

MORE MEN ARE CALLED BY BOARD

Exemption Board Decides to Call the Next One Hundred Men From Whom to Fill the Quota.

MANY MEN ARE DISCHARGED List of Those in County Who Were Not Discharged—District Board Certifies Many Names.

Crawford county's quota to the new national army has been placed at 123 men and the exemption board has it figured out that they will fall about fourteen short after allowing for those who were physically unfit and those who have been discharged. If the county is given credit for the men who were in training at Ft. Snelling and whose names appeared in the first draft it will be a few less than this. In order to furnish the quota from this county it was decided by the board to call the next one hundred men in the order in which they were drawn so they will be available if needed.

Those Who Are Called Saturday. Each of the hundred men have been sent a postal card by the local board instructing them to appear at the court house in Denison on Saturday morning, September 1st. The men will report in the court room, where the roll will be called.

Drs. W. T. Wright, of Denison, and H. D. Jones, of Schleswig, will examine the men and it is thought it will take the entire day to pass on the hundred men.

Those who were notified to appear, together with their serial numbers, are as follows: 1744 Louis Ernest Quade, Boyer. 1112 Louis Hooel Moorehouses, Kiron. 241 John Fritz, Jr., Denison. 1555 Jacob Fred Vollmann, Kiron. 2181 Edward David Gleason, Charter Oak. 1525 William Kohl, Manilla. 103 Clark Thomas Marshall, Jr., Charter Oak. 2196 Richard James Larson, Dunlap. 1585 John Kruse, Schleswig. 1812 Richard Arthur Wiegand, South Sioux City, Neb. 1221 Paul E. Tate, Denison. 1742 Bert Ernest Lindstrom, Kiron. 1625 Marcus Albert Gustav Stegemann, Denison. 556 Orvil Fenton, Denison. 1045 Willy Fritz Evers, Schleswig. 2109 A. C. Bleske, Jr., Macedonia. 154 Hans C. Henriksen, Charter Oak. 1781 Oscar Marion Briggman, Manilla. 51 Guy J. Johnson, Dunlap. 717 H. C. Miller, Denison. 1047 Chris Schwanz, Vail. 1256 John Daniel Curtis, Manilla. 1073 William Welch, Vail. 30 Percival Maynard Dodge, Arion. 149 Ferdinand D. Kuhlmann, Ute. 588 Wilbert Thurber, Denison. 1123 Edward J. Jensen, Schleswig. 1716 George Washington Conyers, Hickets. 773 Louis Popken, Denison.

SETTLERS' PICNIC MUCH ENJOYED

Ideal Weather Permits Many From a Distance to Attend Picnic on Last Thursday Afternoon.

REV. ROBT. KARR THE SPEAKER C. P. Harvey Elected President for Ensuing Year—List of Departed Settlers During Past Year

The annual old settlers' picnic was held at Washington park in Denison on Thursday of last week and was largely attended and everyone seemed to enjoy the occasion to the utmost. The day was ideal and permitted many people from a distance to motor to Denison to enjoy the festivities. The crowd gathered about 10 o'clock in the forenoon and enjoyed the sports which had been arranged for the entertainment of the young settlers. Supt. C. E. Humphrey and Prof. Frank Lynch were in charge of this part of the program.

At the noon hour picnic dinners were indulged in. Several tables were provided by the fair association, but these were inadequate to accommodate all and family groups enjoyed their repasts on the grass under the beautiful shade trees of the park. Free coffee and tea were provided for everyone. This was dispensed from a booth in charge of W. C. Rollins, who had a corps of able assistants. Denison's Commercial band of thirty pieces gave a concert at 1:15 p. m., which was thoroughly enjoyed. Following the concert the program commenced with the invocation by Rev. J. L. Boyd, pastor of the Methodist Episcopal church. Mr. Thos. Norris, acting president of the Old Settlers' association, had charge of the program and introduced the speakers. Mr. Norris read the list of the departed old settlers. A quartet, made up of Lenihan Lally, Chester Schumberger, Marcus Meard and Herbert Cushman, sang two selections, which were heartily applauded. Short talks were delivered by R. ShawVan, Carl F. Kuehlo, Judge Conner, Father Farrelly and G. L. Caswell. Mr. John Ainsworth read a clever poem of his own writing that made a hit with the crowd. The address of the day was delivered by Rev. Robt. Karr, pastor of the Presbyterian church. His address was of a patriotic nature in which he explained why the United States entered the great war. The speaker briefly told of the events which resulted in the United States aligning herself with the allies and that it was a war of democracy against autocracy and that the turmoil would not

Many Men Are Discharged. The local board commenced last week to pass on the claims for exemption on account of dependents and on Saturday the list of the names of those who were discharged was posted in the corridor of the post office. In nearly every instance the men who were discharged were married with dependent wives and children; a few, however, were discharged who had dependent parents or brothers or sisters.

TRAIN SERVICE FOR ARION FAIR

Train No. 3 Will Stop at Vail, West Side and Arion to Accommodate the Fair Patrons.

LIVESTOCK EXHIBITS ARE GOOD Many Free Attractions Provided for Entertainment of Crowds—Good Band Music Each Day

Crawford county's annual fair will open at Arion on Tuesday, September 11th, and continue until Friday night. The fair promises to be bigger and better than ever this year and should draw a record breaking attendance. The officers and directors of the Crawford County Agricultural society, under whose auspices it is held, have devoted much time and attention to the program and we predict it will be the very best in the history of the association.

A representative of the Review called on Mr. Criswell yesterday and was informed that the display of livestock would be exceptionally good this year. Many swine breeders will be on hand and several of the pure bred cattle herds will be represented. Of course the display of canned goods and fancy work will be up to standard for this is a department in which the women of the county take considerable pride.

Many Free Attractions. The free attractions this year are especially good. There will be good music and sports of all kinds, including a complete racing program. Harry and Stella will be there with their celebrated hay rack and house acts. Holman and John will also be there, introducing two complete and distinctive acts.

There will be band music each day of the fair. The West Side band has been engaged to take care of this part of the entertainment.

Fine Horse Races Planned. Folks who enjoy following the ponies should not overlook the race program for the fair this year. The prizes offered are large enough to attract the really good horses and it is expected there will be some exciting races.

Following is the race program for the three days: Wednesday, September 5th—One-half mile run—\$100. Farmers' run, 3-8 mile—\$50.00. Free for all run, 5-8 mile—\$150.00. Novelty race, 3-4 mile—\$75.00. Thursday, September 6th—Harness race (horses worked on the farms) best 2 out of 3—\$50.00. Free for all run, 3-4 mile—\$150.00. Novelty race—\$75.00. Pony race, 3-8 mile—\$50.00. Farmers' run, 1-2 mile—\$50.00.

COMPANY BEN- TRAINS FOR SOUTH

Many Denison People Motor to Ida Grove Monday to be Present When Boys Left for the South.

SOCIAL FEATURES FOR BOYS Plans Under Way to Provide Splendid Entertainment for Boys—Work in Charge of Y. W. C. A.

Company B, 24 Iowa Infantry, which has been in training at Ida Grove since spring, entrained at a late hour Monday afternoon and is now well on its way to Deming, N. M., at the concentration camp there, where several thousand national guardsmen are being mobilized for training before being sent to the firing line in northern France. Word was received at the armory at Ida Grove the latter part of last week and Captain Lindsey permitted the Denison men to spend the week end here in Denison at their homes for a farewell visit. While the men regretted to break home ties in every instance they were glad that the order had come which takes them one step nearer to the battle front, where they will do their "bit" for their country.

Many Denison people motored to Ida Grove Monday to be present when the boys left. Extra coaches were attached to the regular afternoon train and the men went by way of Cherokee to Council Bluffs, where they were transferred to another road for the trip to Deming. It is expected that the trip will take four days.

National guardsmen from five states are being mobilized at Deming, N. M., and it will not be the fault of the residents of that place if things become colorless to the fighting men for they realize that in the midst of camp drill and discipline that Sammy is apt to become a dull boy without play. According to reports the mothers at Deming plan to adopt the 35,000 guardsmen who will be stationed there and if the homesick boy wants to say "Dad" to the worst crab in town he can do it with no unfavorable comeback.

Myron A. Kesner, representative of the war board on training camp social activities and welfare, has arrived at Deming to assume the leadership of a movement of wide scope. The war service board of the commerce chamber will devise plans of entertainment; the Young Women's Christian association has plans for a "hospitality lodge" to be built half way between the town and the camp and the Young Men's Christian association has opened its welfare work
