FORCED-OUT SALE

The Kelly Shoe Co. Forced Out of Business

by the International Adjustment Co. of New York, Chicago and Minneapolis who have instructions to sell it out Slick and Clean according TO LAW

It is the mightiest mercantile calamity in the past ten years, competition will stand agahst at this merciless suicidal price cutting. There will be no stemming of the tide in this outpouring of fine footwear for the whole family. An extra force of sales people will be on hand to wait upon all promptly with instructions to sell everything but the front door. Nothing reserved, nothing held back. Edge your way, see the red tag of sacrifice, see the bulging bargain bins. Don't spend one dollar for shoes before the great

Opening Fri. May 28th at 10 a. m. sharp and ends Sat. June 12, 1915

Store is now closed under lock and key and nothing will be sold before the Great Opening Day.

Slaughtered Beyond Belief

This is the most unique and spectacular merchandise event ever conceived, abounding in thrilling interest to everyone who values economy. This mammoth stock to be cut loose from all former costs regardless of loss, the offerings are countless and indisputably the most wonderful conception of all former price cutting. You will be bewildered and astonished at what a few dollars will here do the next 14 days of this sale. Not one article but what will get the marching order price attached to make this sale go down in history as the biggest and most beneficial sale from a saving standpoint of general merchandise to everybody who is lucky enough to grasp opportunities when presented, and not one penny's worth must be left to remind you of former ownership. It all goes.
