

## JAMES MITCHELL NOW SECRETARY

Iowa State Bottlers in Convention at  
Denison Last Week, Hold a Most  
Successful Meeting.

### SEVENTY-FIVE BOTTLEERS HERE

Sessions Held in Commercial Club  
Rooms, Banquet at Hotel Denison  
—Mitchell Secures an Office

The twenty-fifth annual convention of the Iowa State Bottlers' association was held in Denison on Thursday and Friday of last week and those in attendance report it to have been the most successful meeting of the organization held for several years. The program was an exceptionally strong one, many noted speakers being here to address the members of the association on topics which are now of vital interest to the bottlers. More than seventy-five members of the association were in attendance at the meeting and all were loud in their praises of the entertainment and courtesies shown them by the Commercial club and the citizens of Denison. Those in attendance were accommodated at the hotels. Hotel proprietors had sent out notices to traveling salesmen to avoid Denison on the days of the convention and by so doing were able to take care of the visitors.

Much credit for the success of the convention here in Denison is due James Mitchell, proprietor of the Denison bottling works, who worked for several weeks in arranging the program and looking after the details.

Members of the association began to arrive in the city Wednesday evening and by Thursday noon practically all were here.

Meetings at Club Rooms.  
The business meetings were held at the Commercial club rooms which were turned over to the bottlers during their stay in Denison. C. B. Chesterman, of Sioux City, president of the association, and F. C. Bailey, the secretary, of Marshalltown, had charge of the registration between 9 and 10 o'clock Thursday morning.

At 10 o'clock the meeting was called to order by Mr. Chesterman, who then introduced J. E. Lyon, who welcomed the bottlers to Denison in behalf of the Commercial club. Mr. Lyon impressed upon the guests that they were most welcome to Denison and took advantage of the opportunity to tell them something of Denison and its live Commercial club and what it is accomplishing. He closed his remarks with a poem of his own composition which was most appropriate and brought forth much applause.

George Martin, of St. Louis, responded to the address of welcome on behalf of the association. He stated that he had always thought that St. Louis

was the only town in the United States, but that he had found out that he was mistaken and now he would have to take off his hat to Denison. Mr. Martin's talk was full of humor and was well received.

The remainder of the forenoon was devoted to a business session with the reading of the minutes of the previous meeting, report of secretary-treasurer and the appointment of committees.

Thursday Afternoon Session  
Thursday afternoon the meeting convened at 1 o'clock and listened to a talk by Stiles Kennedy, of Mason City, who represents the Northern Beet Sugar company. We wish that every housewife in Denison could have heard his address. Mr. Kennedy explained how beet sugar could be used in every-thing under proper conditions and right treatment the same as cane sugar. He told how it could be used in preserving and how it should be handled in the making of soda water and syrups. The speaker stated that it was up to the people of the middle west to furnish their own sugar and not depend on the supply of cane sugar from Cuba and Hawaii, which is so badly needed by the government and our allies at this time. The beet sugar, Mr. Kennedy said, can be produced in the middle west much cheaper than the cane sugar can be bought. By producing it it is not necessary to transport cane sugar from the seaboard at a time when cars and lines are in demand for munitions and foodstuffs. He believed that it is the best policy to buy "Made at Home" goods and not to depend upon others for things which can be produced in our own locality.

One of the most beneficial addresses of the two days' session to the bottlers was that of H. C. Schank, of Milwaukee, who spoke on the actions of beet sugar in making soda water. Mr. Schank is a chemist and explained to the bottlers thoroughly how they could secure the best results from beet sugar.

Banquet at Hotel Denison.  
One of the pleasant features of the two days' session was the banquet held at the Hotel Denison Thursday evening. Some seventy people were served to one of the nicest menus by Mrs. Nielsen and a corps of able assistants.

J. V. Barborka entertained those present with three beautiful harp selections and Mrs. Edward Sachs, of Sioux City, accompanied by Mrs. D. E. Voss, sang three solos which were greatly appreciated.

After all had done justice to the banquet a number of after dinner speeches were given. Mr. Geo. Martin of St. Louis, acted as toastmaster and Mr. Gray, of St. Louis, was the guest of honor. Mr. Gray's death, J. W. Miller, Jr., the administrator of the estate, has been in charge with Leon Cassaday managing the store. After selling the business Mr. and Mrs. Lamborn moved to Red Oak, where he was engaged in the banking business for some time, later traveling on the road for a drug concern.

We are informed that Mr. Lamborn has purchased the E. O. Thiem resi-

(Continued on Page Two.)

## WILL SPEAK ON FOOD SAVING

Dr. Ray Lyman Wilbur, President of  
Stanford University, Will Speak  
Here Thursday, February 21st

### LAMBORN GETS THE GRAU STORE

Closed Deal Saturday for Grau Drug  
Store With J. W. Miller, Jr., Ad-  
ministrator of Estate.

Dr. Ray Lyman Wilbur, president of Stanford university, will speak in Denison on Thursday, February 21st. Two special meetings have been arranged, one at 3:30 o'clock in the afternoon at the opera house, and the other at 7:30 p. m. at the Methodist church. Dr. Wilbur comes to Denison in the interests of the government in connection with food conservation. He has unusual equipment for effective service in this work, having studied not only in some of the leading universities of America, but also at Frankfurt-on-the-Main, Munich and London. He has served with distinction as professor of medicine in Cooper college and as dean of the medical department of Stanford before being called to the presidency of that institution. Dr. Wilbur is one of the most distinguished leaders of the medical profession in this country and served with honor as president of the American Academy, 1912-1913. He is a clear thinker and gifted teacher, and his addresses are always lucid and intensely interesting. To the world food problem he brings the analytical powers of a trained scientist and the human sympathy of a physician. No admission fee will be charged to either lecture and no collections will be taken. Neither will there be home oratory or an organization perfected. It is hoped that a large number will take advantage of the opportunity of hearing this noted man.

Walter A. Lamborn closed a deal Saturday with J. W. Miller, Jr., administrator of the estate of G. H. Grau, whereby he becomes the owner of the Grau drug store and will take possession of the same on Thursday of this week. The stock is being inventoried and this work will be completed today.

Mr. Lamborn sold this drug store some three years ago to Mr. Grau, of Manning, who operated the same until his death last month. Since Mr. Grau's death, J. W. Miller, Jr., the administrator of the estate, has been in charge with Leon Cassaday managing the store. After selling the business Mr. and Mrs. Lamborn moved to Red Oak, where he was engaged in the banking business for some time, later traveling on the road for a drug concern.

We are informed that Mr. Lamborn has purchased the E. O. Thiem resi-

dence property and that late this year contemplates the erection of a small apartment house on this site.

The friends of Mr. Lamborn are elated that he has returned to Denison to again engage in the drug business.

### A SMALL BLAZE SATURDAY.

Fire, Originating in the Vulcanizing  
Department, Causes Slight Loss  
for Denison Auto Company

Saturday afternoon, about 4 o'clock, a fire alarm was turned in by the Denison Auto company and in a very few minutes our fire department were on the job.

The fire started in the vulcanizing department and, while it did not extensive damage, it at least produced sufficient smoke to seriously alarm the owners of the numerous cars stored in the big three story building.

An old Ford was badly singed, burning everything of an inflammable nature about the car. Slight damage was done another car and the woodwork received a singeing in the immediate vicinity of the fire. The fire was extinguished before it had made much headway.

### MARRIED THIS NOON

Carl R. Schupp and Miss Buella Mullin, Both of Dunlap, Wed at the  
M. E. Parsonage.

At 1 o'clock this afternoon at the Methodist parsonage, Rev. J. L. Boyd officiating, Carl R. Schupp and Miss Buella Mullin, both residents of Dunlap, were united in marriage. The impressive ring ceremony was solemnized by John Schupp, brother of the groom, acted as best man, while Miss Vena Mathys, of Dow City, was the bridesmaid. The happy couple left on the afternoon train for a brief honeymoon and upon their return will make their home on a farm near Dunlap.

### ANOTHER \$500 FOR RED CROSS

Hans Henrichsen, Prominent Farmer,  
Donates Animal to Red Cross, and  
It Sold for \$500.00.

Hans Henrichsen, a prominent farmer, residing four miles southeast of Denison, had a public sale Tuesday. During the sale a bull, the property of Mr. Henrichsen, was sold and the proceeds of its sale donated to the Red Cross. The bull first sold for \$400 and the purchaser turned it back to be sold again. It was resold and the grand total boosted to \$500, which will go to the Red Cross to assist in the good work of that grand organization.

It is indeed gratifying to see our Crawford county farmers taking such an active interest in the Red Cross work and the liberality of Mr. Henrichsen is but another example of the good work being done.

L. P. Coffman was down from De-  
laware Saturday transacting business and calling on acquaintances.

## MORE ORDERS FOR LOCAL BOARD

No Change Made in the Medical Ex-  
amination Blanks—Minor Ailments  
Don't Bar Men From Service

### NO OFFICIAL NOTICE OF CALL

List of Names Published in Denison  
Paper Last Week Was Not Authen-  
tic—Official List Next Week

The local exemption board is still grinding away with routine work at their offices on the third floor of the court house. They will continue on Friday of this week with the medical examinations of the men who are in class one, having received orders from headquarters to proceed.

Dr. W. T. Wright of the local board informs the Review that no change has been made in the medical examination blanks, but that the board has received additional orders which will compel them to induct men into the service that have heretofore been discharged as unfit. Men suffering with minor ailments such as bad teeth, etc., will be called into the service and the government will treat them at the hospitals at the cantonment camps.

No orders have been received by the local board to date calling into service the remaining men in the first quota from this county. While the newspapers have printed reports that the remaining quota will be called into service on the 23d of February, the Crawford county board has not received an official notice from headquarters. However, they expect to receive this order some time this week and in time to notify the men to report here in Denison.

The Review has asked the board to furnish us the names of the men who will be called from this county on the next call, but they are unable to supply this list as many of the men in the first class have appealed their cases to the district board for deferred classifications, while others will have to be passed upon by the district medical board at Carroll. The list that was published in another Denison paper last week as the ones that might be called was not authentic. The Review hopes to publish next week the names of those who will be called.

Nine Denison Masons went down to Vail last evening to help put on some special work for Diamond Lodge No. 422. W. H. Wilroth, formerly a resident of Denison, who is living on a farm near Vail, received the third degree. Following the work a luncheon was served. The following from here attended: B. J. Otto, W. E. Terry, A. F. Boylan, H. L. Pritch, A. C. McMinn, H. J. Cummings, M. Nielsen, L. Wright and W. D. Foster.

### SCHLESWIG COUPLE MARRIED

Miss Lydia Thiede and Mrs. Louie  
Kastner United in Marriage at  
Frieden's Church Wednesday.

One of the prettiest weddings of the season was solemnized at Frieden's church at Schleswig on Wednesday, February 6, at 5 o'clock when Miss Lydia Thiede, daughter of Mr. and Mrs. August Thiede of Schleswig, and Louie Kastner son of Mr. and Mrs. Carl Kastner were united in marriage. The church was beautifully decorated with cut flowers and evergreens, and two arches had been arranged beneath which the bridal party took their places on a white rug strewn with lilies of the valley and forget-me-nots.

The bride looked very pretty in a gown of white satin trimmed with silver lace, and wearing a veil which was held in place by orange blossoms. She was attended by her sister, Miss Francis Thiede, who was dressed in apricot messaline, and Miss Elsie Baker, wearing a canary messaline gown and Miss Hilda Baker in pale green silk, both cousins of the bride, acting as maids of honor. Little Lucile Vosgerau dressed in white crepe-de-chine carried the bouquet which was made up of white roses and carnations and ferns, and Master Irwin Kastner, also dressed in white, strewed flowers in the path of the wedding party. Robert Kastner, brother of the groom, and Fred Fredrichsen, his cousin, acted as groomsmen, and wore neat suits of blue serge.

Immediately after the wedding ceremony, the company proceeded to the bride's home, where a delicious wedding supper was served. These young people are very well and favorably known in and around Schleswig, where they have lived for a number of years and their many friends and acquaintances wish them much happiness and prosperity in their new home. They will make their home on a farm owned by the groom's father, a few miles northwest of Schleswig, where they will be at home to their friends after March 1.

James Mill had the misfortune to fall downstairs at his home early this morning and threw all of the fingers of his left hand out of joint. While the injury was most painful it was not serious and is not keeping him from his place of business.

### BAPTIST CHURCH NOTES.

Prayer meeting will be held as usual on Thursday evening in the church. The pastor will begin at this meeting an exposition of the book of Revelations.

The Boy Scouts will hold their regular election of officers at the home of Earl Lorenzen on Friday evening.

Union services of the churches will be held in this church Sunday evening, when the pastor will use as his theme "National Ideals and Policies." Miss Susie Craft will lead the union young peoples meeting, having for her subject "Stewardship."

## SERVICE FLAG FOR HIGH SCHOOL

Impressive Ceremony at High School  
Yesterday Afternoon in Honor of  
Boys in Service.

### CARL KUEHNLE MAKES SPEECH

Program Was Unique, Being Divided  
Into Five Parts, Representing Wars  
U. S. Has Engaged in

An impressive program was carried out Tuesday afternoon at the high school, the occasion being the presentation of a service flag by the students of the domestic science department. The flag is of large dimensions and was made by the students in the domestic science department. Forty blue stars, representing high school boys in the service and one red star for Miss Pearl Gary, the Red Cross nurse who is now in France, appear on the beautiful flag and are embroidered with the initials of the one they represent.

The program was unique, inasmuch as it was divided into five parts, each part representing a war the United States had engaged in. The program was given under the supervision of Miss Himena Hoffman, assisted by several other instructors. The program as carried out was as follows:

I—The War for the Freedom of Our Nations.  
The Spirit of 1776—May Vollerson.

II—The War for the Freedom of the Seas.  
Old Glory—Miss Anna Sollinger.

III—The War for the Freedom of the Slave.  
Dixie—High School Quartet.  
Barbara Fritchle—Violet Leitner.

IV—War for the Freedom of Our Neighbors.  
Hot Time in the Old Town Tonight—Bernice Richardson and Quartet.

V—War for the Freedom of the World.  
Joan of Arc—Margaret Christensen.  
America for Me—Katherine Woolston.  
Hooverizing—Bruce Schluter.

Why We Are at War—Gertrude Bachman.  
Our War Aims—John Helseley.  
Mother of Mine—Lenhan Lally.  
Over There—Quartet.

Patriotic Address—Hon. Carl F. Kuehnle.  
Star Spangled Banner and unfurling of service flag.

We have been requested to announce that services will be held at the Episcopal church Sunday morning at 11 o'clock. Following the services there will be a parish meeting and it is hoped that there will be a good attendance.

## New Suits

In the Handsome  
Spring Styles

Our showing of the new spring suits is comprised entirely of high quality garments in the latest shades. The materials are serges, jerseys, gabardines and Scotch mixtures. It will be to the interest of all women who contemplate the purchase of a suit this spring to see our showing. All sizes are included.
