The home of Mrs. S. T. Goddard was saddened Wednesday morning when the death angel entered and claimed her little two year old daughter, Fanchon Pauline. The little one had been having a case of measles which later developed into pneumonia and all that loving hands could do in effort to save the child's life proved of no avail. A trained nurse was sent for, who arrived the afternoon previous to the baby's death. It will be remembered that only a few months ago the husband and father was taken from this home. Fanchon Pauline was born March 3, 1916, and passed away April 17, 1918, aged 2 years, 1 month and 14 days. She leaves to mourn her a mother and brother and many relatives. She was a very beautiful and sweet child and was like a sunbeam in the home and among the relatives; her death means a great loss. The funeral services were held Thursday afternoon from the home at 3 o'clock and were conducted by Rev. A. B. Adams, after which the little form was tenderly laid away in the Dow City cemetery. The deepest sympathy goes out to those left in mourning.

Fred Beane was here several days last week from Gregory, S. D., transacting business and calling on old friends. This family moved from here some time ago to a farm near Gregory.

Mesdames Frank Binnall and W. B. McDonald and Miss Fanchon Wiley went Saturday to Kansas City, Mo., to be present at the graduating exercises of the former's son, Bryce, from the veterinary school. The latter accompanied them home on Tuesday and will make a short visit here, after which he will join the military ranks.

Miss Birdie Metcalf was a passenger from Denison Saturday and made an over Sunday visit at the J. R. Griffin home.

Mrs. Mayne Mulvihill, of Omaha, and Mrs. Chas. Talcott, of Woodbine, were here Thursday visiting relatives and attending the Goddard funeral.

J. M. Pett was visiting with relatives in Woodbine Friday between trains.

Mr. and Mrs. J. R. Rudd celebrated their 65th wedding anniversary last Thursday, most of these years having been spent in Dow City. Considering the advanced age of these people, the former being 88 and the latter 84, they are still in good health and enjoy the visits paid to them by their numerous friends.

Misses Frieda Aeberhardt and Anna Brink were Denison callers Saturday.

Private Merrill Sharp and wife were here from Camp Dodge and made a week end visit with the home folks.

The cooked food sale which was held by the ladies of the W. C. T. U. in the Farmers State bank Saturday afternoon, was a great success, everything being sold. The proceeds will be used to purchase comfort kits for the soldier boys.

Denison Lady Overcomes Use of Morphine

"Troubled about 10 years with what the doctors called gall stones, after I thought I would die before the doctor could get here, when he would give me a hypodermic of morphine and advise an operation. A neighbor told me about Mayr's Wonderful Remedy for stomach trouble and since taking the first dose 2 years ago I have not had an attack nor needed a hypodermic." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Rudolph Knaul, Druggist.

Bone Dry

Every Still Better Willard Battery that comes out of the factory is made and shipped dry. This absolute dryness is your guarantee that the battery has not lived a part of its life before you buy it.

For every battery begins to age from the very minute the battery solution first touches it. But when you know that the battery you buy is bone dry up to the time you buy it, you can be sure that you are buying a brand new battery.

Still Better Willard Batteries cost more but they're worth it, both because the "Bone Dry" plates are your assurance of battery newness and because the Threaded Rubber Insulation also means increased protection to plates and prolongs efficiency. Ask about the Still Better Willard the next time you call for your regular battery test.

Genuine Mahogany, Walnut or Fumed Oak

Do you let PROFESSIONALS do your singing for you?

Do you hear only "CANNED" singing—from a Talking Machine?

Do you always LISTEN, never sing yourself?

If you seldom use your voice for anything but TALKING, you're like many, many other grown up Americans.

AND IT'S ALL WRONG! When we stop singing and take ALL our vocal music second handed, we LOSE SOMETHING, physically and spiritually.

We'll say you are a business man. And that you sometimes go home tired, nervous and short breathed. You eat dinner, read a newspaper or magazine for half an hour, throw yourself on a couch and think about business matters, then go to bed UNRELAXED and get up next morning with "that tired feeling."

WE CHALLENGE you to try this:

Sit down at your Gulbransen-made Player Piano after dinner, put a Song Roll on—any song you like—lower or raise the key to suit your voice, and SING IT. Then do it again, with another Song Roll. And AGAIN!

You may have been "nervous as a cricket" when you sat down; you may have been worried about some business deal; but you'll be RELAXED and CALM by the time you have sung four or five songs. YOU CAN'T SING AND THINK ABOUT BUSINESS! Ask your Doctor!

The Gulbransen-made Player Piano is the IDEAL instrument to accompany home singing, because of its sweet, full tone and its transposing device, which permits you to play any song in seven different keys.

And we will supply you with Song Rolls with THE WORDS PRINTED ON THEM.

Mail the coupon: But it would be quicker to Phone.
