Side Lights on Next Sunday's Lesson for Teachers and Pupils.

May 3—The Prodigal Son, Luke 15, 11-32 (Temperance Lesson.)

We have for our lesson this week what may well be considered the greatest parable delivered by Jesus while on earth.

The parable which all probably know well, is so true to life that it comes with powers to every one who has grown to man and womanhood.

One hardly knows how to properly comment on a lesson with such a wealth of meaning, when any one verse could be the text of a whole book.

That boys and girls will heed not loving warnings and decide to plunge headlong into wrong, is not the rule however.

The picture of life as given by Jesus is true, not alone because He spoke thus, but because human experience bears it out.

WOMAN COULD NOT SIT UP

Now Does Her Own Work. Lydia E. Pinkham's Vegetable Compound Helped Her.

Ironton, Ohio.—"I am enjoying better health now than I have for twelve years. When I began to take Lydia E. Pinkham's Vegetable Compound I could not sit up. I had female troubles and was very nervous.

"I gave it to my daughter when she was thirteen years old. She was in school and was a nervous wreck, and could not sleep nights.

Why will women continue to suffer day in and day out and drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (Confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

wayward sons, and the judgment was put upon him of loss of office and no successor from his house because he "restrain them not."

One of the great things of this lesson to me has been the "triumph of father love." The boy knew when he came to himself that he could depend on his father being considerate, compassionate, ready to help.

It is not strange that the lesson is taken for another talk on the evils of strong drink. Liquor drinking is in most every case one of the first steps on the downward road.

It is taken for another talk on the evils of strong drink. Liquor drinking is in most every case one of the first steps on the downward road.

There are names on that pledge from children in homes where the father is a saloon keeper or bar tender or well known drinking man.

The picture of life as given by Jesus is true, not alone because He spoke thus, but because human experience bears it out. Not only ten thousand, but ten million people can this day verify the fact that waywardness, life spent in riotous living ends in despair, humiliation, wreck of soul and body.
