It is claimed that Henry Dirk, living near Glidden, placed a tub under a crib of wet corn, and in a few days he declares he had a tub of the finest whisky he ever drank. If you want to purchase coal it will be necessary for you to sign an application ten days in advance of your needs. This ruling has just been made by the fuel commission. Bear it in mind. On account of the dedication of the soldiers' monument the Parent-Teachers club will meet Thursday, November 15th. In addition to the regular work Supt. C. E. Humphrey will talk on the subject of "Habits." W. E. Cole writes the Review from Hazelton, N. D., in recounting for his paper, that they enjoy the weekly visits of the Review and it is like a visit with old friends. He says they like North Dakota, but miss the old Denison friends. Crawford county people should bear in mind that in the future when they purchase coal it will be necessary to sign an application for the same ten days in advance of their needs. No coal will be sold only upon the signed applications. We have been requested to announce that a general invitation is extended to the public to attend the buffet luncheon at the Commercial club room on Friday evening at 6 o'clock in honor of Governor Harding. The list, however, is not complete as one bank at Manilla has failed to send in the names of its patrons who purchased bonds. Joe Meade, who is stationed at Camp Cody, Deming, N. M., writes the Review under date of November 9th, that the Denison boys at the camp are all in good health. He states they are being thoroughly drilled and while the hours are long they are getting used to it. Joe says two more Denison boys have been appointed corporals, Frank Norman and Herbert McMinimee. Crawford county may well be proud of her young men that she has already sent into the service and no one will be surprised to learn of their advancement from time to time. Mayor Roscoe Saunders, of Manilla, is in Denison this afternoon attending a meeting of the federal fuel commission. Mr. Saunders says that Manilla is right up against a fuel famine and that yesterday he went to Charter Oak and commanded a half car load of soft coal that happened to be on track there. He stated he has contracted for scores of loads of coals and hopes to supply many families with this fuel if coal is not available. Mr. Saunders says that there is an abundance of wood in the county that is absolutely going to waste which should be conserved. Harry Clark returned home Monday from Chicago, being called back on account of the serious illness of his wife. Harry, as was announced in the last issue of the Review, enlisted in the engineering corps which is being mobilized at Annapolis Junction, Md., left last Thursday and was spending the week end in Chicago visiting relatives, enroute to the east. We are glad to report that Mrs. Clark is now somewhat improved. The trouble with the Italians is said to be that the Germans monkeyed with the hand organ man. With all these oil stoves exploding in the army camps, there is some one hanging around who should be made to take his seat on those stoves and he needn't have his trousers on either. These musicians that won't play the Star Spangled Banner persist in remaining in a country where they get Star Spangled Banner wages and Star Spangled Banner schools and freedom. It is claimed the farmer's aren't subscribing to Liberty bonds as they should. But wait until the long winter evenings when Uncle Reuben has time to read the papers. After being put on a government license, the food dealers begin to realize that there are important questions pending other than whether they get rich or not.

SOCIAL NOTES. Mrs. B. P. Philbrook and Mrs. Frank Young, of Sioux City, formerly of Denison, were honor guests at a number of informal gatherings of old friends while here visiting Mrs. J. P. Conner. On Wednesday, November 7th, Mrs. C. M. Jensen celebrated her birthday by having these ladies and several others for six o'clock dinner. Covers were laid for nine and clever place cards in the form of a guessing game created a great deal of fun throughout the dinner. The centerpiece was a huge birthday cake decorated with brilliant red candles and the decorations aside from this were in keeping with the times and patriotic spirit. Mrs. C. L. Voss entertained a few friends at dinner on Friday evening complimentary to Mrs. Philbrook and Mrs. Young. After a most delicious repast the evening was devoted to visiting and knitting. The Teachers' Reading club met at the home of Mrs. L. H. Humphrey on Friday evening. At the close of the meeting light refreshments were served. The afternoon passed quickly with various handwork and late in the afternoon dainty refreshments were served. Miss Cratt and Mrs. Harry Carpenter entertained the M. R. C. girls at dinner on Monday evening at the Merchants hotel. Covers were laid for eighteen. Following a most delightful dinner the guests and hostesses went to the Baptist church to take part in the meetings which have become so interesting. On Tuesday afternoon the ladies of the Baptist church were hostesses to the mothers of the church at a tea, held in the church parlors. This has come to be a most enjoyable way of getting acquainted with the mothers of the children and will probably be repeated often in the future. The Girls' Knitting club will meet with Mrs. John Shaw Van on Friday evening. On last Friday this club met with Miss Bernice Kinney. Dainty refreshments are served at the close of the meetings. Mrs. L. Hubble is entertaining a number of ladies at an all day knitting bee at her home today. Miss Ethel Miller and Miss Lessie Marshall were hostesses for D. A. R. on Monday evening. Interesting papers were read and the usual good time was enjoyed by all. Light refreshments were served late in the evening. S. S. was entertained Tuesday evening by Miss Sophia Balle. After a very lovely lap supper the members spent the time until the concert in visiting. No program had been arranged. The Austrians, Russians and Italians have successfully competed for the long distance running record, but the Americans have decided not to enter for this event.
