Mr. Gill always pays fancy prices for the kind of horses there is a good market for. The woman's committee of the C. N. D. earnestly request the township leaders to hasten the signing and return of the Hoover pledge cards. Packages should be sent to Mrs. Jacob Sims, county chairman; Mrs. C. M. Jensen, secretary. Oysters made their appearance in the stores of Denison this week but not at the prices they sold at last season. Dealers are demanding 65c a quart when last year they sold at 55c. No doubt the increase is due to the war. Thos. Thomson, of Charter Oak, had his seven passenger Buick car stolen in Omaha last Wednesday while he and his family were taking in the Ak-Sar-Bo. The car was a new one and although reported to the police only a short time after it was taken no trace of it has been found.

Miss Lillian Garrison favored the congregation of the Methodist church with a beautiful solo at the services Sunday morning. Miss Garrison has an exceptional voice and it is always a treat for a Denison audience to hear her. J. G. Mr. Wyzant has been engaged in the hardware business in Denison for many years. Mrs. C. C. Kenning returned home Sunday from Des Moines, where she had been visiting for the past two weeks. They returned by auto Sunday afternoon. Miss Dorothy Jones, daughter of Mr. and Mrs. M. E. Jones, who is a student at Grinnell, has made first soprano in the Grinnell glee club. This is indeed a great honor for there is great rivalry among the students there to make the glee club and those who do make it must have great musical ability. The many friends of Miss Jones will be elated over her success. The sale of \$20,000 Denison school bonds was sold yesterday, the Crawford County State bank being the purchasers. There were a number of outside bidders, but the local bank having made the best bid secured the bonds. They are 5 per cent bonds and the premium paid was \$11. The purchasers agree to furnish the blank bonds and pay for all necessary printing. Mrs. Williams, a returned missionary from the Republic of Colombia, South America, delivered a lecture last evening at the Presbyterian church. She gave a very fine presentation of the missionary work in Colombia and her description of the country and the inhabitants was most interesting. Mrs. Williams is a very charming woman and everyone enjoyed her lecture immensely. Representative P. J. Klinker, accompanied by W. E. Fisher, of Dow City, spent last Friday in Des Moines transacting business. While there they took occasion to go out to Camp Dodge and visit some of the boys of this county who are in training there. Russell Hayes and Chase Kenning have both been promoted to non-commissioned officers, they report. Mr. Klinker tells us that he was greatly surprised at the magnitude of the sum and that carpenters are still engaged in putting up additional barracks. The main street in the camp, Mr. Klinker says, is some four miles in length.

SIGNAL CORPS BOYS CALLED

Four Denison Men Leave This Evening to Report for Duty at Battle Creek and Louisville.

Four Denison men who enlisted in the signal service received orders today to report for duty and leave this evening. Three of the men were instructed to report at Louisville, Ky., while one is ordered to Battle Creek, Mich. Leland Ackley, the other Denison young man who enlisted in this service, had not received his orders to report this afternoon, but undoubtedly they have been delayed in the mails. John Krantz, Joe James and Floyd Gary will go to Louisville, Ky., while Oscar Erickson will go to Battle Creek, Mich. They will leave on the 8:16 train this evening over the Northwestern and will travel together as far as Chicago. These men enlisted early in the summer in the signal corps at Des Moines and have been anxiously awaiting a call to service since then. For weeks they gathered together each evening and under A. C. Green practiced squad drill until they are able to perform all of the maneuvers. Many of their Denison friends will be at the station this evening to bid them goodbye.

JACOB RUSTERHILZ, SR. DEAD

Bronchial Pneumonia the Immediate Cause of Death—Pioneer Resident of Crawford County

Jacob Rusterhiltz, pioneer resident of this county, passed away at his residence in Denison at 3:30 o'clock this morning, following an illness of only a few days' duration. Last week Mr. Rusterhiltz was up and around and on Friday walked out to his farm and caught a slight cold which finally resulted in bronchial pneumonia which caused his death. The deceased was born in Alsace Lorraine on the 16th day of March, 1829 and in 1883 came to America, locating on a farm in Crawford county, just south of Denison. He was united in marriage to Miss Magdalena Jolob in the year 1868, who with seven children is left to mourn his death. The children are Mrs. Lena Goswiler, Rice, Minn.; Mrs. Chris Lorenzen, Whittier, Cal.; Mrs. Arnold Bachmann, Jacob R., Jr., John and Kate, residing in Denison, and Jola, of Cincinnati, O. Funeral services will be held on Friday afternoon at 2 o'clock from the residence and at 2:30 o'clock at the German Methodist church, Rev. W. H. Ter, the pastor, officiating, after which interment will be made in Oakland cemetery. The family have the sympathy of a large circle of friends in their bereavement.

The Review wishes to call attention of its readers to the changes in time of several of the Northwestern trains as will be noticed by the time card appearing on another page. The local passenger, No. 1, eastbound, which formerly arrived at Denison at 7:04 a. m. under the new schedule arrives at 6:49 p. m. just fifteen minutes earlier. The only change in the westbound train is the last mail, which goes through at 7:29 in the morning instead of 7:32. This train does not stop or carry passengers, however. On the Boyer branch several changes have been made and one which will be of great benefit to the people of Denison. There is now a train down from Wall Lake in the evening that reaches here at 10:30 p. m. This is a combined freight and passenger train. The morning train north to Wall Lake leaves fifteen minutes later on the new schedule, that is at 5:15 a. m. instead of 5:30. Other trains on the Boyer branch are operated the same as before. Both eastbound and westbound freight trains are scheduled to arrive in Denison during the forenoon. The new time card went into effect on Sunday.

LEASE KEMMING BUILDING.

Denison Battery Company to Occupy Clothing Quarter, November 1st—Will Sublet a Portion.

The Denison Storage Battery company have leased the store room occupied by the Kemming clothing company and will take possession of the same November 1st, at which time the clothing company will cease business. Mrs. Graham, proprietor of the Denison Storage Battery company, informed a Review reporter that she expects to sublet a portion of the room as she will not require all of the room for his battery business. Mr. Graham is local agent for the Willard battery and only recently moved to Denison, purchasing the plant from the Owen Engineering & Construction company of Missouri Valley. The business was well established and enjoying a large patronage, not only from Denison, but adjacent territory.

Mrs. J. L. Ainsworth left last week for Chicago, where she will spend several months studying art at the Chicago Art Institute. She has ordered the Review sent to her address to keep in touch with the news of Denison and the county.

In this issue of the Review we are printing an interesting letter from Clarence Schwarzenbach, who is in training at Camp Kelly, Denison, N. M. This letter was received at the Review office this morning and will be read with interest by the relatives and friends of the men in Company B.

The Faded Dream

'Tis just a dream, a dream, I know, Yet in its deepest brings to heart A tenderness, ever to impart The blessed thoughts of long ago. But all the truth within that dream, And all the sweetness and the mirth Have faded, wandered from the earth, And flow discordant down life's stream. Within a realm of dreams so vast, That comprehensiveness can but guess, Its limits and its faithfulness. All lived! But all has journeyed past. A cloud came o'er at break of day; Destruction wrought its awful fate; 'Tis just to hope, and trust and wait. While happy visions drift away. The skies have cleared; some would not know. The rightful suffering storm has brought. The lasting lesson it has taught: A change from liltedome long ago! But never will the saddened mind, Be healed and happy as of yore; O, never, never, nevermore. That ecstasy is left behind.

The moments infinite, to say, The blended thoughts sublime and high, Are like the drifting passerby, Who hath come and gone away.

The dream reversed in all its worth, In all the comfort which it brought; The care, the love, the lessons taught, Are gone forever from the earth! —By "Robert Worthington Davie"

There has been a big burden put on the post office at Denison to furnish supplies and audit the accounts of all the other offices in the county. Postmaster Carey and his force will handle the thing all right however. There was a school house full of voters at the O'Banion school house in Boyer township Tuesday night to hear addresses on the temperance situation. Rev. Adams, of Dow City, and Mr. Meyers, of Denison, were the speakers. We understand that the farmers organized to get out a complete vote on Monday.

LESLIE GULICK OFF TO FRANCE

In Telegram to His Father Saturday He Says the Orders Read for Overseas Service

NOT AT HOME BEFORE SAILING

May Be Possible Division Will Be Held in the East—in That Event Parents Will Visit Son.

Leslie Gulick, son of Mr. and Mrs. E. Gulick, who enlisted in the aero service in August and who has been in training at Camp Kelly San Antonio, Texas, telegraphed his father Saturday that the 6th Aero Squadron of which he is a member, had been ordered to New York state and that the order reads for overseas service. Undoubtedly this means that the squadron to which Leslie belongs will be transported to France and will receive their training back of the firing line. Mr. Gulick sent a message to his son Sunday, asking him if it was possible for him to make the trip east by way of Denison, and yesterday received a reply sent from Meridian, Miss., stating that it was impossible to come this way as the squadron was enroute by the way of Birmingham, Chattanooga, Washington and New York. Last August Leslie went down to Omaha and enlisted in the aero service of the regular army. He was sent to Ft. Logan, Colo., where he passed the entrance examination with flying colors. He was then ordered to Ft. Kelly, just out of San Antonio, Texas, where he has been in training for the past few weeks. Only recently he was promoted from a private to a supply sergeant in the 8th Aviation division. It may be possible that his division will be held in the east for several weeks until transports are available and in that case Mr. and Mrs. Gulick plan to visit him before his departure.

SOCIAL NOTES.

Miss Pearl Meehan entertained Friday evening in honor of G. Jurgensen, of Glidden. The evening was spent with games and music, after which tempting refreshments were served. Mrs. C. L. Voss entertained the Penelope club on Tuesday afternoon. The house was beautifully decorated with fall flowers and after a most delightful afternoon devoted to handiwork a very delicious supper was served at small tables artistically arranged with dainty refreshments. Mrs. E. N. Chamberlain, of Dow City, and Mrs. S. E. Ashby, of Fairmont, Neb., were the out of town guests. The Trinity Guild will meet with Mrs. John Shaw Van on Wednesday of next week.

Italy Ready for Leibach WASHINGTON, D. C., Oct. 9.—Official dispatches today report Austrian troops gathering in great force on the southern boundary in anticipation of the removal of the Italian drive over the Bainsizza plateau. The Italian government is preparing to lay before the allied conference soon to assemble in Paris, a campaign against Leibach, regarded as the key to Austrian communications with Croatia and Serbia. If the allies approve and are willing to lend the necessary support in supplies of rifles, steel munitions and guns the Italian government will provide the troops.
