

DOW CITY ITEMS.

Dow City held its celebration this year on the 5th, as all plans for the fourth had to be postponed on account of the big rain which fell in torrents nearly all forenoon. So our celebration was not as good as it would have been had it been held as planned, but taking all into consideration the day was enjoyed by all who attended. All surrounding towns were well represented, especially Deloit and Earlina. The parade was not as large as it would have been had not several of the floats been spoiled by being out in the rain the day before. Our band rendered fine music throughout the day. Mott McHenry and daughter, Lucinda, sang a duet which was splendid. All who heard the address given by Elder C. E. Harpe, of Lamoni, pronounced it fine. In the afternoon the free attractions were given, which consisted of a performance by dogs and monkeys, which the children enjoyed very much. The races were pulled off on the west side of the park. The ball game between Deloit and Earlina drew quite a crowd and was interesting, the score being 6 to 2 in favor of Deloit. The fireworks in the evening were witnessed by a large crowd. After the fireworks the Triangle Amusement company put on moving pictures in the park. A dance was held in the opera house in the evening and all who cared to indulge in that pastime could do so. No accidents of importance occurred to mar the day. Arch Laird and family returned on Wednesday from Omaha, where they had been to visit relatives and also spend the fourth. Andrew Bell, of Denison, was a caller here Saturday afternoon. Miss Lena Birkhofer came up from Council Bluffs Saturday evening for an over Sunday visit with her parents. Studebaker Service - A Service that REALLY cares for your car! Not merely a "promise"—or a book of coupons—or one of those "drop in if anything happens" invitations. No, sir!—this is SERVICE—and a NEW Service that REALLY takes care of your car and insures 100% pleasure from it. When your Studebaker is delivered, you get a card showing a series of 7 Service Days running over the succeeding SIX months on which the car is to be brought into our garage. When it comes in, expert mechanics go over it from stem to stern and make 41 distinct and agreed upon inspections, oilings and adjustments that a car needs. When it comes back to you, it's in tip-top shape, and we teach you how to keep it so. That is done once a month for SIX months, and by the end of that time you not only have a car that's running like a clock, but you know how to take care of it yourself. And remember, there's not a dollar's charge for this service.

This is the ONLY Service of its kind in existence today—and we'd like to have you come in and let us tell you ALL about it
