IOWA STOMACH SUFFERER RELIEVED BY FIRST DOSE OF MAYR REMEDY

T. H. Lewis, of Ottumwa, Tells How He Was Quickly Restored by a Single Bottle.

Thomas H. Lewis, of 1102 West Second street, Ottumwa, Iowa, was a sufferer from stomach ailments. He took Mayr's Wonderful Stomach Remedy and got quick relief.

The very first dose convinced him. Mr. Lewis wrote:

"I received your remedy and wish to state that it is wonderful. The first bottle made me feel better than I have felt in years. Would be glad to recommend it to anybody who needs a stomach remedy."

That is this remedy's record in thousands of cases in all parts of the United States.

Mayr's Wonderful Stomach Remedy clears the digestive tract of mucoid accretions and poisonous matter and brings swift relief to sufferers from stomach troubles, liver and intestinal disorders. Many declare that it has saved them from dangerous operations and many others are sure that it has saved their lives.

We want all people who have chronic stomach trouble or constipation, no matter of how long standing, to try one dose of Mayr's Wonderful Stomach Remedy—one dose will convince you. This is the medicine so many of our people have been taking with surprising results. The stomach thorough system cleanser ever sold. day evening. Light refreshments were served and a good time enjoyed by all present.

Busy Fingers Knit For Soldiers. The spirit of loyalty to the worthy Red Cross workers has taken root in all grades of society and even schools in the form of knitting bees, where useful articles such as Scarfs, Wristlets, Abdominal Bands (known in military circles as Cholera Bands), socks, etc., are made for distribution to the agency of the Red Cross.

Transatlantic steamers have generously offered to transport articles for this purpose free of charge.

A canvass of several hospitals and inquirers as to the most important essentials invariably brought forth a reply that hand-knitted or crocheted articles on the above order were a godsend to the soldiers.

A tourist tells of the arrival at hospitals of the wounded covered with blood, their clothing not having been changed during the time they were in the trenches, possibly three or more weeks, and those that were badly wounded their clothes had to be cut off.

You will find English, French and German soldiers all being treated alike by our noble Red Cross workers, with the greatest consideration.

Just picture yourself a blank, cold, stormy winter's night, and in the distance a lone sentry patrolling his post, lacking and sadly in need of a scarf, pair of wristlets or some other article of wearing apparel that would so much lessen the hardships of the winter's campaign, and you will realize the great relief the women of this patriotic nation could extend to these fighting soldiers if every one of them would contribute just one article for their welfare.

If you could get a glimpse of the pitiful plight of the large proportion of these men, it would make you burn with a desire to be a contributor to this most commendable work.

Take advantage of the present opportunity to benefit mankind and contribute by your handiwork to this cause.

The fact that the candidates inquired anxiously for your welfare does not necessarily indicate that you will be able to borrow \$1.50 of them.

Under the peace treaties just ratified the Atlantic ports are now assured that they will not be attacked by Paraguay.

People who complain because 140,000 people are dodging payment of the income tax are reminded that a hard winter is coming and rubber tires cost high.

Suffered Twenty-One Years-- Finally Found Relief

Having suffered for twenty-one years with a pain in my side, I finally have found relief in Dr. Kilmer's Swamp-Root. Injections of morphine were my only relief for short periods of time. I became so sick that I had to undergo a surgical operation in New Orleans, which benefited me for two years. When the same pain came back one day I was so sick that I gave up hopes of living. A friend advised me to try your Swamp-Root and I at once commenced using it. The first bottle did me so much good that I purchased two more bottles. I am now on my second bottle and am feeling like a new woman. I passed a gravel stone as large as a big red bean and several small ones. I have not had the least feeling of pain since taking your Swamp-Root and I feel it my duty to recommend this great medicine to all suffering humanity. Gratefully yours,

MRS. JOSEPH CONSTANCE, Echo, La., Rapides Par.

Personally appeared before me, this 15th day of July, 1914, Mrs. Joseph Constance, who subscribed the above statement and made oath that the same is true in substance and in fact. Wm. Morrow, Notary Public.

PE-RU-NA LAXATIVE TONIC

"I was taken with a severe headache and cold, which finally brought on constipation and bowel trouble. Physics of all kinds were used, and we were obliged to resort to the fountain syringe for help. I could drink castor oil like water, but it did no good. Sals were of no use. The doctors were puzzled. After using three bottles of Peru-na I consider myself entirely well." Mr. John B. Capers, No. 610 Pecan St., Fort Worth, Texas.

Those who object to liquid medicine will find Peru-na Tablets a desirable remedy for CATARRHAL CONDITIONS.
