The gifts were badly needed and are greatly appreciated by the management. The Review this week is printing the names of the delegates elected at the recent primary to attend the county convention in Denison Saturday, June 27th. As will be noticed the list is complete and the delegates of the republican, democratic and progressive parties are given.

MARRIAGE OF GEORGE SELANDER

Rev. J. H. Senseney Unites Miss Anna Jacobson and Mr. George Selander in Wedlock Tuesday

MARRIED AT THE BRIDE'S HOME

Happy Couple Took Evening Train for Boone Where They Will Make Their Future Home. A pretty wedding was solemnized last evening at 6 o'clock at the home of Mr. and Mrs. A. Jacobson on East Vine street, when their daughter, Miss Anna Jacobson, was united in marriage to Mr. George Selander, Rev. J. H. Senseney officiating. The wedding was a quiet affair and only the relatives and immediate friends of the two families were in attendance. The wedding service was held in the dining room of the home, where red and white roses were used in profusion, and the large bay window, where the happy couple were united in the holy bonds of wedlock, was prettily decorated with roses draped on the curtains. Promptly at 6 o'clock the couple marched to the appointed place to the strains of the beautiful Mendelssohn wedding march played by Miss Grace Selander, sister of the groom. Mr. and Mrs. Robert Ewall acted as witnesses. The bride was most becoming in a handsome gown of white voile trimmed with real lace and carried a shower bouquet of roses and lilies of the valley. After the ceremony a delicious two course dinner was served by Mrs. Jacobson, after which the happy young couple went to the depot and took the 8:16 train for Boone, where they will make their future home.

The bride is a popular young lady in Denison and is a graduate of the Denison high school, completing the course with the class of 1905. Since then she has devoted most of her time to teaching school in this county, and for the past two or three years has taught the fourth grade in the Denison schools. She is a young lady of many attainments and fully capable of taking up her new duties. George Selander is the son of Mrs. Tillie Selander of this city, and was born and reared in Crawford county. For a number of years he, with his brothers, conducted the farm just west of Denison and later moved to Denison, purchasing the Economy meat market. Since disposing of that business he has been traveling for the Morris Packing company of South Omaha, a position which he fills with much credit. He is a young man of upright character and well worthy of the young lady of his choice.

The Review joins with a host of friends in wishing them happiness and prosperity through life. Mr. and Mrs. Fred Marshall left last evening for Rochester, Minn., where they will consult the Mayos in regard to Mrs. Marshall's health. It is thought that they will advise an operation. There will be a grand ball at the Bruderschatz hall in North Denison on the evening of July 2d. Good music has been engaged for the occasion and the public is cordially invited to attend. Mrs. Henry Schwen entertained a number of friends at a birthday party Monday afternoon. A delicious supper was served late in the afternoon and a jolly time was reported by those in attendance. The Review this week is printing the names of the delegates elected at the recent primary to attend the county convention in Denison Saturday, June 27th. As will be noticed the list is complete and the delegates of the republican, democratic and progressive parties are given.

John Rice, connected with the McMahon Carnival company, was compelled to remain in Denison this week on account of sickness. Rice received a bad bruise while working one day last week and infection set in and it was thought advisable for him to remain here under the doctor's care until the trouble was over. W. A. Lamborn left Monday for Kansas City to attend the annual convention of Rexall drug dealers. Each year the Rexall Drug company issues tickets to dealers and the one holding the lucky number is given an automobile. Mr. Lamborn is expecting to hold the lucky number this year and doubtless will return overland in the car.

Misses Edith and Julia Nordholm closed their schools in Hanover township, districts Nos. 1 and 5, last Friday, when the pupils and a large number of friends and parents enjoyed the fine program that had been arranged for their entertainment. Both young ladies will leave Thursday for Chicago, where they will visit relatives and friends for several months. Miss Edith Nordholm will go to Omaha about September 1st to take a business course at Boyle's college.

In another column in this issue will be found the complete list of the delegates to the different county conventions to be held in Denison, Saturday, June 27th. The list includes republican, democratic and progressive delegates, and is published as a matter of news. The republican convention will be held in the assembly room of the county superintendent's office, the democrats will meet in the court room. We are unable to learn where the meeting of the progressives will be held.

John Nehls and Louie Evers left Thursday for Denver on a vacation trip. They are making the trip overland in Mr. Nehls' big roadster, but from reports received from them in western Nebraska they are not making much progress. They have written friends that traveling in western Nebraska is a hard proposition these days on account of heavy rains and bridges and culverts having been washed out, making the trip a most difficult one.

Chas. Bray has given up the idea of becoming a railway mail clerk and has decided that he would rather remain here in Denison and serve his patrons out on route seven. Chas. went to Dubuque last week and spent two or three days investigating the situation and from a financial standpoint could not see where he was bettering himself by accepting the position as railway mail clerk. The officials could not guarantee him a steady position for some time to come and it would mean considerable hard work and a great deal of experience before he could secure a salary equal to what he is now getting as rural mail carrier. His patrons on route seven are more than pleased that he will continue to serve them.

The Denison Bottling works is about the busiest place in Denison these days and a full force of men are engaged in the manufacture of pure and sparkling soda for the summer trade. At this time of the year it is generally a hard matter to supply the demand for soda water but Messrs. Savery and Mitchell have anticipated the rush far in advance and manufactured a goodly supply of all the different brands so as to be able to fill all orders. In order to accommodate their customers, they ordered an extra car load of soda cases which arrived the first of the week and they are now hard at work getting these ready to ship for the 15th of July business. It is of interest to note that this modern bottling establishment in full operation. Last week they installed a 3 horse power electric motor with which to drive the machinery and have done away with the old gasoline engine.

Miss Beulah White, of Vail, visited friends in Denison yesterday. Miss Winifred Wright returned last Thursday from Indianola, where she has been attending Simpson college. Mrs. Davis, of Kansas City, arrived in the city last week for a visit with her sister-in-law, Mrs. C. J. Kemuning. Mr. and Mrs. W. H. Woolston, of Des Moines, are spending the week in Denison visiting at the home of their son, Frank.

Mrs. Al Durko and daughter, of Omaha, arrived in Denison yesterday for an extended visit with her mother, Mrs. Quido. Mrs. Adolph Stuber and daughter returned to their home at Los Angeles, Cal., after an extended visit in Denison with her sisters, Mrs. Ed Nelson and Mrs. Ernest Sibbert.

Dr. Thomas Houlihan returned to Ida Grove yesterday after a pleasant visit in Denison with his parents, Mr. and Mrs. M. L. Houlihan. Mr. and Mrs. August Voss, of West Side, motored to Denison Thursday for a visit at the Chas. Bollen home. On account of the heavy rain Thursday evening they were unable to drive home and so stayed over night, returning Friday.

The Denison Federation of Women's Clubs met last Saturday to decide fully as to the lecture course planned for next winter. The federation some months ago decided on a course which far surpassed any ever offered in Denison. It was hoped that with the new opera house the splendid course would meet a good response from our people and be a great success. This, however, is to be a disappointment, for the opera house company failed to appreciate the value of such a course of lectures and the federation felt that \$200 for the rental in addition to \$500 for the course, was too great a burden to assume and the contract has been cancelled, much to the disappointment of the women who had so carefully planned to give Denison the best there is.

Members of the council met with Mr. Hill on Friday and formally accepted the plans as drawn up. Mr. Hill has returned to Iowa City and will at once commence work on drawing up a permanent set of plans and specifications. He expects to have these completed within four weeks and will advertise them in the local papers, and it is hoped that local contractors will be able to secure the contract for building the new power house. Mr. Hill is visiting at the home of his daughter, Mrs. W. H. Laub. Mrs. Ralph Norris and Mrs. Green McAlroy left last Friday for Glen City for a few days' visit at the W. D. McAlroy home. Rev. J. H. Senseney and daughter, Miss Eva, left last evening for Rochester, Minn., where they will consult Dr. Mayo in regard to her health. It is thought that the doctor will advise an operation and they left prepared to go through with the ordeal. C. L. Voss writes the Review that the Denison contingent spent a day in the imperial valley in California, where the thermometer showed 130 degrees in the shade and 136 degrees in the sun. At the point from which he made his report the land was 175 feet below sea level, but worth in the market \$250 per acre. Mr. and Mrs. J. P. Conner, accompanied by Mrs. Conner's sister, Mrs. S. F. Ashby, of Fairmont, Neb., will sail on Saturday, June 27th, from New York City for London, after which they will spend a short time in Brussels and Switzerland, but most of their time will be spent in Paris. They expect to return about the latter part of August. Mrs. E. W. Pierce, Mrs. Ralph Cassaday, Miss Helen Schouten and Miss Winifred Wright will go down to Dow City tomorrow afternoon to participate in a shower given for Mrs. Fred Glassburner at the home of Mrs. Frank McHenry. Mrs. Edna Morrison-Glassburner was married last Saturday and her friends in Dow City are planning many social functions in her honor.

Memorial for W. C. T. U. and L. T. L. Members of the W. C. T. U. observed a beautiful memorial service on Tuesday evening at the graves of their departed members in Oakland cemetery. Twenty-five graves were marked with the white bow. We give below a full list of the names. If any have been omitted to anyone who can supply them. Those marked were as follows: Mr. and Mrs. H. C. Laub, Mrs. Mary J. Baker, Mrs. Eunice Wheeler, Mrs. Sophia Tobey, Mrs. M. King, Mrs. E. L. Crippen, Mrs. Mottie Roman, Miss Louise Morphy, Mrs. Alvina Shillington, Mrs. Mary S. McHenry, Mrs. Lottie Green, Mrs. Sallia Plimpton, Mrs. Emma K. Meyers, Mrs. Orel Haskin, Mrs. Minnie Roman, Mrs. Asenath Gable, Mrs. Fannie Bond, Mrs. Emma Hunt, Mrs. E. S. Miles, L. T. L.—Ethel Saul, Doris Jensen, Frederick Meyers, Doris Baker, Evelyn Aylesworth.

A. E. Myers, proprietor of the Myers bakery on East Broadway, has recently installed some modern bakery machinery and now has one of the best bakeries in this part of the state. Only recently he put in a mammoth bake oven at an expense of several hundred dollars, but since then there has been such a demand for his bread that it became necessary for him to purchase a bread mixing machine. The old method of mixing the bread by hand was so slow and unsatisfactory that he was only too glad to place the order for a large bread mixing machine. The machine was installed the first of the week and has a capacity of mixing enough dough for 900 loaves of bread at one filling. It is a massive piece of machinery driven with a three horse power electric motor, which turns the large steel paddles at a lively rate and mixes the bread much better than if done by hand. Mr. Myers is to be congratulated upon the fine business he has built up in Denison.

Frank Hanes returned yesterday morning from Rochester, N. Y., where he enjoyed a ten days' vacation visiting his mother and other friends and relatives. Mr. and Mrs. J. H. Sibbert and son and Mr. and Mrs. Henry Bergstadt and grandson left the latter part of the week for Manitou, Colo., where they will spend two months. They have rented a cottage there and expect to take life easy during the hot weather. Ray Garrison, who has been visiting his parents, Mr. and Mrs. T. J. Garrison, in Denison the past two weeks, left Sunday for his home at Grand Junction, Colo. Mr. Garrison came east to look after some land interests which he has at Nevada, Mo., and took occasion to run up to Denison for a visit.

Notice to Bidders. 1. Sealed bids will be received at the office of the county auditor, Denison, Iowa, until 2 o'clock p. m., on July 2, 1911, for a number of steel and concrete bridges and culverts, plans and specifications for which may be seen at the above office. 2. A certified check for five (5) per cent of bid, made payable to the county auditor, shall be filed with each bid, which in case of the bidder (or bidders) receiving the award, should be left to execute a contract, and file a bond within ten (10) days after acceptance of his bid, shall be forfeited to the county as liquidated damages. 3. All bids shall be on the regular form furnished by the county, sealed and plainly marked. 4. The successful bidder will be requested to furnish a bond issued by responsible surety, approved by the board of supervisors, and drawn to protect the county and any sub-contractor. 5. The county reserves the right to waive defects and reject any or all bids. 24-3t
