HAPPY MOTHERHOOD

The happiness of motherhood is too often checked because the mother's strength is not equal to her cares, while her unselfish devotion neglects her own health. It is a duty of husband or friend to see that she gets the pure medicinal nourishment in Scott's Emulsion, which is not a drug or stimulant but nature's concentrated oil-food tonic to enrich and enliven the blood, strengthen the nerves and aid the appetite. Physicians everywhere prescribe Scott's Emulsion for overworked, nervous, tired women; it builds up and holds up their strength. Get Scott's at your nearest drug store.
