IOWA DEMOCRATS BOOST MEREDITH

Name to be Presented for President At the Democratic Convention to be Held in Frisco

CLYDE HERRING FOR GOVERNOR

Leaders in Conference at Des Moines Agree on State Ticket—Judicial Convention at Sioux City

Des Moines, Ia., April 16.—"Meredith for President" will be the slogan of Iowa's delegation to the democratic national convention. This was decided at the democratic state conference today in the Hotel Savery. At the conference a strong state ticket was put into the field for the primaries. Claude R. Porter, against his wishes, however, was drafted to make the race for the United States senate. Clyde Herring, of Des Moines, will run for governor, and have for his running mate Charles E. Cameron, president of the state board of agriculture.

Woman Candidate. One woman will be on the state ticket, Miss Ruth Sumner, county recorder at Adel. She will be the democratic candidate for secretary of state. The conference today was peaceful and calm. Storm clouds which had appeared the day before were in the distance. The delegates to take all steps to forward his candidacy for the presidential nomination, stayed any strife between the McAuloo and Palmer elements within the party.

Mr. Meredith was not at the conference. In addition to Mr. Marsh, W. D. Jamieson, national financial secretary, attended. Members of the state committees also were present. The conference was called by J. W. Reynolds, state chairman. Mr. Porter came direct from Washington to the meeting. Cedar Rapids was chosen as the place for the democratic state convention. The judicial convention was assigned to Sioux City.

State Ticket Chosen. The nominating committee was selected by the district caucus, retired and after an hour of deliberation brought in the ticket which was named as democracy's choice in Iowa unanimously. It follows: For Governor—Clyde Herring, Des Moines. Lieut. Governor—Charles Cameron, Alta. Attorney General—Ray Files, Fort Dodge. Secretary of State—Ruth Sumner, Adel. Treasurer of State—J. E. Craven, Keokuk. Auditor—John Rude, Marshalltown. Railroad Commissioner—John Boyd, Keokuk.

Claude R. Porter, of Centerville, was chosen by the conference as a candidate for the United States senate.

DENISON BOY IS HONORED

Carl Frederick Kuehnle, Student at University at Iowa City, Named For Membership in Phi Delta Phi Legal Fraternity

Carl Frederick Kuehnle, who is a student in the law department of the state university at Iowa City has been honored by being selected to membership in the Phi Delta Phi Legal Fraternity. Membership in this fraternity has been accorded twenty-two students in the law school, following approval by the faculty of the high scholarship of the men elected. The candidates were first selected by the members of the fraternity; but good scholarship was required for qualification. The many Denison friends of Carl Frederick will be pleased indeed to know of the high honor bestowed upon him which shows beyond question that he is making a good record in the law department and that he is popular with his fellow students.

NOTED ACTOR IS COMING

Wm. J. Keighley, Now Scoring on Broadway, to Head "Nothing But the Truth" Comedy at Chautauqua

Wm. J. Keighley, noted Broadway actor, has been obtained as leading man for the big comedy, "Nothing But the Truth," which will be given this summer on chautauqua.

This announcement will cause much rejoicing among the many Redpath devotees who became enthusiastic over his great acting in "It Pays to Advertise" on chautauqua two years ago. Since his appearance here at that time Mr. Keighley has become prominent in theatrical roles in both Chicago and New York, and the chautauqua folk feel unusually fortunate in obtaining him for this summer's big production. In the winter season of 1918 following "It Pays to Advertise," Mr. Keighley was picked for one of the leading roles in the "Crowded Hour" at the Woods theater in Chicago. So great was the record he made there that during the present season he has been cast with John Barrymore in "Richard III," now playing to packed houses at the Plymouth theater, New York City. The New York Sun and Herald of March 8th, in reviewing the presentation of the latter production, picks out Mr. Keighley for individual praise as the progress of the play. "This is the face of a harsh criticism of other notable players who make up the great cast. Mr. Keighley's part this season will be that of Bob Bennett in "Nothing But the Truth," which was unanimously selected by the New York critics as the best comedy the stage has produced in years. Mr. Keighley will take the part of a young twenty-four hour truth teller whose attempts at veracity in order to win the bet of \$10,000 creates, as the New York World says, "The most wholesome fun that has been seen on the stage in several seasons."

Miss Jean Brae, another favorite in "It Pays to Advertise," will appear in "Nothing But the Truth." With Mr. Keighley, Miss Brae and eight other Broadway players of high class ability, indications are that the Redpath Vawter folks will bring one of the greatest and funniest comedy productions this part of the country has ever known. Miss Gladys Welch, of Buck Grove, spent Tuesday here visiting friends.

SILAS STREETER CALLED SUDDENLY

Veteran of Civil War and Pioneer Resident of Crawford County, Passed Away on Friday Last

WAS 77 YEARS OF AGE AT DEATH

Deceased Leaves Wife, Several Children, Twenty-nine Grandchildren, Number of Great Grandchildren

DELOIT, April 20.—(Special to the Review)—Silas Streeter, veteran of the civil war and pioneer resident of Crawford county, passed away Friday evening, April 16th, at the Meehan hospital in Denison at the ripe age of 77 years, 6 months and 6 days. The death of Mr. Streeter came as a great shock to most of his friends and acquaintances who had seen him up and around only a few days prior to his death, and it was generally supposed that he was enjoying his usual good health. His illness was sudden and it was thought first that an operation would have to be performed so he was taken to the Meehan hospital at Denison. It was found, however, that his heart action was so weak that he never could withstand an operation and death followed soon after his arrival at the hospital.

Silas Wesley Streeter, son of Silas and Phoebe Streeter, was born at Newark, O., Oct. 10, 1842. Both parents having died before Silas reached the age of twelve years, he made his home with an older sister. When the civil war broke out he answered his country's call and although only a youth of nineteen years he volunteered in the 7th regiment of the Wisconsin Infantry Aug. 31, 1861. After serving for three years in the hardest campaigns of the war he was honorably discharged Sept. 1, 1864, near Petersburg, Va. Having a feeling of unrest and duty yet to be performed he again enlisted in Co. A of the 3d regiment of Wisconsin volunteers, from which he was honorably discharged July 18, 1865, at Louisville, Ky. He was twice taken prisoner by the confederates, being incarcerated in Andersonville prison, from which he was paroled and placed in Libby prison for a period of five months of hunger and torture.

Mr. Streeter was twice married, his first marriage being to Miss Mariah Keith, of Newark, O., on July 25, 1865, seven days after his discharge and return from the civil war. To this union were born four children, Mrs. Mattie Zea, of Denison; Mrs. Libbie Hamilton of Ottumwa; H. A. Streeter, of Exline, Iowa, and a son who died in infancy. Having been bereaved of his first wife while some of the children were yet quite young, he was again married on Dec. 3, 1880, to Miss Mary Morris, of Denison. This union was blessed with ten children, five of whom are living to mourn their father's death, namely: Mrs. Sadie Tyler, of Basset, Neb.; Mrs. Nina McKim, of Emmetsburg; Mrs. Ella Wilkins, of Battle Creek; Carl Streeter, of Arion, and Raymond Streeter, of Deloit. One son, Dennis, grew to manhood at Deloit and but a few months ago preceded his father to the great beyond. Besides his devoted wife and children he leaves to mourn his loss twenty-nine grandchildren and several great grandchildren.

\$1800 RAISED FOR BASE BALL TEAM

Boosters Call on Business Men During Week and Raise \$1800 for the Support of Team

NOT PLANNING SU NDAY GAMES

May Organize Baseball League Composed of Twelve Counties in Western Iowa—Season Starts May 9th

Denison is to have a ball club and from present indications it will be one of the fastest teams in the history of the city. For a time it was feared that there would be no club here this year, as there seemed to be a lack of interest, but last week several of the boosters called on business men and some \$1800 was raised to support a team. It is probable that \$2500 will be raised before the season opens. The diamond on the college campus will be put into shape so that the team will be able to start practice work. There is plenty of material available for a winning team, although it may be necessary to engage the services of a pitcher and catcher.

CATTLE PERISH BY THOUSANDS

Enormous Losses Reported From Western Nebraska as a Result of Severe Snow Storm Saturday

ALL TRAINS ARE BLOCKADED

Traffic in Nebraska, Wyoming and Colorado Nearly Paralyzed—Storm Raged for Three Days

Nebraska, Wyoming and Colorado experienced the worst snowstorm of the year on Saturday, Sunday and Monday, and as a result thousands of head of livestock perished. Reports from the Chadron territory are that the loss of livestock is the heaviest ever experienced throughout Nebraska. In the Black Hills district the blizzard was still raging Monday evening. Denver has been snowbound for more than 48 hours, and the downtown hotels were filled with people barred from reaching their homes.

Three ministers, among the passengers on a Union Pacific train stalled near Longmont, Colo., conducted services Sunday in one of the coaches. Railroads out of Denver to the south experienced great difficulties at Palmer Lake, between Denver and Colorado Springs. Alliance, Neb., got its first mail Monday afternoon since Saturday. A train at Girard, Neb., stalled since Saturday, was released Monday morning and the passengers taken to Alliance. Rural roads are said to be completely blocked.

Mr. and Mrs. Herman Koenekamp returned from California last evening. At Pueblo, Colo., their train was stalled in the snow for forty hours, and the passengers experienced considerable hardship. The storm is described as being the most severe of any storm for the past forty years. One train was reported lost until Monday, and thousands of head of livestock in the neighborhood perished. Mr. and Mrs. Koenekamp report a most enjoyable winter in California.

BRANNON BUYS THE HOSPITAL

Well Known Physician Purchases Denison Hospital and It Will be Open to Doctors of the County

MISS GARY SUPERINTENDENT

Permanent Management Will be Secured Soon as Possible and Hospital Placed on Substantial Footing

The Denison hospital and sanitarium is open again. On last Friday Dr. P. J. Brannon purchased the property from R. E. Mote for a consideration reported to be \$14,000, and took possession immediately, opening up the hospital on Saturday and already there are several patients there receiving treatment. Dr. Brannon yesterday, in an interview with a Review reporter, stated that it would be possible for him to continue the practice here without a hospital and fearing that the property would be purchased by someone for residence lots he made up his mind to buy it and operate it as a hospital. If he is unable to make it pay as a hospital Dr. Brannon has purchased it at a figure which will enable him to dispose of it for other purposes without losing money.

Miss Pearl Gary will act as superintendent of the hospital temporarily until such time as Dr. Brannon is able to make other arrangements. Miss Gary has been specializing, however, in X-ray work and it is the plan for her to remain in the doctor's office in the McCarty building, where he has his fine machine installed. Dr. Brannon states that the hospital is open to all of the doctors of Crawford county for their patients. Competent help has been secured by Dr. Brannon and patients will receive the best of care and service at all times. The purchase price included all of the equipment, but this will be increased from time to time.

The purchase of the Denison hospital by Dr. Brannon will be welcome news to the people of this locality for it was feared that the hospital would never be opened again. It is indeed a big undertaking and Dr. Brannon should receive the wholehearted support of every doctor in the county who does not have hospital facilities. We do believe that the hospital can be made self sustaining if the people of the community will give it their support.

SENTENCED WIFE DESERTER. Chas. Igou, of Dow City, Sentenced to Serve One Year at Anamosa by Judge Hutchison. Chas. Igou, of Dow City, was taken by deputy sheriff, J. Johnson, to Anamosa on Saturday to serve a year's sentence in the state penitentiary. He was sentenced on Friday by Judge Hutchison. Igou was charged with wife and child desertion and was tried in the district court and the jury on Tuesday found him guilty after all of the evidence had been given. On Friday morning he was given the sentence.

Dr. F. N. Rowe purchased the former Kitty Lally home now owned by Edward Kolls last week. This will make the doctor and his family a fine home. The Man Land company made the deal at a price of \$9500. Judge Conner was a passenger to Omaha this afternoon. He will leave there this evening for Des Moines to attend the state republican convention. The American Legion dancing party held last evening at the gymnasium was well attended and all report a most enjoyable time.
