## OUR ANNUAL JULY

# CLEARANCE

THIS GREAT CLEARANCE SALE STARTS

## Saturday Morning, July 12th.

### And Continues Throughout the Month

**R**IGHT in the face of advancing markets we are going to give the people of this community a chance to purchase shoes at a saving that will convince the most skeptical that this, the Twenty-sixth annual July clearance sale of the Boys' store, is a real sale. With the rising cost of leather a saving in shoes of dependable quality is something of more than ordinary importance and at the special prices we are making we know the general public will take advantage of the wonderful offering.

Our stock of men's, women's and children's shoes is the largest in Crawford county, but in order to make room for the fall lines we are offering this stock at prices which will insure their moving. In marking the stock for this sale profit was not even considered, but it is priced to insure its moving. To you who are looking for first class merchandise at a saving we say—don't fail to visit our shoe department during the month of July. The bargains offered here will surprise you. A full line of sizes—with but few broken lines—and every pair fitted by an experienced shoe salesman. Read a few of the many exceptionally good values we offer and plan to attend the sale early.

Fly time is now at its height and Mr. Beutel has a number of screen remnants that may be purchased for just one-half price. Wire netting has greatly increased in price within the past two weeks and anyone having a porch or window to screen will save money by purchasing from this remnant stock.

The fact is we have sold close to the limit of our wholesale orders and may not be able to supply the demand. However, Mr. Beutel says he is willing to join in the July Clearance and make special prices on these stoves for a few days only.

## Grocery Department Specials

Our Grocery department is one of the largest carried by any department store or exclusive grocery store in this part of Iowa. We have gained a reputation for this department by carrying nothing but standard lines. Our Batavia brand is one of the strongest of these lines and this brand is to be found in almost every home.

For our July Clearance sale we have been asked to make some special prices. This does not mean placing before the public an inferior brand of goods in order to make a price but the goods are selected from our regular stock and the prices made to compare with other prices of the July Clearance sale. We are pleased to quote the following prices and will even make better prices for quantity orders. Many of our customers are ordering in case lots nowadays and thereby making a saving.
