## FULL GROWN TABERNACLE

Large Forsythe Tabernacle Almost Ready for Evangelist's Coming—108x78 Feet in Size

WILL BE DEDICATED SUNDAY Meetings Will Commence Wednesday, October 13th, and Continue Many Weeks—Great Promises in Store

It did not grow like the wonderful palaces of Aladdin in a night, but it did spring nearly into a full grown tabernacle in a day. On Monday morning there were a few piles of lumber on the ground and by evening the great tabernacle to be used for the Forsythe meetings had assumed large proportions. It was a busy scene, pastors, doctors, mail carriers, carpenters, men from all walks of life were as busy as bees and the work went merrily on. Men felt it was indeed an honor to have part although humble, in rearing the structure, which they hoped and prayed would be used in revolutionizing the lives of hundreds of people in the city and country surrounding.

The tabernacle, now about completed, is 108 feet by 78 feet, high, light, and airy, well enough built to allow warming, has good large platform and speaks for itself, that there is much interest in the coming gospel meetings under the captaincy of Rev. Forsythe and his party of workers. The store windows all say "Forsythe is Coming," banners in the church say that, "This church participates in the Forsythe meetings," soon a great banner goes up on Main street saying, "Forsythe Evangelistic Meetings," and the members of the churches are holding meetings and talking Forsythe. This all means a series of meetings the like of which never took place in this part of Iowa before.

Early next week every house in Denison will be visited by the workers with invitations to attend the meetings. This means that practically every resident of the city will be at one or more meetings either drawn by curiosity or more direct interest. The singing will be a great feature. Even the most familiar songs when sung by two hundred or more voices. Every one who loves to sing is invited to have part in the grand music. A leader of rich experience will have charge, and the drill and chorus work will be well worth having a part in.

The meetings begin Wednesday, Oct. 13th, and continue many weeks. The best known men of Denison will act as ushers and the meetings have their hearty support. Residents of the county at large are expected in. Special seating arrangements will be made for such on notice to the chief usher, Mr. E. W. Pierce. There is every prospect that the Forsythe meeting will stand out for many years as the most important event in the religious line taking place in this part of Iowa.

There will be a union dedication meeting at the tabernacle next Sunday evening at 7:30 o'clock.

### WEDDING AT VAIL.

Miss Frances Kral Becomes Bride of G. W. Bruening on Wednesday Morning, September 29th.

Vail, Oct. 1.—(Special to the Review)—Wednesday morning, Sept. 29, 1915, at St. Ann's church, took place one of the prettiest weddings of the season, when Miss Frances Kral became the bride of Mr. G. W. Bruening. To the strains of a wedding march, beautifully rendered by Miss Helen Kral, the bride and groom, attended by Miss Angela Kral, sister of the bride, and Mrs. Fred Henkens, of Arcadia, marched to the altar and were united in matrimony, nuptial mass being celebrated by Rev. Jas. Murphy. The bride was attired in a white silk gown and wore a veil. The bridesmaid wore a gown of green. A large number of relatives and friends of the bride and groom witnessed the ceremony that united this worthy couple for life.

After the ceremony the bridal party, together with relatives and a few friends, repaired to the spacious home of the bride's parents, where a delicious wedding breakfast was served. The bride is the daughter of Mr. and Mrs. Joe Kral. By her gentle manner and refined disposition she is able to number her friends by her acquaintances. The groom is a cement contractor of Arcadia, and is a man of sterling character and genuine worth. After their return from their wedding trip the newly wedded couple will be at home to their friends in Arcadia, where the groom has completed a new home. Their many friends here wish them a long life of peace and joy.

Mr. and Mrs. Theo. Rohwer were down from Schleswig Tuesday shopping and calling on county seat acquaintances.

The Gnam-Lamberty clothing company will announce the opening of their new store in Denison in the next issue of the Review. They had hoped to have the store open for business this week, but were delayed on account of the fixtures not arriving until the latter part of the week. Mr. Lamberty is hard at work this week installing the new clothing cases and show cases and hopes to have the temporary quarters ready for business by the last of this week.

## COMMITTS SUICIDE UP IN JACKSON

Thomas Ewing, a Jackson Township Resident for 45 Years, Kills Himself Saturday Morning.

HAS BEEN BLIND TWO YEARS

Deed Committed at Home of D. M. Calderwood, for Whom Deceased Worked—Funeral Monday.

Thomas Ewing committed suicide last Saturday morning at the D. M. Calderwood home in Jackson township by shooting himself in the head with a repeating rifle. The deed was committed at 8:30 a. m., and it was not until some time later that his body was found by his wife, lying on a sofa in his bedroom with the gun clamped in his arms across his body. It is believed that the rash act was committed on account of ill health and brooding over the fact that he had lost his eyesight. Mr. Ewing had not complained to his wife or members of the Calderwood family over his condition, nor had he intimated to anyone that he contemplated doing away with himself, and the news of the suicide was a shock to his many friends in the northeastern part of the county.

For the past seventeen months Mr. and Mrs. Ewing have been making their home with Mr. and Mrs. D. M. Calderwood in Jackson township. Mr. Ewing assisting with the farm work to the best of his ability, although being greatly handicapped on account of being blind. He arose Saturday morning in his usual way, but while his wife was up stairs dressing to go on a visit with her husband to the home of Mr. and Mrs. Isaac Patterson in West Side, and Mr. and Mrs. Calderwood were at the barn milking the cows, he committed suicide as stated above.

The deceased was well and favorably known in Jackson township having been a resident there for almost forty-five years. He was born in the year 1851 in the state of Illinois, and at the time of his death was in his eighty-fourth year. Three children were born to Mr. and Mrs. Ewing, two sons having passed away and the surviving child being Miss Nellie Ewing, who resides at Denver, Colo. For a number of years he was a traveling salesman, but was compelled to give this up on account of ill health. Two years ago he lost his eyesight and this was a great blow to him. He often commented on how slowly the time passed, but appreciated the tenderness and care which were bestowed upon him in his helplessness. Funeral services were held Monday

morning at the Calderwood home in Jackson township at 10 o'clock, and the Masonic lodge, of which he was a member, took charge of the services at the West Side cemetery, where he was laid to rest beside his two sons. The pall bearers were: Robert Hannah, Henry Horsman, John Kock, George Gunn, Edward Dobler and Fred Rickers.

The bereaved family have the sympathy of the entire community in their hour of sorrow.

### FIRST NUMBER LECTURE COURSE

Presented to Small Audience on Monday Evening—Fine Entertainment and Enjoyed by All.

The first number of the lecture course, given under the auspices of the public schools, was held in the gymnasium on Monday evening of this week, when the musical number of Salvv-Austin-Hedstrom was presented. Counter attractions interfered somewhat with the attendance at this, the opening number, but there was a goodly number present at the fine program.

Sig. Alberto Salvi, the harpist, was especially good and lovers of stringed instruments were fond in their praises of his expression and force. He plays an exceptionally large sized harp, which was made for him especially by one of the largest harp manufacturing concerns.

Miss Marguerite Austin entertained the audience with a number of beautiful violin solos and exhibited wonderful technique and tone in her playing. Her appearance was most original and attracted much attention with her hair bobbed short and wearing the latest in ruffled hoop skirts.

The soprano, Miss Florence Hedstrom, was exceptionally good and won favor with the audience with her pleasing personality and delightfully sweet voice.

The first number of the course was not a disappointment to Denison people and if the numbers to follow are equally as good people generally will be pleased with the course.

## ROBERT HIRD TO GREAT BEYOND

Well Known Resident of Denison Denison Passes Over Great Divide Sunday, October 3d.

CAME HERE IN THE YEAR 1881

Born in England in 1838 and Came to America Soon After Marriage—Father of Nine Children.

Robert Hird passed away at his home in South Denison on Sunday, October 3d, after a prolonged illness. For many months Mr. Hird had been a constant sufferer, being afflicted with cancer of the stomach, from which he was unable to gain relief. He suffered excruciating pain and had been slowly dying for a number of days before the end finally came to relieve him of his awful suffering.

Robert Hird was born at Bowes, Yorkshire, England, on the 24th day of May, 1838. He grew to manhood in England and there in the town of Mickleton he was united in marriage to Mary Ann Bayles on June 20, 1858. Like many of his countrymen, America became increasingly attractive to him and thirty-four years ago this fall he moved with his family to this country, coming direct to Denison, Iowa, where he arrived on Sept. 22, 1881, and he has since made his home in this city. For a number of years he was employed by the Northwestern Railway company, having charge of section work in Denison. He continued working for the railroad until he was incapacitated by losing his leg when at work with a gravel train a number of years ago. Although greatly handicapped by the loss of his limb, he was active and by hard work was able to educate his children. His wife departed this life on the 20th day of July, 1911, and since her death he has made his home with his daughter, Miss Sarah Hird.

Mr. Hird was an upright and industrious man and was well liked by everyone in this community. He was of a quiet disposition and did not take a prominent place in public affairs, but was well read and had strong convictions on all matters of importance in local, state and national affairs. Mr. Hird will be sorely missed by his friends and all feel the deepest sympathy for the children and grandchildren who are bereft of their loved one.

He leaves to mourn his death nine children, four sons and five daughters, namely: William B., who lives in England; Isaac and George, residents of Manilla; John W., of Eagle Grove, and Martha, Mrs. Elizabeth Thompson, of Manilla; Mrs. Hannah

Seaton, of Norfolk, Neb., and Mrs. Mary Wearmouth and Sarah, residents of this city. One son passed away on Monday. Funeral services were held from the home of Mr. Hird's daughter, Mrs. Wm. Wearmouth, in this city, on Monday afternoon at 2:30 o'clock, Rev. J. C. Tourtellot, pastor of the Presbyterian church, officiating, after which the body was laid to rest in Oakland cemetery.

### DENISON YOUNG COUPLE WED.

Mr. Harry Wiblehouser and Miss Leona Quade United in Marriage This Morning at 7:30 O'Clock

Mr. Harry Wiblehouser and Miss Leona Quade were married this morning at 7:30 o'clock at St. Rose of Lima church, Rev. Father M. J. Farryly performing the marriage service.

The wedding was a quiet affair, only the relatives and immediate friends of the couple being in attendance. The bride was attended by her sister, Miss Jennie Quade, and Mr. George Hilton acted as best man.

The bride is an attractive young lady, well liked and admired by a host of friends. For the past few years she has been employed as clerk in the dry goods department of the Boys' store and has efficiently filled her position.

Mr. Wiblehouser has spent most of his life here in Denison and by his genial and happy disposition has won great popularity for himself. For a number of years he has been clerk in the grocery department of the Boys' store.

The happy couple will go to house-keeping at once in a cottage in North Denison belonging to Mr. Wiblehouser. The Review joins with a host of friends of this couple in extending hearty congratulations and wishing them many years of happiness and prosperity.

## DENISON WINS FOOTBALL GAME

Denison High School Football Team Give Carroll High School Bunch Severe Trimming Saturday

AND THE SCORE WAS 81 TO 0

Carroll Proves No Match for Fast Denison Squad—Next Games With Missouri Valley and Onawa

The Denison high school football team played their first game of the season at the athletic park on the college campus on Saturday afternoon, when they walloped the Carroll high school team to the tune of 81 to 0. It was a great game from Denison's point of view, but a poor exhibition of football from start to finish on the part of the visiting team. Carroll was simply outclassed and was unable to put up any resistance to Denison's speedy team which seemed to be able to score at will.

The lineup of the Denison team at the beginning of the game was as follows: McHenry, quarterback; Harold Poole, fullback; Joe Flinn, left half; Gordon Locke, right half; Lenahan, Lally, right end; Eldor Leheldt, left end; Harold Laub (captain), right tackle; William Wearmouth, left tackle; John Helsing, right guard; George Brodersen, left guard; Percy Cavett, center. Coach Weiss gave other members of the high school squad an opportunity to work out during the game and the following substitutions were made: Paul Gary for Leheldt; Letfeldt for Poole; Bassett for Brodersen; Henry Laub for Helsing; Brodersen for Cavett; Paul for McHenry; Giss for Henry Laub; Poole for Flinn; Strahan for Harold Laub.

The team which played Carroll was made up of all new players with the exception of five men who played on last year's team, but none of them played in positions which they played last year. The game commenced promptly at 3 o'clock, Carroll winning the toss and received the ball at the north goal. The visitors were unable to gain much ground against Denison's stiff opposition and were soon forced to punt. Denison began scoring from the beginning and kept it up during the entire game. It was a slow game, however, probably on account of the warm weather and the fact that it was the first game of the season had some effect on the individual players. Some of the new players on Denison's team showed up well and some star work developed among the five players of
