Monopoly is the control over business exercised by some one else, but when you have the control yourself that is merely co-ordination.  
Shortage of thread reported, but no one has claimed it is because the modern woman spends so much time sewing.  
At about the same time it was discovered that buttermilk contains a small portion of alcohol. It developed a widespread appreciation of its benefits in curing indigestion.  
After buying candy and fruit done up in paper wrappers to promote cleanliness, many people show their intelligent appreciation of the same by throwing the wrappers into the streets.  
There is a unanimous demand for good roads until people have to pay for them.

The newspaper man is deeply touched by the affectionate greeting of the people who are working for free space or who want their political campaigns boosted.  
In view of the price paid for baled paper, the Review is not discouraging the contributions of the spring poets. It seems to be leap year for the presidential candidates as well as the girls.

**The Lily and Your Lady**

She ought to have an Easter Lily plant in her home next Sunday morn. It's an attention on your part that she will appreciate. Be sure and send her a plant from here where the finest, hardiest lilies are shown

You can make your thoughtfulness doubly effective by including a beautiful, fragrant corsage bouquet for her to wear to church on her handsome, new Easter gown.

It's such little, inexpensive attentions as these that denote sincere affection and devotedness to the wife, sweetheart, sister or mother.
