Denison Citizens Gladly Testify and Confidently Recommend Doan's Kidney Pills. It is testimony like the following that has placed Doan's Kidney Pills so far above competitors. When people right here at home raise their voice in praise there is no room left for doubt. Read the public statement of a Denison citizen: M. L. McElwain, veterinary surgeon, 223 E. Vine street, Denison, Iowa, says: "I never used another kidney remedy as effective as Doan's Kidney Pills. I suffered intensely from lumbago and found it almost impossible to stoop. Doan's Kidney Pills, procured from the Lambert Drug Co., promptly relieved the extreme lameness in my back and removed all the other annoyances caused by my kidneys. I am a strong endorser of this remedy." If your back aches—if your kidneys bother you—don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. McElwain had—the remedy backed by home testimony. 50c all stores.
