

DEATH CAUSES MUCH REGRET

Harold Crampton, of Near Denison, Succumbs to Typhoid Fever on Friday of Last Week.

WAS A SON OF A. B. CRAMPTON

Funeral Services Held Sunday and Interment Made at Vail, R. W. Tourtellot and Jones Officiating

It is with regret that the Review chronicles the death of Harold Crampton, the fourteen year old son of Mr. and Mrs. A. B. Crampton, who reside just east of Denison, his death occurring last Friday, August 14th.

For some weeks Harold has been fighting bravely with typhoid fever and all that loving hands and the best of medical attention could do was of no avail, and he passed quietly and peacefully away.

Harold was the second son of Mr. and Mrs. A. B. Crampton and was born July 29, 1900, on a farm near Vail. There on the farm he passed a greater part of his short life and only a few months ago he came with his parents to Denison, residing on a farm just east of the city.

Several weeks ago he was taken sick and the attending physician pronounced his trouble to be typhoid fever, and a most severe case. He made a brave fight for recovery and not once complained of his lot, but was cheerful to the very last.

Besides his parents he leaves to mourn his death, three brothers, Raymond, age 17; John, age 5, and Louie, age 2, and one sister, Lillian, age 9.

His parents, brothers and sisters deeply mourn the parting from this promising young lad and we, the neighbors and friends, assure them of our heartfelt sympathy in this, their hour of sorrow.

The funeral services were held on Sunday afternoon, August 16th. After a brief prayer at the home near Denison the body was taken to Vail, where the services were held in the Presbyterian church, conducted by Rev. J. C. Tourtellot, of this city, assisted by Rev. Roy Jones. The remains were interred in the cemetery at Vail.

CHARGE, DISORDERLY CONDUCT.

James Williams Twice Arrested in As Many Days, Liquor Being the Principal Cause.

James Williams, a laboring man who has been working at Schleswig, was arrested in Denison Monday afternoon on a charge of disorderly conduct and was fined \$10.00 by Mayor Laub, and released. Last evening he was again arrested and is now lodged in the city jail awaiting his second trial.

Williams came to Denison Monday and in the early afternoon was well under the influence of liquor. He was seen by Officer Burke and notified to keep off the streets or would be arrested. Shortly afterwards Williams started down Main street and Burke told him he must get off the main streets, and upon refusing to do so he was arrested. He appeared before Mayor Laub late in the afternoon and paid a fine of \$10.00.

Late last evening he was again arrested by Officers Green and Burke, who found him in an intoxicated condition. Characters like this should be given a sentence of several days in the county jail on a restricted diet of bread and water and the chances are they would not be arrested the second time.

ARRESTED FOR SEINING FISH.

H. Mitchell and Peter Goff Arrested at Charter Oak by Deputy Game Warden From Manning.

H. Mitchell and Peter Goff were arrested at Charter Oak yesterday by Deputy Game Warden W. H. Potthast, of Manning, on a charge of seining fish in the Little Sioux river. They were fined \$10.00 each and costs, that amounted to \$16.00.

Deputy Game Warden Potthast was in Denison this morning and told a Review reporter that he arrived at Charter Oak just in time to catch the two men seining fish from an automobile. In all they had almost 300 pounds of buffalo and carp, which they had seined in the Little Sioux river near Mapleton early in the morning. Many of the fish were flopping around in the car when the two men were arrested. The game warden confiscated the fish and sold 259 pounds on the street at Charter Oak, but was unable to dispose of nearly 50 pounds more. Mitchell and Goff stated that this was their first offense of this nature and that they had learned a lesson they will not soon forget.

We cannot understand just why people will knowingly break laws in regard to game and fish and the experience of these two men should be a lesson for others. As the fish were carp and buffalo the fine was not as heavy as it would have been had they been game fish, for then they could have been fined \$10 for each fish. Mr. Potthast says that this is the first arrest that he has made in this locality this year and trusts that it will be a warning for others.

COMING ATTRACTIONS.

September 7th, 8th and 9th Will Witness the Beginning of the Theatrical Season in Denison.

Manager Peter Krauth of the Germania oper house yesterday concluded arrangements with Ned Alvord, Inc., the big Chicago booking exchange, for the appearance of Milton Schuster and the Graces of Musical Comedy in Denison. The local management considers this one of the most important bookings of the current theatrical season.

The Graces of Musical Comedy is the largest organization playing more than one day stands. In fact the scenic investiture with the attraction is so elaborate that it would be impossible to play the ordinary "One nighters." It is by far the most popular musical comedy company now touring.

Several bills will be presented during the stay in this city. The local menu will be selected from The Cow and the Moon, The Girl from Brighton, The Maid of Mexico, Princess Roulette, The Girl from Luxembourg, The Blue Widow and Pretty Pauline.

The dates for the appearance of this attraction is September 7, 8, and 9.

RETURN FROM SCENE OF WAR

Herman Cassebarth Returns From Germany on Short Notice—Glad to be Back in Crawford.

Herman Cassebarth returned last Thursday from Germany, sailing July 25th on the North German Lloyd Steamship, George Washington. Mr. Cassebarth left Germany only a few days before the war broke out and had remained longer he would have been drafted into the army and been at the front.

Mr. and Mrs. Cassebarth and family left here last January and located at Oldenberg, a city near Bremen, where they purchased a small tract of land. It was their intention to make their future home near Oldenberg and to conduct a small truck farm. Everything went well until last month when Mr. Cassebarth was notified that if he remained in Germany he would have to enlist in the army and serve for a term of years. This he did not propose to do, for he thought that he had lived so long in the United States that he was exempt from military duty, and so left the country, together with his wife and one daughter. His wife will remain in Germany until she is able to sell the small farm, when she will return to Denison.

Mr. Cassebarth is glad to be back in old Crawford county again and says that he will remain here permanently. He is greatly concerned about the welfare of his wife and children and fears that it will be many weeks before they are able to leave for America. Doubtless it will be a hard matter to dispose of the property near Oldenberg at the present time on account of the war.

Mrs. Jane Partridge is visiting her daughter, Mrs. Florence Bowling, at Mason City this week.

Miss Jennie Fitzpatrick went to Portsmouth Friday, where she will spend two weeks visiting friends.

Miss Ella Crow, of Elkador, is a guest at the home of Mrs. Ben Foderberg in East Boyer township this week.

Mrs. Tom McAndrews went to Panama the latter part of last week for a few days' visit with Mr. McAndrews' parents.

Mr. and Mrs. Stephen Thew entertained a company of young ladies Sunday evening in honor of Miss Ella Crow, of Elkador.

John Meehan and Claus Grazer, Jr., of Astor, were pleasant visitors in the city last Saturday. The Review acknowledges a pleasant call.

Misses Lillian Quade and Helen and Florence Crason returned Saturday from Omaha after a pleasant visit with their aunt, Mrs. A. F. Durke.

Mrs. Georgia Wade-McClellan returned home the fore part of the week from Carroll, where she spent some time visiting at the home of her son, John.

County Attorney Andrew Bell is prosecuting the case and Johnson is being represented by a local attorney. A score of witnesses are being examined, but at the hour of going to press a decision has not been rendered. Miss Alice Saul entertained her house guests at dinner at the Hotel Denison Thursday evening. The table was prettily decorated with pine, a Tri Delta emblem, and the fourteen guests enjoyed the fine menu which was served.

Dr. L. L. Bond and wife left the first of the week for Jamesville, Wis., where they will attend the annual reunion of the 13th Wis. Vet. Vol. Infantry. It was this regiment that saved the day at the battle of Chickamauga and Dr. Bond was a member of the infantry. They will remain in Wisconsin until September 1st. The Review is in receipt of a postal from Alva Dannels, who is working in a bank at Russell, Manitoba, Canada, announcing the birth of a daughter, who arrived at his home August 8th. The little Miss weighed seven and one-half pounds, and Alva reports mother and babe to be doing nicely. The Review joins with many Denison friends in extending congratulations.

AUTOMOBILES IN A COLLISION

Five Passenger Touring Car Owned by M. R. O'Connell at West Side Wrecked.

SHERIFF ARRESTS OTHER DRIVER

Said to be One Sabel, of Denver, and he was Fined \$25 and Costs.

A five passenger touring car driven by M. R. O'Connell, who lives near West Side, and in which three other persons were riding was run into by a tourist just west of the county home on the Lincoln highway last Saturday shortly after the noon hour, and the machine slid off the high embankment and turned turtle. Mr. O'Connell received a painful injury to his right knee, which required several stitches. The driver of the other machine was arrested at Council Bluffs late Saturday afternoon and brought to Denison Sunday by Sheriff Cummings and given a trial before Justice Collins. He pleaded guilty to the charge of not adhering to the rules of the road and was fined \$25.00 and costs.

Mr. O'Connell, together with his father and two ladies left West Side for Arion to make the Milwaukee train going north at 1:40. They were traveling along at a moderate rate of speed and had ample time to get to Arion to catch the train. When just west of the county home, a machine approached from the rear and sounded a whistle and Mr. O'Connell, supposing that the driver of the other car was in a hurry, turned out to the right to allow him to pass. Instead of swinging out to the left where half of the road was clear, the other driver turned out to the right too and crashed into the car driven by O'Connell, forcing it over the high embankment. The machine landed in the ditch several feet below with all four wheels up in the air. Fortunately no one was killed and Mr. O'Connell was the only one injured as stated above.

Mr. Sabel, who drove the other machine, rendered all assistance possible and tendered his car to those who were anxious to catch the train at Arion. He drove them to Arion and wanted to return but another machine offered to bring the doctor so he started on his journey west. Mr. O'Connell was brought to Denison where his injured knee was dressed. Later information was filed against Mr. Sabel and Sheriff Cummings notified the Chief of Police at Council Bluffs to arrest the driver when he reached there. This was done and Mr. Cummings went down Sunday morning for his prisoner.

At the trial before Justice Rollins Sunday afternoon, Mr. Sabel stated that he was from Denver and was just returning from Lake Okoboji. Not being familiar with the road laws of this state, he had turned to the right upon approaching the machine ahead of him which brought about the accident. He pleaded guilty to the charge and paid a fine of \$25.00 and the costs, which amounted to \$11.75. He seemed very nice about it and seemed anxious to get the matter straightened out satisfactorily to all parties concerned.

It would be well for all drivers of automobiles to study up on the rules of the road to avoid accidents such as this. Very few drivers seem to be familiar with these rules and six out of every ten drivers when approaching another vehicle invariably turn out to the right in passing when they should turn to the left. The driver of the vehicle ahead upon being warned of the approach of another vehicle from the rear is compelled to give half of the travelled road if he can do so without danger to himself. Accidents such as these are bound to occur unless drivers thoroughly acquaint themselves with these rules.

Mr. and Mrs. J. P. Welch, of Buck Grove, were shopping in Denison Saturday.

Miss Edith Nordholm returned last Thursday from Chicago, where she spent seven weeks visiting relatives. Her sister, Miss Julia, remained in Chicago and will take up a business course in Barrett's institute.

Miss Alice Saul entertained her house guests at dinner at the Hotel Denison Thursday evening. The table was prettily decorated with pine, a Tri Delta emblem, and the fourteen guests enjoyed the fine menu which was served. Dr. L. L. Bond and wife left the first of the week for Jamesville, Wis., where they will attend the annual reunion of the 13th Wis. Vet. Vol. Infantry. It was this regiment that saved the day at the battle of Chickamauga and Dr. Bond was a member of the infantry. They will remain in Wisconsin until September 1st. The Review is in receipt of a postal from Alva Dannels, who is working in a bank at Russell, Manitoba, Canada, announcing the birth of a daughter, who arrived at his home August 8th. The little Miss weighed seven and one-half pounds, and Alva reports mother and babe to be doing nicely. The Review joins with many Denison friends in extending congratulations.

MERCHANT HOME FROM WEST

Mr. and Mrs. N. L. Hunt Return From Wedding Tour of the West and North.

Mr. and Mrs. N. L. Hunt and daughter, Miss Margaret, returned Saturday from an extended trip in the west. Mr. Hunt and daughter left Denison on the 8th of June and went first to Denver, where they visited Blaine and Wesley Hunt. From Denver they went to Colorado Springs, where they heard Billy Sunday, the great evangelist. They stepped off one day at Salida for a visit with relatives and from there went to Salt Lake City, where they enjoyed a day of sightseeing. Their next stop was at Portland, where they spent five days, and Mr. Hunt met many Denison people there, among whom were Mr. and Mrs. Earl Cavett, Mr. and Mrs. Theodore Kuhl, Mr. and Mrs. W. R. Kirkup and the Win. Galbreath family. He found these people all enjoying the best of health and well satisfied with Oregon. From Portland they went down to Crab Tree, 90 miles south, where they visited B. F. Dobson, an uncle of Mr. Hunt's, who is in his 82d year. Mr. Hunt had not seen him for forty-two years and says that he (Mr. Dobson) is enjoying the best of health and is as hale and hearty as ever.

They next went to Seattle, where on the 22d of June Mr. Hunt was united in marriage to Miss Bertha Kempel, of Woodbine, the wedding being at the home of her sister, Mrs. A. F. Schuler. A few days after the wedding Mr. and Mrs. Hunt and Margaret left on an extended trip through Canada, going first, however, to Tacoma, where they saw J. S. McMinister and Bell Kelti, nephew of the former editor of the Denison Bulletin. They also had a pleasant visit here with Herbert Seagraves. From here they took a delightful boat ride to Vancouver, stopping off at Victoria, where they visited several Denison people who reside there now. They visited Mr. Hunt's sister, Mrs. J. F. Goff.

It was a most enjoyable trip and all the more so for Mr. Hunt was able to visit many friends that he had not seen for many years. The many Denison friends were glad to welcome them home to Denison and to congratulate them on the happy event that took place at Seattle.

Workmen are now engaged in installing the electroliners for Denison's "White Way" and it is hoped to have the work completed so that they may be lighted by September 15th. The electroliners are being installed three to each block on both sides of the street throughout the business section, and when completed Denison will have one of the best lighted business sections of any towns its size in the state. Large cables are being laid underground, which will furnish the electricity for these fine lamps and all will be operated from a central switch, which will probably be located in the city hall.

Every one is pleased with the electroliners and believe that it is an improvement that should have been made long ago. Mr. and Mrs. P. M. Lane were down from Vail Monday shopping and calling on friends.

Mr. and Mrs. P. M. Lane were down from Vail Monday shopping and calling on friends.

AUGUST THE MONTH OF FURS

Extreme Hot Weather No Dampener on Showing of Winter Apparel by Denison Merchants.

FURS MAKE ONE FORGET HEAT

The Menagh Store in August Attire, With Furs and Fall Suits and Coats on Display.

The past few days have been ones of extreme heat, with no indication of cooler weather from the man who is paid by Uncle Sam to regulate the temperature. All thoughts of winter wear had been cast aside until today, when one of Denison's leading firms came into the office with copy for a large ad in which attention was called to an August sale of winter furs and fall and winter suits and coats.

On page four of the first section of this issue will be found a large ad from the Menagh store, telling of four thousand dollars worth of furs to be sold during August. This is not an unusual event in the larger places, but the extreme heat had a representative to the Menagh store to learn about furs in August. He found a most superb line of Genuine Mink, Black Wolf, Mau Flau, Red Fox, Raccoon, Liver Mink, White Ermine and Russian Pitch, and Mr. James Menagh said the entire stock belonged to Menagh and would be sold at a saving of the outside salesman's commission. And then the price was noticed—\$450 for a set of mink, and would you believe it, the set was marked SOLD. Other sets were priced equally as high and some graduated down to \$17.00. The line is certainly one of beauty and well worth anyone's time taken for inspection and really one forgets the heat when looking at the furs.

From the fur section one is taken into the ladies' ready-to-wear department, where models display the season's latest styles and fabrics in suits and coats. And those Redingote suits are certainly some style—made up in both wool poplin and broadcloth. Shown in Russian green, nigger head brown, blue and black. Some twenty-seven or twenty-eight suits were on the altering table awaiting a corp of work ladies employed to do nothing but the altering.

The millinery section was equally as inviting, and Mr. Menagh assured us that the entire line had been passed upon by an expert lady buyer in the east, and all styles shown are guaranteed correct.

On the second floor is to be found the rug and furniture sections, and one section display an even 100 room size rugs, of all designs and naps. Ample room is provided for the showing to good advantage of these rugs, and one really enjoys spending a half hour in this section alone. We were told the sales from this department of the Menagh store extended all over western Iowa.

The Menagh store is strictly a Denison institution, and the large volume of business enjoyed has been gained by honest business methods and undivided attention given the many markets of the country, where cash very largely predominated in the buying of goods. Read the main ad on page four of this issue, and forget the hot weather.

A harvest festival will be held at the Bruderschait park in North Denison tomorrow afternoon, weather permitting, and a large crowd is expected to attend. The local band has been engaged to furnish music throughout the entire day and in the afternoon there will be a fine program, consisting of speeches, musical numbers and games for both the old and young. The entertainment committee have arranged for prizes for winners in the different events. The day's entertainment will wind up with a grand ball in the Bruderschait hall.

Miss Hattie Spiegel was in Denison over Sunday visiting at the parental home.

Teachers' Meeting. There will be a teachers' meeting at the court house in Denison on Friday afternoon, August 28th, at 1 o'clock, for the teachers who will have charge of the country schools this year. We will discuss the plans in the use of the textbooks for this year and show you how you can teach them to the best advantage. You will be given some books for use in your schools this fall and winter. The new course of study outline for our textbooks and the new state course of study will be explained to you. Plans for making the schools better will be discussed and many more things of interest to the teachers. You can not afford to miss this meeting. Come, if possible. F. N. O'LEARY, County Supt. Aug. 19, 1914.
