WEST SIDE VS. LIDDERDALE

West Side Loses Game 12 to 6—Boys Good on Hit, But Usual Amount of Errors Follow in Wake.

WEATHER MAKES PRACTICE HOT

John Scheldorf, Who Has Been Ill for Some Time, Is Taken to a Specialist in Omaha.

Our baseball boys had the misfortune to drop another game to the Lidderdale bunch at Lidderdale Sunday, losing by a score of 12 to 6. As usual the boys were right there in the hitting department, getting five two-baggers, but as always the errors they made proved costly and quite a few were made. Practice has been neglected the last few weeks on account of the warm weather, but Manager Starek has decided to put them at work again soon and we hope just because we have lost two games out of three weeks' visit with relatives here and at Denison. John H. Scheldorf, whose health has been very poor for the last few weeks, left for Omaha last week, where he consulted a specialist as to his case. It was found that Mr. Scheldorf had an abscess in his throat and that only an operation could save him. At the present writing he is doing as well as might be expected and we hope that he may soon be able to be about. Miss Grace Voss visited at the Chas. Bollen home in Denison several days last week.
