## FALLEN HEROES ARE REVERENCED

Never in History of Denison Was the Memory of Fallen Heroes More Sincerely Reverenced Than Monday

### VETERANS OF THREE WARS

Entire Program Carried Out at Oakland Cemetery—Rev. M. M. Cable in a Splendid Address

Memorial day was observed in Denison and perhaps never in its history was the memory of the fallen heroes of American wars ever more sincerely and patriotically reverenced as it was on Monday afternoon when hundreds of people gathered at Oakland cemetery to attend the exercises. The day was ideal for the occasion, warm, bright sunshine, beautiful summer and blooming flowers helped. Then too, renewed interest in this important day was manifest on every hand for veterans of three wars were congregated with the relatives and friends to pay their respects to the memory of those who had given their services to their country. Veterans of the world war mingled with the members of the army of the republic and the Spanish American war veterans and there was a spirit of comradeship that was quite evident even to a casual observer. Business houses with but a few exceptions closed their doors for the entire afternoon so that all might attend the exercises. It was not until about 2 o'clock that the procession was formed on West Broadway for the trip to beautiful Oakland cemetery. Sheriff Greene acted as marshal of the day and Sons of Veterans, members of the John A. Logan Post G. A. R., Spanish war veterans, American Legion, Woman's Relief Corps and citizens, all in automobiles, formed a procession many blocks long. Oakland cemetery never looked more beautiful than it did on Monday afternoon. The foliage was all out, the beautiful bridal wreath bushes were in full bloom and every plot showed that particular pains had been given to add to the beauty of the scene.

Upon arrival at the cemetery Commander L. L. Bond took charge and an excellent program was carried out. The American Legion quartet sang "Over There," and this was followed by a prayer by Rev. E. E. Witter. J. B. Lyon was then introduced and after a few remarks read Lincoln's memorial day address, which was followed by the "Star Spangled Banner" sung by the audience. The ritualistic service directed by Commander Bond was given and Adjutant F. H. Morgan read the honor roll of the G. A. R., after which Chas. Lamberty read the honor roll of the American Legion. The American Legion quartet then sang a selection. The service to the unknown dead was given by the ladies of the W. R. C.

Rev. M. M. Cable delivered the Memorial day address, which was perhaps the feature of the afternoon. The address was brilliant, eloquent, vibrating with a true ring of staunch Americanism. Rev. Cable briefly recited the history of the United States, outlining the wars and causes and how in every instance when the government had called for men it met with a response from red blooded Americans who were willing to give up their lives for their country. He impressed upon the audience the necessity for future generations to uphold the traditions of our forefathers and put their shoulder to the wheel to uphold the country that it may in years to come continue to be the greatest nation on earth and one that will stand for justice and liberty. He condemned those who failed to show respect for those who have fought for the country and flag and urged that every effort be made to teach Americanism to all that radical ideas may be banished. The address was a gem and everyone who heard it felt that they had a real duty to perform in time of peace as well as in time of war.

## FARM HAND IS FOUND INSANE

Frank Hallowach, Russian, Working For Geo. Dieter, North of Vaik, Taken to Clarinda Wednesday

Frank Hallowach, a native of Russia, thirty years of age, was given a hearing yesterday afternoon before the insane commission and judged of unsound mind and this morning was taken to the state hospital at Clarinda for treatment. He was taken to the hospital by Ed. Watke and Louie Grill.

Hallowach has been working at intervals for George Dieter on his farm north of Vaik, for the past several years and it was not until just recently that members of the family noticed he acted peculiar. Monday evening he remained at the Dieter home while they went to attend the high school alumni banquet in Vaik. Returning at a late hour they found him sitting at the edge of the pasture and soon afterwards he disappeared. At the hearing yesterday he stated that he had packed a few of his belongings and had walked to Manila and from there to Manning where he caught a train but jumped off before reaching Clarinda. He was picked up by the sheriff of Carroll county on complaint of farmers who stated he acted strange and was turned over to Sheriff Greene.

It seems that Hallowach during the past year has been a great student of palmistry and when at work in the coal mines near Des Moines last winter consulted with Palmists at the capital city quite frequently. After his return to Vaik this spring he claims a spell was cast on him and it was necessary for him to obey the orders he seemed to receive from time to time.

He is a hard working young man and Mr. Dieter regrets very much him go to the state hospital, but it is believed that his case will respond to treatment.

A firing squad under the command of Clarence Schwarzenberg gave the salutation to the dead and the exercises closed with the benediction by Rev. Hamilton.

One of the features of the day was the dinner served at the Carnegie club rooms by the W. R. C. for the veterans of the civil war.

## DEATH ENTERS A DENISON HOME

Henry Bergstedt, An Honored Citizen of Denison, Passes Away on Tuesday Morning at 6:45

### MANY MOURN HIS DEATH

Came to America in 1870 and to Crawford County in Year 1878—Leaves Wife and Two Children

On Tuesday morning, June 1st, at 6:45 occurred the death of Henry Bergstedt at his home on Vine street, old age and complications being the cause of death. He was 75 years, 8 months and 11 days of age at the time of death. Although Mr. Bergstedt had not enjoyed rugged health for some time it was not until recently that he was seriously ill, and his death was a great surprise to his many friends.

Henry Bergstedt was born Sept. 20, 1844, at Bernheide, near Wittgenberg, Pottsdam, Germany. In 1870 he came to America and located in Chicago, where in 1872 he was united in marriage with Miss Louise Adams. This union was blessed with four children, two dying in infancy. The two living are William and Anna, the wife of J. H. Sibbert. In 1878 Mr. Bergstedt and family moved to Crawford county and located on a farm in Hanover township where they resided until 1897, when they retired from the farm and came to Denison, purchasing the home of the late Martin McKim on Vine street. Their home has always been a most happy one, and Mr. Bergstedt enjoyed a large acquaintance, and his neighbors always spoke in the highest terms of him as a neighbor and friend. He took great comfort in his home, and with his garden and shrubbery. It was his delight to have near him his children, and when the daughter married and took a home next door to the "old folks," Mr. Bergstedt was perfectly happy. He was a well read man, a devout christian, being a member of a Lutheran church, and he took a great interest in the church and the welfare of his fellow men. He was active in public affairs, and took much interest in the lives of public men. In politics he was affiliated with the democratic party, but ordinarily voted for the man in preference to the party.

Deceased leaves to mourn his loss a wife, two children and four grandchildren, namely: Harold Sibbert, a student at Ames; Bernhard Sibbert of Cleveland, O., and Alvin and Wilbert Bergstedt, of Denison.

The funeral services will be held on Thursday afternoon at 2:30 o'clock at the Lutheran church. Rev. Wm. Fries officiating, and interment will be made in the Lutheran cemetery.

The Review joins with the many friends in extending condolence to the bereaved ones in their hour of sorrow.

## ROBERT EWALL FOR RECORDER

Republican Voters at June Primaries Requested to Write Mr. Ewall's Name on Ballot for Recorder

With the consent of Robert Ewall, of Denison, the republican voters at the June primaries will have opportunity to write Mr. Ewall's name on the ballot for the office of county recorder. Blank space will be provided and it will not require much of the voters' time in writing his name. Mr. Ewall is strictly a Crawford county product, having been born and reared to manhood in this county. After gaining his majority Mr. Ewall was for some time engaged in the furniture business in Denison and for the past number of years has been the efficient bookkeeper at the Nicholson Ice & Produce Co. He is perfectly capable and will make a splendid campaign this fall.

For the office of supervisor for the 1922 term the name of H. W. Boeck, of East Boyer township, will be written on the ballot. This with the consent of Mr. Boeck. Everyone in East Boyer township and Washington townships, as well as in many other localities in Crawford county, knows Herman Boeck, first as the devoted wife, then as a wife out for a lark who did not hesitate to drink, smoke and step high in order to live up to the reputation given on her by her husband to his uncle Obadiah Dawson of Japan, who had intentions of winning her hand after seeing a photograph of her. Howard Gray as Obadiah played this part and as a polished gentleman not adverse to making an impression on a handsome woman, even to breaking up the home of his nephew, was excellent. Don P. Wilkinson portrayed the part of Timothy Tolman, who married for money only to find out that there is much in life besides wealth, was one of the best characters in the play, and as a henpecked husband who was led into many trying situations to help out his friend, Capt. Rackett, could not have been improved upon. Katy, his wife, possessed of a temper, was played by Miss Flo Caswell, and she handled this difficult part exceptionally well. Spencer Holden as Mr. Dalroy, Rackett's father-in-law, was sedate, but not without a sense of humor, and was good in his part. The part of the mischievous maid Katy was played by Miss Mildred Hubbell and she was indeed excellent. Miss Hubbell is perfectly at home on the stage and her acting is above the average. Burness Boslough acted the part of Hobson, the waiter who helped to complicate family troubles by presenting a bill for a champagne dinner and damages caused by a party given by

## IS GIVEN SHEEPSKIN

Harry Meyers Graduates From the Des Moines College and Will Visit in Denison This Week

Another Denison high school graduate has attained high honors in college and graduates this week, Harry Meyers, who by the way, is the grandson of the long time editor of this paper, J. Fred Meyers, received his sheepskin today from Des Moines college and will be in Denison for a time this week. He was one of the boys who volunteered, joining the coast artillery. Harry majored in mathematics, both in the school here and at college, so that when it came to mastering the intricate problems demanded of the officers commissioned in the coast artillery from Fortress Monroe he made the course with success. Denison had other young men who made the course also in Harold Laub, Harry Clark and Harold Poole. Harry didn't get to go over, but was in command of troops at Pensacola, Fla., for some time and remained in the service for many months after the disbandment of the army, recruiting for the regular army. On resigning he decided to return to his college work and gain a degree and this he has done. In the address to the high school recently Supt. C. E. Humphrey spoke of certain boys being natural leaders among their mates. From all reports Harry Meyers has been one of these everywhere he has been placed. With a record of attainment in all things he has undertaken, thus far, he will rank well with the other boys who have gone from our schools into life's strenuous work. He will soon be on his way for an auto trip from Omaha to southern California during which time he will decide on a location for a business life.

## PRONOUNCED BEST IN MANY YEARS

"My Uncle From Japan," Home Talent Play Under Direction of Rayel Deane, Pronounced "Best Ever"

### PACKED HOUSE FOR TONIGHT

Different Characters Well Portrayed and Legion Boys Are to be Congratulated Upon Undertaking

The three act comedy, "My Uncle From Japan," was presented at the opera house by the Denison Post American Legion last evening before a large audience. The general opinion is that it was one of the very best home talent productions ever given in Denison and so favorable has been the comment that there is little doubt but what it will draw a packed house tonight.

The play was put on under the direction of Ralph Deane, who also played one of the leading roles and he demonstrated to the satisfaction of everyone that he is a master in handling home talent plays. The entertainment was given without an apparent hitch of any kind and the selection of the cast could not have been improved upon.

Ralph Deane played the part of Capt. Robert Rackett, who by descent had won the hand of the charming Clarice. The role was difficult, but Mr. Deane handled it admirably. The part of Clarice was taken by Miss Margaret Carey, who proved herself most capable, first as the devoted wife, then as a wife out for a lark who did not hesitate to drink, smoke and step high in order to live up to the reputation given on her by her husband to his uncle Obadiah Dawson of Japan, who had intentions of winning her hand after seeing a photograph of her. Howard Gray as Obadiah played this part and as a polished gentleman not adverse to making an impression on a handsome woman, even to breaking up the home of his nephew, was excellent. Don P. Wilkinson portrayed the part of Timothy Tolman, who married for money only to find out that there is much in life besides wealth, was one of the best characters in the play, and as a henpecked husband who was led into many trying situations to help out his friend, Capt. Rackett, could not have been improved upon. Katy, his wife, possessed of a temper, was played by Miss Flo Caswell, and she handled this difficult part exceptionally well. Spencer Holden as Mr. Dalroy, Rackett's father-in-law, was sedate, but not without a sense of humor, and was good in his part. The part of the mischievous maid Katy was played by Miss Mildred Hubbell and she was indeed excellent. Miss Hubbell is perfectly at home on the stage and her acting is above the average. Burness Boslough acted the part of Hobson, the waiter who helped to complicate family troubles by presenting a bill for a champagne dinner and damages caused by a party given by

The entertainment was excellent throughout and the Legion boys are to be congratulated upon the success of their first undertaking along this line.

## FLYING AROUND NEW YORK

Theodore Walker Meets Clarence Chamberlin Dow New York Way and Has Pleasant Visit

E. C. Chamberlin received a letter Tuesday morning from Theodore Walker, formerly of Denison, in which Mr. Mr. Walker tells of having met Clarence Chamberlin recently. Clarence is doing considerable flying these days, and the day he met Mr. Walker was on a trip up the Hudson river. He likes the work very much, and is gaining a wonderful experience. Mr. Walker's letter follows:

475 Sanford Ave., Flushing, N. Y., May 25, 1920.

E. C. Chamberlin, Denison, Iowa. Dear Sir: I was surprised and very much pleased to meet your son, Clarence, in the Pennsylvania railway station this morning. I had the pleasure of a few minutes' conversation with him. He is looking quite well and seems to enjoy flying. If I can fly with him some day I intend to do so. Unfortunately I forgot to ask his address; if you will please send it to me I will regard it as a special favor. Clarence was going to fly to Glen Falls this afternoon. Yours truly, Theo. Walker.

## ANNUAL RECITAL

Members of Music Class of St. Rose of Lima Parochial School Render a Splendid Program Friday

The annual recital by members of the music class of the St. Rose of Lima parochial school was given at the auditorium of the school on Friday evening of last week. There was a large number in attendance at this annual event and everyone pronounced it a most excellent musical program. The program was varied with selections in vocal, instrumental music and literary selections, and all those who participated gave evidence of having received training of the highest order. We are sorry that space does not permit our commenting in detail on each number given.

Timothy Tolman, and was good in his part. Miss Marjorie Lyon was director of the music during the scenes.

The specialties between the acts were excellent and thoroughly enjoyed. Misses Hilby Faul and Madge Hultsch gave an excellent duet which was encored. They were very graceful and their costumes were very attractive.

Jack Saggau, the little son of Mr. and Mrs. H. P. Saggau, proved to be the hit of the evening. He sang two solos and the audience not content brought him out for the third time, when he gave a recitation. He is not yet five years old but was not bothered by stage fright.

Miss Bernice Richardson sang two of the latest song hits, which were excellent and brought forth much applause. Miss Richardson is most talented and is always enjoyed at public entertainments.

The entertainment was excellent throughout and the Legion boys are to be congratulated upon the success of their first undertaking along this line.

## UTE WARRIORS WIN THE BATTLE

Denison Ball Team Defeated in Sunday Game With Ute Warriors at Ute by Score of 14 to 7

### RESEMBLED COMEDY OF ERRORS

O'Connor Unable to Hold Pitcher Collins and Barney Otto Was Put in As a Substitute

The Denison ball team was defeated at Ute Sunday by the decisive score of 14 to 7 in a game which closely resembled a comedy of errors. The Ute warriors made easy work of the local team in the fifth inning and before the balloon came down had run in five scores. The game up until the fifth inning was a real exhibition of ball, the score being 3 to 2 in Denison's favor. In this inning, however, a series of errors and a few hits started the balloon ascension and when the smoke cleared away Ute had six men across the plate for scores. O'Connor, who caught for Denison, was unable to hold Collins and Barney Otto was put in to pitch the remainder of the game. Ute made five scores with Barney holding down the mound.

Local fans who witnessed the game state that it was a poor exhibition of ball, but that it was not unexpected when it is considered Denison had played but one game this season. All admit that certain positions on the team can be improved upon and that plans are being made to rectify these faults.

The opening game in Denison will be played Thursday afternoon on the college diamond with Dow City. Dow City has one of the fastest semi-professional teams in western Iowa, but Denison expects to make them play real ball. A catcher from out of town has been secured for the local nine for this game and Collins will be able to put on all the steam he commands. It is hoped that there will be a good turnout for this game.

Memorial Day services at Mapleton. Memorial day services were held in the city park at Mapleton Sunday afternoon at 2 o'clock. The weather conditions were ideal. The program of the day, which was under the management of the Civic club and the Mapleton Community club, consisted of music and speeches. The address of the day was given by Hon. Carl F. Kuehnle, and was one of the most enthusiastic memorial addresses ever delivered in Mapleton, and was greatly enjoyed by about 4,000 people. One of the strong points of Mr. Kuehnle's address was his special appeal for loyal citizenship, and true Americanism. After the service the audience proceeded to the cemetery where the graves of the departed soldiers were beautifully decorated.

Mrs. Frank Sheridan was among those from Vaik shopping in Denison Tuesday.
