DENISON HOSPITAL FINALLY SOLD

Messrs. Conn & Hartley and Dr. A. H. Rosburg Are Purchasers, Each Taking a Third Interest

CONSIDERATION SIX THOUSAND

Dr. Rosburg Will Have Complete Charge Until Fall, When Dr. Conn Will Move Here.

The Denison hospital has been sold to Drs. Conn & Hartley, of Battle Creek, and Dr. A. H. Rosburg, of Denison, for \$6,000, each one of them taking a third interest in the institution. The deal has been under consideration for nearly two weeks, but it was not generally known that the Denison physician was negotiating with Drs. Conn & Hartley until it was announced at the meeting of the hospital company, held at the Commercial club rooms on Monday evening of this week. These physicians are now in full possession of the hospital and equipment and will conduct it from now on as a private hospital and sanitarium.

Monday evening the stockholders met for the purpose of hearing the report of the special committee appointed to negotiate for the sale of the hospital and equipment and which was instructed at the last meeting to sell the same for a minimum sum of \$6,000. Mr. B. Brodersen, president of the company, called the meeting to order at 8 o'clock and announced to the stockholders that the committee had made a sale of the hospital to Drs. Conn & Hartley, of Battle Creek, and Dr. A. H. Rosburg, of Denison, at the price agreed upon at a previous meeting, and that the purpose of this meeting was to ratify the action of this committee and pass a resolution in order that a bill of sale might be furnished to the purchasers. Mr. Jacob Sims addressed the stockholders and stated that the committee had been in consultation with these physicians and that a sale had been effected at the price mentioned above, and that it would be necessary for the stockholders to ratify the contract of sale as made by the committee so that the purchasers would have a clear title to the property. He offered the following resolution:

"Be it resolved, that said contract of sale be and the same is hereby approved, ratified and confirmed and the president and secretary of this company be and they are hereby authorized and empowered to execute and deliver a good and sufficient deed of warranty conveying said property and

premises to said Messrs. Conn, Hartley and Rosburg upon the payment of \$6,000; said premises being described as Lots one, two and three in Block 101 in the city of Denison, Iowa." This was seconded by Mr. T. J. Garrison, and Mr. Brodersen then called the roll of the stockholders for a vote on the resolution. In all 812 votes were cast by the stockholders present or by those who held proxies, and all were in favor of the resolution. Some of the stockholders present thought that some provision should be made in the lease to the effect that the building was to be used for hospital purposes up until such time as another one equally as good or better was built. A majority of those present, however, were not in favor of tying any strings to the sale of it and were in favor of disposing of it without complicating matters.

The stockholders are more than pleased with the sale made and many of them are of the opinion that it will prove to be one of the best things for Denison that has happened in years. After visiting Battle Creek and seeing the fine sanitarium being conducted there by Drs. Conn & Hartley they believe that the hospital here in Denison will soon prove to be a second Rochester, Minn., only on a smaller scale.

Dr. Conn was over from Battle Creek yesterday and the necessary papers were drawn up and the new firm given full possession of the hospital. We are told that Dr. Rosburg will have complete charge of the hospital until fall, when the Battle Creek doctors will commence transferring their patients to Denison. Of course, it will not be possible to do this all at once and they expect to maintain their Battle Creek sanitarium for possibly a year or until such a time as they are able to get their patients to Denison. Dr. Conn will come to Denison from time to time to perform such operations as are necessary and in September he expects to move with his family to Denison, leaving Dr. Hartley in charge of the Battle Creek hospital. The new owners expect to spend in the neighborhood of \$2,000 in making some improvements at the hospital, such as putting in an elevator, fitting up an operating room on the second floor and adding much new equipment. When these changes have been made they will be able to accommodate in the neighborhood of thirty-five patients at one time. We understand that they have in mind the erection of a modern hospital and sanitarium to cost about \$40,000, and the present building will be used only until this new building is available. The plans have already been drawn up by Mr. Lee Barber, and those who have seen them say that the building as planned is modern in every respect.

DENISON NORMAL COMMENCEMENT

Thirty-four Students to Graduate—Baccalaureate Sermon by Rev. Tourtellot Next Sunday.

CLASS PLAY WILL BE TUESDAY

"The Fortune Hunter," Rollicking, Full of Wit—Class Recital to be Held on Wednesday.

Next week is the occasion of the twenty-second annual commencement of the Denison Normal & Business college, when thirty-four students, one of the largest classes in the history of this institution, will receive their diplomas. The past school year has been a successful one throughout and the class are doing their best to close the work with credit.

The first one of the commencement exercises is the baccalaureate sermon, which will be delivered by Rev. J. C. Tourtellot, pastor of the Presbyterian church, in a union service at the Baptist church next Sunday evening at 8 o'clock.

The class entertainment is a play, which will be given at the opera house on Tuesday evening, commencing at 8 o'clock promptly. The play is entitled "The Fortune Hunter," and is full of good rollicking wit throughout. There is a serious side to the play and will give the thoughtful ones something to consider. The class paid a high royalty for this popular play and have worked hard on the reproduction of it.

The music and oratory departments give the annual recital at the college chapel on Wednesday evening, June 5th, commencing at 8:30. There are two graduates from music and one from oratory this year. The annual recital at the college is one that has always attracted considerable interest in Denison and it will be a pleasure to be in attendance at the program next Wednesday evening.

The annual commencement exercises will take place Thursday evening of next week at the Presbyterian church at 8:30. The class has secured the services of Prof. W. C. Wilcox, dean of the college of liberal arts of the State university, to give the commencement address. He will have something to say that will be worthy of the attention of every citizen in Denison and all are urged to be present. Following the address of Dr. Wilcox the diplomas will be presented to the class.

The annual banquet of the college alumni and members of the 1915 graduating class will follow the commencement exercises. Below we publish the names of the

graduates in the different departments of the college:

College Preparatory.

Florence Cushman, Margaret Fleming, Earling Roswell Garrison, John Aloysius O'Connor, Ruth Antoinette Peterson, Lorin Eli Patchin, Robert Melvin Romans, Glen Arthur Ralston.

Oratory

Alice Boyd.

Normal Course

Ellen Fleming.

Commercial Course

Kathryn Elizabeth Buesing, John Gail Carey, Hugo Charles Keller, John Henry Lee, Fred Carl Lockmiller, James Gordon Luney, Cora Ross McKenzie, Estella Augusta Dorothy Peters, Hjalmer Gotfred Sievers, Ananda Helena Timm.

Shorthand and Typewriting

Anna Elsie Anderson, John Gail Carey, Garnet Emily Dixon, Mabel Carlina Knapp, Lillian Marie Mundt, Cora Rose McKenzie, Fern Emily Richardson, Hertha Mathilda Roeh, Alice Edna Wright.

Music

Myrtle Mary Larson, Ethel Ruth Turin.

"THE SPOILERS."

Coming to Germania Opera House on Friday, June 4th—Matinee and Evening—A Great Story.

It has been the fashion of late to picture the work of famous authors, and Selig has advanced this as a fine art in "The Spoilers," from the book by Rex Beach, in most spirited and vital fashion. This moving picture play in nine reels had its first public presentation at the spacious and beautiful new Strand theater on Broadway in New York City, and has continued there as the feature, arguing for its profitability and popularity. It followed this success as a regular feature at the Studebaker theater on Michigan avenue, Chicago, where it has continued to do wonderful business to "capacity houses."

The significant voices of the great centers where this picture has a showing speak volumes for this production. This picture will be presented at the Germania opera house at Denison for one day, June 4th, Matinee at 2:30, night at 8:15. See ad in another column.

Mr. and Mrs. North Evans, who have been spending the winter at Philadelphia, are expected in Denison the last of the week for a few days' visit at the home of his sister, Mrs. Geo. McHenry. They will spend the summer at Columbus, Neb., visiting his parents, Dr. and Mrs. C. D. Evans.

MEMORIAL DAY IN DENISON

Observance of National Memorial Day Postponed From Saturday to Monday—Program Rendered

REV. BOYD MAKES ADDRESS

Business Houses Closes During Afternoon Exercises—Roll of Honor Read by Mr. Richardson.

The observance of memorial day in Denison Saturday was abandoned on account of the rainy weather, and the program was postponed until Monday, when it was carried out in every detail as first planned. Citizens turned out in large numbers to pay their respects to the civil war veterans and attended the services at the cemetery in the forenoon and the exercises held at the Germania opera house in the afternoon. Every business house in Denison, without exception, closed their doors from 2 to 4 o'clock during the hours of the afternoon exercises in order that everyone might attend. On account of the bad roads the procession to the cemetery was not as large as it has been in former years, but there were a number of people who accompanied the old soldiers, Sons of Veterans and Woman's Relief Corps in carriages and busses in the procession to the cemetery. Upon arrival there they gathered about the cenotaph and the college quartet opened the exercises with a beautiful song. Following the music the national memorial order was read by A. C. Weeks and Mr. John Richardson, post adjutant, read Lincoln's memorial day address. Commander Simpson read the memorial service which was followed by a prayer by the post commander. The Sons of Veterans and Woman's Relief Corps concluded the exercises, after which the graves of the soldiers were strewn with flowers. The afternoon services were held at the Germania opera house, which was taxed almost to capacity. Mr. W. A. McHenry presided over the meeting and with him on the stage were the old soldiers, members of the S. of V. and W. R. C. Rev. J. C. Tourtellot, pastor of the Presbyterian church, offered the prayer, which was followed by music by the college glee club. Mr. John L. Richardson read the roll of honor, after which Mr. McHenry introduced Rev. J. L. Boyd, the speaker of the afternoon. Rev. Boyd's address was very eloquent and he paid glowing tribute to the soldiers who had fought so bravely to preserve the union. Throughout his address he held the wrapt attention of his audience, and it was the opinion of many

that it was the best decoration day address that has been delivered in Denison for years. Following his talk the college glee club sang "America." The music furnished by the Denison orchestra was greatly appreciated by those having charge of the exercises as well as by the large audience. Below we print the roll of honor as read by Mr. Richardson:

Buried in Denison.

John Crawford, Private, Co. G, 2d Iowa Cav.

Charles Duncan, Private, Co. A, 2d U. S. Cavalry.

Thomas Malone, 1st Lieutenant, Co. D, 52d Ohio Infantry.

COUNCIL DECIDES ON DEEP WELL

Enters Into Contract With Engineer J. G. Thorne, of Clinton, to Prepare Plans and Specifications

GOOD WATER AT 2,000 FEET

Retrench in Light Department, Three Linemen Being Released at Saving of \$195 Per Month.

At an adjourned meeting of the city council, held on Monday evening of this week, J. G. Thorne, of Clinton, was engaged to draw up the plans and specifications for the new deep well, for which a \$20,000 bond issue was voted at the special election held recently for that purpose. According to the arrangement entered into between the city and Mr. Thorne, he is to prepare the plans and specifications for the well, a concrete reservoir with a capacity of between two and three hundred thousand gallons, a pump house and kind of pumps, and is to be here in Denison at the time the contract is let and also to come and inspect the work when it is completed before final acceptance by the city. For this work he is to receive \$400.

According to the present plans the well is to be sunk just west of the power house and Mr. Thorne believes that a sufficient flow of water of a good character will be available at a depth of from 1800 to 2000 feet. The well is to be sunk until the St. Peter strata of sandstone is struck, which is the source of much of the water in some of the larger cities of the state, and it is said to be of a very fine quality. The water will be pumped from the well into a concrete reservoir with a capacity of between 200,000 and 300,000 gallons, which will be constructed just north of the present shallow wells. A new water main is to be laid from this reservoir direct to the stand pipe in the north part of the city. The reason is to do away with a possibility of a shortage of water should anything happen to the pumps at the well. The most modern electric pumps will be installed at the new well and also at the reservoir. Mr. Frank Woolston, the local engineer, will superintend the work of construction.

After the well matter had been disposed of the city council discussed at some length matters pertaining to the municipal light plant. The expenses of the new plant have been very heavy since the old plant was taken over, due to the large amount of reconstruction.
