VOLUME 49

DENISON, IOWA, WEDNESDAY, JUNE 10, 1914.

No. 23

ELECTROLIERS ARE TO BE INSTALLED

Business Men Will Raise \$2500 for Establishing System—Forty New Lights Will Be Placed.

CITY WILL FURNISH ELECTRICITY

Lamps Will Be Placed Ten to Block, Five on Each Side of Street—Another Progressive Move

The regular monthly business meeting of the Commercial club was held at the club rooms Monday evening, and while the attendance was not large, much important business was transacted.

Mr. J. G. Hardenburg, of Des Moines, representing the McDonald Electric company, was present and presented a proposition for installing an electric system for lighting the streets of the business section. He stated that there was not a city in the state of Iowa that had installed electric street lighting and that it had many advantages over the old system of arc lamps.

As a result of the Friday evening meeting in the neighborhood of forty modern electric lamps are to be installed in Denison in the near future, representing an investment of over \$2,500 by the business men of the city to give Denison one of these modern street lighting systems. This morning over \$1,500 of the desired amount has been raised and Mr. Hardenburg tells us that it will be an easy matter to secure the remaining amount necessary for the installation of the forty street lamps.

W. P. Hoyer, manager of the municipal light plant, has taken an active part in bringing about the improvement and has canvassed every business firm in Denison the past two weeks to ascertain whether or not they were in favor of such a lighting system. Mr. Hoyer brought the matter before the council and it was decided by the city officials to furnish the necessary current for the street lamps free of charge, providing the business men purchased the electric lamps and paid the cost of installing the same.

According to the present plans the electric lamps will be five-lamp posts of the latest pattern and weighing 600 pounds each. These will be installed on the main streets in the business portion of the city and will give Denison a metropolitan appearance. The lighting system will commence on East Broadway at the Hotel Denison and the McKim hall and will run west on Broadway to Pautsch

Brothers' garage. From the Tabor corner on Main street they will be placed as far north as the city hall and in front of the government building and the Revlon office. Tremont street from the Lash barn and the Merchants hotel west to the Norman corner.

The lamps will be installed ten to the block with five on each side of the street and at a uniform distance apart. Each post will be equipped with a top light of 60 watt candle power, while the lower four will contain lamps of 40 watt candle power. The council has agreed to burn the top lights of the electric lamps all night long and the four lower lamps on each post until 11 o'clock at night.

Business men generally have donated liberally to this needed improvement, and without a single exception have heartily endorsed the proposition. The electric system of street lighting is the most modern in use today and will do away with the bugbear of overhead wires at corners where the arc lights were formerly located. The wires for the electric lamps will be strung in underground conduits and will be operated from a central switch.

This is still another step towards getting the much talked of overhead electric wires underground and when the work has been completed it will be another obstacle removed so that paving may be considered.

DIES AT HOSPITAL

Mrs. Roy Craig, of South of Dow City, Passed Away at the Local Institution Friday Morning.

Mrs. Roy Craig, of near Dow City, passed away at the Denison hospital Friday morning after an illness of only two weeks' duration. Since the birth of her baby boy some four months ago she did not regain her strength and continued to fail in health. She was brought to Denison about three weeks ago for treatment in the hospital and an operation was performed in hopes of reviving her. The operation was successful, but her condition was so poorly that she was not able to withstand the ordeal. She leaves to mourn her death a devoted husband and two children.

Funeral services were held at the Salomon undertaking parlors Friday afternoon at 3 o'clock. Rev. J. H. Senseney officiating, after which the body was laid to rest in Oakland cemetery.

Messrs. Fritz and George Aizen, of Lake Park, Iowa, are visiting friends and relatives in Denison today. They drove across country in two automobiles, making the distance in five hours. In the party besides the Messrs. Aizen were Messrs. Peter Kroeger, Martin and Chris Voss, Peter Huer, Chas. Atzen, Ralph Clauen and Chas. Kuhlman.

COLLEGE ENDS THIS WEEK

Baccalaureate Sermon Sunday Evening Well Attended—Sermon Delivered by Rev. Senseney.

THE CLASS PLAY LAST EVENING

Crowded House Greeted 1914 Class and Witnesses Play, "Santiago"—Production Proves Great Success

The college baccalaureate services at the Presbyterian church Sunday evening were well attended. The twenty-four candidates for graduation were seated directly in front of the pulpit and immediately behind them sat the teachers of the college. Two solos were rendered, one by Elizabeth Lundell, of Kiron, and the other by Margaret Carey, of Denison. Both young ladies acquitted themselves in a very creditable manner.

The sermon for the occasion was delivered by Dr. Senseney, of the First Methodist church and was an able and interesting effort. He pointed out in a forcible manner the responsibilities resting upon one after leaving college and was able to impress the young people with the thought that their education was not completed because they have completed their school course. He commended those who strive to succeed in life and pointed out that success did not mean ability to acquire great riches although he had no criticism for those who were able to amass fortunes by fair methods. Success, according to the speaker, does not alone mean winning fame and distinction but the doing of things that help others and bring about reforms and improvements which may benefit mankind. He laid stress upon the moral victories that are to be achieved and urged the young people to strive to attain success along those lines. His personal appeal addressed to the young graduates was most impressive and we have no doubt but what his remarks made a deep impression not only upon the graduates but everyone present. The graduates will receive diplomas on Thursday evening when the annual address will be delivered by Rev. Medbury, of Des Moines, at the Methodist church.

The graduating class of the Denison Normal and Business college presented their class play, "Santiago," at the new Germania opera house last evening before a large and enthusiastic audience.

The play was a four act drama and had a strong plot laid at the time of the Spanish American war in Cuba. Fourteen members of the 1914 class

took part in the production and it was well planned from start to finish, drawing considerable applause from the audience. Each part was well taken and we wish that space would permit our telling of each individual character. Students at the college have gained considerable of a reputation for their plays and a number have been given during the past two years. Seats for this last production sold fast and there was hardly a vacant seat in the large opera house. The class is to be congratulated upon their efforts in producing the play and surely they have brought credit to their school as well as themselves.

Below we print the cast of characters: Captain Oscar Hutton, U. S. Army—Walter Kitson. Lieut. Fisk, U. S. Army—George Lind Milton Merry, U. S. Navy—Gordon Lancy. Lieut. Cristobal, Spanish Army—John Mumm. Dr. Harrison, Red Cross Hospital Service—Peter Hanfle. Smiler Walton, banker—Vernon Pruter Philip Bassett, his stepson—John Riggleman. Fernando Diaz, Walton's cashier, afterwards U. S. army, "in love with Naygurs"—Charles Lambert. Antonio Carlos, Cuban planter—Elden Linman. Cora Bassett, Walton's stepdaughter—Jessie Hayes. Boss Walton, Walton's daughter—Neil Girard. Yasobel Carlos, Antonio's daughter—Lulu Bottinger. American soldiers, American sailors, Spanish Soldiers, guerillas.

VERNON HASSETT INJURED

Eight Year Old Son of Mr. and Mrs. Jerry Hassett, is Injured While Climbing Into Buggy.

Vernon Hassett, the eight year old son of Mr. and Mrs. Jerry Hassett, received a painful injury Monday morning while endeavoring to climb into a buggy which was driven by his father. Mr. Hassett had hitched up the team and had started on a drive and Vernon attempted to climb into the buggy while it was in motion. In some manner his foot was caught in the spokes and before his father could stop the horses he was dragged several feet. He was taken to his home and a physician called and after a thorough examination it was found that the knee had been dislocated.

While the injury was a most painful one no bones were broken and the little fellow will be able to be up and around again in a few days.

BRIGHT'S DISEASE CLAIMS VICTIM

Evelyn Aylesworth, Granddaughter of Mr. and Mrs. J. G. Wyzant, Succumbed to Bright's Disease

WAS BRAVE TO THE VERY END

Body Will Lie in State at Wyzant Home Tomorrow Morning—Funeral Afternoon at 2 O'Clock

Evelyn, the little daughter of Mr. and Mrs. Paul Aylesworth, passed away at the home of her grandparents, Mr. and Mrs. J. G. Wyzant, on East Broadway, on Tuesday morning at 7 o'clock, after an illness of four weeks' duration. Evelyn apparently had been in the best of health up until the close of school, when she complained of severe headaches. Notwithstanding this, she attended school daily and it was not until the trouble became more frequent that a doctor was called to examine her condition. It was found that she was suffering with a severe case of Bright's disease, and steps were at once taken to relieve her of the trouble. She was loath to give up her work in school and it was only after great persuasion that she consented to remain at home and undergo treatment. A trained nurse was secured from Council Bluffs, who was constantly in attendance, and everything possible was done to bring back the good health of the little girl. The disease, however, had gained too much headway and death came early Tuesday morning to relieve her from her intense suffering.

Evelyn Aylesworth was born at Council Bluffs Sept. 23, 1900, and was almost 14 years of age at the time of her death. In 1909 the family moved to Denison and since that time have been living at the home of Mr. and Mrs. J. G. Wyzant. She had attended the public schools in this city during this time and was a great student, always receiving high marks in her studies. She herself knew several weeks ago that she was not in good health, but did not intimate this once to her loving mother or grandparents for fear they would not allow her to finish her school work. Even after her confinement she worked at her lessons and only three weeks ago wrote an essay on the flag, which won second prize in the contest held by the D. A. B.'s. Evelyn was loved by all who knew her and was of a bright and cheerful disposition, always doing things to please those near and dear to her. During her illness it was a source of much enjoyment to her to

have her friends come to see her. Evelyn knew for some time that there was very little hope of her recovery, but not once did she complain of her lot, but bore up under it with the fortitude of one many years her senior.

Besides her beloved parents, Mr. and Mrs. Paul Aylesworth, she leaves to mourn her death one sister, Beulah, and her grandparents. The body will lie in state at the Wyzant home tomorrow morning and funeral services will be held at the home at 2 o'clock in the afternoon, Rev. J. H. Senseney officiating, after which interment will be made in Oakland cemetery.

The Review joins with a host of friends of the bereaved family in extending its heartfelt sympathy in this, their hour of sorrow.

GOES WEST TO MARRY.

N. L. Hunt to Marry Miss Bertha Kimple, of Woodbine, at Seattle Last of This Month.

N. L. Hunt and daughter, Margaret, left Denison early Monday morning for an extended visit at different points in the west. Denison friends of Mr. Hunt will be considerably surprised to learn that he will be married to Miss Bertha Kimple, a resident of Woodbine, at the home of her sister in Seattle the latter part of this month. Only a few of his intimate friends have known of the approaching marriage.

Miss Kimple has been a teacher in the public schools of Woodbine for several years and has many friends at that place. She is a lady of many attainments and has made many friends here in Denison, where she has visited on several different occasions. Mr. Hunt and daughter will stop off in Denver for a visit with his sons, Blaine and Leslie. From there they will go to Portland, Ore., then to Crabtree, Ore., for a visit with an uncle of his. After the wedding, late in June, the couple will take an extended wedding tour through Canada, visiting at Vancouver and Edmonton. They will return to Denison some time the latter part of August.

WILL OPEN THE BALL SEASON

Athletic Grounds About Completed—Manager Bell Will Arrange a Game for Next Week.

WILL PLAY DOW CITY'S TEAM

Denison Will Have Better Team Than Ever and the Season Starts Out Very Promising.

The new athletic grounds on the college campus are now about completed. Practically all of the excavating and grading has been finished and carpenters are busy now getting the fence in position and erecting the grand stand. The fence on the west and north sides of the ground has been in place several days and the posts are all set for the other two sides, so that by the last of this week the grounds will be enclosed. The grounds are even better than it was expected, and from all indications the diamond will be one of the fastest in this locality.

Andrew Bell, manager of the ball club, informs us that he expects to officially open the season in Denison some day next week. While no date has been set, it is thought that the local team will cross bats with Dow City. This should be a good game, for Dow City has a fast team and have already played a number of games and so are in first class condition to show the Denison boys a few things about the game—that is, if they can.

Denison's team this year will be even better than the one of a year ago. Nearly all of the material that was on hand last year is available again this year with the exception of a man to do the pitching. Several first class twirlers have written to Manager Bell and asked for this position, but no arrangements have been made in regard to this.

There should be no reason why Denison could not make a better record in baseball than ever before. The players have all played together and know every kink in the game. We trust the people of Denison will support the ball club this year.

Later last evening the board of supervisors completed the work of canvassing the vote on the non-partisan judiciary ticket and also for judges of the district court. As the result of this vote does not appear in the table on another page of this issue of the Review we print below the result of the vote.

\$25.00 Suits at \$5.00

There are about 25 suits shown in this lot, in sizes from 15 to 40, shown in the blues, grays and a few novelties. This is an entire clearance of our stock and every garment must be sold in the next ten days. Choice of the lot at \$5.00.

Clearance on All Spring Coats

About 25 coats are offered for this sale, all new spring styles made up in the newest cloths for spring wear. The entire assortment is priced while they last at \$3.48.

Turkish Towel Special for Saturday

50 towels are offered for this sale, size 22x40. Some are slightly damaged in the course of manufacturing. They have been selling regularly at 25c each. For Saturday only 14½c.

The Last Week of Our May-June Sales Offers Special Values in Each Department That will Mean a Great Saving on Each Purchase. Cloaks, Suits and Dresses Are Being Priced at Clearance Prices for this week.

In Menagh's Shoe Shop

Exceptional values are being offered this last week of our June sale. 200 pairs of men's high grade work and dress shoes are offered for this week and Saturday at an exceptionally low price, taking the quality into consideration. This shoe is manufactured by one of the largest shoe manufacturers in the world. This goes to show that their big success and large business has been built up only through making a high class shoe at a very low price. This shoe is shown in both the button and lace styles, and an extra heavy plain toe work shoe. Your choice for this week and Saturday at \$1.98 per pair, for the regular \$3 value. At this price our stock will be broken in sizes in a very short time so we advise our customers to do their purchasing early.

Complete clearance of our stock of ladies' small size oxfords. You will see oxfords in this lot that sold for \$5 and not one in the lot is worth less than \$2 to \$3 regular. Sizes range from 2½ to 3½ and all narrow widths. No returns and no exchanges from this lot. While they last at 49c each for Saturday only.

In Our Men's Store. New Arrivals of Men's Blue Serge Suits

We have just received in the last three days a large consignment of Kuppenheimer blue serge suits. This line is considered by all clothes critics to be one of the best lines manufactured. These are all hand made and man tailored. Specially priced while they last at \$19.85.

In Menagh's Furniture Department

Our showing of furniture at the present time is one of the most complete in Denison. Nothing but the highest class furniture at the very lowest price will be sold off our floor. This department is run on the same principle as every department in our store and is stocked with Menagh quality merchandise.

Special This Week in Bed Springs

made up with flat wire top and coil spring ends. This is a spring that is retailed by us at \$5.00 each. Specially priced for Saturday only at \$2.98.

\$8 Mid-Summer Wash Dresses at \$3.89

These are all made up in the embroidery voiles and plain voiles. Each dress is a distinct style. About 25 dresses in the lot. While they last at \$3.89.

Sale For This Week on Mid-Summer Wash Dress Goods

shown in the rice cloth, serpentine crepe, organdy and mercerized crepe. These are wash fabrics that have just arrived on our floors within the last ten days. There are wash goods in this lot that could easily be retailed at 25c per yard. We have taken the entire lot of 600 yards and priced it at 15c per yard while it lasts.

Dress Silks at Clearance Prices

We offer our entire stock of dress silks, most all printed patterns, at a great sacrifice in price. Every yard of printed dress silk in our stock must be sold in the next ten days. In order to do so we have taken the entire stock and sorted it into two different lots.

Lot No. 1 is sold regularly as high as \$2.10 and there is not a piece in the lot sold regularly less than \$1.89. It is made up of printed charmeuse, printed foulards and faille. Priced for this week at \$1.19.

Lot No. 2 is made up of narrow silks in the better grades. They are all shown in the printed styles and formerly sold as high as \$1.19. This lot is made up entirely of foulards. These are all 22 inches wide, specially priced for this sale at 79c per yard.

Beautiful Silk Dresses at Greatly Reduced Prices. \$20 Values at \$7.98

These are all shown in the season's newest shades and are values that sold at the beginning of the season as high as \$20 and \$25. Not a single dress in the lot is worth less than \$19.85. Priced while they last at \$7.98.

Complete Clearance on All Crocheted Collars

We have taken our entire stock of crocheted collars and priced it for this week only at a big reduction. 20 crocheted collars, regular \$1.98 value, priced for this week at 39c. Crocheted collars, regular 50c value, a complete clearance at 19c each. Crocheted collars, regular 35c value, complete clearance at 11c.

Menagh's Store
