

Denison Locals

Mrs. Thos. Lister is reported on the sick list this week.

Gus Elise, of Schleswig, was a brief business caller here Tuesday.

Mr. and Mrs. Henry Iwen were among the shoppers here Saturday from Schleswig.

Mrs. Carl Grunzke returned home Saturday from a two weeks' visit with relatives in Omaha.

E. J. Mahoney, of the Denison Tire company, spent Sunday with relatives and friends in Omaha.

T. V. Walker is confined to his home this week suffering with an attack of the influenza.

E. S. Miles, prominent farmer living near Dunlap, was in Denison Saturday transacting business.

Mrs. Arthur Banyard and children, of Dow City, spent Sunday here visiting at the Jess Coburn home.

Ed Sierer, who has been sick for the past two weeks, is now at the Denison hospital taking treatment.

Mr. and Mrs. Jacob Jensen and daughter, Della, were down from Schleswig Saturday visiting friends.

Mrs. Louie Reimers, of Schleswig, was a week end visitor at the home of her parents, Mr. and Mrs. Peter Paulsen.

Mrs. Hugo Gebert was a passenger to Dow City Saturday, where she was a guest of Mrs. E. N. Chamberlain, who was hostess to the Priscilla club that afternoon.

Mrs. Wm. Cross, of Dow City, underwent an operation here Monday at the Denison hospital. At last reports she was making good recovery.

The Wm. Mullenger family are now nicely located in their home in North Denison. They purchased the Wilbur Brandenburg property located north of the north brick school.

Fred Fitzsimmons' sale of pure bred Chester White sows held at Val Saturday was well attended. The offering, which was mostly made up of spring gilts, averaged \$56.30 per head.

E. L. Chynpion sold his 20 acre tract of land located in the College addition last week to John Smith, of Dow City, for a consideration of \$15,000. Mr. Champion will purchase property in Denison.

We are requested to announce that with the beginning of the new semester in the public schools, Monday January 20th, a new class will be started in the kindergarten, which will meet in the afternoon.

James Tranter, of Armour, S. D., is spending the week here visiting his daughter, Mrs. B. W. Cruise, and family, and calling on old time friends.

Mr. Tranter came to attend the funeral of Horatio Wingrove of Arion, who is a relative.

The pupils of the west brick school will give a program at the gymnasium on Friday afternoon at 2:30 o'clock. All parents and friends are cordially invited to attend. A small admission fee will be charged, the proceeds to be used toward the support of a French war orphan.

The county agent is now occupying quarters on the second floor of the court house, having moved from the room on the third floor today. His new quarters were vacated the first of the week by the Red Cross who have used the room for the past year for making surgical dressings.

Geo. Naeve reports the sale of the W. A. Antrim farm of 80 acres adjoining the town of Charter Oak, which was sold yesterday to John Ahart, of Dow City, for a consideration of \$200 per acre. Mr. Ahart purchased the Antrim farm in Paradise township the fore part of the week.

Geo. Naeve received a letter yesterday from his wife, who is spending the winter in California with her daughter, Mrs. M. P. Renfro, stating that the weather there is anything but pleasant. Last week real winter weather was experienced there, ice freezing three inches thick on the lawns in the parks.

The local W. C. T. U. were prompt in calling for a jubilee when Iowa ratified the prohibitory amendment. On January 16th at the very hour when the last of the required thirty-six states was voted in, our women were holding their meeting for rejoicing.

An electric bonfire was built in the W. C. T. U. parlor and around its ruddy glow they sang rally songs, read Psalms of rejoicing and told of their joy. A congratulatory telegram was sent to the state president, Mrs. Ida B. Wise Smith.

C. L. Ducander is using considerable space in this issue of the Review to announce a big clearance sale which opens tomorrow and will continue for ten days. Mr. Ducander is overstocked, having bought heavily last fall on account of the threatening decrease in man power which led him to believe there would be a shortage in clothing. The war's end changed this and now he is making special inducements to move his stock. Read his announcement on page four of the first section where he lists a few of the many real bargains he is offering at this sale.

A number of the high school boys have organized a "Social Club" and have rented quarters in the J. W. Miller, Jr. building over the Willard service station, which they are fitting up with furniture. The officers of the club are Edward Hagedorn, president; Frank Jensen, vice president; Lewis Romans, secretary, and LaVerne Romans, treasurer. Other members of the club are John Cushman, Richard Trager, Fritz Hoffert, Leslie Rollins, Walter Weiss, Earl Lorenzen, Theodore Haxley, Orvil Olsen, Vernon Dixon, Floyd Buckley and Orion Stock.

The high school basketball team defeated the fast Carroll team at a lively contest held Friday evening in the gymnasium by a score of 38 to 11. The Carroll team outweighed the locals considerably, but they lacked speed and team work and proved easy prey for the locals. Denison's team is composed of new men with the exception of one player and they certainly showed up well against the seasoned players from Carroll. The lineup of the Denison team was as follows: J. Saggau and Frank Jensen, forwards; Hagedorn, center; Boslough and Flihn guards; Rank and Rollins, substitutes. On Friday evening of this week they play Missouri Valley at the local gymnasium.
