Commencing Sunday, December 7th, the post office at Buck Grove will not be open at all on Sunday. There is no letter mail on that day and the Sunday papers never get here until Monday, so it is considered unnecessary to waste fuel heating up a 20x30 room to accommodate the public just for one hour.

This is per letter from the first assistant postmaster general, dated at Washington November 25th, to the postmaster at Buck Grove.

The dance in the hall Friday night was well attended notwithstanding the inclemency of the weather. It is understood that all who attended these social affairs should bring something to eat so as to help out with the lunch.

Dr. Bonney was born in Iowa and grew to manhood in Buck Grove. He is the son of Dr. and Mrs. A. F. Bonney, who are naturally very proud of his success and Tom has a host of friends in this vicinity who will be pleased to hear of his advancement.

Owing to the big snow storm, Rev. Father Schlier was unable to come to Buck Grove for mass on Sunday, so there were no services at St. Joseph's church.

Mrs. William Zimmer, after a couple of months' visit with her parents, Dr. and Mrs. Bonney, left Monday for her home in Missouri. It is hoped her train won't get stuck in some mountain fastness.
