

MAY CHANGE NAME OF TOWN

Citizens of Schleswig Hold Public Meeting Tuesday and Discuss Change in Town Name.

NOW DESIGNATED AS NO. 18

Railroad Gives Number Instead of the Name in New Railway Timetable—Judge Conner Talks.

SCHLESWIG, Aug. 6.—(Special to the Review)—A mass meeting was held here last evening at the moving picture theater, called by Mayor Schultz for the purpose of discussing the advisability of changing the name of the town. The meeting was largely attended, practically every business man in town being present. Judge Conner, of Denison, chairman of the county council of defense, was invited to attend the meeting and advise our citizens of the procedure necessary if the name of the town is to be changed. Residents of Schleswig were greatly surprised when the new Northwestern timetable did not give the name of Schleswig, the station being designated as No. 18. The town of Holstein was given as No. 16. A few of our leading citizens thought it about time that something be done and Mayor Schultz was asked to call a meeting to discuss what action should be taken.

The meeting was called to order by Mayor Schultz, who briefly stated the purpose, explaining that Schleswig was not in the new timetable, the station here being No. 18. He explained that the railroads are now under the control of the government and inasmuch as they had taken this action it was evident that the government did not like the present name of the town. Mayor Schultz expressed himself as in favor of changing the name of the town, believing that it would be for the best interests of all. He briefly told of the fine record made by the citizens of the town and vicinity in all war activities up to date. After expressing his views on the subject he introduced Judge Conner of Denison.

Judge Conner spoke briefly, explaining the action it would be necessary to take if the people of the town decided to change the name of the village. First it would be necessary for the citizens to petition the council, asking that the name of the town be changed. The council then would act on this petition and if favorable they would have to call a special election of the voters to vote on the question. Theo. Rohwer was then called upon and he expressed himself in favor of the change. Mr. Rohwer stated

that every citizen of Schleswig was anxious to do that which they thought best for the welfare of the town and it seemed if the government sees fit to eliminate the name of Schleswig from the timetable it is up to the people of this town to have a name not objectionable to the government. August Schultz spoke briefly, as did Henry Vollertsen and Rev. Wetzel on the proposition. No action was taken at this meeting in regard to changing the name, but it is expected that some action will be taken within the next two weeks.

CITY ACCEPTS FIRE TRUCK

Regular Council Meeting on Monday Evening When Fire Truck Was Accepted—Settle for Grading.

The regular monthly meeting of the city fathers was held on Monday evening at the city hall, at which time considerable business was transacted and the usual grist of bills allowed.

The council settled with W. R. Shipman for the grading done in the north part of the city. His bill for \$3,048 was allowed.

Upon the recommendation of the fire department and the special purchasing committee the new fire truck was accepted and the council instructed the city clerk to issue a warrant to Geo. Newcom, through whom it was purchased, for \$2,825. The local banks, so we are advised, will furnish this money to the city for a term of two years at 5 per cent interest.

Action was taken on the paving of the alleys as advertised. H. B. Fisher, the county engineer, is preparing the plans and specifications for this paving and hopes to have them completed by August 14th. According to the specifications the contractor will have to begin the work September 1st and have it completed by November 1st.

The city council is advertising for bids on 600 feet of water ditch on High street.

Farmers of this locality who have already threshed their small grain report exceptionally good yields. The wheat is running from 20 to 35 bushels per acre and of excellent quality. The intense heat of the past two weeks has damaged the corn somewhat and in some districts farmers estimate the damage as high as 20 per cent. The rain of last evening was most welcome.

Relatives and friends of our boys "over there" when they receive interesting letters should hand them to the Review for publication. Every resident of the Crawford county has a personal pride in the boys from this county who are serving Uncle Sam and are interested in what they are doing. Either bring the letters to the Review office or mail them in for publication. All manuscript will be returned.

COMMERCIAL CLUB ADDS 84 MEMBERS

Meeting of Club Last Friday Poorly Attended, but Important Matters Are Taken Up.

SIoux CITY ROAD DISCUSSED

Club's New Service Flag With Thirty Stars Hung for First Time—84 New Members.

The August business meeting of the Commercial club was held on Friday evening of last week, but the attendance was not large, probably due to the intense heat.

Several important matters came up for consideration, one of the principal ones being the securing of federal aid in improving the route between Denison and Sioux City. The committee was instructed to take the matter up with the board of supervisors and see what can be done in regard to the same.

The club's new service flag, containing more than thirty stars, was hung in the club room Friday for the first time.

George Naev, chairman of the membership committee, surprised the club with a list of 84 names for membership. The club has now a membership of over 400, which is said to be the largest of any town of the same size in the United States. Much of the credit for the large membership is due to Mr. Naev, who never misses an opportunity to secure new members.

Below we print the names of those taken into the club at the Friday evening meeting:

C. D. Fink, Richard Baer, Henry Krauel, August Mesenbrink, J. R. Harvey, C. Hansen, Owen Rumble, Herman Boger, W. J. Porter, Chas. Speck, Peter Spiegel, Thomas Brown, Adolph Evers, William Brown, Zeph Finhold, J. W. Wilkinson, Jas. D. Fleming, Verne Wilkinson, Peter Brodersen, Robert Pautsch, Paul Gary, Harvey Fox, Fred Gary, Herman Boger, Jr., Swan Johnson, Harry Whilshouser, Bennie Glau, George Giblin, Thomas McMinnime, Wm. H. Paulsen, Emil J. Miller, Max Holst, Richard Lilleholm, Henry G. Laas, Henry Adams, Andreas Thomsen, John Rohwer, Thomas Jochimsen, Jacob Rusterholz, Johannes Pruess, Hans Jess, Ed. Norman, Geo. Paris, Thomas Ray, J. P. Heeren, John Bauman, Hugo Jessen, Lee George, V. G. Bostlogh, Orville Olson, Chas. Shives, Enoch Olson, John Mount, Emil Miller, Gustav H. Koenck, Albert D. Winey, Frank Pearson, Geo. Tucker, Albert Schroeder, Claus Biel-feldt, Geo. F. Lochmiller, P. J. Farrelly, Conrad Lingie, John Keating, James Keating, G. H. Lochmiller, Max Kropf, Wm. R. Mullenger, Josiah

Inghram, John B. Henrichsen, Tom Mead, Ed Pump, Ed J. Mahony, Lawrence Servoss, Hugo Schramm, E. L. Fink, Melvin Leahy, M. D. Mahoney, Pat Purcell, Wm. Purcell, Wm. Tucker, Ward J. Tucker, C. H. Bramley and E. F. Grainger.

The meeting of the club was adjourned after the usual grist of bills were allowed.

BEUTEL CLOSING OUT

Well Known Hardware Firm Using Two Pages of Review to Announce Closing Out Sale.

Readers of this paper will be interested in the announcement of the Beutel Hardware company which appears in this issue. This well known hardware company is going out of business and the entire stock of goods is to be disposed of within the next few days. The business is being closed out to dissolve a partnership and Robert Beutel, one of the partners and manager of the concern, inforus us that the stock will be priced to insure its being moved within the next ten days' time.

Mr. Beutel has turned the entire stock over to the Thompson Sales company of Chicago and Des Moines, with instructions to dispose of it regardless of cost. With these instructions Mr. M. H. Latta, the sales manager, has arrived and taken entire charge of the store. The store has been closed the past two days, during which time all of the goods have been marked down to wholesale prices and even less.

Probably never before has such an opportunity presented itself to the people of this community. Everyone appreciates the fact that everything in the hardware line has gone up in price by leaps and bounds since the opening of the war. This sale will give people an opportunity of purchasing hardware at a great saving over the present market prices. The stock is practically new as the company has only been in business for the past two years.

We urge every reader to look over the double page announcement of this sale which will be found in the first section of this week's issue. Many of the bargains are listed there, but more will be found at the store. The sale will commence on Thursday morning and continue until the stock has been disposed of.

C. L. Smith, manager of the Green Bay Lumber yard in Denison, has an interesting article in this issue of the Review dealing with the present cost of building material. Mr. Smith explains the increased cost of building material and believes that high prices will continue for several years after the war ends. The Review believes as Mr. Smith does, that top prices have not been reached.

AUGUST CALLS NOT YET HEAVY

Five Young Men Departed Tuesday for Jefferson Barracks, Mo.—Schleswig Man to New York.

MEN RETURNED FROM GORDON

Twentyfive Crawford County Men Returned From Camp Gordon—Different Causes for Return.

Five young men departed Tuesday afternoon at 3:00 o'clock over the Chicago & North Western for Jefferson Barracks, Mo., where they will receive special training, preparing them for the service.

The names of the young men inducted into the service under this call were:

Wm. Schleuter, Vail. Louis Michael, Manila. Ralph Woodruff, Denison. Mike Kibush, Dow City. Jesse J. Furne, Arion.

Earl Riddle of Denison had been inducted but he was unable to qualify so Furne of Arion went in his place. Monday evening, August 6, Ebert of Schleswig left Denison for Syracuse, New York, under a call for men for special and limited service to do guard duty at the docks and warehouses.

Another Call Received by Board The local board has received another call for men to leave during the five day period beginning Monday, August 26th. This call is for 500 men for the state of Iowa to be sent to Camp Funston, Kansas.

Crawford county's quota has not been fixed by the Adj. General, but undoubtedly it will be less than ten men. Men Returned From Camp Gordon In the neighborhood of twenty-five Crawford county men have been returned from Camp Gordon, Ga., who were unable to pass the strict examination given down there. Most of the men were returned on account of being under or above regulation weight or height.

The local board is unable to account for the fact that so many have been returned but believe the fact that those sent to Camp Gordon are to be sent overseas within the next few weeks has something to do with it. The board is unable to give all of the names of those returned from this camp, owing to the fact that they have not all reported.

Classification Completed. The classification of the men who registered in June has now been completed by the board and considerably over 50 per cent of them are Class 1 men. Work of classification of these men was not completed in time to publish the names with the classification in the papers for this week.

The physical examination of these registrants is now under way and will be completed Thursday of this week. As a result of the recommendation of the legal advisory board, 16 men of deferred classification have been put into Class I.

The legal advisory board went through all the questionnaires and recommended that certain registrants be re-classified. These questionnaires were sent to the district board at Des Moines who investigated every case and made the final decision. The men who were re-classified have been notified by cards.

August Calls Not Heavy. It was reported that the August call in this state would be as heavy as those of July, but from present indications they will fall far below.

OFFICIALS IN AUTO ACCIDENT

Mayor Laub and Marshal Weeks Take Bad Spill Monday Evening When Car Lands in the Ditch.

Mayor W. H. Laub and Marshal A. C. Weeks figured in an automobile accident Monday evening when their car landed in a four foot ditch near the L. D. S. church. Mayor Laub was badly shaken up and sustained several bad bruises. Mr. Weeks was more fortunate, escaping without a single scratch.

The two city officials were out inspecting some city work and Mr. Weeks was driving the car. When near the Latter Day Saints church something happened to the steering gear and the car headed for the water ditch which was some four feet deep. The marshal was unable to get the car under control before they crashed into the ditch.

It was indeed fortunate that they were not both badly injured.

SEVERELY WOUNDED IN BATTLE

Relatives of Corp. Edw. M. Flahive Receive Telegram Monday Evening—No Details Given.

Corp. Edward M. Flahive, of the Rainbow division, was seriously wounded in battle on Monday, July 26th. Denison relatives received a telegram Monday evening from the government to this effect, but no details were given.

Edward Flahive enlisted over a year ago in Company B, 2nd Iowa Infantry at Ida Grove. Last summer just before the National guard was ordered to the border, Flahive was among those selected from his company to be transferred into the Rainbow Division. He was sent to France early last fall.

Recent letters from Flahive were to the effect that he was in the thickest of the fighting and had already seen considerable action. Flahive has a host of friends in the community who are hoping that his wounds are not of a serious nature.

LOUIS MILLER DEAD IN FRANCE

Son of Mr. and Mrs. Saul Miller, of Near Arion, Dies July 27th, of Wounds Received in Action

HE ENLISTED ON SEPT. 22, 1917

Was Member of Co. 10, First Infantry—Trained at Camp Dodge, Camp Merritt and Camp Pike.

DOW CITY, Aug. 6.—Special—

This community was sadly shocked Saturday when news reached here to the effect that Louis Miller, son of Mr. and Mrs. Saul Miller, had met death in France. The message stated that he was wounded in action and taken to a hospital where he passed away on July 27th. He is the first young man from this vicinity to give his life for the country and although his death means a severe blow to his people they feel justly proud of their hero soldier boy who has thus given his all for our country. Louis was born in Paradise township, April 11, 1894, and grew to young manhood in this vicinity. He was called to the colors Sept. 22, 1917, and was stationed at Camp Dodge, being a member of Co. H, 350th Infantry. November 22d he was transferred to Camp Pike, Ark., and later with Co. E, 347th Infantry he was transferred to Camp Merritt, N. J., and from there was taken to France where he was a member of Co. 10 1st Infantry. He was the youngest child of Mr. and Mrs. Saul Miller, who with one brother, Albert, and three sisters, Mrs. Dethlefsen, Mrs. Geo. Igou and Mrs. Carl Blackman, are left to mourn him. The bereaved ones have the most heartfelt sympathy in their dark hour.

FOR D CAR STOLEN TUESDAY

J. T. Houston, Prominent Boyer Farmer, Has Car Stolen in Front of Balle-Brodersen Store.

J. T. Houston, prominent Boyer township farmer had his Ford car stolen Tuesday afternoon from in front of the Balle-Brodersen store where he had it parked while taking in the Ringling Bros. circus.

Houston drove to Denison in the forenoon with his family and about 3 o'clock parked the car in front of the Balle-Brodersen store while they went to the circus. At six thirty after the show was over, he went for his car and found that it was gone. He at once notified the authorities and a careful search was made but no trace of the machine could be found.

Now is the Time to See the New Styles in all Their Beauty You are Specially Invited to Come and see Our Display This Week

Advance Showing of Garments

In Menagh's Ladies' Ready-to-Wear Section

For years Menagh's advance showings have been accepted as guides by the women of Denison, Crawford county and the surrounding counties, (not to mention the better dressed women of Omaha and the adjacent territory) as styles from which to select Coats, Suits and Dresses for the incoming seasons.

Again our Fall and Winter season approaches; the beautiful models in Fall and Winter garments arriving here every day are special inducements for every woman to come and behold the best the entire country affords, right in your largest and busiest store in Crawford county, and at no extra cost.
