

You are Paying for Your Home Why Not Own It?

When a landlord builds a house to rent, he expects that house to pay him dividends and also to pay for itself within ten years. Another ten years passes and the house has been twice paid for. But what does the renter have? A bundle of worthless rent receipts. Are you a renter? Then here is a suggestion for you: build this home. It is within any man's grasp. It is the story-and-a-half type with five rooms and bath and a large front porch. There are a huge living room, a delightful dining room, and a convenient kitchen down-stairs. Up-stairs, two bedrooms, both with large closets, will accommodate a medium-sized family. This is Curtis home design No. 2037 and is finished throughout with Calkins Woodwork. Come in and see us about building this home. We will furnish complete plans without charge and will give you exact information as to the cost of building this home on your lot.

ARION ITEMS Rev. J. M. Williams, of Mapleton, occupied the pulpit at the Congregational church Sunday evening. The sermon was a splendid memorial for Louie Miller whose young life has ended in France, but whose memory will remain with us always, the first of our boys to fall. The Red Cross ladies expect soon to have a fine new flag for our town. Mrs. O. W. Nelson is collecting the money. A letter from Ira Lee tells of his safe arrival in France which he likes, but thinks England a more beautiful country and he hopes to see it again. He says he has everything a soldier could want and would rather be there in hearing of the guns and getting ready to fight the enemy than any other place on earth. Fred Suhr says the same, but where he is the women and children have to do such heavy work and have such a hard time that he asks everyone here to save all the food and clothing that they can and send it to these poor people. A truly patriotic meeting was held at the Congregational church Thursday evening when the True Blue Thrift Stamp society held its meeting. C. F. Kuehnle spoke to a crowded house. Patriotism spoke in every sentence, cheering us on to certain victory, encouraging the fearful, commending the school children for their patriotism, reminding every one that the nation rests upon individual effort and that there can be no slackening and paying a fine tribute to Louie Miller for whom a gold star shines in our service flag. A program of music and recitations was given by the members. Little Russel and Irma Marr gave patriotic and well learned recitations. Pretty duets for violin and piano were given by Misses Dorothy Butler and Marie Marr. Mrs. Evelyn Steinhagen sang a new song and another for an encore. L. C. Butler and Emil Schwarz went to Lincoln City Monday. Mrs. Wm. Marr and daughter, Miss Marie, have gone to Butternut, Minn., to spend the remainder of the summer with Mr. Marr who is installing a signal there. Mr. and Mrs. N. F. Stillson drove to Dunlap Sunday. Butler was a guest at Mrs. Allen's delightful entertainment of the Dow City Priscilla club, at which every member worked for the Red Cross. A card from the Edwards boys to their sister received Tuesday indicates that they have come through a big battle safely. Mrs. Kuehnle, Mrs. E. A. Howard and Mr. and Mrs. E. Gulick drove down from Denison to hear Mr. Kuehnle's speech at the Thrift Stamp meeting Thursday evening.

Roy had been making his home with the Murray Woolsencroft family for the past four years and thus had many friends in Deloit who were grieved to learn of his untimely demise. He was born April 25, 1899, and was just 19 years of age at the time of his death. He was a young man with a promising future and he will be missed by his many friends. His mother arrived on Thursday and on Sunday a brief service was held at the Barther undertaking chapel in Denison, after which the remains were taken to Irwin, Mo., where they were laid to rest. A Red Cross sale will be held in Kiron on Tuesday afternoon, August 20th, the sale to commence at 2:00 o'clock and continue afternoon and evening.
