

SIMPLICITY IS TO MARK WEDDING

Wilson-Galt Ceremony to Be Attended Only by Members of the Immediate Family.

HONEYMOON TRIP IS SECRET

Where the President Will Go With His Bride Is Unknown—May-Flower Kept in Readiness.

Washington, Dec. 4.—Extreme simplicity will be observed at the wedding of President Wilson and Mrs. Normal Galt, which, the white house announced today, will be solemnized December 18th, two weeks from today at the home of Mrs. Galt. The arrangements virtually have been completed.

The president will have no best man at the wedding and Mrs. Galt will not formally select a maid of honor although one of her sisters, probably Miss Bertha Bolling of this city, will escort her during the ceremony.

The announcement at the white house that only members of the two families and the president's immediate household would attend the wedding and that no formal invitations would be issued surprised official Washington. It had been expected that at least a few of the president's friends would be invited. The Rev. Herbert Scott Smith, rector of St. Margaret's Protestant Episcopal church here, which Mrs. Galt has attended in recent months, has been tentatively selected as the officiating clergyman, although it is possible that Rev. Sylvester Beach, pastor of the president's church in Princeton, may officiate. The president is a Presbyterian.

The president and Mrs. Galt spent practically the entire day together today discussing final arrangements for the wedding. They played golf together this morning and went for an automobile ride this afternoon. The wedding ceremony will be held in the drawing room of Mrs. Galt's home, where a temporary altar will be erected. The ceremony will be an evening affair. There will be no large reception afterwards, but official Washington will have an opportunity to extend personal congratulations at the Pan-American reception, the first of the formal social affairs of the white house season, which will be held on January 7th.

Plans for the honeymoon trip are being kept secret, but it is known they plan to leave Washington shortly after the ceremony. The Mayflower, the president's yacht, is being kept here as a part of the trip may be made on water.

In spite of intimations that the president and Mrs. Galt did not expect many wedding presents, a number of officials and close friends are planning to send them gifts.

MILITARY TRAINING AT AMES

New Course May Be Adopted if Congress Approves—Will Make Officers for the Army.

Ames, Dec. 4.—A four year course in military engineering, upon the completion of which the graduate will receive a commission as second lieutenant in the standing army, may be established at Iowa State college and other land grant colleges of the country if a bill which will be presented before congress at its next session is passed. The bill will be presented by the Association of Land Grant Colleges and Universities of the United States before the committee on military affairs. The proposed course provides for four years in military engineering with two summers in a military camp. At Iowa State college Gen. J. R. Lincoln is now working on plans for such a course. Major General Wood of the war department is also backing the plan.

"Students, like other citizens, have awakened to the pressing need for military training as an important factor in national preparedness," says Lieutenant Lincoln, professor of military training at Iowa State college. "Heretofore, in institutions such as Iowa State college, where military training is compulsory for two years, there has been a marked tendency to regard it as a farce by some students. It was regarded as too theoretical. Now there is a change. They regard drill as something definitely preparatory for something they may encounter."

At Iowa state college this year there are 660 students taking military drill. This is the largest number ever enrolled. New olive drab suits have arrived for the whole corps, and on drill days, marching with their guns at "shoulder arms," the various companies display a regular, well-kept facility in execution of commands, quite in marked contrast to the "awkward squad" movements of a few weeks ago, this due to their military training under Lieutenant Lincoln and his forty-five officers.

MONDAMIN TO HOLD SHORT COURSE

Harrison County Agriculture Short Course To Be Held At That Place—Dec. 13-18.

Logan, Ia., Dec. 2.—According to information received here the Harrison county agriculture short course will be held at Mondamin Dec. 13-18. The short course will be given by the Ames instructors and conducted on a similar plan as the short course session held at Logan in previous years. Committees are now hard at work at Mondamin and the short course is an assured success. W. S. Kelley is president, W. C. Hammans, secretary, and H. D. Silaby, treasurer. Prof. C. J. Collingsworth will have charge of public entertainments and George Cammet is the chairman of the committee looking after those coming from different parts of the country.

Attorney Maurice O'Connor spent Monday in Denison attending to some legal business.

DEATH OF HARRY WOODRUFF

Former Crawford County Boy Dies at His Home in Joy, Missouri, on November 28th.

The news of the death of Harry Woodruff, which occurred at his home at Joy, Mo., on November 28th, came as a great surprise to his relatives and friends here in Crawford county. For some time Mr. Woodruff had been suffering with an attack of malaria fever, but his case was not considered serious until a few days before his death. His brother, John, left for Joy to be at his bedside, but arrived a few hours after his death.

Harry Woodruff was born in Crawford county, Aug. 23, 1869. He leaves to mourn his death his wife and seven children, his mother and four brothers.

We extend our heartfelt sympathy to the bereaved ones and may the hand of the Almighty rest upon his sorrowing family and comfort them in their hour of sorrow.

FIRE AT DELOIT

J. W. True Residence Scene of Early Morning Blaze Thursday—Considerable Damage by Water

Deloit, Dec. 6.—(Special to the Review)—On Thursday morning at 6:30 o'clock the fire alarm was sounded, when it was learned that the residence of J. W. True was ablaze.

The blaze was discovered by Mrs. True shortly after she arose. She smelled the odor of burning cloth and was soon discovered that the heating stove had caused a blaze on the second floor. The alarm was sent out and in a short time neighbors congregated and extinguished the blaze. Considerable damage was done to the house, the walls were badly charred and most of their wearing apparel was damaged by water and smoke.

COMMERCIAL CLUB HOLDS MEETING

Friday Evening Session Interesting and Members Unanimously Favor Paving of Highway.

ONE MILE OF ROAD TO BE PAVED
Committee Authorized to Raise Funds to Defray Expenses of Hauling Cement and Material.

The meeting of the Commercial club on Friday night was an interesting session and fairly well attended. The question of taking up the proposition of making the improvement on the Lincoln highway near Denison, which has been under consideration for several years, was considered. The feeling was quite unanimous that an effort should be made to construct at least one mile of road according to the plans of the Lincoln highway management, that is, one mile of concrete or cement road, and the motion was unanimously adopted that the committee should proceed to raise funds sufficient to insure the delivery of the cement and gravel upon the ground where the improvement is to be made, when it is expected that the board of supervisors will see that the material is used for the purpose of surfacing the highway.

It all depends now upon whether the citizens of Denison and the community will come to the aid of the committee when it shall make the canvass for subscriptions. The thought is suggested that in order to prevent other sections of the county being able to attract the Lincoln highway to one other point through Iowa, that this improvement will go far toward checking these efforts of other localities to induce the change of the location of the road, and we imagine there is something in the suggestion, because the more that is done in a permanent way improving the Lincoln highway, the more certain it is to remain where it is and thus we believe that every community through which the highway extends should show its appreciation of the favor of having the highway located where it is.

Another thought which is suggested is that if one mile of road is laid as completed, that this fact will be so convincing upon other localities that similar stretches of road will be made and that, eventually, we will have, in fact, such a road as was contemplated by the management when the thought of the Lincoln highway was first conceived.

SAD DEATH AT MANILLA

Claus, Son of Paul W. Jahn, Passed Away on November 30th After Illness of Long Duration.

Manilla, Dec. 7.—(Special to the Review)—On November 30th, at his home near the five mile house in Hayes township, occurred the death of Claus Henry Jahn. For the past three years Mr. Jahn has suffered from a severe nervous trouble. Everything was done for him that could be done. Specialists at Rochester, Minn., and Omaha, Neb., were consulted in regard to his condition, but were unable to be of any assistance. The trouble for the past year and a half has been very severe. About four weeks ago he was taken to the parental, Paul W. Jahn, home, where he died at 10 o'clock of the evening of November 30th.

He leaves to mourn his untimely death a wife and two small children, his parents and eight brothers and sisters.

Claus Henry Jahn was born Oct. 26, 1887, and at the time of his death was 28 years, 1 month and 7 days of age. He was married in March, 1911, to Catherine Wunder, and resided on a farm in Hayes township.

The funeral was held from the home on Saturday, December 4th, Rev. H. Wendt officiating. Interment was made in the Hayes township cemetery. There was a large concourse of relatives and friends that followed the body to its last resting place. We extend our deepest sympathy to the bereaved ones in their sad hour.

LIVED ALMOST A CENTURY

Hans Buller, Respected Citizen of Old Kiron, Died Thursday at Rippe Age of Ninety Years.

FUNERAL SERVICES HELD SUNDAY

Three Sons, Hans, Peter and Henry, Are Left to Mourn the Death of Their Father.

Kiron, Dec. 6.—(Special to the Review)—On last Thursday, December 2d, the long earthly career of Grandpa Buller came to a close at the old homestead in Old Kiron east of here. At the time of his death he had reached the ripe old age of 90 years, 6 months and 24 days. In spite of his advanced age he had enjoyed exceedingly good health up until about two months ago and during the past two weeks preceding his death he suffered considerably from an internal ailment.

Hans Buller was born in Helmsland, Sweden, May 8, 1825, where he resided until 1856, when he came with his family to America and settled in Isanti county, Minnesota. After residing there for two years the family moved to Iowa and established a home in Boone county, and five years later they moved to Crawford county, locating at Old Kiron, where they have since resided. In 1885 he was called upon to bid farewell to his beloved wife whose remains he laid to rest in the Kiron cemetery, where he is now resting beside her. Seven children were born to Mr. and Mrs. Buller, four of whom have departed this life, three sons surviving their father, namely: Hans, who lives in Montana; Peter, residing five miles northwest of here, and Henry at the old homestead. He leaves fifteen grandchildren to mourn his death.

Mr. Buller was quiet and unassuming and though he took an interest in affairs of government, state and county was not active in politics. During his long residence in this county he won the respect and esteem of all with whom he came in contact and his death has caused a gloom in this vicinity. Everyone had grown to love and admire Grandpa Buller and during the later years of his life it was a source of great enjoyment to him to have his old friends and acquaintances call on him at his pleasant home in Old Kiron where they always received a hearty welcome. He was a man of quiet disposition and in all his dealings and associations with others disliked anything that tended to provoke hard feelings.

Funeral services were held Sunday afternoon from his late residence in Old Kiron and were attended by a large number of neighbors and friends. The services were conducted by Rev. Irvin Johnson and were very impressive. The remains were laid to rest in the Kiron cemetery.

DEATH OF MRS. OSCAR GRAHAM

Daughter of Mr. and Mrs. J. R. Copeland Passed Away Thursday at Her Home in Manilla, Ill.

Manilla, Dec. 7.—(Special to the Review)—Mrs. Oscar Graham, daughter of Mr. and Mrs. J. R. Copeland, of this place, formerly of Manilla, passed away in Manilla, Ill., on December 2d. On November 2d she underwent a very serious operation from which she never recovered, dropsy setting in which caused her great suffering. She was a very patient sufferer until the last. She was a bright and capable woman and a sincere Christian, being a member of the Methodist church. She leaves to mourn her death a husband, two children, Marion LaRoyce, age 14, and Anos Melton, age 6, a father and mother, four brothers and four sisters, Perry, George, Earl and Charlie and Mrs. W. H. Brockelsby, Mrs. A. J. Melton, Mrs. Ambrose Fish, all of Manilla, and Mrs. Nat Webster, of DeLancey.

Nellie May Copeland was born Aug. 21, 1881, and was married to Oscar Graham May 1, 1901.

Mr. and Mrs. Graham left Manilla for their home in Manilla, Ill., Sept. 14, 1915, where she died away from friends and relatives.

TWO AUTOMOBILES COLLIDE

Strissell and Beerman Cars Lock Horns on Grade Near the Brick Yard Sunday Morning.

A bad automobile accident occurred Sunday morning on the Lincoln highway east of Denison where the road turns south to Manilla near the old brick yard. John Strissell was driving his Ford east and collided head on with Mr. Beerman, who was just turning onto the Lincoln highway from the Manilla road. Both machines were going at a good rate of speed and struck with considerable force, but fortunately none of the occupants of either machine were seriously injured.

Mr. Strissell's children, who were occupying the front seat with him, were slightly cut by glass from the broken windshield, but their injuries were not at all serious.

Both machines were damaged to a considerable extent. Radiators, fenders, windshields and lamps were badly battered up and it was necessary to tow the cars to a Denison garage for repairs.

The turn south from the Lincoln highway at the brick yards is dangerous in coming from either direction cannot tell whether another car is approaching or not. It is surprising that more accidents have not occurred at this place.

MRS. SHOWERS CALLED TO REST

Death Occurred at the Family Home South of Buck Grove on Wednesday, December 1st.

FUNERAL SERVICES AT DENISON

Borrowing Husband and Three Children Left to Mourn Untimely Death of Wife and Mother.

Buck Grove, Dec. 7.—(Special to the Review)—This community was greatly saddened on Wednesday evening of last week when the news was spread abroad of the death of Mrs. Perry Showers, which occurred at her home five miles south of Buck Grove, after an illness of only a few days.

Anna Fineran was born at Morrison, White Side county, Illinois, on Sept. 16, 1876. When but a child she came with her parents to Vail, Iowa, where she spent her girlhood days. In the year 1900 she was married to Mr. Perry Showers and they made their home in Omaha until the spring of 1909, when they moved to Lewis, Iowa. Here they conducted a bakery until three years ago when they moved to Denison, locating on a farm south of town. Two years later they purchased a farm south of Buck Grove, where they had hoped to live happily and contentedly and enjoy the reward of their industry.

Mrs. Showers was indeed a true and devoted helpmate, a tender loving mother, never sparing herself, but sacrificing all for her dear ones, her whole object in life being to educate her children and bring them up properly. She was of a generous, helpful spirit and will be greatly missed by those who knew her best.

She leaves to mourn her loss, aside from the sorrowing husband, three children, Mary, aged 11; Gale, aged 4, and the little son, Bernard Michael, who was born on Saturday, November 27th, of this year. Another son, Lewis, passed away in infancy about five years ago. She also leaves eight brothers, Tim, James, John and Harry Fineran, all of Denison; Charles, Patrick and Martin Fineran, of Vail, and Barney Fineran, of Buck Grove, and four sisters, Mrs. William Kelly, of Ida Grove; Mrs. Thos. Fitzpatrick, of Sioux City; Mrs. Pearl, of Central City, Neb., and Miss Kate Fineran, of Council Bluffs.

The funeral services were held from St. Rose of Lima church here Friday and interment made at the Catholic cemetery at Vail beside her parents and brother who preceded her to the great beyond but a few years ago. Father Cavanaugh, of Denison, and Father Lynch, of Manilla, conducted the funeral services and the pall bearers were Frank Lesky, Thos. Bassett, Jos. Hausman, P. T. Finn, Mike Conway and Sam McCullough.

The bereaved ones have the sympathy of the entire community in this

great sorrow of the husband and little children who have lost their mother so early in life. "May her soul rest in peace."

Select Feeders Carefully. In buying feeding steers to use up this year's unmarketable soft corn, select animals which show beef breeding, is the advice that the animal husbandmen at Ames give to the many farmers who are putting in a car load or two of feeder cattle this year for that purpose. Daily bred steers are narrow across

the chest and light in the rounds. No matter how fast they gain or how fat they get, they will not produce a prime, high priced carcass and are not economical feeders.

In buying feeders, look for animals with a strong spring of rib, plenty of width across the crop, back and loin, wide, deep quarters and natural flesh. A deep ribbed steer of strong constitution will eat more soft corn than a narrow, cramp chested, tucked up in the middle steer.

Sixteen pages again this week.

Special Offerings in Our Shoe Depart.

Featuring women's high-class, guaranteed shoes for Thursday, Friday and Saturday.

All \$5 Values at \$3.95

This is the greatest offering of women's dress shoes, and coming as it does at this time of year, it will be to your interest to make selections Thursday, Friday and Saturday, this week.
