## DENISON LOSES ONE; WINS ONE

Two Games Played on Local Grounds During the Week—Lose to Ute and Win From Western Union

BOTH GAMES WERE GOOD ONES

Ute Game 4 to 1 and Western Union 8 to 7—Collins Pitches Ute Game and Pletcher Western Union Game

The Ute Warriors crossed bats with the Denison team on the local diamond Friday afternoon and walked away with the honors by a score of 4 to 1. It was a good exhibition of ball up until the ninth inning when Leo Collins, who pitched for Denison went to the bat and allowed five hits, which brought in three scores. Up until that inning Collins pitched good ball, allowing five scattered hits. Collins had to his credit eight strike outs and allowed but two men to walk, while Moore, who pitched for Ute, struck out but seven men and allowed one to walk. Ute made five errors while Denison only had one. It was a good game until the Denison pitcher went to pieces.

Another fine game of ball was played on the local diamond Sunday when the Denison nine played against the Western Union team. Both teams were evenly matched and up until the last half of the ninth inning it looked as if the visiting team would sure be winners but the heavy sluggers of the Denison team came up to bat and soon filled the bases and through a stroke of good luck ran in the necessary scores to win the game. The final score was 8 to 7.

## BIG BAND SCHLESWIG SATURDAY

Hi-Line Post American Legion at Schleswig Engages Band for Two Concerts on Next Saturday

SCHLESWIG, Aug. 10.—(Special to the Review)—Hi-Line Post of the American Legion of this place has engaged the 18th Infantry band to give two concerts at Schleswig on Saturday of this week and a general invitation is extended to residents of Crawford county to visit here and enjoy the fine programs.

The band will give a two hour concert Saturday afternoon commencing promptly at 3 o'clock and another concert of two hours will be given in the evening starting at 8 o'clock.

Schleswig is indeed fortunate in securing this big band and without question it will attract a big crowd.

## BAPTIST CHURCH NOTES

Prayer meeting Thursday evening at 8 o'clock as usual. Following the prayer meeting there will be a business meeting. One thing that will come up for disposal will be the lot in Des Moines.

On Friday evening there will be a choir practice.

Sunday services as usual. Preaching by our pastor at 10:30, followed by Sunday school at 11:45. Evening at 7:30 will be the senior B. Y. P. U. and Junior Union and at 8 the preaching service.

Next week, August 17th, 18th and 19th, will be held the Des Moines-Western association in the Union church at Exira. There are several planning to drive down from here. Ben Doettger will take a lead, also Dr. Miller, and it is hoped that others will drive down also.

Mr. and Mrs. C. H. Thornton and children of Des Moines, visited in Denison over night Monday with the former's sister, Mrs. V. L. Byers. They were on their way home from a week's outing at Lake Okoboji.

It did Sunday. Only three errors were charged up against them. Pletcher, of Ida Grove, did the pitching and he fanned 11 men and did not allow any walks. The Omaha team was heavy with the stick, however, and scored 12 hits against 9 for Denison.

Here is how the two teams played:

## READY FOR HEALTH CLINIC

Clinic Will Be Held at Central School Building in Denison on Thursday and Friday of This Week

Everything is in readiness for the health clinic to be held at the central school building in Denison Thursday and Friday of this week and from indications many people will attend. Under the direction of Miss Agan, registered nurse, sent here by the state health department, a very thorough health survey of the county has been made. Not a single township has been overlooked by Miss Agan in her survey.

At a meeting of the W. C. T. U. last Tuesday afternoon at the home of Mrs. Albert, Miss Agan explained the purpose of the clinic. The work was also presented at the Commercial club on Friday evening and at a meeting of the directors of the farm bureau Monday evening.

People known to be afflicted with tuberculosis have been notified of the opportunity to be examined by Dr. Peck, president of the Iowa Tuberculosis Association. Children have been visited and parents advised to bring them to the clinic welfare specialist on Friday for consultation and advice.

Miss Agan says that it is not infection but lowered resistance and heredity that sets the date for the onset of tuberculosis in adult life. One-third of all those who die between the ages of 18 and 45 are killed by tuberculosis.

## SOLD DECOMPOSED EGGS

Deloit Merchant Tried Before Justice Bliesman and Fined \$15 and Costs—Food Inspector Files Charges

A Deloit merchant was tried before Justice H. T. Bliesman one day last week on the charge of selling decomposed eggs not fit for human food, and was fined \$15.00 and costs. The information was signed by E. A. Countryman, a state food inspector, who spent several days last week in the county investigating food sold by merchants.

The state law is very strict in regard to selling spoiled eggs. It is unlawful for farmers to sell spoiled eggs to merchants who are expected to candle them before making payment. All eggs are to be tested before they are sold to the consumer.

## PRESBYTERIAN CHURCH NOTES

Services will be held as usual on next Sunday, August 14th. Rev. Nathaniel McMillin, of Fremont, Neb., will preach both morning and evening.

A very enjoyable farewell party was celebrated Sunday afternoon at the home of Mr. and Mrs. O. M. Foster in honor of Mrs. Emor Foster. Ice cream and cake were served to about forty guests, after which a number of pictures were taken. Mrs. Foster, who has spent the past two weeks with relatives and friends, will leave Monday for her home in Morgan, Mo. The guests present were the families of Rev. Dennis, Rev. Winey, John Judy, John Schlimmer, Dan Fink, W. W. Johnston and Clyde Bruce.

## MEEHAN HOSPITAL NOTES

Carl Frazier, of Omaha, underwent an operation for berlia on Saturday of last week.

George Allen, of Lenox, was operated upon Monday for removal of tonsils.

Dr. and Mrs. R. O. McConaughy and sons returned home yesterday from a month's vacation trip to Wyoming. They made the trip in their car and covered some three thousand miles, going out by the way of Sioux City through the Rosebud and Blue Ridge Indian reservations to the Black Hills. They visited Mrs. McConaughy's sisters, Mrs. Wilson Kipp, and brother, Luman Sewell, who are operating a big ranch about thirty miles east of Yellowstone park. Before starting the return trip they drove through Yellowstone park.

## FEET BADLY CRUSHED

George Garrett Badly Injured at Red Oak Last Saturday When Pile of Iron Falls on His Feet

From a newspaper published at Red Oak, Iowa, we print the following article telling of an accident to George Garrett, who formerly resided at Denison:

While working between two piles of iron at the Red Oak Bridge and Iron works last Saturday, George Garrett, 19 year old son of Lydia Garrett, 511 Prospect street, had both feet badly crushed when one of the piles of iron fell. Only by his jumping did he save himself from being struck in the waistline and probably killed. The accident happened about 3 o'clock in the afternoon and was caused, evidently, by one piece of iron which was being moved, sticking in the pile. When this piece was loosened it caused the whole pile to fall. Dr. Kelley was immediately summoned. It was found that the young man had his left foot crushed in six or seven places and that at least four bones broken in his right foot. It was feared for a time that amputation was necessary but there are hopes now that both feet can be saved. This is the second serious accident Garrett has had in the past year. The first one occurred last October when he had his foot and leg injured by a falling beam. He had just completely recovered from the effects of this accident when he was hurt last Saturday.

## DENISON HOSPITAL NOTES

Miss Emma Lorenzen underwent a major operation at the hospital Monday. The operation was successful and she is doing as well as can be expected.

Raymond Taylor, of Rockwell, City, underwent an operation today for appendicitis at the hospital. He is doing as well as can be expected.

On page three of this section will be found an advertisement for Charley Speck, in which he advertises the date of his coming out type Poland China boar sale. Ads of this nature are usually to be found on one of the Farm News pages, but in this instance the order was placed too late for the farm section. The section containing the farm news goes to press Tuesday and copy for advertising for these pages should be in the hands of the printer not later than Tuesday morning.

Mr. Speck calls attention to his date of sale, Saturday, October 2d, at Denison, at which time he will offer for sale, The bears in breeding stock for sale. The bears in service in his herd are Mastodon Designer, son of the \$30,000 Designer; Mabel's Jumbo Chief, son of Mabel's Jumbo that sold for \$15,000; Quartermaster and Gertadale King. Look the ad up and remember the date.

Mr. and Mrs. John Frahm and daughters, Amanda and Mabel, of Manilla, are spending the day in Denison, visiting with friends and attending to business matters. Mr. Frahm has recently sold his eighty acre farm one mile south of Manilla to John Smith, of Denison, the consideration being \$42 per acre. Mr. Frahm has not yet decided where he will locate after he gives possession of the farm next March.

## TRAFFIC COP BUSY

Docket Shows Twenty Denison People and Thirteen Outsiders Have Been Pinched for Speeding

Considerable interest has been manifested in the community for the past several weeks over the campaign being waged by Mayor J. H. Patterson on speed demons and reckless drivers. At an expense of \$438, plus freight, a motorcycle was purchased by the new administration and the services of a traffic officer engaged. A representative of the Review happened in at the city hall yesterday afternoon and was furnished with some interesting data by the city clerk, J. Johnson, in the presence of Mayor Patterson, which we believe will be of interest to the people of this community.

In going over the docket case by case the clerk reported 20 Denison people had been summoned to appear before Mayor Patterson, charged with violating the city ordinance in regard to the operating of motor driven vehicles. Of this number, according to the figures given us by Mr. Johnson, but 7 paid fines while the other 13 were either suspended or their fines remitted. He reports 13 tourists, or people residing outside of the county, summoned to appear before the mayor and 11 of these paid fines and the remaining two other suspended or their fines remitted.

It is plain if the figures given us are correct that the traffic cop has not been idle and is doing his utmost to curb infraction of the new traffic ordinance—but with what result? Either the traffic officer is overstepping his authority or the mayor is putting on the soft pedal when it comes to fining those brought before him.

Mrs. Peter Andresen and children took their departure for Whittier, Calif., yesterday noon. Mr. Andresen had preceded them about a month. They will spend the coming winter in California and if they like the climate may decide to remain there permanently. In the departure of the Andresen family Denison loses some splendid citizens. Mr. Andresen has been instrumental in building up the residential portion of our city in that he has during the past few years erected a number of modern dwellings and his work and influence will be missed. And while many will regret their removal, the best wishes go with them to their new home.

The city officials are at last waking up to the gravity of the situation at the municipal light plant and they have secured the services of an expert electrician and engineer who now has complete charge of the plant. A Mr. Sheats of Omaha has been instrumental in making Monday to commence his duties. He comes highly recommended, having had years of experience in like work.

Rev. Rowland Philbrook, pastor of the Episcopal church at Rawlins, Wyo., occupied the pulpit of the Episcopal church in Denison Sunday morning and a large number of his old friends were present to enjoy the fine sermon he delivered. He proved himself an able and fluent speaker. His father, Dr. B. F. Philbrook, Miss Gwendolyn Taylor and two nieces accompanied him to Denison, making the trip by auto. They were entertained at dinner at the home of Mr. and Mrs. Carl F. Kuehnle.

## BREEDERS ASS'N MEETS SATURDAY

Crawford County Breeders' Association to Hold Meeting in Denison Next Saturday Afternoon

PREPARE FOR THE COUNTY FAIR

Many Questions of Importance to the Association to Come Up for Discussion at the Meeting

Crawford county breeders will hold a meeting in the court house at Denison next Saturday, August 14th, at 2 p. m. Pres. R. E. Brown, of the breeders' association, in calling this meeting states that there are several subjects of importance for the breeders to take up and that it is necessary to get the breeders together before state fair time.

The breeders intend to have a larger showing of livestock at the county fair this year than last, says Mr. Brown, and by meeting at this time entries may be made early and proper accommodations prepared at the fair grounds for the exhibit.

Another project for Saturday is livestock advertising for the coming season. At the breeders' annual meeting it was voted to publish another directory for 1920.

A different type of county advertising has been presented and before taking action the officers of the breeders' association want the opinion of all the members. Many of the prominent breeders of the county have expressed themselves as being against a lot of high priced advertising. The present pure bred sales system is too expensive for the good of the pure bred industry and the county breeders hope to work out a cheaper selling method.

The boys' and girls' pure bred sow and litter club has made a credible showing this year and the program for this kind of work for next year will be outlined by the breeders at the Saturday meeting. Arrangements will be made for holding the pig club sale for this fall. Every breeder in the county is invited to attend the meeting and take part in the discussion.

There are other projects of more or less general nature for Saturday, says Mr. Brown, and it is hoped that all the breeders of the county will attend and take part in the discussion. Mr. Brown believes that if the breeders would take a little more interest in pure bred livestock selling instead of leaving so much for the fieldmen there would be considerably more home buyers and consequently a better class of livestock on the farms.
