

GET SUGAR FROM JERRY O'CONNOR

Well Known Denison Man Appointed Food Administrator for County to Fill Vacancy.

APPOINTMENT IS SATISFACTORY Meeting of Military Bureau Held Last Week When Number of Officials Were in Attendance

At a meeting of the military bureau held last week Jerry O'Connor was recommended for the appointment of food administrator for Crawford county to fill the vacancy caused by the resignation of Frank Woolston, who has held the position for the past year. While Mr. O'Connor has not as yet been officially appointed to this office by State Food Administrator Deems, it is expected the appointment will be announced this week.

The appointment of Mr. O'Connor to this responsible office will meet with the approval of merchants and citizens of Crawford county and the Review believes the military bureau could not have named anyone better qualified for the office. Mr. O'Connor has the time to devote to the work and if necessary he will devote eighteen hours a day. He is competent and fair minded and will see that the food regulations are carried out by merchants and citizens without working a hardship on any.

Last week representatives from the state food administrator's office were in Denison and after talking over the situation with merchants and some of our prominent citizens decided to let the local military bureau recommend the appointment of some one to fill this office. The military bureau has already sent in the name of Mr. O'Connor to State Food Administrator J. F. Deems and it is expected that the appointment will be made this week.

The office of county food administrator, like other war activity work, does not carry any salary with it and the actual expenses in connection with the work are paid by the merchants of the county.

B. Brodersen has been acting as temporary county food administrator pending the appointment of some one to fill the vacancy. On Monday of this week Mr. Brodersen distributed to grocers the new sugar cards for October, November and December, which were agreed upon at a meeting of the dealers held last Thursday. The new card is printed in duplicate, a copy of which goes to the county food administrator. It gives the name of the party to whom it is issued, address, number in the family and space is left for date and amount of sugar purchased during the three months. It is the intention that the holder of the

card may secure his sugar at any store besides the one from which the card is issued. Canning sugar cannot be delivered on this card, but all such canning sugar must be recorded on the card. Persons desiring sugar for canning must secure canning sugar certificates as heretofore.

Government Notifies Denison Merchants That Christmas Business Must Be Spread Out.

Denison merchants have been notified by the government that Christmas business must be spread over three months to avoid the usual December congestion of traffic which is so harmful to the interests of the nation that it cannot be permitted.

In order to comply with the government ruling local merchants are already stocking their Christmas merchandise and plan to put it on sale as early as possible to encourage early buying and early mailing of Christmas gifts.

Merchants generally welcome this order of the government for it will help to solve one of the most difficult problems they have to meet—how to distribute the holiday business over a longer period and prevent waste effort and expense. Few cities of the size of Denison have as progressive merchants as we have here and they have anticipated that the demand for holiday goods will come early in the year. Consequently they have already placed their orders for the bulk of their holiday goods and a large percent of it has already been received. By placing their orders early they have been able to get complete lines and customers will not be disappointed in the merchandise offered.

We urge the buying public to co-operate in this movement. Plan to do your Christmas shopping early. Don't wait until December when stocks will be depleted. Remember the government is making this request and expects everyone to co-operate.

Misses Nell Harrington and Nell Hickey, of Vail, were in Denison Monday.

G. L. Caswell left last evening for Marshalltown to be in attendance at the two days' session of the Advertisers Association of Iowa. Mr. Caswell will address the convention on the news print situation and the recent orders curtailing the consumption of print paper.

Mr. and Mrs. C. L. Voss and Loyal and Mrs. E. Gulick spent several days last week at Jefferson, guests at the home of Mr. and Mrs. S. J. Melson. While there they attended the sessions of the Methodist conference. E. Gulick, who spent two weeks at Colfax seeking relief from rheumatism with which he has been suffering for several weeks, accompanied them home Friday evening.

FLAG RAISING AND R. C. SALE

Good People of Boyer Donate \$2500 to Red Cross on Last Saturday Afternoon

FLAG RAISING WAS A FEATURE

E. W. Houston, of Dunlap, Delivers Splendid Oration and Malone Bros. Work Hard As Auctioneers.

BOYER, Sept. 25—(Special to the Review)—The people of Boyer and vicinity held a most successful Red Cross sale here Saturday afternoon, which netted the Red Cross \$2,500. The success of the sale was due to the excellent co-operation given by everyone to this worthy cause. The Denison Commercial band was hand to live on the occasion with patriotic airs and assisted Malone Bros., the auctioneers, to stimulate bidding.

The sale opened at 1 o'clock with a large crowd in attendance. H. B. Hansen, on behalf of the Town Community club, presented a service flag to Boyer containing sixteen stars. John Kovar, cashier of the Boyer Savings bank, responded in behalf of the town and closed his remarks by reading the names of the boys in the service. The names of the boys from this community in the service are: Albert and Hugo Hansen, Levi Anderson, Ernest Kullberg, August Frahm, August Ladwig, Edgar Paulsen, Clarence Cadman, Wm. Hill, Chas. Kunze, Gus Quade, Thos. Darling, John Quade, Algot Taylor, Carl Koch and Leo Camblari.

A flag pole had recently been erected at a street intersection in the business district and a handsome American flag was presented on this occasion and was hoisted amid cheers while the band played patriotic music.

E. W. Houston, of Dunlap, delivered the address of the day. Mr. Houston is an eloquent speaker and his address was enjoyed by everyone. He told of the great work being accomplished by the Red Cross, both at home and abroad, and that it was the duty of every citizen to support it to their utmost.

One of the features of the program was a song sung by four pupils of the Boyer school entitled, "We are going to take the germ out of Germany."

Malone Bros. demonstrated their ability as auctioneers at this sale and the articles contributed at handsome prices.

J. V. Barborka, at the close of the sale, proposed three cheers for the boys of Boyer now in the service and also for the town. This was well responded to.

The ladies of the Red Cross served

refreshments throughout the afternoon, and through their efforts the proceeds were increased \$62.00.

The office of the local board on the third floor of the court house is a busy place these days. Questionnaires have been going out for the past week and the legal advisory board is working overtime helping the new registrants to fill out their questionnaires.

Private Dean Loucks, of Cherokee, arrived in Denison last week and will assist the local board as well as the physicians who make the physical examinations. He is a limited service man and has been assigned to Crawford county by the war department from Camp Dodge. The war department is furnishing a limited service man to every exemption board in the country in order to facilitate the immense amount of work connected with these offices.

A call was received last week from the adjutant general's office at Des Moines for 32 men from this county to leave during a five day period commencing Monday, October 7th, for Camp Dodge. Up to the time of going to press the local board had not completed the list of names of the men who will make up this quota.

On Thursday October 3d, three limited service men from this county will go to Jefferson Barracks, Mo. Raymond Streeter, Deloit; George E. Abbott, West Side, and Hugh E. Hoy, Vail, are the men who will be called. They will leave Denison over the Northwestern at 3:13 o'clock in the afternoon of October 3d.

They are expected home soon for a short furlough and their friends here have in mind to give them a fine time.

W. R. SCHLIE KILLED IN ACTION

Son of Mrs. Dora Kruger Killed in France July 19th—Mother Receives Word from Adj. General

MEMBER OF RAINBOW DIVISION

Young Man Was Born in Hanover Township, Crawford County, in 1893—Lived There 18 Years

Another Crawford county boy has made the supreme sacrifice in the great world war. Mrs. Dora Kruger, who lives in East Denison, received a telegram last Thursday from the war department at Washington stating that her son, Private Willie Robert Schlie, was killed in action July 19th. The telegram received is as follows: "Washington, D. C., Sept. 19, 1918.

"Mrs. Dora Kruger, Denison, Iowa. "Deeply regret to inform you that Private Willie Robert Schlie, infantry, is officially reported killed in action July 19th."

"Harris," "Acting Adjutant General."

Willie Schlie was twenty-five years of age and enlisted in Co. B, 24 Iowa infantry last year and received his first military training at Ida Grove. He was one of the men selected from Co. B to be transferred to the Rainbow division and was sent to Des Moines where he was encamped until after the state fair and went from there to France. The last letter received by Mrs. Kruger from her son was written July 7th, just twelve days before he was killed in action. In this letter he wrote he was in the best of health. He wrote of the good treatment he was receiving in the army and described the country where he was encamped.

The young man was born in Hanover township, Dec. 23, 1893, and resided there for about 18 years. For five years he worked on a farm in Ida county and at the outbreak of the war enlisted in Co. B. Besides his mother and stepfather, he leaves to mourn his death the following brothers and sisters: Henry Schlie, of Kenwood; August Schlie, Ricketts; Bernhard F. Schlie, Ida county; John Schlie, of near Denison; Hans Jones, residing in South Dakota; Mrs. Augusta Kluber, Hanover township; Mrs. Bertha Kluber, living south of Denison; Mrs. Reinhold Kruger, residing near Charter Oak, and a half-brother, Walter Kruger, of Denison.

Willie Schlie was an industrious young man of good character, who held the respect and esteem of all. He was 100 per cent American and when the government called for volunteers at the outbreak of the war

he enlisted among the first. He was a good soldier, always obeying orders, willing at all times to perform the duties assigned to him and undoubtedly gave a good account of himself in the action where he made the supreme sacrifice.

The Review joins with the many friends of the bereaved family in extending heartfelt sympathy.

MRS. VANDERWALL INJURED

Automobile in Which Mrs. Fred Vanderwall Was Riding Turns Turtle Near Town of West Side.

Mrs. Fred Vanderwall, who resides near Deloit, was seriously injured in an automobile accident three and a half miles west of West Side Saturday afternoon. She received an ugly gash on the throat which was so deep that it exposed the windpipe and required some thirty stitches to close. Mrs. Vanderwall was taken to a farm home nearby and physicians summoned to administer to her. While Mrs. Vanderwall's condition shows some improvement she has not sufficiently recovered to permit her returning home.

Mr. and Mrs. Vanderwall and little babe and Wilbur were driving to Pelia to attend the funeral of Mrs. Vanderwall's mother. Wilbur was driving the car and this side of West Side a dog ran out at the car. Wilbur attempted to miss the dog but the front wheel struck it and in an instant the light machine turned turtle. Wilbur crawled out of the wreck and discovered that both his father and mother were pinned under the machine. He managed to lift the machine up enough to extricate them. Mr. Vanderwall was badly bruised and the babe escaped without a scratch. Wilbur received a bad cut on the arm. It was indeed fortunate that none of them were killed.

T. V. Walker is able to be up and around after an operation which he underwent last week at the Denison hospital.

E. J. Miller, accompanied by Wilbur F. Vanderwall, of Deloit, spent several days last week up in the vicinity of Austin, Minn., looking over some good land bargains. Wilbur purchased a 120 acre tract of land located six miles from Austin for a consideration of \$135 an acre and is to take possession of same March 1st. They report a very fine crop of corn as well as all grains.

From present indications the high school will have an excellent football team in the field this fall. Plenty of maveria is available and the boys are now engaged in practice work and working out for the different positions on the team. Dan Voss is coaching the team this fall and the boys are more than pleased with his work. Dan played on the Freeport, Ill., high school team and later played on the varsity team at Champaign, Ill.
