Mr. J. C. Saul who resides near Douglas, Wyo., arrived in Denison last evening for a brief visit here with old friends. Mr. Saul reports the members of his family to be in good health and enjoying the western home.

The children of the Episcopal Sunday school enjoyed a picnic yesterday afternoon in Graceland park. The afternoon was spent playing games and at six o'clock all indulged in a real picnic supper, which was also enjoyed by some of the grown-up members of the church.

Miss Rosella Steiner was a shopper in the city yesterday from West Side.

Miss Una Adams, of Vail, made a brief visit with friends here Tuesday.

Mr. and Mrs. John Spahn and son, Arthur, of Schleswig, were in the city Tuesday spending the day with friends and shopping.

The dentists of Denison do not propose to let the attorneys get ahead of them and at a meeting held yesterday decided to close their offices Saturday afternoons during the months of July and August. Those suffering with toothache on Saturday afternoons in the future will have to make the best of it.

We are glad to report that the condition of Mrs. J. P. Jones is considerably improved today. For the past two weeks she has been critically ill with typhoid fever and last week her life was despaired of but she rallied and now seems to be safe on the road to recovery. Her mother and sister, of Cedar Rapids, arrived in Denison last week to be at her bedside.

News was received in Denison this morning from Chicago of the death of Mrs. Wilma Rollins-O'Neil, daughter of Mrs. Christine Rollins, who formerly resided in this city. The remains will be brought to Denison Thursday and services will be held at Oakland cemetery, which will be in charge of the Woodmen Circle. Rev. Robt. Karr will officiate. The service will be held at 1:30 o'clock.

If you can't fight, you money can. Show your patriotism by buying a "Liberty Bond."

A vote tomorrow in favor of purchasing the college property is a boost for Denison. Help Denison to improve by voting in favor of the proposition.

Don't fail to vote at the special election tomorrow. Be sure and cast your vote in favor of the independent school district taking over the college property.

Mr. Tracy North has purchased the Troy Evans eighty acres in Milford township, the deal being closed on Monday of this week. The price was \$200 per acre and Mr. North will get the 1917 crop.

Clifford Barborka is expected home the last of this week from Chicago, where he is attending Rush Medical college. He will spend the summer vacation here with his father, Mr. J. V. Barborka.

Bruno Pierce, formerly owner of the candy kitchen, spent last week in Denison, visiting relatives and old friends. He is now located in Chicago and this fall will take up the study of medicine.

C. L. Voss departed Saturday for Iowa City to spend a few days with his son, Loyal. They will return home in their Cadillac and will meet Mr. Voss at Jefferson where she has been visiting her sister, Mrs. S. J. Melsbn.

Mrs. J. P. Conner and Mr. and Mrs. Raymond Conner and son, expect to leave tomorrow for Fairmont, Neb., for a week at the home of Mrs. Conner's sister, Mrs. S. F. Ashby. They will make the trip overland and Judge Conner will join them at Omaha.

Members of the Presbyterian church are soliciting funds with which to purchase a new pipe organ for the church. Already \$1,800 has been pledged and there is every reason to believe that the \$2,500 necessary to make the improvement will be raised without difficulty.

Dr. North Evans who has been practicing in a hospital at New York spent the week end in Denison visiting at the home of his sister, Mrs. Geo. McHenry. Mrs. Evans and son who have been visiting here for the past three weeks accompanied him back to Columbus Sunday.

Prof. R. W. Hawthorne and family departed last week for Springerton, Ill., where they will make their future home. Prof. Hawthorne has been an instructor at the Denison college for the past four years and during his residence here he and his estimable wife made many warm friends, who were sorry to have them depart.

Don't fail to attend the lecture Friday evening at the gymnasium, given under the auspices of the Red Cross society. If you want to know how modern warfare is conducted hear Vern Marshall, who spent six months in the American ambulance corps tell of his experience at the battle of Verdun. It will be a real treat and one that no one can afford to miss.

Prof. and Mrs. W. C. VanNess and children, departed Thursday evening for Fayette, Iowa, where they will make their future home. Prof. VanNess will be associated with the college at that place. For more than twenty years the Van Ness family has lived here in Denison and it is needless to say that they will be greatly missed but all wish them success in their new home.

The Boy Scouts' demonstration which was to have been held at the gymnasium on Friday evening of this week has been postponed until Tuesday evening, June 19th, owing to the fact that the Red Cross lecture will be held on that evening. The boy scouts under the leadership of Rev. Hamilton, will give a demonstration of knot tying, signalling, bridge building and first aid. No admission will be charged and it is hoped that a large number will be in attendance.

George Kaplan informs us that he expects to move to Omaha this fall, where he will make his future home. He now has under course of construction an immense warehouse, three stories high, in the wholesale district of Omaha. Mr. Kaplan will deal in old iron, rubber, rags, etc., and on account of the railway service will be able to conduct a much larger business than he has in Denison. He will, however, continue his business in Denison, leaving his brother here in charge.

George McHenry, who is considered a wizard at figures, has handed us some interesting facts in connection with the two billion dollar loan which the government is now floating. A silver dollar measures just an inch and a half in diameter and George tells us that if these were laid out flat, it would take just 715 acres to accommodate the two billion. Ten silver dollars stacked, measure one inch and in piles of 300, they would cover a space 320 feet square or in other words the court house square.

An eight cylinder "King" touring car attracted considerable attention at the Romans garage yesterday forenoon. The car was a factory test car that has run over 35,000 miles without any adjustments or new parts, excepting new brake bands. It travelled 11,000 miles without stopping the motor. This car has been run in two weeks a mileage equivalent to two years' service in the hands of the average owner and still the car did not show any unusual wear. The machine came to Denison from Omaha and is visiting the various King agencies in the state.

Attorney Maurice O'Connor, of Vail, is in Denison this afternoon transacting business.

Miss Elizabeth Redman, of Omaha, visited with Mrs. C. C. Hecht in Denison the first of the week. Miss Redman is an accomplished musician and presided over the piano at the marriage of Mr. and Mrs. Hecht.

Miss Anna Schumacher returned yesterday from Orleans, Neb., where she was called ten days ago on account of the serious illness of her father. She reports that her father is somewhat improved. Her sister, Kate, remained at Orleans for a more prolonged stay.

A happy auto load of Vail's younger set visited the Presbyterian manse Tuesday morning at 9:30 to hear the marriage lines read by Robert Kurr to George Pieper and Clara Wahlm, a well known and popular couple from Vail. Mr. and Mrs. Pieper left on the noon train for a western honeymoon trip. They will be at home to their many friends upon their return to Vail.

Mrs. Wm. Strahan, county president of the W. C. T. U. and Mrs. T. E. Pearson, state superintendent of the soldiers, sailors and marine department, were in Des Moines several days last week in attendance at the state convention of the association. Mrs. Pearson was authorized to wire the government that the Iowa W. C. T. U. wished to contribute the first \$100 for equipment for ambulances for the first soldiers from America to reach the fighting line in France.

A facsimile of the ballot to be voted upon tomorrow (Thursday) by the voters of the Independent School District of Denison, is printed on page four of the first section. The ballot is a simple one and voters should have no difficulty in casting their vote. The school board wishes to float bonds in the sum of \$30,000 for the purpose of purchasing the building and grounds of the Denison Normal School association and reconstructing and equipping said buildings for school purposes. Every voter should cast his vote in favor of the proposition.

Mrs. Marygold, a resident of Venice, Ca., visited in Denison the first of the week at the home of Mr. and Mrs. E. Gulick. Mrs. Marygold will be remembered better by the older residents of Denison as Mrs. Jagger. The Jagers resided in Denison for many years and conducted the hotel here known as the Jagger House. She had been visiting with relatives in the east and took occasion to stop off here for a visit with her old friends.

The service at the M. E. church next Sunday evening promises to be quite an event. Instead of the regular service it has been decided to hold an evening of song led by the big vested choir, which is planned to sing the old time songs, songs which everybody loves to sing and in addition the choir will render a few of their big special numbers. We understand Mr. Petcoff will sing a good old Methodist hymn in the Bugarian language.

Dr. Pierre Schlumberger, who has just finished his medical course at Creighton university, left last week for Oakdale, Neb., after a short visit with his parents and friends in Denison. We understand that he has taken up a permanent location in Oakdale. Pierre is a bright, energetic young man and is undoubtedly exceptionally fitted for his particular profession. Coming from a line of chemists and physicians, he gave evidence of an inclination toward medicine and after graduation from the high school gained practical experience in his father's pharmacy before going to the university. His eagerness to commence practice after receiving his degrees, shows an enthusiastic interest and the Review predicts for him a successful career in Oakdale.

The graduating exercises of the normal college were held at the first Methodist church on Thursday evening of last week, the annual address being delivered by Dr. Higley of Des Moines. The subject of the lecture was, "Grit, Grit and Gumption," and to say that the lecture was both amusing and instructive is to state it mildly. We do not recall hearing a more interesting address for a long time, and it is to be regretted that a larger attendance was not on hand to enjoy it. The music for the occasion consisted of a song by Miss Magdalena Rochwitz and a piano solo by Miss Hazel Shirk. There were twenty-three graduates in the several departments of the college. The diplomas were presented by J. P. Conner. There seemed to be a feeling on the part of the citizens of regret that this year closes the career of the college. Henceforth the independent school district of Denison will assume the management of what was formerly the Denison Normal College.

ARMY POST FOR DES MOINES

The people of Iowa will rejoice with Des Moines' over the fact that it has been selected as one of the military centers in the United States for the training of the selective conscription army. Des Moines will be the gathering point for the Thirteenth division, and all troops raised by the draft in the states of Iowa, Minnesota, North Dakota, South Dakota and Nebraska will be trained there.

This will mean the concentration in Des Moines on September 1, of a minimum of 35,000 troops, and it is possible that the number will be 40,000. The magnitude of the training camp may be realized by the fact that it is estimated that the pay roll in connection with the military concentration will be about \$1,500,000 per month.

Denison people will be interested to know that our former townsman, Dr. C. T. Hew, has leased his 208-acre stock farm and orchard, located near Des Moines to the government. According to the lease he will be paid for all crops destroyed by the government in establishing the camp.

THE SKATER.
THE burnished ice beneath my heel As sharply rings as smitten steel.
I face the sapphire weed and find A stinging ictor in the wind.
A rapture thrills me as I go; I bend my body like a bow.
With every muscle tense and tight I taste the arrow joy of flight.
Let him who will invite the mood Of languor and ineptitude.
When all without are shrewd and keen, And every slope has lost its green.
And height and valley only show The sweeping samite of the snow!
Let him who will beside the fire Dream empty dreams of old desire!
For me to tempt, for me to test, The cold, to catch the pulsing zest
Of challenge, till I feel the blood Within my veins leap full to flood.
And while the wind about me sings To know the ecstasy of wings!
—Clinton Scollard.
