

NOW FOR THE SILVER CUP

Denison High Will Debate Missouri Valley at Woodbine Friday Night For Silver Cup.

DENISON LOSES TO THE BLUFFS

Basket Ball Tournament at Council Bluffs Friday and Saturday Results in Victory for the Bluffs.

Resolved, That the several states should adopt a system of compulsory industrial insurance for working men.

This is the question under discussion at the three debates at Woodbine, Missouri Valley and Denison Friday evening, which will decide whether the Denison or Missouri Valley high school gets permanent possession of the silver cup.

Resolved, That the several states should adopt a system of compulsory industrial insurance for working men. This is the question under discussion at the three debates at Woodbine, Missouri Valley and Denison Friday evening, which will decide whether the Denison or Missouri Valley high school gets permanent possession of the silver cup.

The members of the Denison affirmative team are John Hiesley, Herbert Cushman and Lucille Johnson, with Helen Boylan as alternative.

The members of the local negative team, which will go to Woodbine, are Percy Cavett, Hazel Beutel and Beulah Aylesworth, with Henry Broderesen as alternative.

The admission Friday night will be 15 cents.

The district basket ball tournament held at Council Bluffs last Friday and Saturday the Denison high school team defeated Avoca and Missouri Valley, but lost to Council Bluffs.

The following are the scores for the three games: Avoca 11, Denison 17; Missouri Valley 5, Denison 12; Council Bluffs 20, Denison 12.

In the first game the Denison boys, although they seemed unable to hit the basket, had little trouble in defeating the Avoca team.

The following was Denison's lineup: Gebert and Locke, forwards; Teut, center; Flinn and O'Connor, guards.

The second game was with Missouri Valley and the Denison team completely outclassed the Missouri Valley team.

The Denison team's floor work was very good. Their basket shooting was still off, but the guarding was excellent.

Missouri Valley made only one field goal and three free throws, and the final score was 12 to 5 in Denison's favor.

In this game the Denison lineup was as follows: O'Connor and Locke, forwards; Teut, center; Brandt and Flinn, guards.

This victory passed the Denison team into the semi-finals and the opposing team was Council Bluffs.

The game with Denison was the hardest one Council Bluffs played at the tournament, the score being the closest.

In the first half Denison made five points before Council Bluffs started, but the score at the end of the first half was 9 to 12 in favor of the Bluffs.

For the first five minutes of the second half neither side raised its score, but the number of points for each side during the half was Denison 3 and Council Bluffs 8.

Thus the final score was 20 to 12 in favor of the Bluffs.

Denison's lineup for this game was as follows: O'Connor and Locke, forwards; Teut, center; Brandt and Flinn, guards.

Substitutes: Gebert for O'Connor.

The Denison team was crippled in all three games by the absence of two regulars, Gary and McCord, but Brandt and Gebert did excellent work in their places.

PLAN GARDEN, HERE'S HOW

College Gives Sound Advice to Those Who Are Considering Back Yard Vegetable Patch This Year.

DO NOT USE A POOR SOIL

Advise is not to Plant Too Many Things—Select Those Which You Like Best.

Say that you, like thousands of other folks, are planning a back yard garden this spring. You are looking for some sound advice on how to go about making it. Here it is, briefly told by the agricultural extension department at Iowa State college.

Measure your space; make a plan of your garden, showing where and how much of each vegetable you will plant. In getting seeds and plants, deal only with reliable seedsmen.

The ground must be well drained and should be sandy enough to be nice and mellow. Be sure nothing shades the garden. Dig down and be sure no roots underlie it. Don't try to grow a garden on poor soil. Have good dirt at least a foot deep. Remove all trash, sticks and rake the place clean. Cover the plot an inch or so with well rotted manure and turn it under in plowing. If it rains, do not let the surface get hard. Keep it raked or hoed even before planting and, of course, afterwards. If you have some well rotted fine manure, it will pay to scatter about three bushels to the square rod over the surface and rake it in. Don't have raised beds unless you have to put your garden on wet ground.

Don't plant too many things; select those which you like or which you can sell. You can start tomatoes, early cabbage and other plants in the house. Give the plants plenty of air and get them used to the wind and cold gradually. Keep the roots covered, when setting the plant, dig a little hole, pour in a little water, place the plant, pack some dirt around the roots and pour in more water; when it has soaked away, fill up the hole with dirt, leaving the surface smooth and mellow.

Put crops like carrots and parsnips that require all season to grow, in a part of the garden by themselves; also the early lettuce, radishes, early turnips and early beans by themselves so second crops may be conveniently planted.

Seeds Like Settled, but Not Hard Bed. The best of hair mattresses for our own beds get too hard after long use; they need to be loosened up. We like some firmness, but no hardness in a mattress. In this, seeds are like people. Most of us do not like feather beds. Neither do seeds. Garden ground should be spaded and worked up, but settled and then again—just like us, seeds need a loose, light blanket on top.

DEFIANCE ITEMS

C. A. Boyen has resigned his position as section foreman at Defiance and will move onto a farm in the north ern part of Iowa near Sanborn. His wife and baby went to Manilla Sunday evening to spend a week or two with friends before going to their new home. H. Garneckne, of Coon Rapids, is the new section foreman.

A number of young people of the United Evangelical church met at the home of Mr. and Mrs. Glen Brewster, just west of town, Monday evening and enjoyed an oyster supper.

Henry Hulsebus and family arrived from Underwood Tuesday evening to make their home at Defiance. Mr. Hulsebus has accepted a position with the Defiance Lumber company. They will occupy the Mike Nollen cottage in the north part of town.

Mrs. Carey Ott, of Randolph, spent the latter part of the week with her father while her sister, Mrs. Celia Petersen, attended the teachers' institute at Harlan.

Mrs. Ed Crist and children are visiting her parents, Mr. and Mrs. George Harness, before leaving for their new home near Pacific Junction.

The Needle Dee club met at the home of Mrs. Rudy Hulsebus Tuesday afternoon in honor of Miss Anna Hulsebus, who is moving with her parents to a farm near Merrill.

Mrs. Bates and little daughter of Sears, Ill., are visiting her daughter, Mrs. Otto Tilton, and family.

Mrs. A. P. Hulsebus and children left Wednesday morning for their new home near Merrill.

Frank Switzer and sons have moved into rooms over the post office and Mr. and Mrs. Clarence Ferguson have moved into the house vacated by them, which is owned by Mrs. Belle McKnight.

Mrs. Merle Blakeslee, who was spending the past few weeks here, left Friday for the home of her parents, Dr. and Mrs. Hostetter, near Denver, Colo.

Mrs. Frank Smith and little daughter returned to Churdan Tuesday after several days' visit with her parents, Mr. and Mrs. S. S. Steers.

Mrs. Wm. McBride, of Denison, was an over Sunday visitor at the home of her daughter, Mrs. Glen Sautz.

Geo. Hulsebus, of LeMars, arrived Tuesday morning for a visit with his parents, Mr. and Mrs. B. Hulsebus, and other relatives.

Mrs. Lunt, of Bagley, is a guest at the home of her son, T. W. Konkle, and family.

Miss Anna Browning spent a couple of days last week with relatives in Des Moines.

Miss Mable McCord returned Sunday evening from a few days' visit with relatives in Persia.

A son was born to Mr. and Mrs. Otto Tilton on March 2d.

Miss Helen Hulsebus returned Sunday evening from a visit with relatives in Council Bluffs.

CATHOLICS BUYS BAPTIST COLLEGE

Des Moines Baptist College Sold For Sum of \$130,000. Rt. Rev. Austin Dowling, Purchaser.

TO BE USED FOR BOY'S SCHOOL

Baptists Will Use Money to Apply On Erection of New \$1,000,000 Central College.

Local Baptists will be interested to learn that the Des Moines college property, including the campus, athletic field, building and president's house, has been sold to the Rt. Rev. Austin Dowling, bishop of the Des Moines Catholic diocese, for \$130,000.

Of this amount \$25,000 will be paid at once and the remainder June, 1918, date of possession.

The property will be used for a boys' high school, which will be a combined day and boarding school.

Bishop Dowling said the suggestion for a boys' school in Des Moines was made to him by Mrs. Brown and a Miss Coolbaugh, of Chicago, daughters of an early state treasurer of Iowa.

In memory of their father they wished to give \$5,000 as a nucleus for the school fund. A memorial tablet will be erected on the school campus.

Des Moines college property is sold by the board of trustees to comply with the agreement made with Central college when the two merged last fall.

The board of education for the Baptist church will use the money for the erection of buildings for the \$1,000,000 Central college on the site formerly known as Chautauqua park.

Still College of Osteopathy had about closed a deal for the purchase of the college property for a college and hospital.

Feed Sour Milk to Brooder Chicks. "Give the brooder chicks sour milk, all they can eat," advised W. E. Vapion, state leader of boys' and girls' club work, who met with the workers of 33 northern and western states at a conference at Iowa State college recently. "I find that incubator hatched chicks are most often afflicted with bowel trouble which sour milk seems to prevent. Let them have all they will eat."

Baby Beef Boys Top List of States. Of the 443 baby beefs raised by members of boys' and girls' clubs in the 33 organized states of the country, Iowa boys and girls raised 238, more than half the total number produced.

It is pointed out that that \$40,500,000 in gold bars that J. P. Morgan imported would be nearly half a dollar a piece should he decide to dispose of it by a general distribution. Our chance at a share is hereby offered for about one millionth of a mill.

Shake Off That Grip

When Spring comes, with its changeable weather and your exposure, it is best to clear away all the symptoms left after an attack of grip. That evil disease leaves you weakened, and when its victim attempts to "do his bit" he exposes himself to the risk of a second attack, for which he is less prepared, and which may have graver consequences.

There's Danger in Delay

April and May are pneumonia months. In this time a weakened system is a constant source of danger, for the pneumonia and grip infections are in the air, and after a long winter the body is so clogged with waste it cannot resist them. Fortify the health, remove the catarrh, and improve the digestion.

For Quick Relief PERUNA

This reliable tonic is recommended to remove the waste from the body, counteract the catarrhal poisons and allay the inflammation that is catarrh, restore the regular appetite and tone up the entire system to resist disease. A well man is safe.

As a tonic after grip it has won many commendations, while its effectiveness in catarrhal conditions is unquestioned. Take no chances—Take Peruna. Peruna Tablets are always ready to take. You may carry a box with you and ward off colds and chill. The liquid medicine in your home is a great safeguard. Protect your family.

The Peruna Company, Columbus, Ohio

Bliesman Land Co.

H. T. BLIESMAN, Iowa and Minnesota, a land for sale and exchange. M. H. KROPP, City property, loans & insurance, Denison, Iowa.

Crawford County State Bank
