SOCIAL EVENTS OF THE WEEK

Japanese Tea Given by Queen Esther Circle One of Events of Week — Woodman Circle Entertain.

Thanksgiving day will be celebrated in a number of Denison homes by large family and friendly dinners. Quite a few are entertaining guests from out of the city. This occasion is always looked forward to, quite as much as the holiday season by some, and it is always quite an honor to be a guest on this eventful day.

Those whose plans are made for large dinners are Dr. and Mrs. Plimpton will have Mr. and Mrs. E. T. Fogarty and Miss Edna, from Des Moines with them. Mr. and Mrs. O. A. Patterson will have guests from town and Miss Scriber, of Omaha. Dr. and Mrs. R. O. McConaughy will have Mrs. Lucretia McConaughy and Mr. Harlow Mills, from Benzonis, Mich.; Miss Grace McConaughy, from Nonh China mission, in Shanai, China, who is here on a furlough; also Mr. and Mrs. John Sewell, from Fremont, Neb., and Miss Ernestine Mills, of Story City. Mr. and Mrs. Eugene Gulick will have their children and grandchildren together with Mr. Earl Shaw, of New York. A. C. Balle's are having their relatives and friends with them. Mr. and Mrs. C. F. Kuehnle will have one of the largest dinners probably, Misses Amanda and Marie Miller, of Independence, being their only out of town guests. Dr. and Mrs. P. J. Brannon will have Mrs. P. E. C. Lally and family as their guests. Mr. Morgan Cornwall, of Spencer, being their only out of town guest. Mr. and Mrs. J. W. Miller, Jr. will have the E. J. Miller family from Denison and Mr. and Mrs. W. Miller, Sr., from Manning, with them. Mr. and Mrs. R. P. Conner will have quite a large dinner. Mr. and Mrs. William H. Dudley, from Council Bluffs, and Mr. and Mrs. Allan Dudley, from Omaha, are the only out of town guests. Mrs. Staley will have quite a few guests with her for Thanksgiving and it will be a genuine treat for all the fortunate ones. Mr. and Mrs. Harry Carpenter will entertain at a Thanksgiving dinner and among their guests will be Mrs. E. M. Bemis and daughter, Pearl, of Estherville. Mr. Carl Richardson will have a few guests, those from out of town being Miss Della Moberly, of Ames; Mrs. L. A. Armour, of Sioux City, and Mr. E. A. Child, of Des Moines. Mr. and Mrs. C. E. Miller will have their immediate family with them on Thursday.

Current Events club enjoyed a very pleasant afternoon and evening in the club rooms on Thursday, the usual program being carried out and followed by a covered dish supper. This was indeed a treat to the large number of members present.

Mrs. C. M. Dybbro was a very charming hostess on Thursday afternoon, when she entertained the members of Entro Nous club and several others. This is a new club and the members are all new. As this new club is a sewing club the affair was devoted to it, followed by very delicious two course suppers served at small tables attracting appointments with chrysanthemums and ever place cards. The next evening will be with Mrs. Robert Hill.

A number of ladies spent a very pleasant afternoon on Thursday at the home of Mrs. Chris Otto. A most unusual form of pleasure was indulged in, it being a "quitting party." Each guest worked on the quilt, which we have been told, is quite a beautiful piece. After the sewing was put away a most elaborate supper awaited the company, being served at tables which were very nicely decorated with various Thanksgiving flowers and cards. The adult bible class of the Presbyterian church was entertained by the teacher, Mrs. C. M. Jensen at her home on Thursday. The afternoon was most enjoyably spent in visiting and games, the guessing one which was played creating quite a bit of merriment, and Mrs. Fullock won the prize, having answered more questions than anyone present. Most delicious refreshments were served late in the afternoon at tables which were very lovely with Thanksgiving decorations.

A few neighbors and friends of Mrs. C. D. Miller and Miss Ethel Miller met at the home of Mrs. A. D. Randall for an informal tea and handkerchief shower in their honor, as a farewell party before they leave for California for the winter.

The Woodman circle entertained at a most unusual party last evening in the form of a masquerade and a large number of members were present to enjoy the fun as well as the excellent

BOARD DECIDES ON TWO DESIGNS

Supervisors Meet Again With Old Soldiers and Go Over Plans for Monument to be Erected.

PLANS, SPECIFICATIONS ORDER'D

Old Soldiers Are Well Pleased With Manner in Which the Board is Handling the Proposition.

The board of supervisors met with the committee of old veterans at the court house for the purpose of looking over the designs for the monument to be erected on the court house square in memory of the old soldiers who fought in the civil war. All of the designs were carefully gone over and after due consideration two designs were selected. One was the work of Joe Goss, of Denison, and the other of W. B. Wayt & Son, of Sac City. The board has instructed both parties to draw up plans and specifications of the two monuments and have them on file at the court house December 4th after which time the county will advertise for bids for the construction of both, and after the bids are received will decide which monument is to be erected.

Both designs are beautiful and it was almost impossible for the board and the old settlers to come to a decision as to which would be the most suitable. The monument designed by Mr. Goss will weigh 115 tons when completed and is a most imposing one being 33 feet high. Mr. Goss has spent considerable time in designing it and those familiar with stone work consider it an exceptionally fine piece of work. Of course it is hoped that the design of Mr. Goss will finally be accepted in as much as he is a local man. The Wayt monument will weigh 77 1/2 tons when in place and will stand 34 feet and 6 inches high. We understand that the board has promised the Sac City contractor 3 per cent of the contract price of the monument if his design is not accepted to defray the expenses of preparing plans and specifications. This will amount to in the neighborhood of \$270.00.

The old soldiers are well pleased with the manner in which the board are handling the matter and believe the monument, when built, will be a credit to Crawford county.

BRYAN BUYS OUT WILSON.

Sensational Rumor Circulated Around Denison Run Down by Review Reporter and Found to be True.

A sensational rumor was circulated around Denison the first of the week that Bryan had bought out Wilson. All of the particulars seemed to be known by a few well informed people who stated emphatically that the deal was closed and that Bryan would take possession January 1st.

The Review's sub reporter was given the assignment and at once had a visit of a front page article with a six deck head. Bryan, of grape juice fame, buying out "President" Wilson? What could it mean? Had the Nebraska statesman, erstwhile secretary of state, taken an option on President Wilson's job and finally turned the deal? Had he forced Wilson into the deal knowing that he was too proud to fight to retain that which rightfully belonged to him. No reporter ever went out of a newspaper office with greater hopes than did the sub reporter.

After chasing down every rumor and interviewing person after person who had an inkling of the deal it was found that Blane Wilson had disposed of his residence in Denison to Eldridge Bryan, of Arion, who will take possession of the same January 1st, the deal being made by the J. W. Miller, Jr. real estate agency. The big story was exploded and it was a chagrined reporter that returned to this office and turned in the true story.

Mr. A. F. Barber, of Charter Oak, was in Denison Monday transacting business.

Mrs. Sarah Rosengren and three children, of Minneapolis, are visiting at the home of Mr. and Mrs. J. L. Scott. Mrs. Rosengren will be remembered as Miss Sarah Watson, and for years made her home in Denison.

S. G. Wright was compelled to abandon a part of his western commercial trip on account of illness, and returned home Monday evening. He is much improved, however, and will no doubt finish his work before the holidays.

Mrs. E. P. Williams moved her household goods Tuesday from the Baptist parsonage and will occupy rooms with Mrs. Denbar in the house just west of the Presbyterian parsonage. Mrs. Williams has been occupying the parsonage for the past few Sundays.

MARRIED

Miss Alice Behen Becomes the Bride of William M. Murphy, Nov. 22.

An event of much interest occurred on Wednesday, November 22d, when Miss Alice Behen, daughter of Mr. P. E. Behen of this place, became the bride of Mr. William M. Murphy, son of Mr. and Mrs. J. M. Murphy, of Dunlap. The ceremony took place at St. Rose of Lima Catholic church, Rev. M. J. Farrelly officiating. Promptly at 7:30 a. m. the bridal party entered the church to the strains of Lohengrin's wedding march, beautifully rendered by Miss Marguerite Haugh. The bride was stunningly gowned in a traveling costume of dark blue panne silk velvet trimmed in ermine and wore a large picture hat of blue georgette crepe over gold cloth trimmed with a pair of parasols, a large corsage and wore a beautiful corsage bouquet of bride's roses and lilies of the valley. The groom was attired in a suit of blue serge. The bride's sister, Miss Elizabeth Behen, and the groom's brother, Mr. John Murphy, were the only attendants. During the ceremony Mr. R. E. Quirk, brother-in-law of the groom, beautifully sang the "Ave Maria" and "I Love You Truly." Only the immediate relatives and friends were in attendance. After the ceremony the bridal party repaired to the home of the bride, where an elegant three course breakfast was served under the supervision of Miss Anna McCarthy.

The bride, a beautiful and accomplished young lady, has grown to womanhood in this locality and is very popular among the social circles. The groom is a young man of sterling qualities and needs no introduction. Mr. and Mrs. Murphy departed on the noon train amid a shower of rice and old shoes for a honeymoon trip in the east, where they will visit the groom's uncle, Dr. J. H. Murphy, and other relatives. After their return they will be at home to their friends on a farm owned by the groom two miles west of Dunlap.

The next study center as planned by Professor Orlly will be held in Denison on January 20th. The subjects for discussion will be Language, History, Civics and Reading.

COMMERCIAL CLUB PLANS NEW HOME

Club Considering Proposition to Lease Third Floor of New Lockmiller Garage on Sweet Street.

Mr. Lockmiller Purchases Swoboda Property, Together With Nelson Property for New Garage.

Members of the Commercial club are considering a proposition made by Mr. H. G. Lockmiller to rent the third story of the new garage building which he will erect just south of the hotel Denison for new quarters for the commercial club.

Mr. Lockmiller has purchased the Goss Monument works property as well as the old blacksmith shop and has planned to erect a two story brick building on the site for a garage. He now proposes to add a third story to the building and arrange it to suite the convenience of the Commercial club. The building will measure 90x110 feet and it is proposed to devote the entire third floor to the Commercial club, being divided into a reading room, billiard room, etc. If the Commercial club decides to lease the third floor, it is said Mr. Lockmiller will install an automatic elevator.

The Commercial club has been considering making a change in quarters for the past year or two owing to the fact that the membership has so increased that the present quarters are too cramped. The matter will be taken up by the club at its next meeting which will be on Friday evening of this week.

The Ernest Hulsebus sale, held last Wednesday, was one of the most successful held this season. Mr. Hulsebus tells us that he had a good crowd of buyers present and received a thousand dollars more than he had expected. He is now in his prison, of the Malone Bros. who cried the sale. Mr. Hulsebus used space in the Review for two weeks.

In the last issue of the Review we announced that Dr. H. H. Fairbank, United States veterinary inspector, would speak to the farmers of this vicinity at the court house on Saturday afternoon, December 2d. Dr. Fairbank informs us that he may not be able to be here on that date, but that C. E. Miller, a prominent veterinarian of Ft. Dodge, would lecture. The lecture will be on hog cholera, its control and prevention, a topic which is of vital interest to farmers in the corn belt. No admission fee will be charged and it is hoped that farmers from every section of the county will be in attendance.

STUDY CENTER WELL ATTENDED

One Hundred and Thirty Teachers Attended Meeting Held Saturday—Next Meeting Held January 20th.

SPECIALISTS FROM CEDAR FALLS

Teachers From All Sections of County Well Pleased With Talks by Specialists—Much Good Gained

The study center meeting held in Denison last Saturday was attended by 130 teachers, most of whom were rural teachers from all sections of the county who are always anxious to secure material to use in their schools. The grade teachers made a good showing. All of the instructors were secured by County Supt. F. N. Orlly from the State Teachers' college at Cedar Falls and all were specialists in one particular branch. These professors are sent out to study center meetings in the state and are carrying on a good work.

Prof. G. W. Sampson gave some interesting and helpful talks on the following subjects: System vs. Sympathy, Discipline, Class Rivalry, Athletics and Pupil Government. Professor Sampson has the young people at heart and believes that the best way to accomplish results is by sympathy and kindness.

Prof. C. A. Fullerton gave the teachers many practical suggestions in the teaching of music. He knows music and the results to expect and how to interest all. His talks were enjoyed by all.

Prof. C. H. Brown gave the teachers much work in manual training that is of use in the rural and grade schools. His work was exceptionally good and the teachers secured many valuable suggestions.

The next study center as planned by Professor Orlly will be held in Denison on January 20th. The subjects for discussion will be Language, History, Civics and Reading.

OBITUARY

Died, at her home in Denison, Iowa, where she has resided with her sons, Jerry and James, since the spring of 1902, Mrs. Mary O'Connor, aged 86 years, 8 months and 7 days, on November 24, 1916, at 11:30 p. m.

Mrs. O'Connor was the daughter of Thomas O'Connor and Bridget (Quirk) O'Connor, and was born in the parish of Camp county, Kerry, Ireland, on March 17, 1830. She attended the convent school at Milltown near Kill arney, Ireland until she was about twelve years old, when she emigrated to Canada with her grandmother, and some of her uncles and aunts, who settled on farms in the vicinity of Stratford Canada. She remained in Canada until she grew to young womanhood, when she came to the United States and joined her parents, then living in La Salle, Ill., where she became acquainted and later married John O'Connor in 1860.

Eleven children were born to this union, those now living being, Maurice of Vall, Mrs. Nellie Wagner, of Denison, Michael, of Kansas City, Kan., and Mrs. John McEehan, of Manila. Those who preceded her in death were a twin brother of Maurice's, who died in infancy, Katie, Mary, and John, all young children, and Thomas, who died a few years ago. All of her living children were present during her last sickness, and were at her bedside when she passed away. She leaves surviving her, the above named children, sixteen grandchildren, and one great-grandchild.

The funeral was held Monday, Nov. 27, 1916, at 10 o'clock a. m., from St. Rose of Lima's Catholic church in Denison. A solemn requiem mass was celebrated with Rev. Father M. J. Farrelly as celebrant, Rev. Father Lynch, of Manila, as Deacon, and Rev. Father James Murphy, of Vall, as sub-deacon. The sermon was preached by Father Farrelly, and was an eulogy of her Christian virtues, and a tribute to her life's accomplishments.

A great procession of automobiles followed her remains to the Catholic cemetery near Denison, where her body was consigned to the grave beside that of her husband and two of her children, by her four sons and two sons-in-law, who carried the casket as pall bearers.

Relatives present at the funeral from a distance were, Mrs. Annie Horri-gan, a sister, and the only surviving member of the family to which the deceased belonged; Mrs. Patrick O'Connor, a sister-in-law; Thomas O'Connor; Michael O'Connor; Ed Horri-gan; Geo. Gilmore; Mrs. Andrew Clark, and baby; Mrs. Maher, and Miss Nellie O'Connor, all from Imogene, Iowa; Mrs. John O'Connor, M. G. O'Connor, and Pat O'Connor, Council Bluffs, Ia.; John O'Connor, Lake City, Ia., and Mr. and Mrs. Lynch, Rockwell City, Iowa.

Mrs. O'Connor came to Crawford county with her husband and family in March, 1871, immediately taking up their residence on the old farm three miles east of Denison, where she lived until she moved to Denison four years ago.

She was a woman of strong religious convictions, and indefatigable industry, and great charity for all, and who made friends with everyone she met. Her life was a long life of hard labor, pious practices, and generous charity to the poor of her acquaintance, and she died beloved and respected by all who knew her. May her soul rest in peace.

IDA GROVE LOSES GAME

First Time in History of Denison That Local High School Has Been Able to Defeat Ida Grove

THE SCORE WAS 16 TO NOTHING

Denison Has One of the Fastest Teams in Years—Play South Omaha High Thanksgiving at Local Park

Denison's crack football squad trimmed the fast Ida Grove team in a hotly contested game on the local gridiron last Saturday, the score being 16 to 0. It was the first time in the history of Denison that Ida Grove has been brought into camp and of course everyone feels proud of the achievement. It is a well known fact that Denison has one of the fastest high school teams in the state this year, although they have been defeated, but the game with Ida Grove was considered the hardest one of the schedule.

Both teams played great ball, but Denison was too much for the visitors and most of the game was played on Ida Grove's territory. Line smashes, forward passes and short end runs played havoc with the Ida Grove warriors who seemed unable to break up the offensive of the Denison team. Those witnessing the game Saturday who have seen Ida Grove play before this season say the team showed better form than in any previous game.

Denison kicked off to the visitors, but they were unable to make any headway against the locals whose line stood up like a stone wall. The ball was forfeited to Denison when Ida Grove was unable to make the second down, and by straight football the ball was rushed up the field and Mc-Cord carried it over the visitor's goal line. Locke, however, failed to kick goal.

In the second period Ida Grove was unable to gain ground and soon forfeited the ball and Denison forced the ball back to the 33 yard line where James O'Connor made a successful drop kick. The kick was really phenomenal and spectators did not expect to see the pigskin go over the goal, but James seemed to be a past master at drop kicking and made it with ease.

The third period was hard fought, neither team being able to make much headway, although the game was played in Ida Grove's territory.

During the last few minutes of play Denison again made a touchdown after a series of successful passes to LeHeitfin who worked the ball up to within a few yards of the visitor's goal, when it was carried over by Locke by a short end run. O'Connor kicked goal, making the score stand 16 to 0.

Ida Grove made the best offensive team that Denison has played against since the west Des Moines high game early in the season, and they made more gains through Denison's line than any team thus far. Wearmouth played a wonderful game Saturday and they managed to find an opening through Ida Grove's line. Mc-Cord, Denison's plucky back, made consistent gains by means of tackle smashes. Although a comparatively new man on the team, he is playing remarkable ball and next season should be a whirlwind. Locke played his usual good game, but he skirted the end of long runs. All of the back field, Locke, Mc-Cord, Wearmouth and O'Connor, played a good game. Lally, Holsley and Flinn played good games in the line.

Tomorrow will be the last game of the season for Denison when they meet the fast team from Omaha south high. This team beat Council Bluffs earlier in the season by a close score and fans are expecting one of the most exciting games witnessed on the gridiron this year. The game will be called promptly at 3:15 and it is hoped that turkey dinners will be out of the way to permit everyone attending. Turn out and give your support to the local boys.
