

BOOST PIERCE FOR CANDIDATE

Methodist Church of Denison Backing E. W. Pierce for Delegate to the Quadrennial Conference

PROMINENT WORKER IN CHURCH
Man of Fine Christian Character and Held in Highest Esteem by the Entire Community

The Methodist church of Denison is enthusiastically backing up the candidacy of E. W. Pierce for delegate to the quadrennial conference of the church to be held next summer at Des Moines, Iowa.

And when we say the Methodist church it practically includes everybody in Denison because we are certain that everyone would be delighted to have Mr. Pierce chosen as a delegate to this great meeting.

Mr. Pierce has been a prominent worker in the Methodist church for many years and has held responsible positions in the Sunday school and other church work, and is therefore well qualified to discharge the duties of the position which his friends are urging upon him.

We understand that prominent members of the church in the southern part of the district are coming to his aid and that there is a strong sentiment developing in his favor.

We sincerely hope that Mr. Pierce will be selected to fill this position, not only because of the honor it carries, but because of his peculiar fitness for representing the church in the work of a delegate.

The quarterly conference held at Denison on August 18th, unanimously adopted the following resolutions favoring the selection of Mr. Pierce as a delegate:

The coming session of the general conference of the Methodist Episcopal church will be confronted with very grave and important questions. The selection of delegates to the same is a work of paramount importance. Therefore, being mindful of the responsibility that rests upon us, we, the members of the quarterly conference of the First Methodist Episcopal church of Denison, present the name of Mr. E. W. Pierce for membership in the general conference. We know him to be a man thoroughly qualified for this responsible position.

He is of the finest christian character, being held in the highest esteem by the church and the entire community. He has always been loyal to the church, faithful in attendance at the public worship and the midweek prayer service. As superintendent of the Sunday school, as official member, and as a minute man in the recent centenary campaign, he has proven himself a most effective worker.

Besides, he is a man of excellent judgment, capable of rendering conspicuous service in the deliberations of the quadrennial conference.

We therefore present his name to the electoral conference to be held in Des Moines Sept. 19, 1919, and urge his election, pledging to him our loyal support.

By unanimous action of the fourth quarterly conference held at Denison, Aug. 18, 1919.

W. H. Cable, President.
O. M. Criswell, Secretary.

SHERIFF'S OFFICE KEPT BUSY

Sheriff Greene and Deputy Johnson Have Busy Week Dunning Down Offenders of the Law

Sheriff Greene and Deputy Johnson have had a busy week running down criminals. Sunday night they were called to Dow City and there arrested Carl Blackman and Patrick Collins on a charge of illegally transporting liquor. These men were tried before Justice E. T. Cochran on Monday and each fined \$50.00 and costs, which they paid.

On the way to Dow City Sunday night they drove into Arion just in time to assist the local officers of that place to arrest four men for gambling. These men were tried before Mayor L. C. Butler and were fined.

Monday night Sheriff Greene was called to Manning where he arrested Alfred Meyers and Fred Fritz, who are charged with breaking and entering the home of Mr. Snow, a prominent farmer of Iowa, township. They were brought to Denison and waited preliminary hearing to await the action of the grand jury which meets next month.

Remember date and place, August 30th, at house.

Mrs. SCRIVER

Malorie Bros., Aucrs.

Society Events

Prof. and Mrs. W. Nagel have been honored guests at a number of delightful entertainments during the past week. Denison friends of this estimable family are sorry indeed that they are leaving our city and the best of wishes for a prosperous and happy future in their new location attend their departure. On Sunday Mr. and Mrs. Theo. Benecke entertained at a six o'clock dinner in honor of Mr. and Mrs. Nagel and daughter, Louise and Mrs. Nagel and daughter were guests of Mrs. Wm. Brandt at dinner on Thursday. On Monday evening, they were entertained at the home of Mr. and Mrs. A. C. Lorenzen and at the close of the evening, Mr. and Mrs. Nagel were presented with a beautiful silver cake plate, the gift of the guests present. Mr. H. C. Finneran was spokesman for the donors of the gift, and Mr. Nagel responded with a few words of appreciation. On Tuesday evening, Mr. and Mrs. C. H. Berndt entertained at six o'clock dinner in their honor and upon their return home, they were much surprised and pleased to find the members of the Lutheran choir assembled. Every one had brought a well filled basket of good things to eat and a jolly evening was spent with music and games. They were guests of Mr. and Mrs. H. C. Finneran at dinner on Wednesday evening and at a farewell gathering of friends at the Finneran home on Friday evening. Miss Amelia Benecke, of St. Paul, Minn., was an out of town guest present on a number of these occasions.

Mrs. D. Lehfeldt was hostess on last Friday afternoon to the members of F. H. club when a good number were present. With sewing and visiting the time passed quickly and late in the afternoon a most delicious three course supper was served.

The members of the Epworth League had an indoor picnic in the church dining room Tuesday evening and it was indeed a great success. Following the excellent picnic supper games of various sort furnished considerable amusement throughout the evening.

Mrs. Fred Kadock entertained the members of the Priscilla club at the usual bimonthly meeting. Last year the members of this club devoted their entire time to knitting for the Red Cross, but in these times personal handiwork occupies the time during the pleasant afternoons. After a social time spent in visiting and sewing the hostess served a most delicious three course supper at a table which was prettily arranged with dainty appointments and garden flowers.

Mrs. P. T. Flinn entertained a number of the young high school crowd at a supper-dance on Monday evening in honor of Miss Margaret Marie and Mary Goodfellow, of Jackson, Neb., Miss Josephine Tate, of Manilla, and Misses Anna and Mary Mooney of Sioux City. After an unusually fine evening spent in dancing Mrs. Flinn served a most tempting supper. All those present report a fine time.

Mrs. Alfred Wright will entertain twelve guests at one o'clock luncheon on Friday complimentary to Miss Marguerite Haugh, whose marriage will take place in the near future.

The KITCHEN CABINET

Thou mayest not rest in any lovely thing,
Thou who wert formed to seek and to aspire;
For no fulfillment of thy dreams can bring
The answer to thy measureless desire.
The beauty of the round green world is not
Of the world's essence; far within the sky
The tints which make this bubble bright are wrought;
The bubble bursts; the light can never die.
—Lucy Larcom.

HERE'S A RAISIN.

Until the shortage of sugar, we never realized the wealth of sweetness stored in some of our dried fruits, and never considered them in regard to their sugar value. As raisins are three-fourths sugar, why not take advantage of that when using them in various dishes? The saving of sugar is not so vital now, but we still need to use economy so that foreign nations may have a share. A handful of raisins added to almost any fruit salad adds to its flavor and richness.

For a toothache one of the pleasant remedies is a split raisin, sprinkled with a few grains of cayenne; press the pieces together and place the raisin on the gum nearest the tooth. A hot raisin is said to cure earache.

Apples Stuffed With Raisins.—Wash, core and remove the pulp from a dozen smooth, firm apples. Put through the meat chopper two cupfuls of the apple removed, and two cupfuls of seeded raisins; add one tablespoonful of lemon juice. Stuff the apples with this mixture and place them in a greased baking pan. In a sauce pan put a cupful each of water and corn sirup, add a tablespoonful of butter and boil for five minutes. Pour this sauce over the apples and bake until they are tender. Serve either hot or cold.

Raisin Pancakes.—Beat the yolks of three eggs, add two cupfuls of milk (sour), two tablespoonfuls of melted fat, three cupfuls of flour, a teaspoonful of salt and one teaspoonful of soda. Beat well, then add one cupful of seedless raisins and fold in the stiffly beaten whites. Cook on a hot griddle and serve with maple sirup or honey.

A few chopped and steamed raisins added to ordinary boiled frosting makes a very good cake filling. Nuts will make a still richer filling, if a few are added, finely chopped.

BROTHER DIES

H. A. McConnaughey, Brother of Dr. McConnaughey, Dies at Youngstown, O., After Brief Illness

Dr. R. O. McConnaughey returned to Denison last Thursday from Benzonia, Mich., where he attended the funeral of his brother, H. A. McConnaughey, who passed away at Youngstown, O., after an illness of a week's duration. The news of the death of Mr. McConnaughey came as a great shock to Dr. McConnaughey and the many friends here in Denison. He was taken sick with an obstruction of the bowels and an operation was resorted to, but he passed away soon after this was performed on Wednesday, August 6th.

The deceased was a native of Iowa, being born at Washington on Jan. 21, 1882. He received his education at the academy at that place, after which he went to Oberlin, O., where he graduated from the college at that place, about twelve years ago. Before graduating he had decided to devote his life to christian work and decided that it would be through the agency of the Y. M. C. A. that he could perform the most good. After graduating from Oberlin in company with Dr. Steiner, of Grinnell college, and a party of young men, he went to Europe, where he spent a year and a half visiting the old countries, making the tour on a bicycle, where the home life of the foreigners was studied with a view of learning just how to care for immigrants from these countries when they came to our shores. On his return from abroad he at once engaged in Y. M. C. A. work and for four years served as industrial secretary at Pittsburg. When the war broke out he went to Russia and for a year and a half served in the prison camps in that country. Last year he lectured on the chautauqua platform for the Redpath Vawter company and at the close of the season returned to Pittsburg to resume the work of industrial secretary. This spring Mr. McConnaughey went to Youngstown as industrial secretary of the Y. M. C. A. and in that city of a hundred and fifty thousand population of which seventy-five thousand are foreigners he carried on his great work.

He leaves to mourn his death a wife and three children, his mother, Mrs. Lucretia McConnaughey, of Benzonia, Mich., one sister, Miss Grace McConnaughey, a missionary in China, and one brother, Dr. R. O. McConnaughey, of Denison.

Mr. McConnaughey visited Denison on several occasions since his brother, Dr. McConnaughey, located here and has many acquaintances here. In January, 1918, he delivered a lecture at the opera house on his experiences in the prison camps of Russia in the interests of the Y. M. C. A. drive. Last summer he appeared at the chautauqua in Denison and lectured during the morning hour. He was a young man of exemplary character who was doing an immense amount of good in his chosen work.

First Aero Mail Service.

The first regular aero mail service in the world was started by the United States government, May 15, 1918, between New York and Washington. The actual flying time made was three hours and twenty minutes, including six minutes' stop for relaying at Philadelphia. At that time the fastest railroad train record between the two cities was five hours. The airship time has since been reduced to two hours and thirty minutes.

MISS INA FOSTER INJURED

Girl Takes Ride With Stranger and is Forced to Leap From the Car on Coon Grove Road

Miss Ina Foster, who works at the John Barber home south of town on the Manila road, was badly bruised last evening when she jumped from an automobile running at a high rate of speed out on the Coon Grove road. While her injuries are not of a serious nature it will probably be several days before she can be up and about.

It seems that Miss Foster came to Denison yesterday afternoon to do some shopping and started to walk back to the John Barber farm a little after 6 o'clock. When passing the Lincoln Highway garage a young man sitting in a Ford car invited her to ride and she refused his invitation and went on down the street. The young man started his car and farther down the street insisted that she ride with him, inasmuch as he was going by the Barber farm. She reluctantly got into the car with the young man who was a stranger to her, and he at once speeded up his machine and started out south of town on the Coon Grove road. She remonstrated with him because he was not taking the right road to the Barber farm and entreated him to stop and let her out. Miss Foster asked him three times to permit her to get out but he only put on more speed. At Coon Grove the fellow attempted to put his arms around her and becoming frightened she jumped from the car while it was traveling at a high rate of speed. The young man did not stop to assist her and she was found by some gypsies who happened along and they took her to the Murdock house and Sheriff Greene is working on the case today and hopes to apprehend the young fellow.

The Review is requested to announce that the annual tent meeting of the Harrison County Holiness association will be held in the park at Woodbine, August 29th to September 7th. Rev. Joseph Owen, of Boaz, Ala., has been secured as evangelist and Miss Marie Danielson, of Fremont, Neb., as leader of the song. The business meeting of the association will be held on Friday, September 5th, at 4 o'clock in the afternoon. Several Denison people will attend the meeting.

NEW TRUCK FOR CRAWFORD

Crawford County Has Received New Two Ton Denby Truck From the U. S. Government

Crawford county is now the owner of a United States army truck which has been given the county by the government to assist with the road work. County Engineer W. E. Fishel went down to Camp Dodge Monday and signed up for the truck, driving it back to Denison on Tuesday. The truck awarded to Crawford county is a Denby of two ton capacity and is equipped with a cargo body. A standard Continental engine furnishes

the power for the big truck which is mounted on hard rubber tires. The truck probably cost the government in the neighborhood of \$3,000, and was used to haul material at Camp Dodge.

Mr. Fishel has not decided yet just what use the county will put the truck to, but it is likely that it will be used for road patrol work. He states that the government is allotting all of their

truck equipment to the various states to be turned over to the counties for road work. Mr. Fishel states that before the government gets through making these allotments Crawford county will receive two or three more trucks and possibly some road building machinery. He is in hopes that the next truck awarded this county will be of the quad type which delivers power to all four wheels.

The Lumber Situation

Quoting from statement of Charles L. Pack, president of the American Forestry association, "as far as lumber prices are concerned they are nothing to what they will be in the next few years, due to a lack of definite forestry policy in this country. The lumber industry is affected by the sale of almost every article of commerce from newspapers to homes, and from berry boxes to farm buildings." Mr. Pack points out, "We have reached the 'peak' of lumber production in this country, and in a few years with the ruthlessness in the destruction of our trees we will be hard put to meet any kind of a lumber producing program."

Summary of report issued by S. W. Strauss & Co., dealers in construction and other bonds and investments. The report is national in its scope and declares that the longer one delays building the higher will be the cost.

THE SUMMARY: Continued upward tendency in all labor costs.

Demand of laborers for shorter working hours. Shortage of unskilled labor due to restricted immigration and increased emigration.

Unprecedented shortage of all types of buildings.

Vast amount of public works needed by federal government and various state and municipalities.

Restricted output of building materials owing to labor troubles and transportation limitations.

Continued upward trend in the prices of all commodities.

Tendency toward better living conditions of the masses of the people.

With the present shortage of houses, it is not likely that conditions of normalcy can be restored for several years.

Build Now and

PLACE YOUR ORDER NOW while we have the stock to supply your needs is our best advice to you.

The Coal Situation

Shipments of coal are moving very slowly now and with the impending strike among railroad employees it behooves the consumer to place his coal order as soon as possible. We are making deliveries of coal direct from the cars as shipments arrive. We are making delivery of orders in the order that same are placed with us, first come first served.
