

MANY ATTEND TEACHERS' MEET

Inspirational Institute Held in Denison Last Thursday and Friday Proclaiming Most Profitable One in Years

LEADING INSTRUCTORS PRESENT

Program As Published Carried Out in Full—Eighty Directors and School Officers Held Meeting

The teachers' institute held in Denison Thursday and Friday was a great success and teachers in attendance proclaim it the best and most profitable institute ever held in the county. The attendance was exceptionally good, there being 70 present, 107 of them being town teachers and the remainder rural teachers, prospective teachers and parochial teachers. The program was carried out as published in last week's issue of the Review with but two or three slight changes. Meetings were held at the M. E. and Presbyterian churches, which afforded the best possible accommodations for the teachers.

Dr. Earnest Horn, of the department of education at Iowa City, gave the teachers some facts in regard to recent tests which have been made to determine the best methods of presentation of school work. His work was most instructive.

Mrs. Hattie Moore-Mitchell, dean of women of the State Normal school of Kansas, was present and delivered some very helpful talks. She is one of the noted lecturers and much in demand. She appeals to the individual teacher to make the most out of her work for the sake of the boys and girls of the community. Her talks for the many weeks were very good and teachers worked overtime securing copies of the helps.

Miss Clara Mae conducted the music classes and she was especially well liked by the teachers. She had a most pleasing way of presenting her work.

Prof. James McCrory, of the Omaha schools, delivered some good lectures. He told of the methods used in the selection of teachers which showed the recent trend of thought in this line of the superintendents' duties.

Prof. Fred D. Crum, of the Iowa State Teachers college, was not able to be present as planned on account of a wreck on the I. C. railway. He, however, was present for one lecture and all enjoyed his explanation of the principal differences of the two leading political parties. It was especially enjoyed by those teachers who will vote for the first time this fall.

Chas. F. Pye, secretary of the Iowa State Teachers' association, was present and he explained the value of this organization to the teachers of Crawford county.

The directors and officers meeting which was held Thursday evening was not as well attended as was hoped for, there being only about eighty in attendance. The short talks by Dr. Horn, Mr. Pye and the lecture by Mrs. Mitchell were to the point and in the interest of better schools.

The old Jack Welch building on North Main Street badly damaged by fire at 4 o'clock this afternoon.

The old Jack Welch building on North Main street was badly damaged at 4 o'clock this afternoon by fire and had it not been for the prompt action of the fire department the building would have been totally destroyed.

A gasoline stove in the rear of the building and in that portion occupied by E. Anderson, the tailor and cleaner, caused the fire. The whole rear end of the building was enveloped in flames almost instantly and it is believed the gasoline tank on the stove must have exploded. The fire seemed to be confined to the west end of the structure, very little damage being done to the east part.

E. Anderson occupies the south half of the building and his loss is considerable. Many of the clothes there for cleaning and pressing were removed but some were damaged by water.

The north half of the building is occupied by the Varlamos cigar and sundry store. Most of the merchandise was removed.

The building is the property of Geo. Lamberty who purchased it some two years ago with a view of erecting a business block for a clothing store.

RENDERING PLANT TRADED

The Denison rendering plant, located just north of the city, owned by E. L. Champion and Dr. J. J. Meehan, was traded on Monday of this week to Otto Knief, who took immediate possession. Messrs. Champion and Meehan took in on the deal a 200 acre farm located three miles northeast of Denison owned by Mr. Knief.

The rendering plant was built in Denison some two years ago by Mr. Champion and Dr. Meehan and operated successfully. It is located on a 10 acre tract and is well equipped with all of the latest machinery.

We understand that Mr. Knief will operate the plant, and the Champion premises moving onto the 200 acre farm next spring.

C. LUNDGREN DIES FRIDAY, OCT. 8

Swedish Citizen, Aged 82 Years, Dies at His Home in Denison, Suffering From Infirmities of Old Age

THE FUNERAL HELD ON MONDAY

Lived in Denison for the Last Thirty-three Years—Leaves a Widow and Five Children

Charles Lundgren, highly respected citizen of Denison, passed away at the family home here Friday, October 8th, at the ripe age of 82 years, 2 months and 8 days. Mr. Lundgren had been in failing health for some time, suffering from the infirmities of old age, and death came as a relief from his suffering.

The deceased was born at Yngua, Sweden, Aug. 1, 1838, where he spent the early years of his life, learning the carpenter trade, which continued to be his trade throughout his active career.

In 1862 he was married to Ellen Rosendahl, of his native town, and they continued to make their home in Sweden until they left to seek their well-being in America. It was in 1869 that they came with their four children to this country and settled at Galesburg, Ill. After almost ten years at Galesburg, they moved to Kookuk, where they lived for a time and then moved further west, becoming pioneers in Polk county, Nebraska.

Mr. Lundgren was forty miles away and the nearest neighbor thirty miles. For thirteen years they lived in Polk county near the place where the city of Galesburg now stands. For two years they resided in Lincoln and then moved to Denison, where Mr. Lundgren spent the last 33 years of his life.

The faithful wife passed away July 26, 1896, and two years later Mr. Lundgren was married to Matilda Carlson, who survives him.

To the first union nine children were born: John, Betty, Gus and Anna, in Sweden, and Joseph, Mary, Mattie, Samuel and Charles in this country. Of these four have passed on to their reward, Gus, Mary, Mattie and Charles. John and Joseph have died, and Mrs. Anna Montgomery, reside at Silver City, Neb. Samuel lives here in Denison and Mrs. Betty Peterson at Stromberg, Neb.

Mr. Lundgren became a devout Christian early in life and allied himself with the Dissenters in his native land. He became an exhorter and spent much time distributing literature and performing religious services. In fact for some time this was his main business before coming to this country.

In America he continued his ardent Christian work. He organized and served as pastor, for two years the First Baptist church at Stromberg, Neb. Mr. Lundgren was a devoted husband and father, a kind neighbor and a good citizen.

Funeral services were held Monday afternoon at 2:30 o'clock at the Baptist church in Denison, Rev. C. E. Hamilton officiating. Burial was in the cemetery of Kirou. Interment was made in Oakland cemetery.

DENISON LOSES TO BOONE

First Game of Season and High School Lost to Boone by Score of 41 to 0—Will Play Again Here Saturday

The high school football eleven lost their first game of the season last Saturday, when they journeyed down to Boone and played the high school team of that place. It was a one sided contest; the score being 41 to 0, but Coach Green was well pleased with the showing put up by Denison.

Boone had fourteen experienced men in uniforms and the game started with their three experienced men this season, but nevertheless they played a plucky game.

In the first quarter Boone scored four touchdowns, but did not tally in the second quarter, but in the third quarter managed to cross Denison's goal line for two more touchdowns. The Boone players easily outweighed Denison fifteen pounds to the man.

Coach Green states that Denison put up a fine exhibition in the second and last quarters. In the second quarter they rushed the ball down the field to within a few feet of Boone's goal line. The lineup for Saturday's game was: Coach, Servoss and Sutter, guards; Hawley and Smith, tackles; Saggau and Binkley, ends; Weiss, quarter; Buckley and Lorenzen, halves; Rollins, full back; Fleming, substituted for Sutter, Powl for Hennings and Benson for Powell.

On Saturday of this week the Denison team will play Harton on the local gridiron, the game starting promptly at 3 o'clock. This promises to be a good game and there should be a large crowd in attendance.
