Miss Lillian Garrison, after having spent the winter at Grand Junction, Colo., is now in Denver, where she expects to remain for several months.

Rev. J. L. Boyd went down to Jefferson Monday to be in attendance at the funeral of Mrs. A. H. Collins, wife of the pastor of the Methodist church at that place.

Elmer Brasel, of Dow City, is spending today in Denison transacting business, taking occasion to call at the Review office and order the paper for the coming year.

Miss Hertha Blume, daughter of Mr. Theo. Blume, was operated on at the Meehan hospital Monday. The operation was most successful and after a few days she will be able to return to her home.

We are informed that Fred Wieber has purchased the Jacob Sachau store building and lot at Deloit and intends to open up a barber shop there. He expects to have everything in readiness to open up the last of this week.

Mr. and Mrs. Peter Heeren, recently married, and now occupying the farm of Mrs. Leahy, in Milford township were given a genuine surprise party on Friday evening last. Twenty couples were present and a most enjoyable time was had.

At a meeting of the council held Monday evening, Clarence Ransom was awarded the contract for grading East Prospect between the properties of George McHenry and A. C. Balle which will enable these two property owners to pave the street at their own expense.

Mrs. F. Fauglevait, of Brogan, accompanied by her sister, Mrs. Sandusky, of St. Louis, who has been visiting in her home the past week, came down to Denison Monday morning where Mrs. Sandusky took the train for Council Bluffs for a short visit with other relatives.

Mr. George Trager, manager of the Crawford County Telephone company left Monday forenoon for Des Moines to be in attendance at the annual convention of the state telephone directors, which is in session there this week. Mr. Roscoe Saunders, of Manilla, is also in attendance at the convention.

P. T. Cochran is using space in this issue to advertise an auction sale of land, which will take place at Alliance, Neb., commencing Wednesday, March 22nd, and in which he is interested. Mr. Cochran will conduct a big sale, at which 75,000 acres of Box Butte county land will be sold and will leave Denison next Tuesday for that place. Anyone in the county who is interested in good Nebraska land should communicate with Mr. Cochran at once.

Stanley Browne, the assessor at Deloit, caused the arrest of Earl Winans, who conducts a cream station at that place, on Tuesday. Both Browne and Winans, together with a few witnesses, appeared before Justice Rollins Thursday afternoon, but it was decided to continue the case until Friday, March 24th. Mr. Browne alleges that Earl Winans struck him in the face at his place of business when he called upon Winans in connection with his duties as assessor.

The Seventh Day Adventists are now holding meetings in their church on North Pine street. They expect Chas. Thompson, of Minneapolis, and E. E. A. N. Ogden, president of the state conference, who resides at Nevada, to be present March 17th, 18th and 19th. The Denison church will be organized Saturday, March 18th. Sabbath services will be held at 3 o'clock in the afternoon and at 7:30 o'clock in the evening. Everyone is cordially invited to be in attendance.

Mrs. B. Vollertsen, who resides at Battle Creek, arrived in Denison yesterday to be in attendance at the silver wedding anniversary of Mr. and Mrs. Bert McCord, who reside in Prairie township, which is being celebrated today. Mrs. Vollertsen called at the Review office and extended her subscription for the paper for another year. She has been a subscriber of the Review for twenty-six years and says that she could not think of doing without it if it gives her all of the news of Crawford county.

The new city well was formally accepted by the city dade at a meeting last week after it had been thoroughly tested, as was reported in this paper last week. Bids will soon be asked for by the city council for furnishing a pump and for the erection of a pump house and concrete reservoir with a capacity for 100,000 gallons of water. The pump house will be of concrete and erected at the well where the equipment for pumping the water will be installed. The concrete reservoir is to be built on the city lots just north of the present shallow wells and will be used for a reserve supply of water should anything happen at the deep well.

At a meeting of the directors of the Germania opera house, held last evening, the matter of giving a picture show on Sunday afternoon was discussed at some length, and it was decided to give it a trial and if the people of Denison patronized it, it would be continued. Some of the picture show patrons have requested from time to time that a Sunday program be given, but the directors would not listen to a Sunday evening program, inasmuch as it might interfere with the services at the various churches. They intend to show only films of a religious nature and are planning on giving the Passion Play for the first Sunday afternoon entertainment.

DENISON HIGH IN TOURNAMENT.

Trim Kirkman Team on Friday Last but Lost to Clarinda Saturday—Out of the Race.

The Denison high school basketball team went down to Council Bluffs Friday to take part in the state district basketball tournament, which was held at the auditorium Friday and Saturday. The local team made a good showing, winning over Kirkman, and played in the semi-finals, but were defeated by Clarinda, so put out of the race.

The first game was played Friday night at 9 o'clock with Kirkman and resulted in a score of 39 to 12 in favor of Denison. It was a hard fought game, but there was little question but what Denison had the best team. The lineup was as follows: Teut, Flinn, Locke, Gary, Cavett, Subittus; McHenry for Teut, Paul for Flinn, Wearmouth for Cavett, O'Connor for Locke.

The second game was played Saturday afternoon at 3 o'clock with Clarinda's seasoned team pitted against Denison. Charles Helsey coaches this team and it is well known that it is one of the fastest teams in the state. Denison, which has been playing basketball but two years, had little show against Helsey's fast team and the game resulted in a victory for Clarinda by a score of 42 to 17. Denison's regular team played this game.

The tournament was won by Council Bluffs who represent this district in the state tournament.

MISS GARRISON IN RECITAL.

Grand Junction, Colo., Newspaper Speaks Very Highly of Recital Given by Miss Garrison.

We clip the following from the Grand Junction, Colo., newspaper which will be of interest to Denison people:

"The recital given by Miss Lillian Garrison last evening in the Baptist church was well attended. Her selections were highly appreciated by everyone. Her piece on the 91st Psalm deserves special mention. Miss Garrison has a wonderfully sweet voice and her selections were rare to say the least. She was accompanied by Miss Clara Barton, who always presides with ease and ability as an accompanist. The duet by the Misses Maude Scott and Mabel Stone was very fine. Lee Hampton gave two selected readings which were enjoyed so much that he responded with two encores. The Baptist Auxiliary realized a nice sum for which they are certainly grateful to Miss Garrison and to those assisting her."

The citizens of Denison are up in arms over the fact that the Northwestern has discontinued its evening train service over the Boyer Valley branch and has changed the hour of the departure of the morning train north so that service over that line is little better than none at all. The train that formerly went north at 7:05 p. m. and returned at 9:10 p. m. was discontinued on Monday of this week and the train which left for the north at 6:30 o'clock in the morning now leaves at the early hour of 5:30 in the morning. The officials of the Northwestern who arranged the schedule could have done nothing that would have caused patrons of their road more inconvenience than this, unless it would have been to discontinue service on the branch entirely. Engineer Poole, who has been making the Boyer Valley run for the past few weeks, appeared before Justice Rollins Thursday afternoon, but it was decided to continue the case until Friday, March 24th. Mr. Browne alleges that Earl Winans struck him in the face at his place of business when he called upon Winans in connection with his duties as assessor.

Small rugs and carpets cleaned at 25 cents a square yard and up at Reesberg's. 8-1f

With a record of 261,800 miles, equal to more than ten times around the world, to its credit, a 1909 Buick, owned by P. E. Slason, of Plainville, Kan., made the most remarkable showing of any car in the mileage contest conducted by the Hyatt Ralter Bearing Co. The object of the contest was to learn how far automobiles have run in everyday service upon their original equipment of Hyatt bearings. Mr. Slason was awarded the first prize of \$500. More than 300 tires, costing \$8,000, were worn out by the car.

Slason's 'Old White Buick,' which is known all over that part of Kansas in which Plainville is located, has been driven by more than 25 different drivers in addition to members of the owner's family. It has carried loads of nearly two tons, including pianos, trunks and all kinds of baggage. This car has a straight track speed record of 70 miles per hour and has been driven in stock car races in county fairs all over Kansas. It was a consistent first prize winner. During one week seven trips averaging 26 miles each were made at night after the car had been used throughout the day. Since the contest closed the car has been driven thousands of miles and it is estimated that it will be able to cover at least another 100,000 miles before it has outlived its usefulness. 11-1f

Lace curtains, portieres, scarfs, shawls, etc., dry cleaned at Reesberg's. 8-1f
