

SOLDIER BOYS PRAISE DENISON

Clarence Schwarzenbach, of Co. B, Ida Grove, Writes Review, Telling of Camp Life

SPEAKS OF DENISON'S LOYALTY

Outlines Routine of Work and Tells of Food—Good Word for Schleswig People

The Review is in receipt of an interesting letter from Clarence Schwarzenbach, who belongs to Co. B, 2nd Iowa Infantry, in which he outlines the work engaged in during the first week at the army at Ida Grove. Every reader will agree that the men are kept busy from early morn till late at night and very little time is allowed for recreation.

Clarence Schwarzenbach has promised the Review a weekly letter, which will prove an interesting feature of the paper. The Review, of course, will be pleased to have the other Denison boys in Co. B write letters for publication for the people here who will be interested to know just how they like army life.

Below we print the letter received from Clarence Schwarzenbach:

Ida Grove, Ia., July 7, 1917.

Dear Editor:
This is Saturday afternoon and a half holiday so I will take advantage of the opportunity and write you about camp life. Of course, one hasn't much to write about with only a week's experience. But the daily routine here is about the same as we will get when we go into camp in Texas. Monday, the first day, we started off with the following routine: First call, 5:30 a. m.; assembly, 5:40 a. m.; physical exercise, 5:45 to 6:15 a. m.; mess, 6:30 a. m.; drill call, 7:50 a. m.; school of soldier, 8:00 to 8:30 a. m.; semaphore signaling, 9:00 to 10:00 a. m.; conference, 10:00 to 11:00 a. m.; school of soldier, 11:00 to 12:00 m.; mess, 12:15 p. m.; school of non-commissioned officers, 1:30 to 2:30 p. m.; school of soldier, 2:30 to 3:00 p. m.; practice march (4 mile hike), 3:00 to 4:00 p. m.; final call, 5:15 p. m.; retreat, 5:30 p. m.; mess, 6:00 p. m.; tattoo, 9:00 p. m.; call to quarters, 9:45 p. m.; taps, 10:00 p. m.

So you see we started off in regular army style with a full day's program. And every day has been similar, except Tuesday, July 3, when we drilled in the morning and dismissed at 11:30 a. m. until 1:30 p. m. Thursday, July 5. We had a holiday July 4, the same as everyone else.

The municipal swimming pool is open and every day after the hike we go swimming.

The boys of Co. B think Denison is a real town for making such a demonstration as they did Sunday, and I think after the picnic dinner tomorrow, which the people of Denison are so kind to have thought of, the boys of Co. B will have a larger place in their hearts for Denison.

And the good people of Schleswig are to be congratulated on the patriotism shown and the part they took in making our farewells a success. No one but we boys could appreciate the open-heartedness, and kind words spoken at Schleswig. But the honor was ours, therefore every word spoken at Schleswig gave us more courage.

Just a word about our food. We eat in the armory, just across from the camp. Everyone waits his turn. The food is served in cafeteria style. We have plenty of good wholesome food. In the army one will not find anything fancy to eat, but plenty of plain food, which is best for training purposes. Thursday evening was initiation for all in camp. Everyone had to run the gauntlet. By the time one got to the end of 150 men, he knew he had been somewhere. No one got rough, so there was no fatalities. We have fun as well as work.

Yours truly,
CLARENCE SCHWARZENBACH,
Co. B, Ida Grove, Iowa.

ARE CALLED TO SERVICE

Harold Silletto and Ben Broderson Called to Davenport Saturday—Members of Battery D

Harold Silletto and Ben Broderson, who enlisted last spring in Battery D at Davenport, received notice last Thursday to report for duty and left here on the morning train Saturday for Davenport.

Both young men were students at the state university at Iowa City and enlisted in the Davenport battery soon after war was declared. For the past few weeks they have been visiting their parents in Denison, expecting every day to be called into the service.

Battery D is made up of light field pieces and will be attached to the Iowa infantry. It is said the batteries will be concentrated somewhere in the south for training before being sent to France to assist Major Pershing, who with the first contingent of the regular army landed in France two weeks ago.

A relative and a large number of friends of the two young men were at the North Western station Saturday forenoon to bid them farewell.

The imaginative persons who used to see ghosts at night, now see aeroplanes.

LAKE VIEW DEFEATS DELOIT

Game at Lakewood Park Sunday Witnessed by Four Hundred Enthusiasts—Score 1 to 0

Even had roads are not enough to discourage baseball fans who inhabit Lakewood park. About 400 enthusiasts saw D. E. Feat continue to shadow the Deloit club last Sunday when Lake View's huskies downed their old rivals for the second game of the season 1 to 0.

A wet field slowed up the play, but the fans were kept on their toes continually when either team threatened to score—and the times were numerous.

It was a pitcher's battle from the start with Gillis and Gillis for Lake View having the shade, being mighty stingy with men on bases.

A hit, a sacrifice and Gillis winning his own game with a powerful swat to left, proved Deloit's undoing in the fifth—neither team being able to put one over for a counter after that frame.

Maxwell, pitching for Deloit showed form at times but was erratic with men on bases and only for left-fielder Kelley, would have been snowed under long before the game was well under way.

Note—Deloit meets the fast colored Tennessee Rats club at Lakewood park next Sunday.

FOR BENEFIT OF RED CROSS

RECEIPTS AMOUNTED TO \$185.55

JACKSON TOWNSHIP, June 10.—Special.—The ball game and ice cream and lemonade social given at the Dieter homestead Sunday was a success. The gate receipts at the ice cream social was nearly \$90 and the admittance fee to the ball game, \$95.55. Jackson won the ball game from Wheatland.

After paying the expenses the balance will be added to the Red Cross fund.

Dr. C. L. Patterson and James Mulford donated the 30 gallons of ice cream and we wish to thank them for the kindness. Many fine cakes were brot by the ladies and after the same were served with the ice cream. People from far and near attended and took part in an afternoon of pleasure and if the work goes on the United States Red Cross will soon lead with the largest membership in the world.

On next Sunday evening will be given a basket social at the Center school.

LIGHTNING AT BUCK GROVE

Welsh Blacksmith Shop at Buck Grove Destroyed Last Thursday by Lightning

IT WILL BE REBUILT AT ONCE

Building Fully Covered With Insurance—Other Items of Interest to Buck Grove People

BUCK GROVE, June 10.—Special.—Last week our town experienced another fire. This time the elements took a hand. Last Thursday morning, as Mr. Welsh was busy in his place of business, a bolt of lightning struck the north end of his blacksmith shop and in a moment the building was in flames. The loss was total. Mr. Welsh being able to save only his books.

Fortunately he felt no shock from the electricity and is able to attend to business, if he had any to do. However, the insurance adjuster came the next day and paid Mr. Welsh in full for the amount of his insurance, everything being a total loss. Mr. Welsh will put up a strictly first class shop, built of birch, 20x36 and equipped with all the latest appliances for good work, which will certainly be a fine improvement.

Presbyterian Church

We never find fault with the man who thinks differently from us, but we believe every man should have a reason for the views that he holds. If you habitually absent yourself from the house of God you ought to have a satisfactory reason for your conduct, for none of us live unto ourselves but we are bound by a community of interests, and your actions have an influence for weal or woe upon your city and county. If you have a desire to associate with the best people on earth, make it a point to attend some church service every Lord's day. If you are not identified with some other church you are urged to attend the First Presbyterian next Sunday to hear a discourse on the source from whence we obtained our bible. A popular 20 minute address in the evening from the theme: "Wordly Wisdom."

GOODRICH ITEMS

Mr. and Mrs. Leonard Lingie Sunday at John Fleming's home.

Mr. and Mrs. Guy Buffington spent the 4th at the lake.

Don Wilkinson returned home on the early morning train on the 4th in time to spend the day with friends at the lake.

A. D. Winey's, A. L. Winey's and George Beaman's autoing up to the lake the 4th, a party of four young people, namely, Miss Fern Farley and Miss Elsie Shuberter, of Vail, Iowa, and Mr. J. W. Johnson and Thomas McMahon, of Manilla, were motoring from Defiance towards Earling, Iowa.

Miss Farley was driving the automobile, a Ford. Traveling at a slow speed up a long hill the motor was killed and the car started gackward down the hill. Both the foot and emergency brakes were applied but failed to hold sufficiently to stop the car. The front wheels became crumpled, causing the car to back off the road and up a small embankment in such a manner as to completely upset the car. Mr. McMahon was thrown through the top and clear of the wreck and succeeded in releasing Mr. Johnson, who with Miss Shuberter was pinned under the back seat. Miss Farley was caught under the steering wheel between the front seat. By almost super strength Mr. Johnson and McMahon succeeded in lifting the car from Miss Farley, who was in a semi-conscious condition. She regained consciousness in about thirty minutes. Mr. Johnson and Mr. McMahon succeeded in righting the car. The party escaped serious injury, suffering only from a few bruises and scratches. The top and windshield of the car were broken. The young lady, who was driving the car at the time of the accident is said to be an experienced driver and averted more serious results by sticking to the wheel. No explanation can be given for the accident further than that the wheels were so turned that an unusual leverage was put on the car when it backed up onto the embankment.

GREAT CONTRALTO SINGER HAS BEEN SECURED FOR A CONCERT

The announcement that Elsie Baker, America's foremost contralto, has been secured for an afternoon concert at Chautauqua marks another step forward for the Redpath Vawter System and broadens the field of activity for the great artists. Through the years the standard of the music and entertainment offered from the Redpath Vawter platform has been gradually strengthened as the people came to care for the better things and the engagement of Elsie Baker is but the natural step in the upward trend of Chautauqua programs.

Elsie Baker
A VICTOR STAR

It is said that Elsie Baker has made more records for the Victor people than has any other individual artist. Regardless of this fact, it is certain that her records, especially the ones of the old heart songs, have gladdened and sweetened countless homes. Miss Baker's beautiful contralto voice, rich in sympathetic quality, is just the kind that touches the human heart strings and gives the old songs of other days an added beauty.

WIDE RANGE OF VOICE

Elsie Baker is a thoroughbred American. She was born in this country of American parentage, and has done all of her studying here. She began her musical career as a choir girl in Philadelphia. Her voice attracted unusual attention and upon the advice of friends her people sent her to New York for study. Since her very entrance into Metropolitan musical circles she has been a favorite. Her voice is one of those rare contraltos that enables its possessor to sing a wide number of roles and music of every known school. The upper range of her voice has the sweetness of the mezzo-soprano.

AUTO ACCIDENT NEAR DEFIANCE

Auto in Which Vail and Manilla People Are Riding, Overturns on July 4

ALL ESCAPED SERIOUS INJURY

Going Up Long Hill Engine Stopped and Emergency Brakes Fail to Work—Car Broken

MANILLA, July 10.—(Special)—About six p. m., of the evening of July 4th, a party of four young people, namely, Miss Fern Farley and Miss Elsie Shuberter, of Vail, Iowa, and Mr. J. W. Johnson and Thomas McMahon, of Manilla, were motoring from Defiance towards Earling, Iowa.

Miss Farley was driving the automobile, a Ford. Traveling at a slow speed up a long hill the motor was killed and the car started gackward down the hill. Both the foot and emergency brakes were applied but failed to hold sufficiently to stop the car. The front wheels became crumpled, causing the car to back off the road and up a small embankment in such a manner as to completely upset the car. Mr. McMahon was thrown through the top and clear of the wreck and succeeded in releasing Mr. Johnson, who with Miss Shuberter was pinned under the back seat. Miss Farley was caught under the steering wheel between the front seat. By almost super strength Mr. Johnson and McMahon succeeded in lifting the car from Miss Farley, who was in a semi-conscious condition. She regained consciousness in about thirty minutes. Mr. Johnson and Mr. McMahon succeeded in righting the car. The party escaped serious injury, suffering only from a few bruises and scratches. The top and windshield of the car were broken. HE WAS BORN IN THE YEAR 1879

United in Wedlock With Miss Etta M. Hecher in 1900 and Came to Crawford in 1901

MANILLA, July 10.—(Special)—A deep gloom was again cast over the community when on Friday morning Fred Coleman was called from his earthly abode. Several months ago he suffered an attack of what was termed leakage of the heart and he spent sometime doctoring with the Mayo specialists in Rochester, Minn., and returned home with very little improvement. He was able to be about until some two weeks ago, when he became bedfast, since which time he lay unconscious. Thus his death came not unexpected.

Fred H. Coleman, son of Frank and Mary Coleman, was born January 8, 1879 in Pottawattamie county, Iowa, and departed this life, July 6, 1917. He lived in Pottawattamie county until the age of 21. In 1900, he was married to Etta M. Hecker. In the spring of 1901, he moved to Crawford county, near Charter Oak, where he lived several years, after which he moved to a farm near Dow City, where he lived seven years, moving to Dow City two years ago, where he conducted an implement shop, until just before he was taken ill.

At the age of sixteen, Fred united with the Evangelical church, where he had attended since childhood. During his recent illness his greatest desire was to be able to attend church with his family. Although life was dear he expressed himself as prepared to go. He leaves to mourn his loss, a wife, two sons, Glen and Wendell, and two daughters, Marie and Leona, also his mother of Carson, Ia., three sisters, Lottie, of Carson; Mrs. F. C. Cleveland, of Willow Creek, Mont., and Mrs. E. C. Killion, of Denison. Four brothers, Bert and Tim, of Arion, Hobart of Ten Sleep, Wyo., and Roy, of Oakland, Ia., also a host

of friends. All his family were present, except Hobart.

The funeral service was held on Sunday afternoon at the Methodist church, the Rev. A. B. Adams officiating. Interment was made in the Dow City cemetery. The floral tributes were many and beautiful, which shows in a small measure the high esteem in which the deceased was held. The hearts of all deeply sympathize with the bereaved ones in this darkened, dismal hour.

It was found that she would lose the finger, but later her physician expressed hopes of saving it.
