

1000 DENISONITES TO IDA GROVE

It is Estimated That 1000 People From Denison Attended the Celebration in Honor of Company B

\$2000 FOR THE MESS FUND

Good Time was Had by All Attending—Speeches, Dancing, Band Music and Other Entertainment.

The intense heat of last Friday did not interfere with Denison people attending the patriotic day celebration held at Ida Grove to honor the men of Co. B, 2nd Iowa Infantry, and it is estimated that over one thousand from here spent the day at Ida Grove. Although the mercury hovered around 100 degrees all day, the people enjoyed the festivities at Ida Grove and everyone who attended pronounced it a most fitting celebration.

It had been planned to form a procession here in Denison and leave at nine o'clock for Ida Grove, but on account of the dusty roads and heat no effort was made to have the cars leave together and as fast as they were loaded, they left. The Denison Commercial band of thirty members were assigned to cars and left early. Relatives and friends of the enlisted men were driven to Ida Grove by friends.

Ida Grove business men spared no expense in the entertainment of their guests and fully ten thousand people were there to enjoy the festivities. Parking space was at a premium and it was impossible to find a place to put cars within three blocks of the armory after ten o'clock in the forenoon.

Shortly after ten o'clock there was an automobile parade in which the five bands took part. Several cars were beautifully decorated for this and an Ida Grove car won the first prize for the best decorated machine.

Following the parade the crowd gathered at the court house square where Hon. Robt. Healy of Fort Dodge delivered the address of the day. Mr. Healy gave a brief history of the events which lead the United States into the great European conflict and he impressed upon the crowd that the United States must emerge from the war victorious. He paid his respects to the pro-German people of this country and stated that it was up to them to support this government or take the consequences. Mr. Healy intimated that the government through special agents already had a line on the German sympathizers in Iowa and that it would be no surprise to him if some of the prominent citizens would be interned if they did not stop talking. He paid great tribute to the

men who had entered the services of their country in time of need.

At the conclusion of his address, people were asked for donations for the mess fund. It was explained that this fund would be used for the purchase of butter, milk and some of the necessities which are not regularly included in the menu furnished the army men by the government. People were not slow in making donations for this fund and rolls of bills were thrown on the speakers stand faster than the men in charge could handle it. Over \$2,000.00 was donated for this mess fund which should keep the men of Co. B, well supplied with extra eats for several weeks at least.

Following the exercises at the court house square picnic dinners were in order, and the crowd dispersed and gathered under shade trees in the parks and on the lawns for dinner. Every one took with them well-filled lunch baskets and the soldier boys enjoyed their dinner either with relatives or friends.

In the afternoon a program of sports was carried out, including races of various kinds. For those who cared for dancing, a ball was held at the armory. Many of the younger folks attended this. Late in the afternoon two teams made up of the enlisted men played an exciting game of ball at the diamond which was well attended. One of the big features of the day was the exhibition drill by Co. B. Every one attended this feature of the festivities and enjoyed it to the utmost. The company went through all of the various movements and after witnessing it one would imagine that they had served in the army for years, instead of only a few months.

Picnic suppers were enjoyed at six o'clock and in the evening a home talent play was put on at the opera house in which members of the company took part. No one supposed that the company had so much talent in it. Evidently the boys had spent considerable time in preparation for this entertainment and it certainly was good.

Dancing took up again at the armory in the evening and so crowded was the floor that many of the young folks danced on the asphalt pavement out in front of the building.

It was not until the wee small hours of the morning that the festivities broke up and the tired people left for their homes.

Patriotic day will long be remembered by the people of Denison who were in attendance. Every effort was made by the Ida Grove business men to make it a success and they are to be congratulated upon their efforts. Every business house in Denison was closed on Friday to permit proprietors and clerks to attend.

Mrs. Belle Pritchard, of Woodbine, is visiting this week at the home of her niece, Mrs. Wm. Strahan, in Denison.

BLOODY BASE BALL BATTLE

Terrific Struggle to Decide the Base Ball Supremacy of Business Men and Professional Men

BATTLE AT 3 P. M. FRIDAY the 3rd

Money Donated to Red Cross—All Available Doctors to Render First Aid to the Injured

Great interest is being shown in the ball game which will be played on Friday afternoon at 3 o'clock at the college ball park between picked teams made up of business and professional men. The game is being staged to swell the bank account of the local Red Cross society and from the interest shown the gate receipts will run about two hundred dollars.

The dopesters are all up in the air as to the outcome as the odds appear about even. The professional men are making boasts galore and to hear their dope one would imagine they will walk away with the long end of the score. While it is true members of their team are spending a great deal of time making claims, they do find some time for real practice and their manager says they are in fine trim for the contest. The business men, however are not saying much, but each evening meet in a secluded place where they are given intensive training.

It will be a battle royal between the two teams and the chances are scores will be made faster than they can be tallied. Fifty boys have been engaged to chase down the long drives over the fence. All of the available base balls in town have been mobilized for this contest so the game will not be delayed. Barney Otto has consented to umpire the game but not until after he had been promised ample police protection.

Dr. J. J. Meehan, Dr. W. T. Wright, and Dr. R. P. Plimpton have been engaged to look after the welfare of the players and have organized an ambulance corps. It may be possible that a Red Cross tent will be pitched on the field in order to better render first aid service.

The Review has been furnished the line up of the opposing teams which is as follows:

Professional Team.
Dr. A. H. Rosberg, Catcher.
Andrew Bell, Pitcher.
Dr. V. K. Graham, Pitcher.
Leon W. Powers, First base.
Alfred Rohrer, Second base.
M. P. Renfro, Third base.
Ronald Wygant, Short stop.

BRING FORDS OVERLAND

Denison Auto Company Drive a Flock of Fords From Kansas City to Denison

Shortage of freight cars does not interfere with the Denison Auto Co. securing machines and this fact was demonstrated last week when H. G. Saggau, the proprietor, went to Kansas City with a party of drivers and returned overland with a consignment of fourteen Ford cars. Automobile dealers have been handicapped for the past two years on account of shortage of freight cars in which to ship machines from the factory. This has caused them to lose many sales. Last week, Mr. Saggau learned that he could secure fourteen Ford cars from the assembling plant in Kansas City, but that it would be necessary for him to drive cross country as there were no available freight cars in Kansas City in which to ship them to Denison. He at once got busy and it was not long before seventeen of his friends volunteered to help drive the cars back.

The party left on Monday evening of last week for Kansas City and on Tuesday evening started on the trip back to Denison with the fourteen cars. At 1:30 o'clock that night they reached St. Joe, Mo., where they put up for the night, after having traveled about sixty miles. An early start was made from St. Joe Wednesday morning and made Walnut that evening. Unable to secure hotel accommodations at Walnut the drivers slept in the cars that night and arrived home Thursday about noon.

All of the cars had been sold before they were brought to Denison and the purchasers were on hand Thursday to secure their machines.

Mr. Saggau is one of the most progressive Ford agents in western Iowa and he finds no difficulty in selling all of this make that he can secure from the factory.

Below we print the names of those who made the trip from Kansas City to Denison, Henry P. Saggau, Hugo Jensen, Paul Malone, Edward Gehring, John Stender, Ido Perconli, Ray Robinault, Walter Lochmiller, Herbert Cusman, Mike McCord, Ed. Watke, Carl Berndt, Bert Thomason, Rudolph Stender, Wm. Reimers, Harry Saggau, Martin Saggau.

The boys looked like a bunch of trench fighters when they arrived in Denison, being covered with dust and grease, but all report the time of their lives without a mishap of any kind. They received a royal reception in many of the towns through which they passed.

RED CROSS BENEFIT SUCCESS

One of the Most Pleasing Entertainments Ever Put on in Denison Presented Last Thursday Evening.

IN CHARGE OF MISS KUEHNLE

Number of Very Pleasing Stunts Put on by Local Talent—Net Proceeds Amounted to \$140

In spite of the extreme heat of last Thursday evening a very large number of people gathered at Midway Heights to enjoy the vaudeville and dance given for the benefit of the Red Cross. The evening's entertainment was in charge of Miss Lydia Belle Kuehnle, ably assisted by a number of friends, who desired to assist in the raising of Red Cross funds. The net proceeds of the evening amounted to about \$140, a part of this amount having been received at the popular quarters of the refreshing punch bowl, as well as for home-made boxed candies. The frappe which remained at the close of the evening was sent to the boys in camp at Ida Grove.

The dancing pavilion of Midway Heights was beautifully decorated for the occasion with asparagus fern and summer flowers, while Japanese parasols and lanterns hung from the ceiling.

The main attraction of the evening was the home talent vaudeville performance, also in charge of Miss Kuehnle, who proved herself an able director. Solos were rendered by Miss Dorothy Jones and Adele Brandt and Lenihan Lally, a splendid and clever chorus of ten young ladies providing the chorus music, of patriotic songs and parodies. The part of the program which featured the allies in costume was indeed charming. Eugene Eiseeman as Uncle Sam was surrounded by his friends, Margaret Wood as Japan, Margaret Wulf as Greece, Gwendolyn Grimes as Belgium, Marguerite Baile as France, George Junior McHenry as England, John McConnaughey as Russia, Martin Saggau as Roumania, Louie Evers as Serbia and Luther Bond as Italy.

After singing "Uncle Sammy," the beautiful flag was saluted and little Neva Duncan danced onto the platform and bowed to Uncle Sam. She was daintily gowned in red, white and blue and captivated the audience with her fairy-like dancing, which was almost entirely original in step. A vocal solo and encore rendered by Mrs. Frank Lynch were received by those present with much appreciation. The closing feature of the program was a farce which pictured the deep feeling which the soldier experiences for

his beloved flag. The parts were taken by Mrs. Leon Powers, Mr. Rowland Philbrook and Mr. Frank Lynch. Following the vaudeville performance the young people present indulged in dancing, very fine music having been furnished by the Barbara orchestra, who donated their services for the benefit of the Red Cross fund.

A number of the soldiers of Co. B, Ida Grove, were present throughout the evening and their presence added pleasure to the occasion. The affair was a decided success and those who assisted in the raising of this large fund are deserving of congratulations.

LOCAL BOYS CALLED TO SERVICE

Harold Silletto and Ben Broderson, Members of Battery D, Leaving For Deming, N. M.

Word was received in Denison yesterday that Battery D had received orders from Washington, D. C., to train for Deming, N. M., where they will go into training before joining Pershing's forces in France.

Harold Silletto, son of Mr. and Mrs. John Silletto and Ben Broderson, son of Mr. and Mrs. B. Broderson are members of Battery D. They left Denison three weeks ago for Davenport, where they have been in training. Both boys joined this battery while they were attending the state university at Iowa City.

Several units of the Iowa National Guards have received orders to train for Deming, where they will pitch camp and get everything in readiness for the rest of the Iowa forces. According to latest reports the Iowa National Guard will leave for Deming about the 15th of August. This means that Company B, 2nd Iowa Infantry will leave Ida Grove about the 15th.

The Iowa forces will be given intensive training at Deming during the fall and winter months. It is reported that the Iowa troops will not be transported to France until sometime next spring although this information is not official.

Marriage Licenses.

County Clerk Monaghan reports the following licenses to wed issued from his office during the past week—July 28—George Hill and Florence Johnson; July 30—John I. Lind and Nellie Fleming; July 31—A. G. Bral and Katherine Pelley, Lennox Nelson and Viola Brockelsby.

Patriotism does not yet require that the hat be removed when "Tipperary," "Hot Time in the Old Town," "How Dry I Am," and other national airs are played.

The police of New York, Boston, and other seacoast villages must feel quite reassured with so many soldiers drilling near by.

POPULAR YOUNG COUPLE WED

Marriage of Miss Vera Norris and Harold Poole Came as Surprise to Denison Friends.

MARRIED AT OMAHA FRIDAY

Bride is One of Denison's Popular Young Ladies—Groom is in Training at Fort Logan, Colo.

No one except the immediate relatives of Miss Vera Norris suspected that her marriage to Mr. Harold Poole was to take place on last Friday, as Harold has been located for some time at the officers' training camp, at Fort Logan, Denver. A few days ago Harold was commissioned to go to Cheyenne, Wyo., on official business and as his business was completed he had just enough time remaining to come to Omaha, where he was joined on Friday by Miss Norris and her friend, Miss Erma Beutel.

The marriage took place at the parsonage of Trinity Methodist church in Omaha at 10 o'clock a. m. Rev. Mr. Poucher, who served as adjutant at the border last year, performed the ceremony. Although the groom was compelled to depart later in the day for Fort Logan, the hours intervening were most happily spent by the young people.

The bride, daughter of Mr. and Mrs. Thos. Norris, was a graduate of the Denison high school in the class of 1916 and for the past year has been most successful as a teacher in the county schools. She is one of Denison's finest young women and her friendship is greatly prized by the young people of her acquaintance.

The groom is a son of Mr. H. G. Poole, who moved from Denison to Toledo, Iowa, about a year ago. He was also a member of the class of 1916 of the Denison high school and was a student at the colleges of Grinnell and Toledo during the past year, up until the time of his enlistment in the officers' training corps at Fort Logan. He possesses the esteem of many warm friends, both in Denison and Toledo and is a valued man in the service of his country.

The congratulations of many friends and wishes for a very early reunion of the young people and many years of happiness are extended to the bride and groom of this war time.

The vacation travellers kick if the train is delayed so that baggage can be carefully handled, and they kick if the baggage is banged around so the train can go on time.

Men!—Buy Your Suit This Week at Menagh's

Read this Genuine Offer of Genuine Values, and remember, these remarkable prices remain in effect only as long as the present stock lasts.

In these days of high cost of living genuine values are appreciated more than ever before. And when you have seen examined and tried on a few of our men's high quality Fruhauf Made Suits, you will appreciate this offer more.

Our Entire Stock of Men's Suits Is Divided Into Two Lots

LOT NO. 1 is made up entirely of FRUHAUF, Hirsch-Wickwire, and Kuppenheimer suits. This showing of suits surpasses any offering made heretofore in the history of our business. FRUHAUF CLOTHING REPRESENTS THE HIGHEST QUALITY OF SUITS MADE. Not only is each garment offered made up of pure wool material, but each garment is sewed with silk thread. Each garment is thoroughly hand-tailored, and an absolutely perfect fit is guaranteed. This lot is made up of garments selling up to \$32.50. Specially priced this week at **\$19.87**

LOT NO. 2 is made up of eastern made suits selling from \$18.50 to \$22.50. Very specially priced this week at **\$13.75**

When Waists Such As These Are Sold at **\$1** It Is True Economy to Buy Two Or More

First as to styles—they are not only new and appealing—but absolutely authentic—in accord with fashion's latest dictates—the identical styles that will be shown this week in the country's recognized style centers. And then, as to value—they are vastly superior to all other one dollar Waists—for the contract plan under which they are made and sold lowers the cost of making and eliminates the selling costs.

These Four New Styles on Sale this Week. Come early—for the allotment is limited.
