GIRL KILLED IN AUTO ACCIDENT

Ether Tollgren, Aged 10 Years, Instantly Killed When Auto With Child Driving Turns Turtle

ACCIDENT HAPPENS NEAR KIRON
All the Children More or Less Injured—Were Playing in Car When Child Decided to Go Riding

KIRON, July 9.—(Special to the Review)—Six little children of this place figured in a terrible automobile accident one mile north of Kiron on Monday evening, which resulted in the death of Ether Tollgren, 10 years old, daughter of Mrs. Alfred Tollgren, a widow woman residing here, and the other five occupants of the car being more or less injured.

According to particulars available the little folks were playing in a machine and managed to get some one to crank the car. One of the little girls decided to take her friends for a ride and knowing something of the operation of the car started it up. After leaving Kiron it is thought she lost control of the machine which must have been going at a very fast rate of speed, and it turned turtle. All of the children were thrown clear of the car with the exception of Ether Tollgren who was pinned underneath and probably was killed instantly as her body was lifeless when assistance came and lifted the car from her body.

All of the children in the car were injured. One little boy sustained a serious cut on his leg. Others were bruised and cut.

The obituary of Ether Tollgren will be printed in the Review next week.

James Keefe, of the M. L. Flinn Paving company, the concern having the paving contract in Denison, was in the city Monday and Tuesday. Mr. Keefe says his firm has saved more money the past two years than at any time during the history of the firm, for the reason that in bidding on new contracts they were so high in price that the firm lost the job. He says many bonding companies are completing jobs of paving for contractors who went bankrupt during the past two years. Contractors who expected labor at 35 and 40 cents per hour have been paying 60 cents, and in getting material, there hasn't been any to get. "The man who has a gravel pit that is anywhere near railway facilities has a proposition better than a first national bank," says Mr. Keefe. Speaking of the proposed paving in Denison Mr. Keefe recommends that the contract be let late this fall in order that the contractor may get and pile up his material during the winter months.

CLOTHING STORE BURGLARIZED

Haugh & Brummer Store Entered on Friday Night and the Cash Drawer Robbed of \$10.00

Burglars entered the clothing store of Haugh & Brummer on West Broadway Friday night and rifled the cash drawer of some \$10 in currency and small change. They were not interfered with while making the haul and left no clue by which the officers will be able to apprehend them.

Entrance to the store was gained through a south window some 12 feet above the ground. They first broke into the Gus Koch plumbing establishment in the basement and there found the tools necessary to enter the store from the back and laid on the counter a pile of empty soda water cases served as a ladder to reach the south window and the glass was broken just below the lock and the window easily raised.

Nothing was taken but the cash from the cash drawer under the counter and two leather straps from a suit case. A shirt box was taken from a shelf and several shirts strewn on the counter and a rain coat was taken from the rack and laid on the counter, but evidently the burglars were not able to find the right sizes.

Officers are of the opinion that the job was done by local talent. Night Officer Muir made his rounds as usual on that night, but did not know of the affair until the next forenoon.

Mrs. E. W. Pierce departed Thursday for Faulkton, S. D., where she will make a several weeks visit at the home of her son, Dr. Foster Pierce. Mr. Pierce expects to go to Faulkton some time this month.

The members of the W. C. T. U. held their annual memorial exercises for departed members on Tuesday evening of this week. A large number of members of the union met at McKim hall at 7 o'clock and went via of autos to Oakland cemetery where the beautiful and impressive memorial ceremony was conducted by Mrs. Jacob Sims. Miss Leslie Marshall was in charge of the decorating of the graves, the many lovely flowers having been secured by the flower mission committee. The names of the departed members for whom this service was held are as follows: Mesdames N. L. Hunt, Hattie Bond, J. Fred Meyers, Shillington, Jones, Miles, Greene, McKim, Mary McHenry, H. C. Lamb, Edith Gable, Lydia Lamb, Crippen, Frances Barber, Lina Plimpton, Chas. Bullock, Louis Romans, Haakins, Mary Romans, Emma Bond, Joy King, Eunice Wheeler, Toby, M. J. Baker and Morphy. The graves of the following members of the Children's Loyal Temperance legion were also covered with beautiful flowers: Ethel Saul, Evelyn Aylesworth, Doris Jensen, Doris Baker and Frederick Louis Meyers.

HOME BREWING IS ILLEGAL

Attorney General Havner Declares the Manufacturing of Beer for Private Consumption Must Stop

CANNOT STOP SELLING HOPS
Attorney General Says Cannot Stop the Sale of Ingredients Because They Are Non-Alcoholic

Many Denison homes may be affected if the attorney general carries out his latest opinion in regard to the manufacture of beer at home. His opinion is rendered in connection with a number of citations of the law. Havner says the law regarding making of beer at home is specific. "Persons who prepare beer or intoxicating liquor for home consumption are just as guilty as though they manufactured it for sale," the attorney general says.

"That is one question where there need be no hesitation. The law is definite and the manufacture of beer at home is a violation of the law. No special campaign will be launched at this time, except as agents of the office may encounter them in their regular work."

One peculiar feature of the home brew situation in Denison is that although persons who manufacture the beer can be punished by law, persons who sell the ingredients cannot be arrested. This is accounted for by the fact that the ingredients sold by the dealers do not contain alcohol. Alcohol and the "kick" in the beer are furnished by a lavish use of sugar and fermentation.

Mr. and Mrs. Frank Crawford and children returned to their home at Sioux City on Saturday after a few days' visit at the home of Mrs. Crawford's mother, Mrs. Sophia Nordholm.

Albert Nielsen, son of Mr. and Mrs. Thos. Nielsen, returned home last week after two years spent in the service. Albert enlisted in Co. B 2d Iowa Infantry and was among the Denison boys who went to Ida Grove for their first training. He was among those selected from Co. B to go into the Rainbow division, but while in England he contracted the pneumonia and spent several months in a hospital. He did not rejoin his company, but was transferred to the sanitary department and later drove an ambulance carrying the wounded back from the fighting lines to the hospitals. Albert had some exciting experiences during the time he drove the ambulance and was in the thick of the fighting. He received his discharge last week at Camp Dodge.

Mrs. Phillip Farrelly passed away Saturday evening, July 5th, at the family home in Denison, following an illness of three years' duration; at the age of 48 years. Mrs. Farrelly was afflicted with an internal tumor and submitted to two operations which gave her but temporary relief. During her long illness she consulted with several specialists and everything possible was done to stay off the grim reaper, but all to no avail.

Mary O'Holloran was born in the county of Clare, Ireland, coming to this country when a young woman. She was united in marriage to Phillip Farrelly who, with five children, are left to mourn her death. The children are Mrs. M. Laughran, of Mankato, Phillip, Jr., Beatrice, Josephine and Evaline.

Mrs. Farrelly was a devoted wife and mother and her memory will dwell with them as a lasting benediction.

The funeral services, held at the St. Rose of Lima church on Tuesday morning at 9:30 o'clock, were largely attended, many relatives and friends from a distance being here to pay their respects to the memory of this good woman. Rev. P. F. Farrelly, of Emmetsburg, was the celebrant of the solemn high mass. Father Hart, of Vail, deacon, and Father Murphy, of Vail, subdeacon. Father M. J. Farrelly was the master of ceremonies.

Many Crawford county people will remember Wm. Shives, a brother of Chas. Shives, of Denison. Wm. Shives has lived at Salisbury, Mo., for a number of years, but has visited Denison and Crawford county many times since his removal to Missouri. All will read with deep regret of the death of a son, Barney L. Shives, who died Saturday morning, June 14th. A clipping from the Salisbury (Mo.) Press Spectator containing his obituary has just reached here and we reprint the item below:

Saturday morning, June 14th, the sad news came to us of the death of Barney L. Shives, son of Mr. and Mrs. Wm. Shives, of Clifton Hill, after a lingering illness of several months. He died at the home of Mr. and Mrs. J. H. Ehrhardt of southeast of town, where the most tender care and attention to every wish was given him.

Barney Shives was born near Vail, Crawford county, Iowa, Dec. 26, 1885, being at the time of his death 33 years, 5 months and 8 days old. He came to Salisbury fifteen years ago with his parents and was married to Miss Daisy Ehrhardt Dec. 23, 1909, who now survives him. This is the second time the "Grim Reaper" has entered this home within two months, his sister, Grace Marie, preceded him April 6th.

He also leaves a host of sorrowing friends, who knew and loved him for his most kind and cheering nature. He was most highly esteemed by all who knew him. A short time before his departure from this earthly life he told his beloved wife and companion that he was ready to go, also, of the faith he had in Jesus and was cheerful until he fell asleep. Rev. P. F. Sears conducted the funeral at Pleasant Woods Sunday afternoon at 3 o'clock, where his hosts of friends had gathered to pay their last respects to their departed friend. The
