IT'S SURPRISING That So Many Denison People Fail To Recognize Kidney Weakness

Are you a bad victim? Suffer twinges; headaches, dizzy spells? Go to bed tired; get up tired? It's surprising how few suspect the kidneys. It's surprising how few know what to do. Kidney trouble needs kidney treatment. Doan's Kidney Pills are for the kidneys only. Have convinced Denison people of their merit. Here's a Denison case; Denison testimony. Kidney sufferers hereabouts should read it. Mrs. Peter Graves, 519 E. Vine St., Denison says: "About three years ago I was suffering with kidney trouble and backache. My back hurt me all the time and I often got dizzy, especially when getting up after stooping. My limbs and hands were swollen and puffy spots appeared under my eyes. I had heard of Doan's Kidney Pills and got some from the Lamborn Drug Co. They helped me at once, simply ask for a kidney remedy—get Doan's Kidney Pills—the same that my back got strong, the pain stopped, my kidneys became normal and the swelling went down." Price 50c, at all dealers. Don't Mrs. Graves had. Foster-Milburn Co. Props., Buffalo, N. Y.

The Review's classified advertising department is the market place of Crawford county. Look up this department in this issue and see how many people are using this market place to supply their wants, and note the many kinds of ads they are presenting to the readers of this paper. It pays them and it will pay you to use this low priced way of making your desires known. By reading over the classified advertisements now they may suggest something that you could profitably advertise.

Those astute youths who dodge registration for conscription are no doubt attracted by the idea of free board and conscription for the jail farm.

Some people's idea of preparedness will be to locate the gardens that other people are raising, for rats later with a big bag on dark nights.

It is bad enough to have to pay all these price advances and still worse to have our intelligence insulted by all these reasons that they give for it.

More Shoe Value

Is handed out in the Boys' Shoe Department this season than ever before. The reason is a very simple one—Our Shoes, Oxfords and Pumps were contracted for and bought long before any great advance in price. Hence we are selling footwear for less than it would cost to manufacture these goods today.

Our shoe department was crowded all this week with customers from far and near. Ladies, if you are hard to fit, having a narrow foot, a low instep or a pronounced arch, we ask you to try the Boys' Shoe Section and nine times out of ten you will leave us pleased and satisfied with our service. We carry all sizes and widths AA to EE, high and low instep measures, thus insuring a comfortable and neat fitting shoe.
