Mr. and Mrs. Ralph Igou returned on Friday from an enjoyable visit of two weeks' duration with relatives in Chicago. Bertha and Esther Cramer were passengers to Dunlap Friday for a visit at the home of their aunt, Mrs. Will Adrich, returning Sunday. Mrs. J. H. Bonsall and sons, Henry and Marion, went to Castana Friday to make an over Sunday visit with Mr. Bonsall. Miss Mabel Ahart was visiting in Denison one day last week. Miss Josie Kihney was down from Denison Thursday conducting her violin music lessons. Saturday afternoon Miss Martha Leuck played the part of hostess to the members and friends of the J. E. G. S. at the home of her sister, Mrs. M. J. Breen. Social discussion over current events, combined with fine handiwork, made up a very enjoyable hour, a thirty most being served at its conclusion. Out of town guests included Mrs. John Furne, of Arion, a sister of the hostess; Miss Charlotte Nutter, of Charter Oak; Mrs. Carl Kirk and Miss Mildred Kirk, of Dunlap. Miss Evelyn Bramley, after a few days' sojourn at the Clarence Ransom home, went to Arion Saturday evening for an over Sunday visit with her friend, Miss Ollie Fox, before returning to her home. Chas. Smith was in Omaha Saturday on a business mission. Mrs. W. W. Galland returned Saturday from Denison, where she had been spending the week at the home of her son, Henry. Elder J. W. Smith, of Independence, Mo., was on arrival the latter part of the week and on Sunday opened a series of special meetings at the L. D. S. church. Services are being held each evening this week, beginning at 7:30. A most cordial invitation is extended everyone to attend. Mrs. E. H. Swasey and daughters, Ruth and Alice, and Miss Blanche Cole were in Omaha Saturday spending the day among the big stores. Mrs. E. D. Barnes returned home on Saturday from Council Bluffs, where she had been spending two weeks in a hospital having her eyes attended to. While there she had an operation per-

formed on them and her friends sincerely trust the ordeal will prove of benefit to her as she has been having considerable trouble with poor eyesight for a number of years. Mrs. Ward accompanied her here on her return. Mr. and Mrs. Earl Rowe went to Denison Friday for a visit with their son, Dr. F. N. Rowe, and family, returning Saturday. Little Robert Rowe came with them to spend a few days. On Wednesday of the past week Geo. Binnall experienced quite a bad accident. While he was in the act of starting the engine on his drag saw the crank slipped from his hand, striking him on the mouth. As a result five of his lower teeth were loosened so that they could be picked out by the roots. Although causing him much discomfort Mr. Binnall is congratulating himself that the accident was no worse. Misses Lillian Sams and Bertha Aebhardt, after a three weeks' visit with relatives and friends in this vicinity, left Saturday on their return trip to Hudson, Colo. R. Smith and family arrived in Dow City the past week, Mr. Smith having hired out to F. C. Howorth for the coming season. Their household goods were shipped here Friday from their former home in Missouri and they are moving out to the Howorth ranch. Mrs. Frank Wiley and two little daughters came Friday from Chadron, Neb., to spend a few days at the home of Mr. Wiley's mother, Mrs. S. E. Wiley and with his brother, Fred Wiley, and family. They, accompanied by their daughter and sister, Mrs. Leslie Hein, of Dunlap, expect to go in a few days to Corning to see Mrs. Wiley's mother, Mrs. Hockett, who is seriously ill.

Shinn-Flat Lightning Rods Protect Property. We are agents for the well known System of Lightning Protection, and the only ones in this community authorized to equip buildings with Shinn-Flat Lightning Rods. These Rods are known all over America as the most scientific and certain protection for property ever devised. By their use any building may be made perfectly safe. Protection costs so little that it is unwise to take chances. Ask us about the Shinn System. EMIL JEPSEN Contractor and Builder Denison, Iowa

Mr. and Mrs. N. L. Hunt, of Denison, were visitors on January 12th at the big exhibit of southern California products maintained free to the public in the Los Angeles chamber of commerce. They also attended the lectures and moving pictures that are a part of the daily program. The exhibit is the largest of any in the country maintained by a commercial organization. Before returning home they expect to visit several of the many other places of interest in the southland.
