yard and we trust that the plant in East Denison will resume operations before many months.

County Superintendent of Schools F. N. Oiry addressed the members of the club in regard to securing seed corn to be distributed to the school children of the county, for planting this spring. Last year Professor Oiry purchased this corn himself and he told of the interest that it created among the boys and girls of the county. The members of the club were favorably impressed with the matter and voted to donate \$25.00 for the purchase of some extra fine seed corn which will be sent out to the school

children in ample time for planting this spring.

Messrs. Hoxsie and Ellis, who are in Denison checking up the county offices, were the guests of the club, and both gave short talks. They are both greatly impressed with Denison and said that the city has a great reputation throughout the entire state of doing big things. They expressed themselves greatly surprised at the interest that was taken by the business men of the town in the Commercial club, which goes to show that they are interested in the welfare of the city.

W. C. Rollins addressed the members of the club at some length in regard to the Crawford County-Ames short course, which was recently held in Denison. Mr. Rollins explained the purpose of the short course and what it was doing for the interest of the farmers of the county. His talk was filled with good points and was greatly appreciated.

The club as a whole seems to be in favor of paving the streets of the business section this year and a committee of five will be appointed to canvass the matter and make a report to the club at the next meeting. A number of business men are in favor of installing more electroliners and this committee will also look into this matter fully.

N. L. Hunt brought up a good point when he suggested that the club form an associate club in order that the school boys of the town might have the benefit of the club rooms and give them some place where they might spend a social hour. Outside of the Carnegie library there is no place where our boys can go and spend an evening, and it was his opinion that the Commercial club could relieve this situation. The matter was discussed at some length by the club, but was not finally decided upon.

During the course of the evening refreshments were served by Mrs. Staley with her corps of assistants, consisting of sandwiches, oysters and coffee. The Commercial club continues on the boom and many new members were taken in at the Friday evening meeting. In all probability the club will enlarge the present rooms by renting rooms over the Saggau saloon and connecting them with the present ones. Mr. Saggau is willing to accommodate the club and will rearrange the upper floor to suit.

Those who were taken into the club at the last meeting were: Loyal Voss, C. F. Cassaday, Dr. L. M. Coon, W. W. Cushman, P. J. Farrelly, W. H. Gibson, T. J. Kelly, H. W. Moeller, F. N. Oiry, William Rath, Jr., J. C. Saul, Ben Smith, Martin Saggau, William Savery, J. H. Tamm, W. Willroth, A. Wood

KAHLER GROOMED FOR MAYOR

Two or Three Dictators Are to Determine Who Shall Occupy the Several City Offices.

SAY LAUB IS TOO INDEPENDENT
Mr. Caswell and Assistants Are to Hold What is Dominated a Citizens Caucus Tuesday.

As the time for the city election approaches a good deal is heard as to what is planned to be done. Mr. Caswell satisfied himself that the fact that the democrats have gobbled all the county offices is no reason why the republicans should assert a claim to the city offices. The republican majority in the city is quite as large in proportion to the number of inhabitants as is the democratic majority in the county, but the Bulletin asserts that the city election is a local affair while that of the county is not. This is a distinction without a difference, but serves the purpose of the Bulletin. In the meantime he is proceeding with his citizens organization and is ably seconded by J. H. Hayes and H. W. Moeller. They have had up a number of candidates for mayor and have given them ample encouragement to enter the race for that office.

The latest announcement is that Mr. W. E. Kahler is now to be groomed for the office for mayor by this triumvirate; in fact it is anything to beat Mayor Laub for renomination. The reason that they are opposed to Mr. Laub is that he is too independent to suit them and is not sufficiently subject to their dictation. Mr. Laub has made quite as creditable a record as mayor as the men on the council who are fighting him have made as members of the council. Ever since Mr. Caswell and two or three members of the council found they could not dictate to Mr. Laub his nominations for members of the library board, he has not looked good to them. Mr. Laub nominated nine representative business men for trustees and Mr. Hayes, Mr. Moeller and Dr. Simpson prevented their confirmation, and so the library has no members acting for it except as hold over members.

It is about time for the people of Denison to have something to say as to who shall be selected for officers to manage the affairs of the city for the next term and the matter should not

(Continued on Page Six.)

Easter Sale of Coats, Dresses and Millinery

With Easter Sunday coming on April 12, it leaves us a very limited time to make sales and finish the garments that are sold at the present time. In justice to yourselves, and your garment, we ask you to make your purchases early. With the organization that we have at the present time, we are able to turn out garments that have the style, and our altering department is excelled by none. We advise early purchasing.

Attractive Spring Millinery

100 trimmed hats in new styles, hats that would bring as high as \$7 or \$8.00 are shown in this lot. They are all new, small shapes, turbans which flare to a great height, little sailors made of milan and milan hemp, with chic little pompons. All are shown with the flower, ribbon and silk trimmings, and some are draped with moire or tafeta silk. It will be useless for you to pay \$8.00 and \$10.00 when you can make your selection from hats out of this stock which would mean a saving to you from \$3 to \$5. The styles are absolutely correct, and positively the best values that we will offer you this season. These prices are only for our opening sale, Thursday, Friday and Saturday of this week.

Lot No. 1. Hats that would retail from \$7.88. Authentic styles and trims priced for this week and Saturday \$4.95

Lot No. 2. Hats that would retail from \$6 to \$7, priced at \$4.48.

Lot No. 3. Hats that would retail from 5 to \$6. This is one of the best values that we will have to offer you this season. Priced at \$3.98

Ladies Spring Coats at \$17.50 and \$19.50

This is the strongest line we will have in this season. You will find coats at \$19.50 that are the greatest value we have ever offered. They would easily compare with garments that retail from \$22 to \$27.50 elsewhere. You will find a big assortment of blues, tans and all the popular spring colors. Priced at \$17.50 and \$19.50.

Ladies' Suits at \$22.00, \$25 and \$27.50.

In this line you will find the greatest assortment of suits, every one a different style, that will be seen on our floors this season. Our buyer had paid particular attention to this line in order to make it one of the most complete showing that will be seen in the city this season. You will find all the new shades, made up in the very newest cloths, shown in this lot. The jackets are shown in the waist length and the skirts are shown in the min-erat tiered and peg tops.

For this Week the Dresses we are offering at \$15 are the most Wonderful Values that we have ever Offered.

You will see in this line, dresses suitable for weddings, evening and street wear. You will see in this line garments that formerly sold as high as \$25. They are made up in crepe de chime, chiffons, crepe de meteors, and charmeuse. No two dress conflict with one another, each dress is a distinct style by itself.

For this Week at \$15

In Our Men's Store

Suits at \$16.50. This line includes a big showing of garments made up in the blues, novelties, and worsteds. They are man tailored and hand finished. They are made up with six buttoned high cut vest, trousers are shown in the half peg effects, and bottoms are finished with the cuff outlet. There are suits in this lot that we could sell easily for \$22. Priced at \$16.50

Suits at \$19.85. High grade novelties, worsteds and blue serges, take the lead in this showing. Kuppheimer, Collegian and Hirsch-Wickwire makes are offered at this time. Values that formerly sold as high as \$25, now \$19.85
