Otherwise I Would Not Be Offering My Herd Boars For Sale at Any Price, Because They Are the Best Money Can Buy.

### CHAMPION COMBINATION 57785

Herd Boar

Combination Again 39184 ----- (Combination Defender 29509  
Miss Perfection 53244

Gale S 101654 ----- (Champion 29051  
Model Mary 76670

This is a great breeding boar of big type. He has a bunch of gilts in this offering that will speak well for him as a breeder. And while he is big type he is not of the one gut kind. He is not at all fat. Just in his working clothes, and I am sure you will like him. And say, just read that pedigree again. All right? I should say so. He would not be for sale if I were not closing out.

### GIANT PROSPECT 68893

Herd Boar

Farrowed March 2, 1919. No. in litter 17; raised 9; B. 4; S. 8.

Bred by Alden Anderson, Story City, Iowa

Prospector 57221 ----- (Battle 33773  
Madeline 92174

Model Lady 2d 127010 ----- (Chief Select 21105  
Elvira 53234

I hardly know where to begin to describe this boar. He is all one could desire in a herd boar; great length, high up on straight legs and the very best of feet. He was third prize pig at Des Moines state fair, 1919, in a class of 40, and many breeders thought he should have been first. He also got first in Hamilton county fair in a class of 20, and first at Crawford county fair in a class of 9, also junior champion. All the spring gilts in this sale are bred to him. I would not think of selling him at this time if I were not closing out. Look him over sale day; you can't help but like him.

FINE TRUCK FOR SALE—A Splendid One-Ton Truck will be sold after the hog sale. It's a good one.
